PROXY STATEMENT

**Annual Meeting of Shareholders
To be Held April 25, 2005**

Date, time, place and purpose of Metalline s Annual Meeting

The 2005 annual meeting of Metalline s Shareholders, including any postponements or adjournments thereof (the Annual Meeting), will be held at 10:00 a.m., local time, on Monday, April 25, 2005 at the Coeur d Alene Inn, West 414 Appleway, Coeur d Alene, Idaho. At the meeting, Metalline s Shareholders as of the record date will be asked to elect the nominees for the Board of Directors and to ratify the appointment of the independent public accountants. This Proxy Statement is first being sent to holders of Metalline common stock on or about March 30, 2005 and is accompanied by a proxy that is being solicited by the Metalline Board of Directors for use at the Annual Meeting.

Record date; outstanding shares; shares entitled to vote

Only holders of record of Metalline common stock at the close of business on the record date, March 25, 2005, are entitled to notice of and to vote at the Annual Meeting. Each holder of Metalline common stock is entitled to one vote for each share of Metalline common stock owned as of the record date. As of the record date, there were 19,928,181 shares of Metalline common stock outstanding.

Quorum; vote required

Under Nevada law, any Shareholder action at a meeting requires that a quorum exist with respect to that action. A quorum for the actions to be taken at the Annual Meeting will consist of a majority of the outstanding shares of common stock entitled to vote, present in person or by proxy at the Annual Meeting. Shareholders of record, including brokers holding customers shares of record, who are present at the Annual Meeting in person or by proxy and who abstain from voting, are considered present and entitled to vote and will count toward the quorum.

If a quorum exists at the Annual Meeting, those nominees for election to the Board of Directors who receive the greatest number of affirmative votes cast for Directors will be elected as Directors. If a quorum exists, the ratification of the appointment of Williams & Webster, P.S. as the independent public accountants for Metalline for 2005, and all other matters that properly come before the Annual Meeting, will be approved if the number of votes cast in favor of the proposed action exceeds the number of votes cast against it. Abstentions and broker non-votes will have no impact on the election of Directors or other proposals. Proxies and ballots will be received and tabulated by OTC Stock Transfer, Inc., Metalline s transfer agent and the inspector of elections for the Annual Meeting.

Voting of proxies

The Board of Directors requests that you complete, date and sign the proxy card accompanying this Proxy Statement and promptly return the card in the enclosed postage-paid envelope. Unless contrary instructions are specified, all properly signed proxies received by Metalline and not revoked before the vote at the Annual Meeting will be voted: 1) FOR the election of the two Directors nominated by the Board of Directors; 2) FOR the ratification of the appointment of Williams & Webster, P.S. as the independent public accountants for Metalline for 2005; and 3) in accordance with the best judgment of the proxy agents on any other matters properly brought before the Annual Meeting. If the Annual Meeting is

postponed or adjourned, your proxy will still be effective and may be voted at the rescheduled meeting. You will still be able to change or revoke your proxy until it is voted.

If you own your shares in street name, that is, through a brokerage account or in another nominee form, you must provide instructions to the broker or nominee as to how your shares should be voted. Otherwise, your shares may not be voted and will be recorded as broker non-votes. Your broker or nominee will usually provide you with the appropriate instruction forms at the time you receive this Proxy Statement. If you own your shares in this manner, you cannot vote in person at the Annual Meeting unless you receive a proxy to do so from the broker or the nominee and you bring the proxy to the Annual Meeting.

How to revoke your proxy

You may revoke your proxy at any time by taking any of the following actions before your proxy is voted at the Annual Meeting:

- delivering to Metalline a written notice bearing a date later than the date of the proxy card, stating that you revoke the proxy;
- signing and delivering to Metalline a proxy card relating to the same shares and bearing a later date; or
- attending the meeting and voting in person, although attendance at the meeting will not, by itself, revoke a proxy.

Also, please note that if you have voted through your broker, bank or other nominee and you wish to change your vote, you must follow the instructions received from such entity to change your vote.

Voting electronically via Internet or telephone

A large number of banks and brokerage firms provide Shareholders whose shares are registered in the name of such firms the opportunity to vote via the Internet or by telephone. The voting form sent to a beneficial owner will provide instructions if such options are available.

