The purposes for which the meeting is being held are:

1. To elect the members of the Board of Directors to serve until the next annual meeting of shareholders;
2. To approve the Markel Corporation Executive Bonus Plan;
3. To ratify the selection of KPMG LLP by the Audit Committee of the Board of Directors as the Company's independent registered public accounting firm for the year ending December 31, 2015; and
4. To transact such other business as may properly come before the meeting.

This year, we are again taking advantage of the Securities and Exchange Commission rule allowing shareholders to receive proxy materials over the Internet. We have mailed to most beneficial owners of our shares a notice of availability of proxy materials. Registered owners of our shares, owners of our shares through Company benefit plans and other shareholders who have requested paper copies of materials are receiving a copy of proxy materials by mail. In any case, it is important that your shares be represented and voted. Whether or not you expect to attend the meeting in person, you are requested to promptly vote and submit your proxy by phone, via the Internet, or, if you have received a printed copy of these proxy materials by mail, by signing, dating, and returning your proxy card in the envelope provided, on which no postage is needed if mailed in the United States.

A copy of the Company's Annual Report to Shareholders for the year ended December 31, 2014 is being mailed with this Notice and the Proxy Statement to shareholders receiving paper copies.

You are cordially invited to attend the meeting. Directions to attend the meeting may be obtained by writing Bruce Kay, Investor Relations, at 4521 Highwoods Parkway, Glen Allen, Virginia, 23060, or by calling (800) 446-6671.

PROXY STATEMENT
ANNUAL MEETING OF SHAREHOLDERS
TO BE HELD MAY 11, 2015

The accompanying proxy is solicited by the Board of Directors of Markel Corporation for use at the Annual Meeting of Shareholders of the Company to be held May 11, 2015, or any adjournments of the meeting, for the purposes set forth in this Proxy Statement and the attached Notice of Annual Meeting of Shareholders. A Notice of Internet Availability of Proxy Materials (the "E-Proxy Notice"), containing instructions on how to access this Proxy Statement and our Annual Report online, was mailed to some of the Company's shareholders on or about March 20, 2015. On that date, we also began mailing a full set of proxy materials to other shareholders, including those shareholders who had previously requested paper copies of our proxy materials.

If you received the E-Proxy Notice by mail, you will not automatically receive a printed copy of the proxy materials or the Annual Report to Shareholders. Instead, the E-Proxy Notice instructs you how you may access and review all of the important information contained in the proxy materials, including the Company's Annual Report to Shareholders. The E-Proxy Notice also instructs you how you may submit your proxy. If you would like to receive a printed copy of our proxy materials, including our Annual Report to Shareholders, you should follow the instructions for requesting such materials included in the E-Proxy Notice.

Record Date

The Board of Directors has fixed the close of business on March 4, 2015, as the record date for the determination of shareholders entitled to notice of and to vote at the meeting and any adjournments. Each holder of record of the Company's Common Stock, no par value (the "Common Stock"), on the record date will be entitled to one vote for each share registered in his or her name with respect to each matter properly brought before the meeting. As of the close of business on the record date, 13,902,950 shares of Common Stock were outstanding and entitled to vote at the meeting. A majority of the outstanding shares on the record date constitutes a quorum for the meeting. Abstentions and broker non-votes are counted in determining a quorum.

Solicitation

If sufficient proxies are not returned in response to this solicitation, supplementary solicitations may also be made by mail, telephone, electronic communication or personal interview by directors, officers and employees of the Company, none of whom will receive additional compensation for these services. The Company may retain an outside proxy solicitation firm to assist in the solicitation of proxies, but at this time does not have plans to do so. Costs of solicitation of proxies will be borne by the Company, which will reimburse banks, brokerage firms and other custodians, nominees and fiduciaries for reasonable out-of-pocket expenses incurred by them in forwarding proxy materials to the beneficial owners of shares held by them.

Proxies

The shares represented by all properly executed proxies received by the Secretary of the Company will be voted as set forth in the proxy. Any proxy may be revoked at any time before the shares to which it relates are voted, either by written notice (which may be in the form of a substitute proxy bearing a later date delivered to the secretary of the meeting) or by attending the meeting and voting in person.

Votes Required

Directors will be elected by a majority of the votes cast, unless the election is contested. A majority of votes cast means that the number of shares voted for a director exceeds the number of votes cast against the director. In a contested election, where the number of nominees for director exceeds the number of directors to be elected, directors are elected by a plurality of the votes cast. If there are more persons properly nominated for election than the number of available Board positions, then the nominees receiving the most votes will be elected for the available positions. Approval of the Markel Corporation Executive Bonus Plan requires the approval of a majority of the votes cast. The ratification of appointment of the Company's independent registered public accounting firm requires more votes in favor than votes against. Broker discretionary voting is permitted only for the proposed ratification of the selection of the Company's independent public registered accounting firm. Broker non-votes or abstentions will not be counted as a vote in favor or against any of the items presented.

ELECTION OF DIRECTORS

Nominees

Members of the Board of Directors will be elected at the meeting to serve until the next annual meeting of shareholders and the election and qualification of their successors. The Board of Directors currently consists of thirteen members.

All of the Company's current directors were elected by the shareholders at the 2014 Annual Meeting, except for Michael J. Schewel, who was elected by the Company's Board of Directors on February 24, 2015. All Board members attended the 2014 Annual Meeting (other than Mr. Schewel, who was not a Board member at the time of the 2014 Annual Meeting), and all are expected to attend the 2015 Annual Meeting, absent unusual circumstances.

Each of the nominees has consented to being named as a nominee in this Proxy Statement, has agreed to serve if elected, and has furnished to the Company the information set forth in the following table.

The Board of Directors recommends a vote FOR the election of the nominees named below. It is expected that each of the nominees will be able to serve, but if any nominee is unable to serve for any reason (which is not now anticipated), the Board of Directors will name a substitute nominee, and the proxies will vote for that person.

The Board of Directors believes that each nominee possesses integrity; leadership and policy making experience; the communication and interpersonal skills necessary to function effectively as a member of a decision-making body; and the ability to act in the best interests of the shareholders in order to serve the Company. In addition, the nominees collectively bring to the Board a combination of business and financial expertise, government or community service, and diversity of experience and of background to equip the Board to deal with the range of issues it must address.

Family Relationships

Anthony F. Markel and Steven A. Markel are first cousins.

Section 16(a) Beneficial Ownership Reporting Compliance

Due to inadvertent oversight, one report under Section 16(a) of the Securities Exchange Act of 1934 was not filed on a timely basis. The Company filed a late Form 4 on May 23, 2014 for Steven A. Markel to reflect the final distribution from a Grantor Retained Annuity Trust of 3,088 shares on May 20, 2014.

APPROVAL OF MARKEL CORPORATION EXECUTIVE BONUS PLAN

In 2005, Markel Corporation adopted an Executive Bonus Plan (the 2005 Plan) so that performance-based payments made under the 2005 Plan would not be subject to the deduction limit under Section 162(m) of the Internal Revenue Code of 1986, as amended (the Code). Section 162(m) imposes a \$1,000,000 limit on the amount of U.S. compensation that will be deductible for U.S. tax purposes by the Company with respect to each of the Chief Executive Officer and the three other most highly compensated executive officers, excluding the Chief Financial Officer. Performance-based compensation that meets certain requirements will not be subject to the deduction limit. The 2005 Plan had a ten year term and by its terms expired on January 1, 2015. In 2010, additional performance criteria under the 2005 Plan were approved by shareholders. On February 23, 2015, the Compensation Committee recommended, and the Board approved, modifying the 2005 Plan and submitting an amended and restated Executive Bonus Plan (the Plan) for shareholder approval so that future payments under the Plan may qualify for the performance-based exception to the 162(m) deduction limit. A copy of the Plan is attached as Appendix A.

Capitalized terms not defined below have the meanings set forth in the Plan.

A brief description of the Plan is set forth below.

Administration and Eligibility

The Plan is administered by a committee, which shall be appointed by the Board, consisting of not less than two members of the Board. The Board has delegated this responsibility to the Compensation Committee (the Committee). The Committee has the power and complete discretion to select eligible employees to receive awards and to determine the type of award and its terms and conditions. All present and future executive officers of the Company shall be eligible to receive Awards under the Plan. The Company currently has eight executive officers eligible for awards under the Plan.

Bonus Awards

Bonus awards are subject to the achievement of pre-established performance criteria and will be administered to comply with the requirements of Section 162(m). Performance Criteria under the Plan will relate to the following: (i) growth in book value; (ii) underwriting loss ratio; (iii) underwriting combined ratio; (iv) expense ratio; (v) revenue growth; (vi) comprehensive income and (vii) earnings before interest, taxes, depreciation and amortization (EBITDA) for any of the Company's non-insurance Subsidiaries, divisions or business units (collectively, Performance Criteria). This list expands the criteria approved by the shareholders in 2010 by adding items (vi) and (vii) above. The Committee will set target and maximum amounts payable under each performance award. The Participants in the Plan receive the appropriate payments at the end of the performance period if the performance goals (and other terms and conditions of the award) are met. Bonus awards will be payable in cash.

