On February 14, 2005, Nuance issued a press release announcing its financial results for the year and quarter ended December 31, 2004. A copy of the release is attached as Exhibit 99.1.

Nuance's attached press release and Condensed Consolidated Statements of Operations present non-GAAP (Generally Accepted Accounting Principles) net loss, excluding a special item, and net loss per share (basic and diluted), excluding a special item, in addition to the presentation of such results in accordance with GAAP. The special item is non-cash compensation expense. This special item is not necessarily representative

of Nuance's core operations, but Nuance management believes that presentation of such non-GAAP financial measures provides useful information to investors regarding the impact of the special items on Nuance's net loss and net loss per share. Nuance management also uses non-GAAP measurements in certain internal management analyses, as the resulting metrics provide useful information regarding the company's core operations.
