ANNUAL MEETING OF STOCKHOLDERS

April 20, 2006

This Proxy Statement is furnished in connection with the solicitation of proxies on behalf of the Board of Directors of Brookline Bancorp, Inc. (the Company) to be used at the Annual Meeting of Stockholders of the Company (the Annual Meeting), which will be held at the Brookline Holiday Inn, 1200 Beacon Street, Brookline, Massachusetts 02446, on April 20, 2006, at 10:00 a.m., and all adjournments of the Annual Meeting. The accompanying Notice of Annual Meeting of Stockholders and this Proxy Statement are first being mailed to stockholders on or about March 14, 2006.

REVOCATION OF PROXIES

Stockholders who execute proxies in the form solicited hereby retain the right to revoke them in the manner described below. Unless so revoked, the shares represented by such proxies will be voted at the Annual Meeting and all adjournments thereof. Proxies solicited on behalf of the Board of Directors of the Company will be voted in accordance with the directions given thereon. **Where no instructions are indicated, validly executed proxies will be voted FOR the proposals set forth in this Proxy Statement for consideration at the Annual Meeting.**

The Board of Directors knows of no additional matters that will be presented for consideration at the Annual Meeting. Execution of a proxy, however, confers on the designated proxy holders discretionary authority to vote the shares in accordance with their best judgment on such other business, if any, that may properly come before the Annual Meeting or any adjournments thereof.

Proxies may be revoked by sending written notice of revocation to the Secretary of the Company at the address shown above, delivering to the Company a duly executed proxy bearing a later date, or attending the Annual Meeting and voting in person. However, if you are a stockholder whose shares are not registered in your own name, you will need appropriate documentation from your record holder to vote personally at the Annual Meeting. The presence at the Annual Meeting of any stockholder who had returned a proxy shall not revoke such proxy unless the stockholder delivers his or her ballot in person at the Annual Meeting or delivers a written revocation to the Secretary of the Company prior to the voting of such proxy.

VOTING SECURITIES AND VOTING PROCEDURES

Holders of record of the Company's common stock, par value \$0.01 per share (the "Common Stock"), as of the close of business on March 1, 2006 (the "Record Date") are entitled to one vote for each share then held, except as described below. As of the Record Date, the Company had 62,989,384 shares issued and 61,583,773 shares outstanding. The presence in person or by proxy of a majority of the outstanding shares of Common Stock entitled to vote is necessary to constitute a quorum at the Annual Meeting. Broker non-votes and proxies marked ABSTAIN will be counted for purposes of determining that a quorum is present. In the event there are not sufficient votes for a quorum, or to approve or ratify any matter being presented at the time of the Annual Meeting, the Annual Meeting may be adjourned in order to permit the further solicitation of proxies.

In accordance with the provisions of the Company's Certificate of Incorporation, recordholders of Common Stock who beneficially own in excess of 10% of the outstanding shares of Common Stock (the "Limit") are not entitled to any vote with respect to the shares held in excess of the Limit. The Company's Certificate of Incorporation authorizes the Board of Directors (i) to make all determinations necessary to implement and apply the Limit, including determining whether persons or entities are acting in concert, and (ii) to demand that any person who is reasonably believed to beneficially own stock in excess of the Limit supply information to the Company to enable the Board of Directors to implement and apply the Limit.

As to the election of directors, the proxy card being provided by the Board of Directors enables a stockholder to vote FOR the election of the five nominees proposed by the Board of Directors or to WITHHOLD AUTHORITY to vote for the nominees being proposed. Directors are elected by a plurality of votes cast, without regard to either broker non-votes or proxies as to which the authority to vote for the nominees being proposed is withheld.

As to the ratification of the independent registered public accounting firm, the proxy card being provided by the Board of Directors enables a stockholder to: (i) vote FOR the proposal; (ii) vote AGAINST the proposal; or (iii) ABSTAIN from voting on the proposal. The ratification of the independent registered public accounting firm must be approved by the affirmative vote of a majority of the votes cast without regard to broker non-votes or proxies marked ABSTAIN.

Proxies solicited hereby will be returned to the Company and will be tabulated by an Inspector of Election designated by the Company's Board of Directors.

The Nominating Committee of the Company and the Bank consists of directors Coughlin, Wilde and Wyman. Each member of the Nominating Committee is considered independent as defined in the Nasdaq corporate governance listing standards. The Company's Board of Directors has adopted a written charter for the Committee, which is available at the Company's website at www.brooklinebank.com. The Committee met three times during the year ended December 31, 2005.

The functions of the Nominating Committee include the following:

to lead the search for individuals qualified to become members of the Board and to select director nominees to be presented for stockholder approval;

to review and monitor compliance with the requirements for board independence; and

to review the committee structure and make recommendations to the Board regarding committee membership.

