ENERPLUS RESOURCES FUND

ANNOUNCES CASH DISTRIBUTION

Enerplus is pleased to announce that a cash distribution in the amount of CDN\$0.37 (thirty-seven cents) per unit will be payable on May 20th, 2003, to all Unitholders of record at the close of business on May 10th, 2003. The ex-distribution date for this payment is May 7th, 2003.

The CDN\$0.37 (thirty-seven cents) per unit is equivalent to approximately US\$0.26 per unit if converted using a Canadian/US dollar exchange ratio of 1.45. The actual US dollar equivalent distribution will be based upon the actual US/Canadian exchange rate applied on the payment date and will be net of any Canadian withholding taxes that may apply.

Total cash distributions paid for the quarter ending March 31, 2003 equal CDN\$1.07 (one dollar and seven cents) per unit (paid or payable in the months of March, April and May 2003). In addition to the CDN\$1.07 (one dollar and seven cents) per unit in cash distributions paid to Unitholders, approximately CDN\$0.70 (seventy cents) per unit (CDN\$58 million) of funds flow from the quarter was used for debt repayment related to capital expenditures.

Edgar Filing: ENERPLUS RESOURCES FUND - Form 6-K

The distribution payout ratio represents 60% of the generated cash flows from the first quarter of the year in response to the relatively high commodity price environment enjoyed during the period. The CDN\$58 million of cash flow retained by the fund more than offset the cost of Enerplus' development program for the quarter and supports the business strategy of maintaining a strong balance sheet for acquisition opportunities.

The Fund's new trailing twelve month distribution paid totals CDN\$3.71 (three dollars and seventy-one cents) per unit. For further information, please contact Investor Relations at 1-800-319-6462 or e-mail investorrelations@enerplus.com.
