The information related to Lockhart Funding, LLC that is contained in Item 8.01 is incorporated into this item by reference.

Item 8.01 Other Items

Lockhart Funding

Due to ongoing disruptions in and contraction of the market for asset-backed commercial paper (“ABCP” or “CP”), on December 26 and 27 Zions First National Bank (“Zions Bank”) purchased \$840 million of U. S. Government agency-guaranteed and AAA-rated securities from Lockhart Funding, LLC (“Lockhart”) at a price equal to book value plus accrued and unpaid interest, and the amount of outstanding commercial paper issued by Lockhart was reduced by the same amount. These actions were taken pursuant to the Liquidity Agreement between Zions Bank and Lockhart (the “Liquidity Agreement”), which requires securities purchases in the absence of sufficient CP funding. Since the fair value of the assets purchased was less than their book value, a pretax write-down of approximately \$33 million (about \$0.19 per diluted common share after-tax) will be recorded in conjunction with the purchase of these securities.

On December 21, 2007, Fitch Ratings downgraded from “AAA” to “A-” a \$25 million REIT Collateralized Debt Obligation (“REIT CDOs”) held by Lockhart. Under the terms of the Liquidity Agreement, Zions Bank purchased this security at book value; a pretax write-down of approximately \$7 million (about \$0.04 per diluted common share after-tax) will be recorded in marking this security to fair value. The security continues to be rated “AAA” by the two other agencies which rate it.

After these purchases, total assets held and commercial paper issued by Lockhart are approximately \$2.1 billion. The current book value of these \$2.1 billion of assets exceeds their fair value by approximately \$22 million. Zions’ affiliates currently own approximately \$710 million of Lockhart’s CP. Lockhart is an off-balance sheet commercial paper conduit sponsored by Zions Bank. For further information on Lockhart and the Liquidity Agreement, refer to Zions Bancorporation’s most recent SEC Forms 10-K and 10-Q.

Available For Sale Securities

Due to a number of downgrades of REIT CDOs announced by Fitch Ratings on December 21, as well as additional recently released information regarding several underlying components of some REIT CDOs, Zions Bancorporation (“Zions” or “the Company”) has determined to add one additional REIT CDO to the list of REIT CDOs deemed to be Other Than Temporarily Impaired (“OTTI”) as announced on December 19, 2007. This additional security had an original book value of \$25 million and a Fitch rating of “A”. Fitch downgraded the security to “BB-”. This security is currently rated “A” by Standard & Poor’s. As required by GAAP for securities deemed OTTI, a pretax expense of approximately \$15 million (about \$0.08 per diluted common share after-tax) will be recognized in marking this security to fair value.

Other Comments

Combining the information in this announcement with the Form 8-K filed on December 19, 2007, the pretax charge for REIT CDOs deemed OTTI in the fourth quarter will be approximately \$109 million or \$0.60 per diluted common share after-tax. In addition, the pretax charge for securities purchased from Lockhart will be approximately \$49 million or \$0.28 per diluted common share after-tax.

Following these actions, Zions has REIT CDOs with a book value of approximately \$156 million, of which \$123 million has not been deemed OTTI. Additional information on the composition of the Available For Sale portfolio is found in Zions' most recent SEC Form 10-Q.