The Nominating Committee identifies nominees by first evaluating the current members of the Board of Directors willing to continue in service. Current members of the Board with skills and experience that are relevant to the Company's business and who are willing to continue in service are first considered for re-nomination, balancing the value of continuity of service by existing members of the Board with that of obtaining a new perspective. If any member of the Board does not wish to continue in service, or if the Committee or the Board decides not to re-nominate a member for re-election, or if the size of the Board is increased, the Committee would solicit suggestions for director candidates from all Board members. In addition, the Committee is authorized by its charter to engage a third party to assist in the identification of director nominees. The Nominating Committee would seek to identify a candidate who at a minimum satisfies the following criteria:

has personal and professional ethics and integrity and whose values are compatible with the Company's;

has had experiences and achievements that have given him or her the ability to exercise and develop good business judgment;

is willing to devote the necessary time to the work of the Board and its committees, which includes being available for Board and committee meetings;

is familiar with the communities in which the Company operates and/or is actively engaged in community activities;

is involved in other activities or interests that do not create a conflict with his or her responsibilities to the Company and its stockholders; and

has the capacity and desire to represent the balanced, best interests of the stockholders of the Company as a group, and not primarily a special interest group or constituency.

The Nominating Committee will also take into account whether a candidate satisfies the criteria for independence under the Nasdaq corporate governance listing standards and, if a nominee is sought for service on the Audit Committee, the financial and accounting expertise of a candidate, including whether an individual qualifies as an audit committee financial expert.

Procedures for the Nomination of Directors by Stockholders

Edgar Filing: BROOKLINE BANCORP INC - Form DEF 14A

The Nominating Committee has adopted procedures for the submission of director nominees by stockholders. If a determination is made that an additional candidate is needed for the Board of Directors, the Nominating Committee will consider candidates submitted by the Company's stockholders. Stockholders can submit the names of qualified candidates for Director by writing to our Corporate Secretary, at 160 Washington Street, Brookline, Massachusetts 02445. The Corporate Secretary must receive a submission not less than ninety (90) days prior to the date of the Company's proxy materials for the preceding year's annual meeting. The submission must include the following information:

the name and address of the stockholder as he or she appears on the Company's books, and number of shares of the Company's common stock that are owned beneficially by such

stockholder (if the stockholder is not a holder of record, appropriate evidence of the stockholder's ownership will be required);

the name, address and contact information for the candidate, and the number of shares of common stock of the Company that are owned by the candidate (if the candidate is not a holder of record, appropriate evidence of the stockholder's ownership should be provided);

a statement of the candidate's business and educational experience;

such other information regarding the candidate as would be required to be included in the proxy statement pursuant to SEC Regulation 14A;

a statement detailing any relationship between the candidate and the Company;

a statement detailing any relationship between the candidate and any customer, supplier or competitor of the Company;

detailed information about any relationship or understanding between the proposing stockholder and the candidate; and

a statement that the candidate is willing to be considered and willing to serve as a Director if nominated and elected.

A nomination submitted by a stockholder for presentation by the stockholder at an annual meeting of stockholders must comply with the procedural and informational requirements described in Other Matters and Advance Notice Procedures.

Stockholder Communications with the Board

Edgar Filing: BROOKLINE BANCORP INC - Form DEF 14A

A stockholder of the Company who wishes to communicate with the Board of Directors or with any individual Director can write to the Corporate Secretary of the Company, at 160 Washington Street, Brookline, Massachusetts 02445, Attention: Board Administration. The letter should indicate that the author is a stockholder and if shares are not held of record, should include appropriate evidence of stock ownership. Depending on the subject matter, management will:

forward the communication to the Director or Directors to whom it is addressed;

attempt to handle the inquiry directly, for example where it is a request for information about the Company or it is a stock-related matter; or

not forward the communication if it is primarily commercial in nature, relates to an improper or irrelevant topic, or is unduly hostile, threatening, illegal or otherwise inappropriate.

At each Board meeting, management will present a summary of all communications received since the last meeting that were not forwarded and make those communications available to the Directors.

Code of Ethics

The Company has adopted a Code of Ethics that is applicable to the officers, directors and employees of the Company, including the Company's principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions. The Code of Ethics is available on the Company's website at www.brooklinebank.com. Amendments to and waivers from the Code of Ethics will also be disclosed on the Company's website.

Edgar Filing: BROOKLINE BANCORP INC - Form DEF 14A

The Audit Committee of the Company consists of directors Chapin, Tripp and Wilde. Each member of the Audit Committee is considered independent as defined in the Nasdaq corporate governance listing standards and under SEC Rule 10A-3. The Board of Directors has determined that Mr. Wilde qualifies as an audit committee financial expert as that term is used in the rules and regulations of the SEC, primarily through:

his experience serving on the Company's Audit Committee for over ten years, including the eight years that the Company has been a publicly-owned stock company;

his educational background which includes an MBA from the Harvard University Graduate School of Business Administration; and

his experience in serving in managerial positions, including chief financial officer, at non-public companies.

The Committee reviews the contents of and conclusions in audit reports prepared by the internal auditor and the Company's independent registered public accounting firm, reviews and approves the annual engagement of the Company's independent registered public accounting firm, the Company's audit policy, the internal audit function and the plan of audit coverage, and reviews with management and the Company's independent registered public accounting firm, the Company's financial statements and internal controls. The Company's Board of Directors has adopted a written charter for the Audit Committee of the Company, the current version of which is appended to this proxy statement as Exhibit A. The charter is available at the Company's website at www.brooklinebank.com.