Under the 2005 Plan, the aggregate maximum cash amount payable under the plan to any employee in any year could not exceed the lesser of 250% of base salary or \$2,500,000. Under the terms of the Plan presented to our shareholders at this Annual Meeting, the aggregate maximum cash amount payable under the Plan to any employee in any year cannot exceed the lesser of 250% of base salary or \$3,500,000. Any performance award must be made before the 90th day of the period for which the performance award relates and before the completion of 25% of the period.

In addition, while the Plan caps incentive compensation paid to any individual, the Compensation Committee reserves the right to approve supplementary bonuses outside of the Plan in the case of growth in book value exceeding 20% or other special circumstances.

Modification of Plan and Awards

The Company's Board of Directors can amend or terminate the Plan at any time and in such respects as it shall deem advisable; provided that, (i) if and to the extent required by the Code, no change shall be made that changes the Performance Criteria, or materially increases the maximum potential benefits for Participants under the Plan, unless such change is authorized by the shareholders of the Company; and (ii) no change shall be made that accelerates the timing or payment of any Award under the Plan which is determined to constitute non-qualified deferred compensation within the meaning of Code section 409A. However, the Board can unilaterally amend the Plan and Awards as necessary and without shareholder approval to ensure that the Plan continues to comply with Code section 162(m) or Code section 409A.

New Plan Benefits

Subject to shareholder approval of the Plan, the Committee intends to make bonus awards to eight executive officers for 2015 performance subject to the achievement of certain pre-established performance criteria as described in the Grants of “Compensation Discussion and Analysis” below.

Vote Required

Approval of the Markel Corporation Executive Bonus Plan requires the approval of a majority of the votes cast.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THIS PROPOSAL.

SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS

KPMG LLP has been selected by the Audit Committee of the Board of Directors as the independent registered public accountants of the Company for the current fiscal year, subject to ratification by the shareholders. Representatives of KPMG LLP are expected to be present at the 2015 Annual Meeting, will have an opportunity to make a statement if they so desire and are expected to be available to respond to appropriate questions from shareholders. If the shareholders do not ratify the selection of KPMG LLP, the selection of another firm will be considered by the Audit Committee.

The Board of Directors recommends a vote FOR ratification of the selection of KPMG LLP as the Company's independent registered public accountants for the current fiscal year.

KPMG served as the independent registered public accountants for Alterra Capital Holdings Limited ("Alterra") before its acquisition by the Company in May 2013. Amounts paid to KPMG by Alterra before the acquisition are not included in the 2013 totals below.

Total Payments

Total payments by the Company to KPMG LLP for 2014 and 2013 were \$8,493,486 and \$8,768,215, respectively.

Further details are set forth below.

Audit Fees

The aggregate fees billed to the Company by KPMG LLP for audit services for 2014 and 2013 were \$6,691,386 and \$6,867,229, respectively.

Audit-Related Fees

The aggregate fees billed to the Company by KPMG LLP for audit-related services for 2014 and 2013 and not otherwise reported in the preceding paragraph, primarily for employee benefit plan and subsidiary audits, were \$622,100 and \$743,000, respectively.

Tax Fees

The aggregate fees billed to the Company by KPMG LLP for tax services for 2014 and 2013 were \$958,412 and \$1,070,986, respectively, primarily in both years for tax compliance, tax planning and tax consulting.

All Other Fees

The aggregate fees billed to the Company by KPMG LLP for all other services for 2014 and 2013 were \$221,588 and \$87,000, respectively. The nature of the services provided was primarily for due diligence and actuarial certifications and services in both years. The actuarial certifications and services provided by KPMG LLP consist primarily of providing actuarial opinions and summaries to regulatory authorities after the Company has determined the amount of reserves to be recorded in the financial statements.

Pre-approval of Services

The Audit Committee pre-approves all audit services and permitted non-audit services to be performed by KPMG LLP. The Audit Committee has delegated authority for pre-approval between meetings to one or more of its members, provided any decision to grant pre-approval is presented to the full committee at its next scheduled meeting.

ⁱ Includes 2,360 shares held by the spouse of an executive officer not named in the table, as to which beneficial ownership is disclaimed.

^j Based on a Schedule 13G dated January 23, 2015. Of the total shares, Baillie Gifford & Co. (Scottish Partnership) has sole voting power of 763,928 shares and sole dispositive power with respect to 924,556 shares.

^k Based on a Schedule 13G dated February 11, 2015. Of the total shares, The Vanguard Group (a Pennsylvania corporation) has sole voting power of 8,115 shares, sole dispositive power with respect to 794,675 shares and shared dispositive power with respect to 8,115 shares.

Policy on Hedging and Pledging of Company Stock

On February 19, 2013, the Board adopted a policy applicable to the Company's executive officers and directors prohibiting any future hedging of Company Common Stock through covered call, collar or other derivative transactions.

On the same date, the Board adopted a policy applicable to its executive officers and directors regarding the pledging of Company Common Stock. The policy initially prohibited the pledging by any one individual of shares of Company Common Stock in excess of one percent of the Company's outstanding common shares. On February 24, 2015, the Board amended the policy to reduce the percentage to 0.75%. In addition to this prohibition, the policy stipulates that shares of Company Common Stock received as compensation by executive officers and directors may not be pledged. Compliance with these policies will be reviewed by the Nominating/Corporate Governance Committee on an annual basis. Any shares pledged in violation of this policy will not be considered as "owned" for purposes of the Company's stock ownership guidelines.

On February 23, 2015, the Nominating/Corporate Governance Committee conducted a review of the policy and of the number of shares pledged by the Company's executive officers and directors, the number of the Company's outstanding shares and average trading volume. As of the date of its review, the Committee noted that Alan I. Kirshner, Anthony F. Markel, and Steven A. Markel had reduced the number of shares pledged since last year by 2,150, 20,000, and 10,000 shares, respectively. The Committee also acknowledged that as descendants of Sam Markel, who in the 1930s formed the company that Anthony F. Markel and Steven A. Markel would later take public in 1986, it is not surprising that a significant portion of their net worth is held in the form of Markel stock. As proud and committed long-term stock holders, it has been their preference to hold onto their Markel stock rather than sell it. Pledging has enabled them to unlock a portion of the value of their stock without having to sell it. Within the constraints set forth in the policy, the Committee affirmed its support of this approach. The Committee reviewed the outstanding pledge balances of each of the Company's executive officers and directors and confirmed their compliance

with the policy.

CORPORATE GOVERNANCE

Committees of the Board of Directors; Director Independence

The Board of Directors has adopted Corporate Governance Guidelines and written charters for the Audit Committee, Compensation Committee and Nominating/Corporate Governance Committee. Current copies of the Guidelines and the written charters for each of these committees are available to security holders on the Company's website, www.markelcorp.com.

The Board of Directors held four meetings in 2014. Each director attended at least 75% of the meetings of the Board and all committees on which he or she served during 2014.

The following table reflects the current membership and the chair of the Audit, Compensation and Nominating/Corporate Governance Committees.

	Audit	Compensation	Nominating/Corporate Governance
J. Alfred Broaddus, Jr.	Member		Chair
K. Bruce Connell	Member	Member	
Douglas C. Eby		Chair	Member
Stewart M. Kasen	Member	Member	
Lemuel E. Lewis	Chair		Member
Michael O'Reilly	Member		Member
Jay M. Weinberg		Member	Member
Debra J. Wilson	Member	Member	

The Board has determined that, of the current directors, Messrs. Broaddus, Connell, Eby, Kasen, Lewis, Martin, O'Reilly, Schewel and Weinberg and Ms. Wilson are each "independent" of management under applicable New York Stock Exchange ("NYSE") rules. Other than Mr. Martin, each of these directors is "independent" under categorical standards for determining independence adopted by the Nominating/Corporate Governance Committee. The Board has also determined that each member of the Audit, Compensation and Nominating/Corporate Governance Committees meets applicable NYSE independence standards for service on those committees.

Under the categorical standards adopted by the Nominating/Corporate Governance Committee, a director is considered independent without further Board determination if the director meets NYSE standards, unless:

The director or a member of his or her immediate family is or has been an employee of the Company within the past three years. Employment as an interim Chairman or Chief Executive Officer does not disqualify a director from being independent following that employment.

The director or a member of his or her immediate family has received, in any 12-month period within the past three years, more than \$120,000 in direct compensation from the Company other than director and committee fees and pension or other forms of deferred compensation.

The director is a current partner or employee of a firm that is the company's internal or external auditor; the director has an immediate family member who is a current partner of such a firm; the director has an immediate family member who is a current employee of such a firm and personally works on the listed company's audit; or the director or an immediate family member was within the last three years a partner or employee of such a firm and personally worked on the listed company's audit within that time.

The director or a member of his or her immediate family is, or within the past three years has been, employed as an executive officer of another company where any of the Company's present executive officers serve or served at the same time on that company's compensation committee.

