Item 1.01 Entry into a Material Definitive Agreement.

On July 24, 2014, Alliance Data Systems Corporation, as the issuer (the "Company"), and certain of its subsidiaries, as guarantors, entered into a purchase agreement (the "Purchase Agreement") with Wells Fargo Securities, LLC, as the representative of the initial purchasers named in the Purchase Agreement (the "Initial Purchasers") under which it agreed to sell \$600 million aggregate principal amount of its 5.375% senior notes due 2022 (the "Notes") to the Initial Purchasers. The Notes will be general unsecured senior obligations of the Company, will be guaranteed on a senior unsecured basis by certain subsidiaries of the Company and will pay interest semi-annually. The offering of the Notes is expected to close on July 29, 2014, subject to customary closing conditions. The Company intends to use the net proceeds of the offering to repay a portion of the outstanding indebtedness under its revolving credit facility. The description of the Purchase Agreement herein is qualified in its entirety by reference to the full text of such Purchase Agreement, a copy of which is attached hereto as Exhibit 10.1 and incorporated by reference herein.

The Notes will be offered and sold only to qualified institutional buyers in the United States pursuant to Rule 144A under the Securities Act of 1933, as amended (the "Securities Act"), and to certain non-U.S. persons in offshore transactions in accordance with Regulation S under the Securities Act. The Notes have not been, and will not be, registered under the Securities Act or any state securities laws and may not be offered or sold in the United States absent registration or an applicable exemption from such registration requirements.

This report is neither an offer to sell nor a solicitation of an offer to buy these securities and shall not constitute an offer, solicitation or sale in any jurisdiction in which such offer, solicitation or sale is unlawful.

Certain of the Initial Purchasers and certain of their affiliates have provided and/or may in the future provide financial advisory, investment banking and commercial banking services in the ordinary course of business to the Company, the guarantors and certain of their affiliates, for which they have received, and may in the future receive, customary fees and expense reimbursement. Affiliates of certain Initial Purchasers in this offering are lenders and/or agents under the Company's 2013 Credit Agreement and will receive their pro rata portion of the net proceeds from this offering that will be used to repay a portion of outstanding indebtedness under the Company's revolving credit facility. Additionally, affiliates of J.P. Morgan Securities LLC, Merrill Lynch, Pierce, Fenner & Smith Incorporated and Barclays Capital Inc. are counterparties under the Company's convertible note warrants and engage in hedging transactions from time to time in the Company's stock in connection with those instruments. In addition, Bank of America Corporation, an affiliate of Merrill Lynch, Pierce, Fenner & Smith Incorporated, owns more than 5% of the Company's outstanding common stock. In addition, certain of the Initial Purchasers (or affiliates thereof) may be customers of the Company and its subsidiaries under customary contractual arrangements from time to time.