Compensation Committee Interlocks and Insider Participation

Edgar Filing: BROOKLINE BANCORP INC - Form DEF 14A

The full Board of Directors of the Company approves the salaries to be paid each year to the three highest paid officers of the Company, based on the recommendations of the Compensation Committee. Richard P. Chapman, Jr. and Charles H. Peck are directors of the Company in addition to being executive officers of the Company and of the Bank. Messrs. Chapman and Peck do not participate in the Board of Directors determination of compensation for their respective offices.

Report of the Compensation Committee of the Board of Directors on Executive Compensation

Edgar Filing: BROOKLINE BANCORP INC - Form DEF 14A

Under rules established by the SEC, the Company is required to provide certain data and information regarding compensation and benefits provided to its Chief Executive Officer and other executive officers. The disclosure requirements for the Chief Executive Officer and other executive officers include a report explaining the rationale and considerations that led to fundamental executive compensation decisions affecting those individuals. In fulfillment of this requirement, the Compensation Committee of the Board of Directors has prepared the following report for inclusion in this proxy statement.

The Committee annually reviews the performance of the Chief Executive Officer and other executive officers and approves changes to base compensation as well as the level of bonus, if any, to be awarded. In determining whether the employment agreements of the Chief Executive Officer and other executive officers should be extended, the Committee generally takes into account the individual performance of each executive officer and the performance of the Company under the direction of the executive officers. Other factors considered by the Committee include each executive officer's general managerial oversight of the Company, the quality of communications with the Board of Directors, and the Company's record of compliance with regulatory requirements. In 2005, in considering whether to extend the terms of the employment agreements of Messrs. Chapman and Peck, the Committee also took into account that these officers were serving beyond their normal retirement dates, and that in planning for their eventual succession, the Board of Directors should optimize its flexibility. Accordingly, the Committee recommended that the employment agreements of these officers not be extended, with the result that the employment agreements of these officers will expire on February 25, 2009.

While the Committee does not use strict numerical formulas to determine changes in compensation for the Chief Executive Officer and other executive officers, and while it weighs a variety of different factors in its deliberations, it has emphasized and expects to continue to emphasize the profitability and scope of the Company's operations, the experience, expertise and management skills of the executive officers and their roles in the future success of the Company, as well as compensation surveys prepared by banking associations and professional firms to determine compensation paid to executives performing similar duties for similarly-sized financial institutions in the New England and Mid-Atlantic Regions. In 2005, the Committee also considered the successful consolidation of the Mystic Financial, Inc. acquisition, the 2006-2008 Strategic Plan developed for the Company, and recent initiatives to expand and diversify Brookline Bank's lending operations. While each of the quantitative and non-quantitative factors described above was considered by the Committee, such factors were not assigned a specific weight in evaluating the performance of the Chief Executive Officer and other executive officers. Rather, all factors were considered.

The amount of bonus payments to an executive officer is based on the performance of the Company as measured against certain quantitative thresholds. Specifically, bonus payments are based on the Company's level of net operating income and non-performing assets. In 2005, the Committee, after taking into account the foregoing quantitative criteria and other factors, established the bonus payments for the executive officers.

With respect to Richard P. Chapman, Jr., the Chief Executive Officer, the Committee recommended to the full Board of Directors a \$20,000 increase in base salary to \$500,000 for 2005. Mr. Chapman's annual bonus was increased by \$16,008 to \$145,320 for 2005.

Employment and Severance Agreements

Employment Agreements. The Bank has entered into substantially identical employment agreements with Messrs. Chapman and Peck. The Board of Directors undertook its annual review of the employment agreements with Messrs. Chapman and Peck and determined not to extend them. In making this decision, the Board noted that Messrs. Chapman and Peck are serving beyond their normal retirement dates and that in planning for their eventual succession, the Board should enhance its flexibility. By providing notice that their agreements will not be extended, the termination date of the agreements is set to February 25, 2009. The Board recognizes that as the maturity dates of the employment agreements approach, it may be in the best interest of the Company to negotiate new contracts for the executive officers.

Under the agreements, the current Base Salaries for Messrs. Chapman and Peck are \$530,000 and \$235,000, respectively. The Base Salary may be increased but not decreased. In addition to the Base Salary, the agreement provides for, among other things, participation in retirement plans and other employee and fringe benefits applicable to executive personnel. The agreement provides for termination by the Bank for cause at any time. In the event the Bank terminates the executive's employment for reasons other than for cause, or in the event of the executive's resignation from the Bank (such resignation to occur within the period or periods set forth in the employment agreement) upon (i) failure to re-elect the executive to his current offices, (ii) a material change in the executive's functions, duties or responsibilities, or relocation of his principal place of employment by more than 30 miles, (iii) liquidation or dissolution of the Bank, (iv) a breach of the agreement by the Bank, or (v) following a change in control of the Bank or the Company, the executive, or in the event of death, his beneficiary, would be entitled to severance pay in an amount equal to three times the Base Salary and the highest bonus paid during any of the last three years. Messrs. Chapman and Peck would receive an aggregate of approximately \$2,891,000 pursuant to their employment agreements upon a change in control of the Bank or the Company, based upon current levels of compensation. The Bank also would continue the executive's life, health, dental and disability coverage for 36 months from the date of termination. In the event the payments to the executive include an excess parachute payment as defined by Code Section 280G (relating to payments made in connection with a change in control), the payments would be reduced in order to avoid having an excess parachute payment.

