Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer

The disclosure in the last paragraph of Item 6 is hereby amended and restated to read in its entirety as follows:

On February 3, 2004, the Issuer, New Mountain and MidOcean entered into a letter agreement (the February 2004 Letter Agreement) that (i) confirmed the parties' understanding of Section 7 of Article FIRST of the Articles Supplementary regarding the determination of the number of shares of Common Stock issuable in connection with the conversion of Series A Preferred Stock pursuant to the Articles Supplementary, (ii) provided for the Issuer's diligent pursuit of certain Required Approvals (as defined below) and determined the allocation of certain 2004 Offering Expenses (as defined below) among New Mountain and MidOcean and (iii) established certain information rights between New Mountain and the Issuer.

This summary of certain provisions of the February 2004 Letter Agreement, other related agreements, other related documents and the transactions contemplated thereby is not intended to be complete, and is qualified in its entirety by reference to such documents.

Pursuant to the February 2004 Letter Agreement, the Issuer, New Mountain and MidOcean agreed that, for purposes of determining the number of shares of Common Stock issuable in connection with any conversion of Series A Preferred Stock pursuant to the Articles Supplementary, full credit shall be given for dividends accruing on a daily basis since the most recent Dividend Payment Date (as defined in the Articles Supplementary) preceding the Conversion Date (as defined in the Articles Supplementary) through but excluding the Conversion Date. New Mountain and MidOcean released any claim they may have had for accrued and unpaid dividends in connection with any conversions of Series A Preferred

Pursuant to the February 2004 Letter Agreement, the Issuer, New Mountain and MidOcean agreed that in connection with the possible sale or other disposition by New Mountain and MidOcean of all or any portion of their remaining ownership interest in the Issuer (the Stock Sale), the Issuer will diligently pursue and exercise its reasonable best efforts to obtain, as promptly as practicable, all necessary Education Approvals (as defined in the Purchase Agreement) required from all applicable Governmental Authorities (as defined in the Purchase Agreement) and Educational Agencies (as defined in the Purchase Agreement) for the lawful conduct of the businesses of the Issuer and its subsidiaries, including the University (as defined in the Purchase Agreement), following the Stock Sale in the manner and to the extent presently conducted at every location where the University conducts any material business (collectively, the Required Approvals). New Mountain and MidOcean severally agreed to directly pay up to \$850,000 (with New Mountain paying up to \$651,667 and MidOcean paying up to \$198,333), as they are incurred, for all legal fees, accounting fees, education regulatory, SEC, NASDAQ filing fees, printing costs, roadshow costs and all other Registration Expenses (as defined in the Registration Rights Agreement) and other expenses of any kind reasonably incurred by the Issuer in connection with obtaining the Required Approvals and preparing for and effecting the Stock Sale, including any private sales and secondary offerings, whether or not the Stock Sale or any such sales or offerings are in fact consummated (2004 Offering Expenses); subject to the Issuer providing New Mountain and MidOcean with reasonably detailed supporting documentation in customary form, evidencing the incurrence of such 2004 Offering Expenses; provided, that New Mountain and MidOcean shall not be responsible for any such 2004 Offering Expenses incurred in connection with any registration effected pursuant to Section 2 of the Registration Rights Agreement other than the 2004 Offering.
