METALS USA REPORTS PROFITABLE THIRD QUARTER RESULTS

October 29, 2003 HOUSTON, TEXAS Metals USA, Inc. (AMEX: MLT), a leader in the metals processing and distribution industry, today announced results for the three and nine months ended September 30, 2003. Net income in the third quarter of 2003 was \$2.8 million, or \$0.14 per share, compared to a net loss for the predecessor company of \$5.0 million, or a \$0.14 loss per share for the third quarter of 2002, and a \$0.11 income per share reported in the second quarter of 2003.

Sales for the third quarter of 2003 were \$245.1 million, compared to sales for the predecessor company of \$238.8 million reported for the third quarter of 2002, and above sales of \$242.3 million reported in the second quarter of 2003. Operating income for the third quarter of 2003 was \$5.9 million, compared to operating income for the predecessor company of \$7.2 million reported in the third quarter of 2002, and better than the operating income of \$5.0 million reported in the second quarter of 2003.

Sales for the first nine months of 2003 were \$713.7 million, compared to sales for the predecessor company of \$732.8 million reported for the first nine months of 2002. Net income in the first nine months of 2003 was \$4.9 million, or \$0.24 per share, compared to net loss of \$19.2 million or \$0.53 per share for the first nine months of 2002.

C. Lourenco Goncalves, President and CEO stated, "We are pleased to announce Metals USA's third consecutive quarterly improvement in profitability. We have taken significant strides toward the improvement of our relationship with both our suppliers and customers. Nothing is more important than that. We are focusing much of our efforts to being the best customer for the domestic steel and aluminum mills in order to build as strong a relationship as possible. A strong partnership with the domestic mills should benefit ourselves, the mills and our customers. I believe that the metals business is relationship driven, and that is one of the keys for the present and future success of Metals USA."