Under the agreement, the executive's employment may be terminated upon his retirement in accordance with any retirement policy established on behalf of the executive and with his consent. Upon the executive's retirement, he will be entitled to all benefits available to him under any retirement or other benefit plan maintained by the Bank. In the event of the executive's disability for a period of six months, the Bank may terminate the agreement provided that the Bank will be obligated to pay him his Base Salary for the remaining term of the agreement or one year, whichever is longer, reduced by any benefits paid to the executive pursuant to any disability insurance policy or similar arrangement maintained by the Bank. In the event of the executive's death, the Bank will pay his Base Salary to his named beneficiaries for one year following his death, and will also continue medical, dental and other benefits to his family for one year. The employment agreement provides that, following his termination of employment, the executive will not compete with the Bank for a period of one year.

Severance Agreements. The Bank has entered into severance agreements (the Severance Agreements) with 14 other officers of the Bank, including Mr. Bechet, Ms. Gorman and Mr. Pallin, which provide certain benefits in the event of a change in control of the Bank or the Company. Each of the Severance Agreements is for a term of one year (except for one Severance Agreement with a two-year term). Commencing on each anniversary date, the Board of Directors may extend any Severance Agreement for an additional year. The Severance Agreements enable the Bank to offer to designated officers certain protections against termination without cause in the event of a change in control. For these purposes, a change in control is defined generally to mean: (i) consummation of a plan of reorganization, merger or sale of substantially all of the assets of the Bank or the Company where the Bank or the Company is not the surviving entity; (ii) changes to the Board of Directors of the Bank or the Company whereby individuals who constitute the current Board cease to constitute a majority of the Board, subject to certain exceptions; (iii) a change in control as that term is defined in the Bank Holding Company Act; (iv) a transaction or occurrence whereby any person becomes the beneficial owner of 25% or more of the voting securities of the Company; and (v) a tender offer is made for 25% or more of the voting securities of the Company and 25% or more of the stockholders have tendered their shares. These protections against termination without cause in the event of a change in control are frequently offered by other financial institutions, and the Bank may be at a competitive disadvantage in attracting and retaining key employees if it does not offer similar protections. Although the

Severance Agreements may have the effect of making a takeover more expensive to an acquiror, the Bank believes that the benefits of enhancing the Bank's ability to attract and retain qualified management persons by offering the Severance Agreements outweighs any disadvantage of such agreements.

Following a change in control of the Company or the Bank, an officer is entitled to a payment under the Severance Agreement if the officer's employment is involuntarily terminated during the term of such agreement, other than for cause, as defined, or if the officer voluntarily terminates employment during the term of such agreement as the result of a demotion, loss of title, office or significant authority, reduction in his annual compensation or benefits, or relocation of the officer's principal place of employment by more than 30 miles from its location immediately prior to the change in control. In the event that an officer who is a party to a Severance Agreement is entitled to receive payments pursuant to the Severance Agreement, the officer will receive a cash payment up to a maximum of one times the average of the three preceding years' annual base salary and bonuses, except for one officer who will receive a payment up to a maximum of two times his annual base salary. Mr. Bechet, Ms. Gorman and Mr. Pallin would receive an aggregate of approximately \$589,000 and the remaining officers would receive an aggregate of approximately \$1,483,000, pursuant to their severance agreements upon a change in control of the Bank or the Company. In addition to the severance payment, each covered officer is entitled to receive life, health, dental and disability coverage for a period of up to 12 months from the date of termination. Notwithstanding any provision to the contrary in the Severance Agreement, payments under the Severance Agreements are limited so that they will not constitute an excess parachute payment under Section 280G of the Internal Revenue Code.

Compensation of Officers and Directors through Benefit Plans

Medical, Dental, Life and Other Similar Employee Benefit Plans. The Bank provides eligible employees (i.e., generally full-time employees and employees who work more than 20 hours per week) with group life (after three months of employment), accidental death and dismemberment, and long-term disability coverage. For its eligible employees, the Bank pays 80% of the monthly premiums for group health coverage and 50% of the monthly premiums for individual and family dental coverage. For Messrs. Chapman and Peck, the Bank pays 100% of such premiums. The Bank pays 100% of the monthly premiums for group life insurance coverage after the employee has completed one year of service. The Bank also sponsors a flexible benefits plan under which employees can pay their ratable share of health insurance premiums on a pre-tax basis, a medical expense reimbursement plan under which employees can defer their salary on a pre-tax basis to cover the costs of certain medical expenses not reimbursed through insurance or otherwise, and a dependent care plan under which employees can defer their salary on a pre-tax basis to cover qualified dependent care expenses.

Supplemental Retirement Income Agreement. The Bank has entered into non-qualified supplemental retirement income agreements (SRIA) for the benefit of Messrs. Chapman and Peck that provide them with benefits generally equal to 70% of their average compensation for the three calendar years with the highest rate of compensation in the ten calendar year period prior to retirement, reduced by any distribution they are entitled to receive from the Bank's pension plan and one-half of any Social Security benefits.