Expenses of proxy solicitation

The expense of preparing, printing and mailing this Proxy Statement and the proxies solicited hereby will be borne by Metalline. Proxies will be solicited by Metalline by mail and may also be solicited on behalf of Metalline by directors, officers and other employees of Metalline, without additional remuneration, in person or by telephone or facsimile transmission. Metalline will also request brokerage firms, banks, nominees, custodians and fiduciaries to forward proxy materials to the beneficial owners of shares of common stock as of the record date and will reimburse such entities for the cost of forwarding the proxy materials in accordance with customary practice.

Recommendation of the Board of Directors

The Board of Directors of Metalline believes the proposals described herein are in the best interests of Metalline and its Shareholders and, accordingly, recommends that the Shareholders vote FOR the proposals listed in the Notice.

PROPOSAL 1: ELECTION OF DIRECTORS

The Board of Directors currently consists of two Directors. The Board of Directors has nominated current Directors Merlin Bingham and Roger Kolvoord for election as Directors to serve terms of one year ending at the Annual Meeting of the Shareholders of Metalline in 2006 or until their respective successors have been duly elected and qualified.

Each nominee for election as a Director at the Annual Meeting has consented to serve if elected. Metalline has no reason to believe that any of the nominees will be unable to serve. Should any nominee become unable to serve as a Director for any reason, the Board of Directors shall designate a substitute nominee. Unless instructions to the contrary are specified on the proxy card, proxies will be voted in favor of the persons who have been nominated by the Board of Directors.

The Board of Directors recommends that Shareholders vote FOR the nominees.

BOARD OF DIRECTORS OF METALLINE MINING COMPANY

MERLIN BINGHAM, PRESIDENT AND CHAIRMAN OF THE BOARD OF DIRECTORS

Mr. Bingham, 71, has been the President and Chairman of the Board of Directors of Metalline, since October 1996. From 1983 to 1996, Mr. Bingham was a consulting geologist and conducted independent exploration projects. From 1963 to 1983, Mr. Bingham worked in exploration for mining and oil companies in the western U.S. and Alaska, Zambia, the United Arab Emirates, Ecuador and Mexico. Mr. Bingham received a B.S. degree in Mineralogy from the University of Utah in 1963.

ROGER KOLVOORD, VICE PRESIDENT, BUSINESS, AND DIRECTOR

Dr. Kolvoord, 65, has been a director of Metalline since August 2002 and was appointed Vice President, Business, in April 2003. An Associate Technical Fellow of the Boeing Company, Dr. Kolvoord has had a private consulting practice since May, 2000. Prior to that, from 1986 to 2000, he was a manager with the Boeing Company, working mainly in program management and new business development capacities in information systems and in remote sensing and geospatial information (mapping) ventures. Prior to that, he worked in exploration and exploration research for Kennecott Copper Company, Ranchers Exploration and Development Corporation, and ARCO, and operated a services company providing field services to oil and gas and mining companies. An active member of the American Association of Petroleum Geologists, he served two terms as the Pacific Section Councilor of the Energy Minerals Division and was Chair of the Geospatial Information Committee. Dr. Kolvoord has a B.S. degree in geology from the University of Michigan, an M.S. in Mineralogy from the University of Utah, and a Ph.D. in geochemistry from the University of Texas at Austin.

Compensation and Attendance of Directors

Directors of Metalline do not receive any compensation for serving as members of the Board of Directors. There are no contractual arrangements with any member of the Board of Directors.

The Board of Directors of Metalline held 5 meetings during fiscal 2004. Each Director attended 100% of such meetings. During the fiscal year ended October 31, 2004, the Board of Directors unanimously adopted resolutions on 5 occasions, without a meeting, pursuant to applicable Nevada law. It is Metalline's policy that members of the Board of Directors should attend all annual meetings of Shareholders except for absences due to causes beyond the reasonable control of the Directors. Metalline has not held an annual meeting of shareholders since 2001. At the 2001 annual meeting of Shareholders of Metalline Mining Company, all of the Directors were in attendance.

Committees of the Board of Directors

Metalline does not currently have any committees of the Board of Directors and therefore does not have any committee charters. The entire Board of Directors is responsible for the types of functions typically delegated to committees, including the nomination of directors and the appointment of independent public accountants. It is the view of the Board of Directors that this is appropriate because of the limited number of directors on the Board of Directors. The current members of the Board of Directors are not independent as that term is defined by rules of the NASDAQ Stock Market, and none of them is an audit committee financial expert (as defined in Item 401 of Regulation S-K of the Securities Exchange Act of 1934.) Metalline is in the process of identifying candidates to serve as independent directors, including at least one as an audit committee financial expert. The Board of Directors does not have a defined process for such identification, established criteria for such candidates, or a policy with regard to the consideration of director candidates recommended by security holders.

