APPROVAL OF A PROPOSED AMENDMENT TO THE
ARTICLES OF INCORPORATION TO EFFECTUATE AN INCREASE
IN THE AUTHORIZED SHARES OF COMMON STOCK FROM
50,000,000 SHARES TO 150,000,000 SHARES

The Board of Directors of the Company by way of written consent resolution on April 26, 2005, authorized and approved, subject to shareholder approval, an increase in the authorized shares of Common Stock from 50,000,000 shares to 150,000,000 shares. By approving this proposal, the shareholders will authorize the Board of Directors to amend the Company's Articles of Incorporation accordingly, attached as Exhibit B. The amendment embodies Article Four changing the text to:

"The corporation shall have authority to issue an aggregate of ONE HUNDRED AND SIXTY MILLION (160,000,000) shares of stock, par value ONE MILL (\$0.001) per share divided into two (2) classes of stock as follows for a total capitalization of ONE HUNDRED AND SIXTY THOUSAND DOLLARS (\$160,000).

(A)

NON-ASSESSABLE COMMON STOCK: ONE HUNDRED AND FIFTY MILLION (150,000,000) shares of Common Stock, Par Value ONE MILL (\$0.001) per share, and

(B)

PREFERRED STOCK: TEN MILLION (10,000,000) shares of Preferred Stock, Par Value ONE MILL (\$0.001) per share.

All capital stock when issued shall be fully paid and non-assessable. No holder of shares of capital stock of the corporation shall be entitled as such to any pre-emptive or preferential rights to subscribe to any unissued stock, or any other securities, which the corporation may now or hereafter be authorized to issue.

The corporation's capital stock may be issued and sold from time to time for such consideration as may be fixed by the Board of Directors, provided that the consideration so fixed is not less than par value.

Holders of the corporation's Common Stock shall not possess cumulative voting rights at any shareholders meetings called for the purpose of electing a Board of Directors or on other matters brought before stockholders meetings, whether they be annual or special.

REASONS FOR THE INCREASE IN THE AUTHORIZED CAPITAL

The Company currently has authorized Common Stock of 50,000,000 shares. As of April 26, 2005, there were a total of 3,550,000 shares of Common Stock issued and outstanding. The Company intends to forward split the issued and outstanding shares of common stock of the Company which will result in approximately 40,000,000 being issued and outstanding. In addition, the Company intends to raise capital through private placement offerings which may result in the issuance of a considerable amount of shares. Furthermore, the Company wishes to create a stock option plan which will require the reservation of an indetermined amount of shares of Common Stock. Therefore, the Company anticipates that it will need to have an authorized capital in excess of 50,000,000 shares of Common Stock in order to be able to honor these various obligations. However, at this time, the Company does not have any plans to issue any unallotted authorized capital.

In addition to the obligations and anticipation to issue Common Stock described above, the Board of Directors believes it is in the best interests of the Company and its shareholders for the Company to have a reasonable reserve of authorized but unissued shares of common stock in order to allow for future stock issuances.

The additional shares of Common Stock described above will enhance our flexibility in connection with possible future actions, such as stock splits, stock dividends, acquisitions of property and securities of other companies, financings, and other corporate purposes.

The Board of Directors is not proposing the increase in the authorized shares of Common Stock with the intention of using the shares for anti-takeover purposes. It is possible, however, that the additional shares could be used in the future to discourage an attempt to acquire or take control of the Company.

No shareholder of the Company has any pre-emptive right to acquire any of the additional authorized shares, so the issuance of the additional authorized shares may correspondingly dilute the percentage interests of current

shareholders.

BOARD RECOMMENDATION

The Board of Directors of the Company believes that it would be in the best interests of the Company and its shareholders to increase the authorized shares of Common Stock from 50,000,000 shares to 150,000,000 shares. The Board of Directors recommends approval of the amendment to the Articles of Incorporation of the Company to effectuate an increase in the authorized shares of Common Stock from 50,000,000 shares to 150,000,000 shares and each of the resolutions with respect thereto set forth in Exhibit A hereto.

AUTHORIZATION FOR THE BOARD OF DIRECTORS OF THE COMPANY
TO EFFECTUATE A FORWARD STOCK SPLIT OF 11.14 for 1
OF THE COMPANY'S ISSUED AND OUTSTANDING
SHARES OF COMMON STOCK

FORWARD STOCK SPLIT

The Board of Directors of the Company by way of written consent resolution on April 26, 2005, authorized and approved, subject to shareholder approval, a forward stock split of 11.14 for 1 (the Forward Stock Split) of the Company's issued and outstanding shares of common stock. The Forward Stock Split may be effectuated by the Board depending on market conditions. The intent of the Forward Stock Split is to increase the marketability and liquidity of the common stock.

If the Forward Stock Split is approved by the shareholders pursuant to the execution of the Written Consent of Shareholders, it will be effected only upon a determination by the Board of Directors that the Forward Stock Split is in the best interests of the Company and the shareholders. In the Board's judgment, the Forward Stock Split would result in the greatest marketability and liquidity of the common stock, based upon prevailing market conditions, the likely effect on the market price of the common stock and other relevant factors.

If approved by the shareholders pursuant to the Written Consent of Shareholders, attached hereto as Exhibit A, the Forward Stock Split will become effective on any date (the "Effective Date") selected by the Board of Directors on or prior to June 2, 2005, upon filing the appropriate documentation with all applicable regulatory authorities. If no Forward Stock Split is effected by such date, the Board of Directors will take action to abandon the Forward Stock Split without further shareholder action.