Retirement benefits under the SRIA are generally payable as a monthly benefit or, at the election of the Bank, as a lump sum benefit. The monthly benefits are payable on early or normal retirement or disability and continue until the later of the executive's death or 15 years from Mr. Peck's retirement (20 years in the case of Mr. Chapman). Monthly benefits are provided for designated beneficiaries of participants who do not survive until retirement commencing on the date of death and ending on the earlier of (1) the date the executive would have attained his standard life expectancy or (2) 15 years from the date of death in the case of Mr. Peck (20 years in the case of the death of Mr. Chapman). Under the SRIAs, in the case of a change in control, the executive (or in the event of the executive's death, his beneficiary) is irrevocably entitled to elect a lump sum benefit equal to the actuarial equivalent of the monthly benefit to which the executive is entitled at such time. The SRIA is considered an unfunded plan for tax and ERISA purposes. For the year ended December 31, 2005, the Bank charged to expense under the SRIA \$240,000 and \$60,000 to Mr. Chapman and Mr. Peck, respectively. All obligations under the SRIA are payable from the general assets of the Bank.

401(k) Plan. The Bank maintains the Savings Banks Employees Retirement Association 401(k) Plan which is a qualified, tax-exempt profit sharing plan with a salary deferral feature under Section 401(k) of the Code (the 401(k) Plan). All employees who have attained age 21 are eligible to participate.

Under the 401(k) Plan, participants were permitted to make salary reduction contributions equal to the lesser of 75% of compensation or \$14,000 in 2005 (as indexed annually). Those plan participants who are age 50 or older were permitted to make salary reduction contributions equal to the lesser of 75% of compensation or \$18,000 in 2005 (as indexed annually). For these purposes, compensation includes wages reported on federal income tax form W-2, but does not include compensation in excess of the Code Section 401(a)(17) limits (i.e., \$210,000). All employee contributions and earnings thereon are fully and immediately vested.

Defined Contribution Plan. The Bank has a defined contribution plan under which it provided annual contributions equal to 5% of each participant's compensation up to \$210,000 in 2005. In order to be fully vested in the Bank's annual contribution, a participant must complete three years of service with the Bank or the Company in which he works 1,000 hours or more. A participant may withdraw salary reduction contributions in the event the participant suffers a financial hardship. The plan permits employees to direct the investment of their own accounts into various investment options.

Plan benefits will be paid to each participant in the form of a life annuity (or joint and survivor annuity if married) upon retirement or death unless an alternate form of distribution (lump sum or equal payments over a fixed period) is selected. If a participant terminates employment prior to retirement, his vested benefit will be held by the plan until the participant elects to receive his benefit from the plan. If a participant (and the participant's spouse, if married) elects to receive benefits after termination of employment prior to normal or early retirement age, benefits will be paid in a lump sum. Normal retirement age under the Plan is age 65. Early retirement age under the Plan is 59½.

Employee Stock Ownership Plan and Trust. The Bank has implemented an Employee Stock Ownership Plan (the ESOP). Employees with at least one year of employment in which they work 1,000 hours or more with the Bank and who have attained age 21 are eligible to participate. The ESOP has borrowed funds from the Company and used those funds to purchase shares of the Common Stock of the Company. Collateral for the loan is the Common Stock purchased by the ESOP. The loan will be repaid principally from the Bank's contributions to the ESOP over a maximum of 30 years. The interest rate for the loan is fixed at 8.50%. Shares purchased by the ESOP are held in a suspense account for allocation among participants as the loan is repaid.

Contributions to the ESOP and shares released from the suspense account in an amount proportional to the repayment of the ESOP loan are allocated among ESOP participants on the basis of compensation in the year of allocation. For the plan year ended December 31, 2005, 58,060 shares were released from the suspense account and allocated to employees. Benefits generally vest over a seven-year period. Benefits generally vest at the rate of 20% per year beginning in the third year of service until a participant is 100% vested after seven years or upon normal retirement (as defined in the ESOP), disability or death of the participant or a change in control (as defined in the ESOP). A participant who terminates employment for reasons other than death, retirement or disability prior to seven years of credited service will forfeit the nonvested portion of his benefits under the ESOP. Benefits will be payable in the form of Common Stock and cash upon death, retirement, early retirement, disability or separation from service. The Bank's contributions to the ESOP are discretionary, subject to the loan terms and tax law limits and, therefore, benefits payable under the ESOP cannot be estimated. The Bank is required to record compensation expense in an amount equal to the fair market value of the shares released from the suspense account.

The Bank's Board of Directors administers the ESOP. The Bank has appointed an independent financial institution to serve as trustee of the ESOP. The ESOP committee may instruct the trustee regarding investment of funds contributed to the ESOP. The ESOP trustee, subject to its fiduciary duty, must vote all allocated shares held in the ESOP in accordance with the instructions of participating employees. Under the ESOP, nondirected shares and shares held in the suspense account will be voted in a manner calculated to most accurately reflect the instructions it has received from participants regarding the allocated stock so long as such vote is in accordance with the provisions of ERISA.

Stock Benefit Plans

The Board of Directors of the Company has adopted the 1999 Stock Option Plan, the 2003 Stock Option Plan, the 1999 Recognition and Retention Plan and the 2003 Recognition and Retention Plan, all of which plans have been approved by stockholders. Pursuant to the Recognition and Retention Plans, awards were made to directors and certain executive officers and employees of the Company and affiliates of the Company as determined

by the Compensation Committee, which administers the plans. Awards vest for such participants in accordance with schedules determined by the committee. If a recipient ceases continuous service with the Company or the Bank due to normal retirement (except with respect to the 2003 Recognition and Retention Plan), death or disability, or following a change in control, shares subject to restrictions will immediately vest; in the event of cessation of continuous service for any other reason, unvested shares are forfeited and returned to the Company. Recipients have the right to vote nonvested shares that have been awarded and will receive dividends declared on such shares.

