ITEM 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

(d) On June 14, 2011, the Company's Board of Directors (the "Board") elected Barbara DeBuono, M.D., M.P.H., and Peter Kissinger, Ph.D., to become members of the Board, effective July 1, 2011. Committee assignments have not been made at this time.

There were no arrangements or understandings between these new directors and any other persons, pursuant to which either individual was selected as a director.

The Company's previously disclosed compensation arrangement for non-employee directors who are elected at an annual meeting of shareholders is as follows:

1. \$18,000 in an annual retainer, in semi-annual installments.
2. On the date of the 2011 annual meeting of stockholders that directors are elected, they will receive stock options to acquire, subject to vesting as described below, 375,000 shares of the Company's common stock, with an exercise price equal to the market price on the date of the grant. Stock options to acquire 75,000 shares become exercisable on the date of grant, and options to acquire an additional 75,000 shares become exercisable on the date of each of the four succeeding annual meetings of stockholders if and to the extent that the non-employee director is reelected as a director at each such annual meeting.

Dr. DeBuono and Dr. Kissinger were elected by the Board to serve from July 1, 2011 until the next meeting of shareholders at which directors will be elected by the shareholders. They will be eligible for nomination and election at that time. In the interim, on the effective date of their election, July 1, 2011, each of them will receive a pro-rata number of stock options to acquire shares of the Company's common stock, with an exercise price equal to the market price on the date of the grant and which will become exercisable on the date of grant. The pro-rata number will be calculated based on the number of days from July 1, 2011 until the 2011 annual meeting divided by 365 days in the year times the 75,000 annual allotment described in 2 above. These options will be issued under the 2008 Stock Option Plan which was registered on Form S-8 filed with the SEC on June 19, 2008. On July 1, 2011, each of the directors also will receive a semi-annual installment of the annual retainer for non-employee directors.