Communication with the Board of Directors

Shareholders may send communications to the Board of Directors of Metalline by addressing such correspondence to:

Merlin D. Bingham
Chairman of the Board
Metalline Mining Company
1330 E. Margaret Avenue
Coeur d Alene, Idaho 83815

As Chairman of the Board, Mr. Bingham monitors Shareholder communications, forwards correspondence to the appropriate Director(s) and facilitates an appropriate response.

PROPOSAL 2: RATIFICATION OF APPOINTMENT OF INDEPENDENT PUBLIC ACCOUNTANTS

The Board of Directors has appointed Williams & Webster, P.S. to serve as independent public accountants for Metalline and its subsidiaries for the fiscal year ending October 31, 2005, and any interim periods. Williams & Webster, P.S. has advised Metalline that it will have in attendance at the Annual Meeting one or more representatives who will be available to respond to appropriate questions presented at the Annual Meeting. Such representatives will have an opportunity to make a statement at the Annual Meeting if they desire to do so. If the required number of votes does not ratify the appointment of Williams & Webster, P.S., the Board will review its future selection of independent public accountants.

The Board of Directors unanimously recommends that Shareholders vote FOR the Proposal to ratify the appointment of Williams & Webster, P.S. as the independent public accountants for Metalline for 2005.

INDEPENDENT ACCOUNTANT S FEES

Audit Fees: The aggregate fees and expenses billed by Williams & Webster, P.S. for professional services rendered for the audit of Metalline's annual financial statements and the review of the financial statements included in Metalline's periodic reports filed with the SEC on Forms 10-Q, were \$16,248 and \$18,409 for the fiscal years ended October 31, 2003 and 2004, respectively.

Audit Related Fees: There were no fees billed by Williams & Webster, P.S. for audit related services rendered during fiscal 2003 and 2004.

Tax Fees: There were no fees billed by Williams & Webster, P.S. for tax services rendered during fiscal 2003 and 2004.

All Other Fees: There were no other services provided by Williams & Webster, P.S. during fiscal 2003 and 2004.

PRE-APPROVAL OF AUDIT AND NON-AUDIT SERVICES

Authority to pre-approve all audit and non-audit services provided by Williams & Webster, P.S. has been delegated to Mr. Bingham. One hundred percent of all services provided by Williams & Webster, P.S. in each of the last two fiscal years were pre-approved by Mr. Bingham. The Board of Directors considers whether the provision of related audit services is compatible with maintaining the independent accountant's independence. To assist the Board of Directors in its oversight responsibilities, the pre-approval policy identifies the three basic principles of independence with respect to services provided by the independent accountants as well as the non-audit services the independent accountants are prohibited from providing.

EXECUTIVE OFFICERS

In addition to Messrs. Bingham and Kolvoord, the executive officers of Metalline include Wayne Schoonmaker. Each executive officer has held his present position for the past five years except as otherwise stated.

WAYNE SCHOONMAKER, SECRETARY AND TREASURER

Mr. Schoonmaker, 68, was appointed Secretary and Treasurer of Metalline in August 1997 and has held that position since that time. He is also currently Secretary and Treasurer of Hanover Gold Company, Inc. of Spokane, Washington and Secretary and Treasurer and Director of Independence Lead Mines Company of Wallace, Idaho. During the period of 1979 through 1993, Mr. Schoonmaker was employed at Asarco Incorporated as Chief Accountant at the Troy Mine and as Financial Manager of Asarco's Northwest Mining Department. From July 1978 to December 1978, Mr. Schoonmaker was Assistant Treasurer of the Bunker Hill Mining Company, and from 1964 to 1978, he was Assistant Secretary of Hecla Mining Company. Mr. Schoonmaker received a B.S. degree in Accounting from the University of Montana in 1962 and an M.B.A. from the University of Idaho in 1987. Mr. Schoonmaker is a Certified Public Accountant in the states of Idaho and Montana.

Metalline does not currently have any employment contracts with any of its executive officers.