Pursuant to the Stock Option Plans, options to purchase common stock of the Company were granted to directors and certain executive officers and employees of the Company and affiliates of the Company, as determined by the Compensation Committee which administers the plans. The committee also determines the period over which such awards will vest and become exercisable. The plans provide for awards in the form of stock options, reload options, limited stock appreciation rights and dividend equivalent rights.

No options were granted to the Named Executive Officers during 2005.

Set forth below is certain information concerning options outstanding to the Named Executive Officers at December 31, 2005 and options exercised by the Named Executive Officers during 2005.

Transactions with Certain Related Persons

Edgar Filing: BROOKLINE BANCORP INC - Form DEF 14A

All transactions between the Company and its executive officers, directors, holders of 10% or more of the shares of its Common Stock and affiliates thereof, are on terms no less favorable to the Company than could have been obtained by it in arm's-length negotiations with unaffiliated persons. The balance of loans outstanding to

directors, executive officers and their related interests amounted to \$2,981,000 at December 31, 2005. The Sarbanes-Oxley Act of 2002 generally prohibits an issuer from: (i) extending or maintaining credit; (ii) arranging for the extension of credit; or (iii) renewing an extension of credit in the form of a personal loan for an officer or director. There are several exceptions to this general prohibition, however, one of which is applicable to the Company. Namely, this prohibition does not apply to loans made by a depository institution that is insured by the FDIC and is subject to the insider lending restrictions of the Federal Reserve Act. All loans to the Company's directors and officers by the Bank are made in conformity with the Federal Reserve Act and regulations promulgated thereunder.

PROPOSAL 2 RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Board of Directors of the Company has approved the engagement of KPMG LLP to be the Company's independent registered public accounting firm for the 2006 fiscal year, subject to the ratification of the engagement by the Company's stockholders. At the Annual Meeting, stockholders will consider and vote on the ratification of the engagement of KPMG LLP for the Company's fiscal year ending December 31, 2006. A representative of KPMG LLP is expected to attend the Annual Meeting to respond to appropriate questions and to make a statement if he so desires.

Set forth below is certain information concerning aggregate fees billed for professional services rendered during fiscal year 2005 and 2004 by KPMG LLP, the Company's independent registered public accounting firm. The aggregate fees included in the Audit category were fees billed for the fiscal years for the audit of the Company's annual financial statements, the audit of management's report on internal control over financial reporting and the review of the Company's quarterly financial statements. The aggregate fees included in each of the other categories were fees billed in the fiscal years.

	2005	2004
Audit Fees	\$ 386,500	\$ 370,000
Audit-Related Fees	16,500	
Tax Fees	54,075	48,250
All Other Fees		

Audit Fees. Audit fees were for professional services rendered for the audits of the consolidated financial statements of the Company, the review of the financial statements included in the Company's quarterly reports on Form 10-Q and the audit of management's assessment of the Company's internal control over financial reporting.

Audit-Related Fees. Audit-related fees were for professional services rendered related to accounting for the acquisition of Mystic Financial, Inc.

Tax Fees. Tax fees were for services related to tax compliance, tax planning, the review of tax issues in 2005 and 2004 in connection with the acquisition of Mystic Financial, Inc. and assistance in 2005 in addressing state tax issues relating to the Company's equity investment in a specialty finance company.

Edgar Filing: BROOKLINE BANCORP INC - Form DEF 14A

The Audit Committee considered whether the provision of non-audit services was compatible with maintaining the independence of the independent registered public accounting firm. The Audit Committee concluded that performing such services in 2005 did not affect the independent registered public accounting firm's independence in performing their function as auditors of the Company.

Policy on Audit Committee Pre-Approval of Audit and Non-Audit Services of the Independent Registered Public Accounting Firm

Edgar Filing: BROOKLINE BANCORP INC - Form DEF 14A

The Audit Committee's policy is to pre-approve all audit and non-audit services provided by the independent registered public accounting firm. These services may include audit services, audit-related services, tax services and other services. Pre-approval is generally provided for up to one year and any pre-approval is detailed as to particular service or category of services and is generally subject to a specific budget. The Audit Committee has delegated pre-approval authority to its Chairman when expedition of services is necessary. The independent registered public accounting firm and management are required to periodically report to the full Audit Committee

regarding the extent of services provided by the independent registered public accounting firm in accordance with this pre-approval, and the fees for the services performed to date. The audit-related fees paid in 2005 and 2004 were approved per the Audit Committee's pre-approval policies.

In order to ratify the selection of KPMG LLP as the independent registered public accounting firm for the 2006 fiscal year, the proposal must receive the affirmative vote of a majority of the shares represented at the Annual Meeting and entitled to vote. **THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE RATIFICATION OF KPMG LLP AS THE INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE 2006 FISCAL YEAR.**

STOCKHOLDER PROPOSALS

In order to be eligible for inclusion in the proxy materials for next year's Annual Meeting of Stockholders, any stockholder proposal to take action at such meeting must be received at the Company's executive office, 160 Washington Street, Brookline, Massachusetts 02445, no later than November 21, 2006. Any such proposals shall be subject to the requirements of the proxy rules adopted under the Securities Exchange Act of 1934.