The director is an employee, or a member of his or her immediate family is an executive officer, of a company that made payments to or received payments from the Company for property or services in an amount which, in any of the last three fiscal years, exceeds the greater of \$1,000,000 or 2% of such other company's consolidated gross revenues. The director is a director or trustee, or the director or a member of his or her immediate family is an executive officer, of a tax exempt organization which in any single fiscal year receives contributions from the Company in an amount greater than \$1,000,000.

The director or a member of his or her immediate family receives discounted goods or services from the Company if the value of such discount exceeds \$10,000 in any single fiscal year.

For these purposes, “immediate family” means a person’s spouse, parents, children, siblings, mothers and fathers-in-law, sons and daughters-in-law, brothers and sisters-in-law, and anyone (other than domestic employees) who shares the person’s home.

Mr. Martin was Chief Financial Officer of the Company from 1988 to 2005 and continued in a part-time advisory and consulting role from 2005 until he was elected to the Board effective October 1, 2009. Mr. Martin has not been employed by the Company for over five years. He has not been a Section 16 officer of the Company since 2005. He has a son employed by the Company as a Managing Executive. After consideration of all the relevant factors, including the length of time since Mr. Martin has been employed on a full-time basis and his son’s position with the Company, the Board, on recommendation of the Nominating/Corporate Governance Committee, has determined that Mr. Martin is “independent” for purposes of Board membership.

Mr. Schewel is a partner with the law firm of McGuireWoods LLP, which provides legal services to the Company. McGuireWoods LLP is one of a number of law firms engaged by the Company in the ordinary course of business. The Company has retained, and expects to continue retain, McGuireWoods LLP to provide legal services in 2015. During 2014, the Company paid McGuireWoods approximately \$877,000 for legal services, constituting less than 0.5% of McGuireWoods’ annual gross revenues. Mr. Schewel does not personally provide any legal services to the Company, nor is his compensation from McGuireWoods based on the services provided to the Company in any respect, except that as a partner he shares in the net profit of the firm.

Since 2006, Mr. Schewel has served as a board member for a medical device company whose shares are not listed for trading on a stock exchange or registered with the Securities and Exchange Commission. Markel holds a passive minority interest (8.36%), which was valued at approximately \$7.1 million at January 30, 2015, in the company. After consideration of all the relevant factors, including that Mr. Schewel has no material relationship with the Company that would prevent him from being independent under NYSE rules or the categorical standards adopted by the Nominating/Corporate Governance Committee, the Board, on recommendation of the Nominating/Corporate Governance Committee, has determined that Mr. Schewel is “independent” for purposes of Board membership.

Board Leadership Structure and Risk Oversight

Mr. Kirshner serves as Chairman of the Board and Chief Executive Officer of the Company, and has held both positions since the Company became a public company in 1986. The Board believes that this leadership structure has served, and continues to serve, the Company well, particularly given the emphasis that Mr. Kirshner has placed on open communication between management and the Board and the open access that independent directors have to other members of management. Over the longer term, the Board has no policy with respect to the separation of the offices of Chairman and Chief Executive Officer, believing that this issue will be part of the succession planning process in the future.

In May 2011, the Board adopted changes to the Company’s Corporate Governance Guidelines to provide for the designation of a Lead Director by the non-management directors, and Mr. Kasen was appointed as the Lead Director. The Lead Director presides at meetings of the non-management directors and is responsible for communicating to the Chief Executive Officer regarding the meetings.

The Audit Committee and the Board are principally responsible for monitoring risk management by the Company. Management regularly reports to the Audit Committee and the Board on litigation risks, underwriting risks, operating risks, reserving issues, investment risks, reinsurance and catastrophe risk management. Management also has established an enterprise risk management committee which reports on its activities to the Audit Committee or the Board at least annually. In addition, management reviews with the Compensation Committee the design of the Company’s incentive compensation programs to assist in evaluating whether the programs might encourage the taking of excessive or unnecessary risks in order to earn incentive compensation. The Board believes it would follow substantially similar procedures in administering its risk oversight function regardless of its leadership structure.

Executive Sessions

The non-management directors (all of whom are independent) meet in executive session without management at each regularly scheduled Board meeting and at such other times as the non-management directors deem appropriate.

Communications with Directors

Any security holder or other interested party wishing to communicate with the Board of Directors as a whole, the non-management directors or an individual director should write to “Board of Directors,” “Non-Management Directors” or the individual director in care of the Company Secretary at 4521 Highwoods Parkway, Glen Allen, Virginia, 23060. Communications from security holders or other interested parties addressed in this fashion will be sent directly to the Board of Directors, the non-management directors or the individual director, as applicable.

Compensation of Non-employee Directors

The following table sets forth compensation for the Company’s non-employee directors for 2014:

Name	Fees Earned or Paid in Cash (\$)	Stock Awards (\$)	All Other Compensation (\$)	Total (\$)
J. Alfred Broaddus, Jr.	\$60,000	\$100,153	\$10,000	\$170,153
K. Bruce Connell	\$60,000	\$100,153	\$11,654	\$171,807
Douglas C. Eby	\$60,000	\$100,153	\$0	\$160,153
Stewart M. Kasen	\$80,000	\$100,153	\$15,000	\$195,153
Lemuel E. Lewis	\$60,000	\$100,153	\$16,617	\$176,770
Darrell D. Martin	\$60,000	\$100,153	\$10,000	\$170,153
Michael O. Reilly	\$60,000	\$100,153	\$10,000	\$170,153
Jay M. Weinberg	\$60,000	\$100,153	\$11,617	\$171,770
Debora J. Wilson	\$60,000	\$100,153	\$16,617	\$176,770

Each non-employee director is paid an annual fee of \$60,000 and reimbursement of expenses incurred in connection with attending meetings. The Lead Director, Mr. Kasen, receives an additional annual retainer of \$20,000.

Non-employee directors also receive a grant of approximately \$100,000 in restricted stock annually, calculated based on the fair market value of the Company’s Common Stock on the grant date. In 2014, the Company matched up to \$15,000 in charitable contributions made by each non-employee director. All Other Compensation includes the following amounts representing matching gifts: Mr. Broaddus (\$10,000); Mr. Connell (\$10,000); Mr. Kasen (\$15,000); Mr. Lewis (\$10,000); Mr. Martin (\$10,000); Mr. O’Reilly (\$10,000); Mr. Weinberg (\$5,000); and Ms. Wilson (\$10,000).

Non-employee directors are also eligible to participate, up to the total amount of fees received by the director, in the Employee Stock Purchase and Bonus Plan (the “Stock Purchase Plan”). Participating directors receive Stock Bonus Awards in accordance with the terms of that plan equal to 10% of the net increase in shares purchased under the plan in a calendar year. Each of the following directors received bonus shares under the Stock Purchase Plan during 2014 with the purchase price for the bonus shares as indicated: Mr. Connell (\$1,654); Mr. Lewis (\$6,617); Mr. Weinberg (\$6,617); and Ms. Wilson (\$6,617).

The Company places a strong emphasis on equity ownership by executive officers and other members of senior management, and in 2012, it extended that philosophy to its Board of Directors by adopting stock ownership guidelines for non-employee directors. The guidelines require non-employee directors to acquire and maintain ownership of Common Stock with a value at least equal to five times the annual cash retainer paid, which would currently be an aggregate of \$300,000. All shares acquired under the Stock Purchase Plan count toward ownership requirements along with any restricted stock granted but not vested. Purchased shares are valued at the higher of cost to the director or market. All non-employee directors are expected to reach these minimum levels of ownership within five years of the later of the date of adoption of the guidelines, which was November 15, 2012, or the date of the director’s initial election to the Board. All non-employee directors meet the guideline requirements.

Audit Committee

The purpose of the Audit Committee is to assist the Board in fulfilling its oversight responsibilities with respect to: (i) the integrity of the Company's financial statements; (ii) the Company's compliance with legal and regulatory requirements; (iii) the independent auditors' qualifications and independence; and (iv) the performance of the independent auditors and the performance of the Company's internal audit function. In addition, the Committee provides an avenue for communication between the internal auditors, the independent auditors, financial management and the Board.

The Board of Directors has determined that the following members of the Audit Committee are "audit committee financial experts" as defined by Item 407(d) of Regulation S-K under the Exchange Act: Messrs. Broaddus, Kasen, Lewis and O'Reilly and Ms. Wilson and that Mr. Connell is financially literate. In making this determination, the Board considered, among other things, the experience described under "Election of Directors" above and other relevant experience as summarized below:

Mr. Broaddus - As President of the Federal Reserve Bank of Richmond for eleven years, he had ultimate oversight responsibility for financial and accounting officers preparing financial reports for the bank. A Ph.D. in economics, he spent over 34 years working for the Federal Reserve Bank. He serves or has served on the audit committees of two other publicly traded companies and has supplemented his experience with formal training in accounting issues for corporate directors.

Mr. Connell - As Executive Vice President and Group Underwriting Officer of XL Capital Ltd. as well as chief executive and underwriter at various subsidiaries and predecessors to XL Capital Ltd., Mr. Connell has thirty years experience of combined insurance and financial expertise.

