Item 5. Other Events.

On May 13, 2004, Aerogen, Inc. (the Company) announced that at its Annual Meeting of Stockholders, held on May 10, 2004, its stockholders approved the second closing of a \$32.7 million financing (the Financing). This approval has resulted in the sale and issuance of 642,113 shares of Series A-1 Convertible Preferred Stock, and warrants to purchase 6,249,580 shares of the Company's common stock, in exchange for gross proceeds of approximately \$17.7 million and the surrender of all outstanding secured convertible debentures.

Also at the Annual Meeting of Stockholders, the stockholders (i) re-elected Dr. Phyllis I. Gardner and Mr. Philip M. Young to Aerogen's Board of Directors; (ii) approved amendments to the Company's 2000 Equity Incentive Plan and 2000 Employee Stock Purchase Plan; and (iii) ratified PricewaterhouseCoopers LLP as the Company's independent auditors for the fiscal year ending December 31, 2004.

Due to the structure of the Financing, upon closing, the Company recorded a deemed dividend related to the beneficial conversion feature of the Series A-1 Convertible Preferred Stock of approximately \$4.5 million. As reported in the Company's Form 10-Q filed with the SEC on May 13, 2004, the Company has determined that the appropriate accounting treatment for the sales of this preferred stock and associated warrants involves recording a similar deemed dividend of \$7.9 million in connection with the first closing of the Financing, and the classification of the preferred stock as a separate item on the balance sheet, rather than included as equity, as a result of certain preferences associated with the potential redemption of this preferred stock.

This accounting treatment to record a deemed dividend represented a change to the financial results previously released by the Company on April 29, 2004. These matters are more fully described in Aerogen's Form 10-Q filed with the Securities and Exchange Commission on May 13, 2004.

The Purchase Agreement and related documents for the second closing of the Financing are filed as Exhibits 10.24, 10.25, 10.26, 10.27 and 10.28 hereto and incorporated herein by reference. The press release announcing, among other things, approval by the Company's stockholders of the second closing of the Financing is attached as Exhibit 99.1 hereto and incorporated herein by reference.