OTHER MATTERS AND ADVANCE NOTICE PROCEDURES

The Board of Directors is not aware of any business to come before the Annual Meeting other than the matters described above in this proxy statement. However, if any matters should properly come before the Annual Meeting, it is intended that holders of the proxies will act as directed by a majority of the Board of Directors, except for matters related to the conduct of the Annual Meeting, as to which they shall act in accordance with their best judgment. The Board of Directors intends to exercise its discretionary authority to the fullest extent permitted under the Securities Exchange Act of 1934.

The Bylaws of the Company provide an advance notice procedure for certain business, or nominations to the Board of Directors, to be brought before an annual meeting. In order for a stockholder to properly bring business before an annual meeting, or to propose a nominee to the Board, the stockholder must give written notice to the Secretary of the Company not less than 90 days before the date fixed for such meeting; provided, however, that in the event that less than 100 days' notice or prior public disclosure of the date of the meeting is given or made, notice by the stockholder to be timely must be received not later than the close of business on the tenth day following the day on which such notice of the date of the Annual Meeting was mailed or such public disclosure was made. The notice must include the stockholder's name, record address and number of shares owned by the stockholder, describe briefly the proposed business, the reasons for bringing the business before the annual meeting and any material interest of the stockholder in the proposed business. In the case of nominations to the Board, certain information regarding the nominee must be provided. Nothing in this paragraph shall be deemed to require the Company to include in its proxy statement and proxy relating to an annual meeting any stockholder proposal which does not meet all of the requirements for inclusion established by the SEC in effect at the time such proposal is received.

The date on which the 2007 Annual Meeting of Stockholders is expected to be held is April 19, 2007. Accordingly, advance written notice of business or nominations to the Board of Directors to be brought before the 2007 Annual Meeting of Stockholders must be given to the Company no later than January 19, 2007. If notice is received after January 19, 2007, it will be considered untimely, and the Company will not be required to present the matter at the 2007 Annual Meeting of Stockholders.

MISCELLANEOUS

The cost of solicitation of proxies in the form enclosed herewith will be borne by the Company. Proxies also may be solicited personally or by mail, telephone or telegraph by the Company's directors, officers and employees, without additional compensation therefor. The Company also will request persons, firms and corporations holding shares in their names, or in the names of their nominees which are beneficially owned by others, to send proxy materials to and to obtain proxies from such beneficial owners, and will reimburse such holders for their reasonable expenses in doing so.

Audit Committee Charter

January 17, 2006

I. Purpose

The Audit Committee (the "Committee") is a committee of the Board of Directors (the "Board"). Its primary function is to assist the Board in monitoring:

the integrity of the Company's financial statements

the qualifications and independence of the Company's independent auditor

the performance of the Company's internal audit function and independent auditor

the Company's disclosure controls and system of internal controls over financial reporting

The Audit Committee shall prepare the report required by the rules of the Securities and Exchange Commission (the "SEC") to be included in the Company's annual proxy statement.

The Committee should foster adherence to, and encourage continuous improvement of, the Company's policies, procedures and practices. The Committee should also provide an open avenue of communication among financial and senior management, the internal audit function, the independent auditor and the Board.

The Committee has the authority, to the extent it deems necessary or appropriate, to retain independent legal, accounting or other advisors. The Company shall provide for appropriate funding, as determined by the Committee, for payment of compensation to the independent auditor for the purpose of rendering or issuing an audit report and to any advisors employed by the Committee.

The Committee will report regularly to the Board. The Committee shall review and assess the adequacy of this Charter annually and recommend any proposed changes to the Board for approval.

II. Composition and Meetings

The Committee shall be comprised of at least three directors, as determined by the Board. Each Committee member shall be an independent director, as defined by all applicable rules and regulations, including the listing standards of Nasdaq, and free from any relationship (including disallowed compensatory arrangements) that, in the opinion of the Board, would interfere with the exercise of his or her independent judgment as a member of the Committee.

All members of the Committee shall be able to read and understand fundamental financial statements, including a company's balance sheet, income statement and cash flow statement. At least one member of the Committee shall have past employment experience in finance or accounting, requisite professional certification in accounting, or other comparable experience. The Board shall determine whether at least one member of the Committee qualifies as an audit committee financial expert in compliance with criteria established by the SEC and other relevant regulations. The existence of such member, including his or her name and whether he or she is independent, shall be disclosed in periodic filings as required by the SEC.

The members of the Committee shall be elected by the Board and shall serve until their successors are duly elected and qualified. Unless a Chair is elected by the full Board, the members of the Committee may designate a Chair by majority vote of the full Committee membership.

The Committee shall meet at least quarterly or more frequently as circumstances dictate. Each regularly scheduled meeting shall conclude with an executive session of the Committee absent members of management and on such terms and conditions as the Committee may choose. As part of its responsibility to foster open communication, the Committee will meet periodically with management, the internal auditor and the independent auditor in separate

executive sessions to discuss any matters that the Committee or each of those parties believe should be discussed privately. The Committee will meet quarterly with the independent auditor and management to discuss the Company's financial statements.