Mr. Kasen - As Chief Executive Officer of several publicly traded companies, he has supervised the chief financial officer and/or other accounting personnel in connection with their preparation of financial statements for the companies. He also has served on the audit committee of other publicly traded companies and has had extensive experience as a private investor in reviewing and analyzing financial statements and periodic reports of numerous public and private businesses.

Mr. Lewis - He has over 30 years of business experience and served for over six years as Chief Financial Officer of Landmark Communications, Inc., a privately held media company, with responsibility for the preparation of the company's financial statements. In addition, he serves or has served as chairman of the board of directors and of the audit committee of the Federal Reserve Bank of Richmond and as a member of the audit committee of two other publicly traded companies.

Mr. O'Reilly - He has served as Chief Financial Officer of the Chubb Corporation for six years after having previously served as Chief Investment Officer. Mr. O'Reilly's combination of insurance and financial experience is a valuable asset to the Board.

Ms. Wilson - As President and Chief Executive Officer of The Weather Channel, she supervised financial and accounting personnel in connection with their preparation of the company's financial statements. She has also served as a member of the audit committee of two other publicly traded companies.

The Audit Committee held six meetings during 2014.

Compensation Committee

The Compensation Committee is appointed by the Board to review and approve corporate goals relevant to compensation for executive officers; evaluate executive officer performance and, in light of that performance, approve annual and long-term compensation; administer incentive stock plans; and approve or recommend executive incentive compensation plans and equity-based plans in which executive officers and members of the Board participate. The Committee also discusses succession planning with the Chief Executive Officer and other executive officers and periodically reports its views to the full Board.

The Compensation Committee has full authority over compensation of the executive officers of the Company. The Committee's authority is not delegated to any other person.

The Committee annually reviews and resets the compensation of the Company's executive officers taking into account, among other factors, years of service; level of experience; individual areas of responsibility; the annual rate of inflation; the Company's operating performance; and total compensation opportunities relative to compensation

opportunities of other members of management of the Company and its subsidiaries. The Committee considers recommendations from senior management in the course of its review.

The Committee has authority to retain, appoint, compensate and oversee the work of compensation advisers and require the Company to provide reasonable compensation to such advisers as determined by the Committee. Neither the Committee nor the Board has retained compensation consultants to assist it in determining the amount or form of compensation for executive officers or directors. When applicable, the Committee will conduct independence assessments of compensation advisers who provide advice to the Committee in accordance with the independence factors established by the New York Stock Exchange, as then in effect.

The Committee also reviews and assesses the compensation paid to members of the Board of Directors and recommends to the Board of Directors any changes the Committee believes are appropriate.

The Compensation Committee held four meetings and acted twice by unanimous written consent during 2014.

Nominating/Corporate Governance Committee

The Nominating/Corporate Governance Committee is appointed by the Board to identify individuals qualified to become Board members; assist the Board in reviewing the independence, skills and characteristics of Board members as well as the size and composition of the Board; recommend to the Board the director nominees for the next annual meeting of shareholders; recommend to the Board nominees for each committee of the Board; and oversee the governance of the Company, including recommending to the Board the Corporate Governance Guidelines for the Company.

While the Committee has not adopted minimum criteria, it considers several qualifications when considering candidates for the Board. The Committee seeks a mix of skills and experience on the part of Board members that will maximize the Board's effectiveness. Among attributes the Committee takes into account are: integrity; leadership and policy making experience; business and financial expertise; government or community service; diversity of experience and of background; and the ability to act in the best interests of all shareholders. None of the attributes is given any particular weight in selecting a candidate. The Committee does not have a policy with respect to director diversity, but considers diversity, in its broadest sense, in selecting candidates who have a mix of experiences and backgrounds that will enhance the quality of the Board's interactions and decisions. The Committee also seeks to have candidates with a diversity of backgrounds and experience that complement the backgrounds and experience of others on the Board. The Committee conducts an annual self-evaluation and has determined in connection with past self-evaluations that both its processes and the performance of its functions were appropriate.

Candidates should be committed to representing the long-term interests of all of the shareholders and should not have any interests which conflict with service with the Company. In addition, directors must be willing to devote sufficient time to carrying out their duties and responsibilities effectively, and should be committed to serve on the Board for an extended period of time.

The Committee will consider candidates recommended by shareholders for consideration as directors on the same basis it evaluates other candidates. Any shareholder wishing to recommend a nominee for consideration should write to the Chairman of the Nominating/Corporate Governance Committee in care of the Company Secretary at 4521 Highwoods Parkway, Glen Allen, Virginia, 23060.

The Nominating/Corporate Governance Committee held three meetings during 2014.

Code of Conduct

The Board of Directors has adopted a Code of Conduct which is applicable to all directors and associates, including executive officers. Review of Transactions with Related Persons

Under the Company's Code of Conduct, any potential conflict of interest that involves a director or executive officer must be approved by the Board of Directors or a designated committee. At this time, all such transactions are reviewed by the Board. In connection with the Board's review, the Board is advised of the material facts relating to the transaction and makes a determination whether it is in the best interests of the Company to engage in the transaction.

Certain Transactions

Mr. Kirshner's spouse and son-in-law are each employed by a Company subsidiary as Executive Producer and Managing Director, respectively. In 2014, total compensation to Mr. Kirshner's spouse was less than \$120,000. Total compensation paid to Mr. Kirshner's son-in-law in 2014 was approximately \$430,000.

Mr. Schewel is a partner with the law firm of McGuireWoods LLP, which provides legal services to the Company. During 2014, the Company paid McGuireWoods approximately \$877,000 for legal services, constituting less than 0.5% of McGuireWoods' annual gross revenues.

COMMITTEE REPORTS

Report of the Audit Committee

In performing its oversight role, the Audit Committee has reviewed and discussed the audited financial statements with management and KPMG LLP. The Audit Committee has also discussed with KPMG the matters required to be discussed by Public Company Accounting Oversight Board Auditing Standard No. 16, Communication with Audit Committees; has received the written disclosures and the letter from KPMG required by applicable requirements of the Public Company Accounting Oversight Board regarding KPMG's communications with the Audit Committee concerning independence; and has discussed KPMG's independence with KPMG. The Audit Committee has considered whether the provision of non-audit services (none of which related to financial information systems design and implementation) by KPMG is compatible with maintaining independence and has discussed with KPMG its independence. Based on the review and discussions described in this Report, and subject to the limitations on its role and responsibilities described below and in its charter, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2014.

The Audit Committee performs the oversight role assigned to it by the Board of Directors in its charter. Management is responsible for the preparation, presentation and integrity of the Company's financial statements, accounting and financial reporting principles, internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. The independent registered public accounting firm is responsible for performing an independent audit of the consolidated financial statements and internal control over financial reporting in accordance with standards of the Public Company Accounting Oversight Board and for attesting to the effectiveness of the Company's internal controls. The members of the Audit Committee are not accountants or auditors and rely without independent verification on the information provided to them and on the representations made by management and the independent registered public accounting firm. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that the Company's financial statements have been prepared in accordance with generally accepted accounting principles or that the audit of the Company's financial statements has been carried out in accordance with the standards of the Public Company Accounting Oversight Board (United States).

COMPENSATION DISCUSSION AND ANALYSIS

The Company focuses on a business model under which the combination of underwriting profits and investment returns (including earnings from non-insurance operations) builds shareholder value over the long term. This focus is reflected in the Company's compensation philosophy and programs. The Company's objective is for its associates, including the Company's executive officers, to earn reasonable base salaries and benefits, but have the opportunity to earn significant performance incentives based on underwriting profitability or growth in book value, which takes into account both the profits earned from underwriting operations and the earnings on the Company's investments. An additional feature is a strong emphasis on equity ownership, with the expectation that it will result in associates thinking and managing the Company's business like owners.

Compensation Philosophy

The Company's compensation philosophy is informed by our management philosophy. Our management style differs from many, if not most, other companies, so not surprisingly our compensation system does as well. All members of our management are expected to adhere to the Markel Style and the spirit of teamwork it embraces. Among other things, this involves trust and respect of the abilities of fellow decision makers within management. As opposed to a top-down culture, decisions are made collegially. On each subject, there will be an ultimate decision maker. It will not, however, be the same person for each decision. The decision maker is expected to listen and understand the perspectives of other members of management. At the same time, the whole group is expected to follow whatever decision is ultimately made.

Our overriding perspective is a long-term one, and correspondingly, we believe growth in book value per share over a multi-year period is the best measure for assessing how we are doing at running the Company and creating shareholder value.

Based on our management philosophy, there are compensation practices we follow in our effort to attract, motivate, reward and retain executive officers to run the Company. Because of our collegial leadership style, management compensation will be more tightly grouped than may be the case with other companies. Salaries of our executive officers should fairly reflect the level of responsibility and authority we expect them to assume. While we use various comparative data as a check on our decisions, we do not believe such data should drive compensation decisions. All our executive officers receive incentive compensation relative to their base salaries on an equivalent basis, and incentive compensation should comprise the vast majority of their target compensation. Consistent with our long-term perspective, we believe incentive compensation should be paid primarily on the basis of growth in book value over a multi-year period. We believe we should pay for performance in terms of absolute, not relative, performance. Zero incentive compensation has been, and should be, a real possibility.

