ITEM 1.01 Entry into a Material Definitive Agreement

Agency Agreement

On February 6, 2013, Silver Bull Resources, Inc. (the “Company”) entered into an agency agreement (the “Agency Agreement”) with PI Financial Corp., Stifel Nicolaus Canada Inc. and Roth Capital Partners LLP (the “Agents”) relating to the issuance and sale (the “Offering”) of up to 22,750,000 shares (the “Shares”) of the Company’s common stock, par value \$0.01 per share (“Common Stock”), and warrants (the “Warrants”) to purchase up to 11,375,000 shares of Common Stock. The Shares and Warrants were sold in units (“Units”), with each Unit consisting of one share of Common Stock and half of a Warrant to purchase a share of Common Stock. The Warrants will be exercisable immediately at an exercise price of \$0.55 per share and will expire 18 months from the date of issuance. The shares of Common Stock and the Warrants are immediately separable and will be issued separately. The price to the public in this Offering is \$0.40 per Unit.

Under the terms of the Agency Agreement, the Agents agreed to conduct the Offering of the Units on a “best efforts” basis and the Company will pay the Agents cash commissions equal to 6.0% of the gross proceeds of the Offering, except for units sold to purchasers arranged by the Company (up to a maximum of \$2.5 million), on which the Agents will receive a 3.0% cash commission. The Company will also issue to the Agents compensation warrants equal in number to 6.0% of the aggregate number of Units issued under the Offering, except Units sold to purchasers arranged by the Company, on which the Agents will be issued warrants equal to 3.0% of the number of Units sold to such purchasers (to a maximum number of Units corresponding to gross proceeds of \$2.5 million). The Agents’ warrants issuable as compensation entitle the Agents to purchase one common share per warrant on the same terms and at the same exercise price as the warrants purchased in the Offering.

The Agency Agreement contains customary representations, warranties and covenants by the Company and the Agents. It also provides for customary indemnification by each of the Company and the Agents for certain losses or damages arising out of or in connection with the sale of the Shares and Warrants.

The foregoing description of the Agency Agreement is not complete and is qualified in its entirety by reference to the full text of the Agency Agreement, a copy of which is filed as Exhibit 1.1 to this report and is incorporated by reference herein.

The Offering is scheduled to close on or about February 14, 2013. The offering was made pursuant to the Company’s effective shelf registration statement on Form S-3 (No. 333-180143) previously filed with and declared effective by the Securities and Exchange Commission (the “SEC”), the accompanying prospectus and a prospectus supplement filed with the SEC.