Purposes And Effects Of The Forward Stock Split

Consummation of the Forward Stock Split will alter the number of issued and outstanding shares of Common Stock, which will be increased to 39,547,000 shares.

The Common Stock is listed for trading on the OTC Bulletin Board under the symbol LKVN . On the Record Date, the Common Stock of the Company had not yet had a reported bid and ask price for its Common Stock. Management intends to effect a Forward Stock Split at a level of 11.14 for 1 which it believes is sufficient to attain its goal of increasing the marketability and liquidity of the Company's Common Stock.

Additionally, the Board feels that having a greater number of shares of the common stock available at a reduced price per share will increase the public's interest in the Company's business. The Board also anticipated that the availability of more shares of common stock will create stability of the market price of the Company's shares and result in broader distribution.

The Forward Stock Split would have the following effects upon the number of shares of common stock outstanding (3,550,000 shares as of the Record Date) and no effect upon the number of authorized and unissued shares of common stock (assuming that no additional shares of common stock are issued by the Company after the Record Date). The common stock will continue to be \$0.001 par value common stock following any Forward Stock Split, and the number of shares of common stock outstanding will be increased. The following example is intended for illustrative purposes.

Forward Stock Split	Common Stock Outstanding	Authorized Common Stock
pre Forward Split	3,550,000	50,000,000
11.14 for 1	39,547,000	150,000,000

At the Effective Date, each share of the common stock issued and outstanding immediately prior thereto (the "Old Common Stock"), will be reclassified as and changed into the appropriate number of shares of the Company's Common Stock, \$0.001 par value per share (the "New Common Stock"). Shortly after the Effective Date, the Company will send transmittal forms to the holders of the Old Common Stock to be used in forwarding their certificates

formerly representing shares of Old Common Stock for surrender and exchange for certificates representing shares of New Common Stock.

Federal Income Tax Consequences of the Forward Stock Split

The following is a summary of the material federal income tax consequences of the proposed Forward Stock Split. This summary does not purport to be complete and does not address the tax consequences to holders that are subject to special tax rules, such as banks, insurance companies, regulated investment companies, personal holding companies, foreign entities, nonresident alien individuals, broker-dealers and tax-exempt entities. This summary is based on the Internal Revenue Code of 1986, as amended (the "Code"), Treasury regulations and proposed regulations, court decisions and current administrative rulings and pronouncements of the Internal Revenue Service ("IRS"), all of which are subject to change, possibly with retroactive effect, and assumes that the New Common Stock will be held as a "capital asset" (generally, property held for investment) as defined in the Code. Holders of Old Common Stock are advised to consult their own tax advisers regarding the federal income tax consequences of the proposed Forward Stock Split in light of their personal circumstances and the consequences under state, local and foreign tax laws.

1.

The Forward Stock Split will qualify as a recapitalization described in Section 368(a)(1)(E) of the Code.

2. No gain or loss will be recognized by the Company in connection with the Forward Stock Split.

3. No gain or loss will be recognized by a shareholder who exchanges all of his shares of Old Common Stock solely for shares of New Common Stock.

4. The aggregate basis of the shares of New Common Stock to be received in the Forward Stock Split will be the same as the aggregate basis of the shares of Old Common Stock surrendered in exchange therefore.

5.

The holding period of the shares of New Common Stock to be received in the Forward Stock Split will include the holding period of the shares of the Old Common Stock surrendered in exchange therefor.

THE FOREGOING SUMMARY IS INCLUDED FOR GENERAL INFORMATION ONLY. ACCORDINGLY, EACH HOLDER OF COMMON STOCK OF THE COMPANY IS URGED TO CONSULT WITH HIS OWN TAX ADVISER WITH RESPECT TO THE TAX CONSEQUENCES OF THE PROPOSED FORWARD STOCK SPLIT, INCLUDING THE APPLICATION AND EFFECT OF THE LAWS OF ANY STATE, MUNICIPAL, FOREIGN OR OTHER TAXING JURISDICTION.

BOARD RECOMMENDATION

The Board recommends approval of the Forward Stock Split, and each of the resolutions with respect thereto set forth in Exhibit A hereto.

Holders of the corporation's Common Stock shall not possess cumulative voting rights at any shareholders meetings called for the purpose of electing a Board of Directors or on other matters brought before stockholders meetings, whether they be annual or special.

THIRD: The purpose of the amendment to Article Four is to increase the authorized capital of the Company from 50,000,000 shares of common stock to 150,000,000 shares of common stock with a par value of \$0.001/share and to give effect to a 1:11.14 forward stock split of the Company's Common Stock (the *Forward Stock Split*).

FOURTH: The number of shares of the Company issued and outstanding and entitled to vote on amendments to the Articles of Incorporation is Three Million Five Hundred Fifty Thousand (3,550,000) common \$0.001 par value stock, that the said changes and amendments have been consented to and approved by a vote of the stockholders holding at least a majority of each class of stock outstanding and entitled to vote thereon.

IN WITNESS WHEREOF, Lakefield Ventures Inc. has caused these presents to be signed in its name and on its behalf by Michael Iverson, its President on this ____ day of May, 2005, and its President acknowledges that this Certificate of Amendment is the act and deed of Lakefield Ventures Inc., and, under the penalties of perjury, that the matters and facts set forth herein with respect to authorization and approval are true in all material respects to the best of his knowledge, information and belief.