The following discussion examines each of the key elements of compensation, how they are determined, and how they fit within the overall compensation structure.

Base Salary and Benefits

In general, base salary levels for executive officers are set by the Compensation Committee of the Board of Directors at levels believed to be sufficient to attract and retain qualified executives when considered with other components of the Company's compensation structure. The Compensation Committee has not retained a compensation consultant to assist it in determining appropriate compensation levels and has not engaged in any formal benchmarking processes. The Committee has instead relied on the general knowledge, experience and good judgment of its members, both with regard to competitive compensation levels and the relative success that has been achieved by the Company, as well as information available to the members of the Committee from sources both within and outside the Company. In addition, the Committee takes into account: years of service; level of experience; individual areas of responsibility; the annual rate of inflation; the Company's operating performance; and total compensation opportunities relative to compensation opportunities of other members of management of the Company and its subsidiaries. Because of the significant incentive opportunities available to managers of the Company's subsidiaries based on underwriting performance, the Committee also evaluates total compensation to executive officers to ensure overall fairness. The Company's executive officers are led by the Office of the Chairman, with Alan I. Kirshner as Chairman and Chief Executive Officer, and Anthony F. Markel and Steven A. Markel as Vice Chairmen. Reporting to them is a three-member Office of the President. Thomas S. Gayner is President and Chief Investment Officer, while F. Michael Crowley and Richard R. Whitt, III are each President and Co-Chief Operating Officer. Other executive officers are:

Anne G. Waleski, Chief Financial Officer; Gerard Albanese, Jr., Chief Underwriting Officer; Bradley J. Kiscaden, Chief Actuarial Officer; and Britton L. Glisson, Chief Administrative Officer and President, Global Insurance. During 2014, no changes were made to the annual base salaries of the Company's named executive officers except Ms. Waleski. In May 2014, the Compensation Committee approved a salary increase for Ms. Waleski of \$75,000 which brought

her annual base salary to \$500,000 effective June 1 in recognition of the extent of her responsibilities and contributions to the Company as well as her promotion to Executive Vice President.

The Company offers a competitive package of employee retirement and welfare benefits, in which executive officers participate on the same basis as other salaried associates. The Company's Retirement Savings Plan is a defined contribution plan qualified under Sections 401(a) and 401(k) of the Internal Revenue Code of 1986 (the "Code"). Each of the executive officers participated in the plan in 2014 and received the maximum Company contribution under the plan (\$23,400) for the year. There is no supplemental benefit plan for executive officers with respect to the Retirement Savings Plan or any employee welfare plan.

The Company also offers the Stock Purchase Plan to encourage stock ownership by our associates. If an associate (including an executive officer) purchases shares at fair market value under the Stock Purchase Plan, the Company pays an annual stock bonus of ten percent of the associate's net increase in shares under the Stock Purchase Plan for the year.

Incentive Compensation

The Company's incentive compensation program for executive officers generally consists of two elements—cash incentive compensation paid under the Executive Bonus Plan and Restricted Stock Units issued either under the 2012 Equity Incentive Compensation Plan or, before April 1, 2012, the Omnibus Incentive Plan. All executive officers participate in the Executive Bonus Plan. All executive officers other than Steven A. Markel and Anthony F. Markel were also eligible to receive Restricted Stock Units for 2014. Steven A. Markel and Anthony F. Markel (and, until 2012, Mr. Kirshner) have not participated in either the 2012 Equity Incentive Compensation Plan or the Omnibus Incentive Plan at their request because of both the substantial ownership of Common Stock they already have and their belief that the benefits of Restricted Stock Unit awards to the Company and to the individuals involved were more significant in the case of other members of management. The lack of participation by these executive officers in these plans has not been reflected in higher bonus opportunities under the Executive Bonus Plan. In 2012, the Compensation Committee decided that Mr. Kirshner should become eligible to receive Restricted Stock Units so that his overall compensation would be more competitive with that of other chief executive officers.

Awards to executive officers under the Executive Bonus Plan, the 2012 Equity Incentive Compensation Plan and the Omnibus Incentive Plan have generally been subject to the achievement of pre-established performance goals. The principal performance measure used in both plans for 2014 was the same—growth in book value over the past five year period.

Growth in book value over a period of several years is used as the primary performance goal under the plans based on a belief that consistent increases in book value will enhance the value of the Company and will, over time, benefit shareholders through higher stock prices. The five-year measurement period provides balance between line of sight for actions currently being taken and a long-term perspective in managing the Company's operations. In addition, using a longer-term measurement period does not encourage the taking of excessive or unnecessary risks in order to earn incentive compensation. We believe using this metric to reward executive performance has appropriately and successfully focused the attention and efforts of our executives on long-term performance for the ultimate benefit of our shareholders.

Book value calculations may be modified by the Compensation Committee to reflect transactions not in the ordinary course which may affect book value including, but not limited to, share issuances or conversions, share repurchases, dividends, and capital or other transactions affecting book value. The principal adjustments to the calculation of book value that have been made for 2014 are to eliminate the effect of all transaction-related, non-recurring changes in book value arising from the acquisition of Alterra as well as share repurchases by the Company. In March 2014, the Compensation Committee approved a change in the calculation of the growth in book value from compound growth in book value to a straight average growth in book value to more closely approximate the internal rate of return calculation for the period while at the same time muting the accretive impact of the share issuance relating to the Company's acquisition of Alterra in 2013.

In March 2014, the Compensation Committee also modified the grid used to determine the payouts made to executive officers under both plans to more adequately incentivize and reward (if targets were achieved) the executives for incremental performance achievements recognizing the increased value to shareholders of such incremental

achievements in a much larger Company, particularly in a low interest rate environment. The Compensation Committee acknowledged that as circumstances within the Company or the broader economy warranted, the measures used to evaluate performance set forth in the grid would be subject to reassessment. In 2014, in the case of all named executive officers, the sole performance measure was the five-year straight average of growth in book value. As illustrated in the discussion below and in the tabular and other information under “Executive Compensation,” all executive officers have the potential to receive a majority of their total compensation in the form of incentive compensation. Moreover, if the Company achieves excellent performance over a multi-year period, a substantial majority (up to 80% for the named executive officers) of their total compensation would be in the form of incentive compensation. While the Company believes it is important to provide incentive compensation at these levels, it believes it is also important to require sustained performance to achieve maximum payouts.

Executive Bonus Plan

An Executive Bonus Plan was approved by shareholders in 2005 (the 2005 Plan), and performance criteria under the plan were reapproved in 2010. An amended and restated Markel Corporation Executive Bonus Plan is up for approval by shareholders at this Annual Meeting of Shareholders. See pages 5-6 for a description of the plan.

The plan is administered by the Compensation Committee. The Compensation Committee has the power and complete discretion to select eligible employees to receive awards and to determine the type of award and its terms and conditions. Executive officers of the Company who the Compensation Committee determines have contributed or who can be expected to contribute significantly to the Company are eligible to receive awards under the plan.

The plan is designed so that payments may qualify for the performance-based exception to the \$1,000,000 deduction limit under Section 162(m) of the Code. Awards are subject to the achievement of pre-established performance goals and are administered to comply with the requirements of Section 162(m).

As discussed above, performance goals for 2014 primarily related to growth in book value. The Compensation Committee sets the amounts payable under each performance award. For each of the named executive officers, the scale currently used for bonus awards based on growth in book value is set forth under "Non-Equity Incentive Plan Awards" on page 24. The executive receives the appropriate payment at the end of the performance period if the performance goals and other terms and conditions of the award are met. Awards are payable in cash. Under the 2005 Plan, the aggregate maximum cash amount payable under the plan to any employee in any year could not exceed the lesser of 250% of base salary or \$2,500,000. Under the terms of the plan presented to our shareholders at this Annual Meeting, the aggregate maximum cash amount payable under the plan to any employee in any year cannot exceed the lesser of 250% of base salary or \$3,500,000. Any performance award must be made before the 90th day of the period for which the performance award relates and before the completion of 25% of the period.

In addition, while the Executive Bonus Plan caps incentive compensation paid to any individual, the Compensation Committee reserves the right to approve supplementary bonuses outside of the Executive Bonus Plan in the case of growth in book value exceeding 20% or other special circumstances.

2012 Equity Incentive Compensation Plan

The Compensation Committee approved performance-based Restricted Stock Unit awards in March 2014 for the named executive officers, as well as other members of management of the Company and its subsidiaries, under the Company's 2012 Equity Incentive Compensation Plan. Under the awards, Restricted Stock Units, expressed in dollars as a percentage of base salary, could be granted based on growth in book value. Each Restricted Stock Unit represents the right to receive one share of Common Stock. The table on page 25 under "Stock Awards" shows the potential value of Restricted Stock Unit grants under the awards, expressed as a percentage of base salary. Awards of Restricted Stock Units are generally administered as performance grants, designed so that payments may qualify for the performance-based exception to the \$1,000,000 deduction limit under Section 162(m). After a Restricted Stock Unit is granted, the Restricted Stock Unit is subject to a vesting schedule, usually cliff vesting after a multi-year period. For performance grants of Restricted Stock Units made in 2014 the Compensation Committee approved a reduction in the previously used cliff schedule of five years to three years to facilitate the incorporation of the legacy Alterra employees into the Company's existing compensation plans. We also have observed the length of this vesting period to be more consistent with industry practice. The named executive officers have the potential to earn equal amounts of incentive compensation in the form of cash and Restricted Stock Units. Paying a substantial portion of incentive compensation in Restricted Stock Units has the advantage of both increasing the executive officers' equity ownership in the Company (which is aligned with the Company's emphasis on equity ownership by associates) and furnishing a retention incentive (i.e., the executive officer must remain employed by the Company in order to be assured of vesting in the stock).

The 2012 Equity Incentive Plan does not allow for stock options.

Payouts for 2014 Performance

The five-year straight average of the growth in book value from January 1, 2010 through December 31, 2014, adjusted as described above, was 13%. According to the terms of the awards, this would result in payouts to Messrs. Kirshner, Crowley, Gayner and Whitt and Ms. Waleski for 2014 performance equal to 125% of base salary, with a corresponding issuance of performance-based Restricted Stock Unit awards under the 2012 Equity Incentive Compensation Plan. No discretionary bonuses were granted to any of the Company's named executive officers for

2014 Performance.

Retention Awards

For recruitment and retention purposes, grants of Restricted Stock Units have been made under the 2012 Equity Incentive Compensation Plan, or the Omnibus Incentive Plan, from time to time as circumstances warrant. No retention awards were made in 2014 to any of the Company's named executive officers.

19

Stock Ownership Guidelines

The Company places a strong emphasis on equity ownership by executive officers and other members of senior management. The Board of Directors has adopted stock ownership guidelines that require executive officers to acquire and maintain ownership of Common Stock with a value at least equal to five times base salary and other members of senior management to acquire and maintain ownership of Common Stock with a value at least equal to two or three times base salary, depending on position. Restricted Stock Units subject to vesting requirements are counted as owned shares for purposes of the guidelines. Newly hired or newly promoted executives are expected to reach these minimum levels of ownership within five years. Shares as to which the economic risks of ownership are hedged are not considered “owned” for this purpose. All persons who were executive officers in 2014 currently meet or exceed these guidelines.

Perquisites

The Company provides limited perquisites to its executive officers. In 2014, each of the named executive officers received less than \$10,000 in perquisites and personal benefits.

Employment Agreements

The Company has entered into employment agreements with each of its executive officers. The material terms of these agreements and the severance benefits payable under various scenarios are described under the heading “Potential Payments Upon Termination or Change in Control.”

Each of the employment agreements provides assurances to the Company with regard to the availability of the executive’s services, provides protection for the Company’s confidential information and trade secrets, and restricts the ability of the executive officers to compete with the Company during their employment and after its termination. In return, the executive officers are provided assurances with regard to salary, other compensation and benefits, as well as severance benefits if their employment is terminated by the Company other than for “cause.” For this purpose, “cause” includes neglect of duties; willful misconduct; conduct that may result in material injury to the reputation of the Company; active disloyalty; inability to maintain or obtain required regulatory approvals; or breach of obligations relating to confidential information, trade secrets or restrictions on competing with the Company.

In addition, Messrs. Crowley, Gayner and Whitt and Ms. Waleski are provided additional assurances following a Change in Control. In such a situation, they would receive enhanced severance benefits, but only if their employment were terminated without cause or if they chose to terminate their employment for “Good Reason.” See “Potential Payments Upon Termination or Change in Control” for a description of the benefits payable and for definitions of these terms. This additional “double trigger” protection has been provided to Messrs. Crowley, Gayner and Whitt and Ms. Waleski because they are considered more vulnerable in a Change in Control context due to their positions with the Company, their relative levels of equity ownership and the stage of their careers. The employment agreement for Mr. Kirshner does not include additional Change in Control protections because they are not perceived to be necessary in his case.

None of the employment agreements with the Company’s executive officers include provisions for tax gross-ups, in respect of the “parachute payment” tax imposed by Section 280G of the Code or otherwise.

Tax and Accounting Treatment

Section 162(m) of the Code imposes a \$1,000,000 limit on the amount of U. S. compensation that will be deductible for U. S. tax purposes by the Company with respect to each of the Chief Executive Officer and the three other most highly compensated executive officers (other than the Chief Financial Officer). Performance-based compensation that meets certain requirements will not be subject to the deduction limit. Annual Restricted Stock Unit awards and cash incentive payments under the Executive Bonus Plan are designed to meet their requirements. The Compensation Committee retains discretion to make bonus payments or to award grants that will count against the \$1,000,000 limit. The Compensation Committee will continue to monitor the impact of the Section 162(m) limit and will attempt to minimize the loss of tax deductions in future years as long as doing so is consistent with its objectives for management compensation.

Compensation expense with respect to Restricted Stock Units under the 2012 Equity Incentive Compensation Plan and the Omnibus Incentive Plan is fixed for accounting purposes based on the fair value of the award at the grant date, i.e., the date on which the Compensation Committee determines the number of Restricted Stock Units to be awarded. The compensation expense is recognized over the period ending when the awards vest.

Clawback Policy

In February 2013, the Board approved the adoption of the Markel Clawback Policy. If financial results filed with the Securities and Exchange Commission are restated due to material non-compliance resulting from fraud or intentional

20

misconduct, the Board of Directors or an independent Board committee will review performance-based compensation paid to executive officers who are found to be personally responsible for the fraud or intentional misconduct that caused the need for the restatement. To the extent permitted by applicable law, the Board of Directors or an independent Board committee will seek, as it deems appropriate, the recovery on behalf of the Company of any performance-based compensation paid to executive officers whose conduct directly caused the need for restatement. The foregoing will be in addition to seeking any amounts the chief executive officer and chief financial officer may be required to repay under applicable laws.

This Clawback Policy will be reviewed once final rules regarding clawback requirements are released under the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 and will be amended in order to comply with such requirements and any other “clawback” provisions required by law or the listing standards of the NYSE.

Say on Pay and Say on Frequency Votes

At the 2014 Annual Meeting of Shareholders, more than 91 percent of the votes cast approved the Company’s executive compensation program. A majority of the votes cast at the 2011 Annual Meeting of Shareholders also favored holding a non-binding shareholder advisory vote on the compensation of executives as required by Section 14A(a)(2) of the Securities Exchange Act of 1934 once every three years. The next time both of these items are required to be voted on is in 2017.

In accordance with applicable rules of the Securities and Exchange Commission, the Summary Compensation Table omits information regarding group life, health, hospitalization and medical reimbursement plans that do not discriminate in scope, terms or operation in favor of executive officers or directors and that are available generally to all salaried employees.

Amounts shown under "Bonus" represent discretionary cash incentive compensation paid to the named individuals for 2013 and 2012.

Amounts shown under "Stock Awards" fall into one of three categories. The amounts represent the fair value of the awards determined at the time of grant and recognized by the Company for financial reporting purposes under FASB ASC Topic 718, Compensation-Stock Compensation:

Restricted Stock Units awarded based on the achievement of performance goals.

Additional Restricted Stock Units awarded in 2014 and 2013 for 2013 and 2012 performance, respectively, on the same terms as those awarded for achievement of performance goals.

In May 2013, Messrs. Kirshner, Crowley, Gayner and Whitt each received a grant of 3,805 Restricted Stock Units, and Ms. Waleski received a grant of 1,427 Restricted Stock Units. For each of these grants, the Restricted Stock units are scheduled to vest on May 13, 2016, subject to certain conditions and with pro rata vesting in the case of death or disability.

Non-Equity Incentive Plan Compensation consists of amounts paid under the Company's Executive Bonus Plan. See "Grants of Plan-Based Awards—Non-Equity Incentive Plan Awards" for a discussion of these payments and to compare amounts actually paid out as reflected in the Summary Compensation Table with potential payouts at various performance levels.

All Other Compensation for 2014 includes the following: The Company's contributions under the Company's Retirement Savings (401(k)) Plan in the amount of \$23,400 for each person named in the Summary Compensation Table.

Each of the named executive officers received less than \$10,000 in perquisites and personal benefits in 2014.

The Executive Bonus Plan caps awards at 250% of base salary, which is the amount shown under the “Maximum” column. The Committee reserves the right to reduce the maximum amount payable in its discretion. The Compensation Committee reserves the right to approve supplementary bonuses outside of the Plan in the case of growth in book value exceeding 20% or in other special circumstances.

When targets are set for performance-based awards, potential awards are expressed as a percentage of salary (with the reference amount being base salary at year end). The number of units awarded is determined by dividing the **dollar amount by the fair market value of Common Stock on the date that the Compensation Committee certifies that the performance goals have been met. Awards in excess of 200% of base salary may be made at the discretion of the Compensation Committee outside of the Plan.

This table shows all grants of awards under the Company’s incentive plans made during 2014. The “Grant Date Fair Value of Stock Awards” column shows the fair value of awards actually made in or for 2014 for financial reporting purposes. The remaining columns represent compensation that was potentially payable for 2014.

Amounts shown in the “Non-Equity Incentive Plan Awards” and “Equity Incentive Plan Awards” columns for all executive officers reflect potential payouts for 2014 to each executive officer at threshold, target and maximum performance levels. To compare these potential payouts with amounts actually paid, see the discussion below under “Non-Equity Incentive Plan Awards” and “Stock Awards.”

The awards shown for the named individuals dated 2/23/2015 under “All Other Stock Awards” represent the actual payout made in 2015 for 2014 performance.

Non-Equity Incentive Plan Awards

For 2014, all named executive officers were eligible to receive awards under the Company's Executive Bonus Plan, expressed as a percentage of year-end base salary. In the case of Messrs. Kirshner, Crowley, Gayner and Whitt and Ms. Waleski, awards were based on the five-year straight average of the growth in book value of Common Stock as reflected in the schedule below. The five-year straight average of the growth in book value for the period ending December 31, 2014 was 13%, yielding an incentive payout of 125% of target. To eliminate the substantial accretion to book value per share resulting from the Alterra acquisition in 2013, the Compensation Committee approved in 2014, the calculation of growth in book value using a straight average annual growth in book value for the 2010-2014 years, as adjusted (15.55% for 2010; 8.32% for 2011; 14.22% for 2012; 13.25% for 2013; and 14.42% for 2014).

No discretionary awards were made to any of the named executive officers for 2014.

Stock Awards

For 2014, the Compensation Committee also approved performance-based Restricted Stock Unit awards for the named executive officers under the 2012 Equity Incentive Plan. Each unit represents the right to receive one share of Common Stock. The schedule below shows potential Restricted Stock Unit grants under the awards for Messrs. Kirshner, Crowley, Gayner and Whitt and Ms. Waleski, expressed as a percentage of year-end base salary. Potential awards were based on growth in book value for the period from January 1, 2010 to December 31, 2014. See “Outstanding Equity Awards at Fiscal Year-End” for additional information on vesting. The five-year straight average growth in book value was 13%. To eliminate the substantial accretion to book value per share resulting from the Alterra acquisition in 2013, the Compensation Committee approved in 2014, the calculation of growth in book value using a straight average annual growth in book value for the 2010-2014 years, as adjusted (15.55% for 2010; 8.32% for 2011; 14.22% for 2012; 13.25% for 2013; and 14.42% for 2014).

OUTSTANDING EQUITY AWARDS AT FISCAL YEAR-END

Richard R. Whitt, III	10,011	\$6,835,911
Anne G. Waleski	4,650	\$3,175,206

The stock awards reflected in the table are Restricted Stock Units granted under the Company's 2012 Equity Incentive Plan and Omnibus Incentive Plan.

For each of Messrs. Crowley, Gayner and Whitt, 2,224 units relate to retention awards made in May 2010. Twenty percent of the units vested after one year, and the balance after five years, assuming continued employment with the Company in each case, with pro rata vesting in case of death, disability or retirement. Shares were issued in respect of the initial 20% of the units after vesting. The remaining shares will be issued only following termination of employment, except that issuance may occur earlier if designated share price targets are attained. Violation of non-competition agreements contained in the award agreement may result in cancellation of the award, even after vesting.

For each of Messrs. Kirshner, Crowley, Gayner and Whitt and Ms. Waleski the number of shares also includes Restricted Stock Units awarded for performance in 2010, 2011, 2012 and 2013. The units awarded for performance in 2010 will vest in December 2015 (1,673 units for Mr. Crowley, 1,071 units for each Mr. Gayner and Mr. Whitt and 282 units for Ms. Waleski). The units awarded for performance in 2011 will vest in December 2016 (1,684 units for Mr. Crowley). The units awarded for performance in 2012 will vest in December 2017 (1,417 units for Mr. Kirshner, 1,118 units for Mr. Crowley, 1,267 units for each Mr. Gayner and Mr. Whitt, and 760 units for Ms. Waleski). The units awarded for performance in 2013 will vest in December 2018 (1,973 units for Mr. Kirshner, 1,644 units for each Messrs. Crowley, Gayner and Whitt, and 931 units for Ms. Waleski). Early vesting, in whole or in part, may occur upon death, disability, retirement, following a change in control and job loss or if the Compensation Committee determines the executive had an approved termination of employment. Even upon early vesting, the shares will generally not be issued until the end of the applicable period. The awards and shares received under them may be subject to forfeiture and/or partial recapture if: (i) the executive is terminated for cause; (ii) the executive becomes associated with a business that competes with the Company; or (iii) the Committee determines the executive has engaged in conduct detrimental to the interests of the Company.

Ms. Waleski was granted 1,250 Restricted Stock Units in May 2011, 50% of which will vest in May 2015 and the remainder of which will vest in May 2016, subject to continued employment.

In May 2013, Restricted Stock Units were awarded to each of the named executive officers for retention purposes relating to the Alterra acquisition in May 2013 (3,805 units for each Messrs. Kirshner, Crowley, Gayner and Whitt, and 1,472 for Ms. Waleski). Subject to certain conditions, the awards made in May 2013 will vest in May 2016, with pro rata vesting in the event of death or disability.

Holders of Restricted Stock Units are not entitled to receive any dividends before vesting and issuance of the shares underlying the units.

Values are based on the closing price of shares of Common Stock on December 31, 2014 (\$682.84 per share).

Thomas S. Gayner	\$0	\$651,836	\$0	\$4,342,862

Mr. Gayner has deferred receipt of shares issuable in respect to Restricted Stock Units that vested in 2012 and prior years. The aggregate number of deferred shares at December 31, 2014 was 6,360, which are valued based on the closing price of shares of Common Stock on December 31, 2014 (\$682.84 per share). The deferred shares will be distributed based on Mr. Gayner's elections.

POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE IN CONTROL

The Company has entered into an employment agreement with Mr. Kirshner which provides for his employment as an executive officer. The agreement has an initial term of one year and is automatically renewed for additional terms of one year unless either party gives 90 days notice of non-renewal. If the Company chooses not to renew, the Company will be deemed to have terminated his employment without cause.

Under the terms of his employment agreement, Mr. Kirshner has agreed to preserve the confidentiality of the Company's proprietary data and has also agreed not to compete with the Company for a period of 24 months following termination. Upon his death or disability, the Company will continue to pay his base salary for twelve months. If the agreement is terminated by the Company for cause or voluntarily by Mr. Kirshner, the Company's obligations under the agreement will terminate. If the agreement is terminated by the Company without cause, the Company will pay Mr. Kirshner his base salary and provide continuing benefits for 24 months from the date of termination (beginning six months after termination if certain provisions of Section 409A of the Code apply). In addition, subject to compliance with the covenants in his employment agreement regarding confidentiality and non-competition, at the end of the 24-month period, Mr. Kirshner will be entitled to receive a lump sum payment equal to twice the amount of bonus, if any, paid to him for the calendar year preceding the year in which termination occurs. The agreement also provides for annual salary reviews, bonuses by the Board of Directors, five weeks of annual vacation and participation in health, 401(k) and other benefit plans available to all U.S. employees.

The Company has entered into similar agreements with Messrs. Crowley, Gayner and Whitt and Ms. Waleski, with differences principally in the duration of the non-competition provision (which extends for twelve months) and in termination compensation.

These agreements provide for the payment of salary and benefits for twelve months if the executive's employment is terminated without cause or, following a Change in Control, the executive voluntarily terminates employment for Good Reason. Following a Change in Control, in the case of either termination without cause or voluntary termination for Good Reason but subject to compliance with the covenants in the employment agreement regarding confidentiality and non-competition, the executive will also be entitled to receive a lump sum payment at the end of the 12-month period equal to the amount of bonus, if any, paid to the executive for the calendar year preceding the year in which termination occurs.

For these purposes "Good Reason" means a material decrease in the executive's base salary; a material reduction in duties or responsibilities; a material breach of the agreement by the Company; or a change by more than 50 miles in the location from which the executive is expected to perform the executive's duties.

"Change in Control" means generally the liquidation or dissolution of the Company; the acquisition of 20% or more of the Company's outstanding shares; a business combination involving the Company; or a change in a majority of the incumbent Board of Directors of the Company, in each case unless the owners of 50% or more of the Company's outstanding voting securities before the transaction remain the owners of 50% or more of the outstanding voting securities of the Company or other resulting entity following a transaction.

The estimated payments and benefits that would be provided upon termination under the various scenarios set forth above are quantified in the following table, assuming termination of employment took place on December 31, 2014. If the executive breached the covenants in the executive's employment agreement regarding competition or confidential information, the Company would not be obligated to continue making payments.

* If Messrs. Crowley, Gayner or Whitt or Ms. Waleski were terminated without cause following a Change in Control, they would receive payments as described in this column.

As of December 31, 2014, Messrs. Kirshner, Crowley, Gayner and Whitt and Ms. Waleski had received Restricted Stock Unit awards under the Company's 2012 Equity Incentive Plan and Omnibus Incentive Plan that have not yet vested. If, within twelve months following a Change in Control, their employment were terminated involuntarily or they voluntarily terminated employment for Good Reason, all outstanding terms and conditions on the Restricted Stock Units would be deemed fully satisfied and vested. See "Outstanding Equity Awards at Fiscal Year-End" for a summary of outstanding Restricted Stock Units and their value at December 31, 2014.

In addition, under the circumstances described above, all outstanding Performance Grants under the 2012 Equity Incentive Compensation Plan would be deemed fully earned. At December 31, 2014, that would have resulted in the issuance of shares of Common Stock worth \$1,800,000 to Mr. Kirshner; \$1,500,000 each to Messrs. Crowley, Gayner and Whitt; and \$1,000,000 to Ms. Waleski.

3. Eligibility. All present and future Executive Employees shall be eligible to receive Awards under the Plan. The Committee shall have the power and complete discretion to select eligible Executive Employees to receive Awards and to determine for each Participant the terms and conditions and the amount of each Award.

4. Awards.

(a) Each Performance Award shall be evidenced by an Award Agreement setting forth the Performance Criteria, the scale of possible payments based on achievement of that criteria, the maximum bonus payable and such other terms and conditions applicable to the Award, as determined by the Committee, that are not inconsistent with the terms of the Plan. Anything else in this Plan to the contrary notwithstanding, the aggregate maximum amount payable under the Plan to any Participant infor any Plan Year shall be equal to the lesser of 250 percent of the Participant's base salary as in effect at the end of such Plan Year or \$23,500,000. In the event of any conflict between an Award Agreement and the Plan, the terms of the Plan shall govern.

(b) The Committee may vary the Performance Criteria, and Performance Awards, from Participant to Participant, Award to Award and Plan Year to Plan Year. The Committee may increase, but not decrease, any Performance Criteria after an Award has been made.

(c) All determinations regarding the achievement of any Performance Criteria will be made by the Committee; provided, however, that the Committee may not increase the amount of the Award that would otherwise be payable upon achievement of the Performance Criteria. All calculations of actual Awards shall be made by the Committee.

(d) Awards will be paid in a lump-sum cash payment as soon as practicable (and in any case no later than two and one-half months) after the close of the Plan Year for which they are earned; provided, however, that no Awards shall be paid except to the extent that the Committee has certified in writing that the Performance Criteria have been met. Unless otherwise provided in the Award Agreement or by the Committee in its discretion, a Participant must remain employed with the Company and its Subsidiaries through the end of the Plan Year to be entitled to any payment under an Award. Notwithstanding the foregoing provisions of this sectionSection 4(d), the Committee shall have the right to allow Participants to elect to defer the payment of Awards subject to the terms and conditions of Code section 409A and such other terms and conditions as the Committee may determine and as are consistent therewith. If, pursuant to the preceding sentence, a Participant is allowed to elect to defer the payment of an Award, such election must be made at least six months prior to the end of the service period on which the Award is based; provided that, if such service period is less than twelve months, such election must be made prior to the start of the service period.

(e) Whenever payments under the Plan are to be made, the Company and/or the Subsidiary will withhold therefrom an amount sufficient to satisfy any applicable governmental withholding tax requirements related thereto.

(f) Nothing contained in the Plan will be deemed in any way to limit or restrict the Company, its Subsidiaries, or the Committee from making any award or payment to any person under any other plan, arrangement or understanding, whether now existing or hereafter in effect.

5. Administration. The Plan shall be administered by a Committeecommittee, which shall be appointed by the Board, consisting of not less than two members of the Board. Subject to paragraph (d) below, the Committee shall be the Compensation Committee unless the Board shall appoint another Committee to administer the Plan. The Committee shall have general authority to impose any limitation or condition upon an Award the Committee deems appropriate to achieve the objectives of the Award and the Plan and, in addition, and without limitation and in addition to powers set forth elsewhere in the Plan, shall have the following specific authority:

(a) The Committee shall have the power and complete discretion to determine (i) which Executive Employees shall receive an Award and the nature of the Award, (ii) the amount of each Award, (iii) the time or times when an Award shall be granted, (iv) whether a disability exists, (v) the terms and conditions applicable to Awards, and (vi) any additional requirements relating to Awards that the Committee deems appropriate.

33

(b) The Committee may adopt rules and regulations for carrying out the Plan. The interpretation and construction of any provision of the Plan by the Committee shall be final and conclusive. The Committee may consult with counsel, who may be counsel to the Company, and shall not incur any liability for any action taken in good faith in reliance upon the advice of counsel.

(c) A (c) Unless otherwise provided in the Committee's charter, a majority of the members of the Committee shall constitute a quorum, and all actions of the Committee shall be taken by a majority of the members present. Any action may be taken by a written instrument signed by all of the members, and any action so taken shall be fully effective as if it had been taken at a meeting.

(d) All members of the Committee must be "outside directors" as described in Code section 162(m).

(e) The Board from time to time may appoint members previously appointed and may fill vacancies, however caused, in the Committee.

(f) As to any Code section 162(m) Awards, it is the intent of the Company that this Plan and any Code section 162(m) Awards hereunder satisfy, and be interpreted in a manner that satisfy, the applicable requirements of Code section 162(m). If any provision of this Plan or if any Code section 162(m) Award would otherwise conflict with the intent expressed in this section 5(f), that provision to the extent possible shall be interpreted so as to avoid such conflict. To the extent of any remaining irreconcilable conflict with such intent, such provision shall be deemed void as applicable to Covered Employees. Nothing herein shall be interpreted to preclude a Participant who is or may be a Covered Employee from receiving an Award that is not a Code section 162(m) Award.

6. Nontransferability of Awards. An Award shall not be assignable or transferable by the Participant except by will or by the laws of descent and distribution.

7. Termination, Modification, Change. If not soonerThe Plan shall continue in effect unless and until terminated by the Board, this Plan shall terminate at the close of business on January 1, 2015. No Awards shall be granted under the Plan after its termination. The Board may terminate the Plan or at any time and may amend the Plan at any time and in such respects as it shall deem advisable; provided that, (i) if and to the extent required by the Code, no change shall be made that changes the Performance Criteria, or materially increases the maximum potential benefits for Participants under the Plan, unless such change is authorized by the shareholders of the Company; and (ii) no change shall be made that accelerates the timing or payment of any Award under this Plan which is determined to constitute nonqualified deferred compensation within the meaning of Code section 409A. Notwithstanding the foregoing, the Board may unilaterally amend the Plan and Awards as it deems appropriate to cause Awards to meet the requirements of Code section 162(m) or Code section 409A, and regulations in each case thereunder. Except as provided in the preceding sentence, a termination or amendment of the Plan shall not, without the consent of the Participant, adversely affect a Participant's rights under an Award previously granted to him.

8. Liability of Company. Any liability of the Company or a Subsidiary to any Participant with respect to an Award shall be based solely upon contractual obligations created by the Plan and the Award Agreement. Neither the Company nor a Subsidiary, nor any member of the Board or of the Committee, nor any other person participating in any determination of any question under the Plan, or in the interpretation, administration or application of the Plan, shall have any liability to any party for any action taken or not taken in good faith under the Plan. Status as an eligible Executive Employee shall not be construed as a commitment that any Award will be made under this Plan to such eligible Executive Employee or to eligible Executive Employees generally. Nothing contained in this Plan or in any Award Agreement (or in any other documents related to this Plan or to any Award or Award Agreement) shall confer upon any Executive Employee or Participant any right to continue in the employ or other service of the Company or a Subsidiary or constitute any contract or limit in any way the right of the Company or a Subsidiary to change such person's compensation or other benefits.

9. Interpretation. If any term or provision contained herein will to any extent be invalid or unenforceable, such term or provision will be reformed so that it is valid, and such invalidity or unenforceability will not affect any other provision or part hereof. The Plan, the Award Agreements, and all actions taken hereunder or thereunder shall be governed by, and construed in accordance with, the laws of the Commonwealth of Virginia without regard to the conflict of law principles thereof. The United States District Court for the Eastern District of Virginia or the Circuit Court for the County of Henrico shall have exclusive jurisdiction over any disputes arising out of or related to this Plan or Awards.

10. Effective Date of the Plan. The Plan shall be effective as of January 1, 2005the date of its approval by the Board and shall be submitted to the Company's shareholders of Markel Corporation for their approval. No Award shall be payable to a Covered Employee until the Plan has been approved by the shareholders at the Company's 2015 annual meeting. Any Section 162(m) Awards that are granted prior to the date of the Company's 2015 annual meeting shall be contingent on shareholder approval of the Plan at such meeting and shall automatically terminate if such approval is not obtained.