III. Duties and Responsibilities

The Committee, to the extent it deems necessary or appropriate, shall:

Financial Statement and Disclosure Matters

Review and discuss with management and the independent auditor the Company's annual audited financial statements, including disclosures made in management's discussion and analysis, and recommend to the Board whether the audited financial statements should be included in the Company's Form 10-K.

Review and discuss with management and the independent auditor the Company's internal controls report and the independent auditor's attestation of the report prior to the filing of the Company's Form 10-K.

Review and discuss quarterly reports from the independent auditor on:

- (a) all critical accounting policies and practices used or to be used
- (b) all alternative treatments of financial information within generally accepted accounting principles that have been discussed with management, ramifications of the use of such alternative disclosures and treatments, and the treatment preferred by the independent auditor
- (c) other material written communications between the independent auditor and management, such as any management letter or schedule of unadjusted differences

Discuss with management the Company's earnings press releases, including the use of pro forma or adjusted non-GAAP information, as well as financial information and earnings guidance provided to analysts and ratings agencies. Such discussions may be on general terms (i.e., discussion of the types of information to be disclosed and

the type of presentation to be made).

Discuss with management and the independent auditor the effect of regulatory and accounting initiatives as well as off-balance sheet structures on the Company's financial statements.

Discuss with management the Company's major financial risk exposures and the steps management has taken to monitor and control such exposures, including the Company's risk assessment and risk management policies.

Review with management, corporate counsel and the independent auditor the status of legal matters, including the significance of such matters on the Company's financial statements, and the adequacy of disclosures regarding such matters in the Company's financial statements and SEC filings.

Review with management and the independent auditor all related party transactions and determine that all required disclosures are included in the Company's annual report and annual proxy statement.

Review with the independent auditor the matters required to be discussed by Statement on Auditing Standards No. 61 relating to the conduct of the audit, any difficulties encountered in the course of the audit, any restrictions on the scope of activities or access to requested information, and any significant disagreements with management.

Review disclosures made to the Audit Committee by the Company's chief executive officer and chief financial officer during their certification process for the Form 10-K and Form 10-Q about any significant deficiencies in the design or operation of internal controls or material weaknesses therein and any fraud involving management or other employees who have a significant role in the Company's internal controls.

Ensure that a public announcement of the Company's receipt of an audit opinion that contains a going concern qualification is made promptly.

Oversight of the Company's Relationship with the Independent Auditor

Appoint, compensate and oversee the work performed by the independent auditor for the purpose of preparing an audit report on the Company's financial statements or related work. Review the performance of the independent auditor and remove the independent auditor if circumstances warrant. The independent auditor shall report directly to the Committee and the Committee shall oversee the resolution of disagreements between management and the independent auditor in the event they arise. Consider whether the auditor's performance of permissible non-audit services is compatible with the auditor's independence.

Review and evaluate the lead partner of the independent auditor team. Ensure the rotation of the lead audit partner and the audit partner responsible for reviewing the audit as required by law.

Obtain and review a report from the independent auditor at least annually regarding:

- (a) the internal quality control procedures of the independent auditor's firm
- (b) any material issues raised by the most recent internal quality control review, peer review or by any inquiry or investigation by governmental or professional authorities, within the preceding five years, respecting one or more independent audits carried out by the firm, and any steps taken to deal with any such issues
- (c) all relationships between the independent auditor and the Company

Review and pre-approve both audit and non-audit services to be provided by the independent auditor (other than with respect to non-significant exceptions permitted by the Sarbanes-Oxley Act of 2002) in accordance with the Company's pre-approval policy presented on Attachment A hereto.

Meet with the independent auditor prior to the audit to discuss the planning and staffing of the audit.

Discuss with the independent auditor material issues on which the national office of the independent auditor was consulted by the Company's audit team.

Employees or former employees of the independent auditor who participated in any capacity in the audit of the Company will not be hired by the Company unless (a) it is determined that such a hiring would not violate any rules and regulations and (b) the hiring is pre-approved by the Board.

Oversight of the Company's Internal Audit Function

Review and approve the appointment and replacement of the senior internal audit executive or any independent firm engaged to perform internal audit services. If an independent firm is engaged, review the qualifications of the firm, including the lead auditor assigned to perform the audit services, and approve the fees for the services rendered.

Review activities, organizational structure and qualifications of the internal audit function.

Review the significant reports to management prepared by the internal auditor and management's responses.

Review the internal audit charter annually and recommend changes, if any.

Review periodically with the independent auditor the budget, staffing and responsibilities of the internal audit function.

Review periodically with the internal auditor any significant difficulties, disagreements with management or scope restrictions encountered in the course of the function's work.

Other Responsibilities

Discuss with management and the independent auditor any correspondence with regulators or governmental agencies and any reports which raise material issues regarding the Company's financial statements or accounting policies.

Obtain from the independent auditor assurance that the Audit Committee has been adequately informed of any illegal act detected by, or which comes to the attention of, the independent auditor and that any specific conclusions reached by the independent auditor with respect to such illegal acts have been reported to the Audit Committee.

Approve all related party transactions that require disclosure in the proxy statement pursuant to Item 404 of SEC Regulation S-K.

Establish procedures for the receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls or auditing matters, and the confidential, anonymous submission by employees of concerns regarding questionable accounting or auditing matters.

IV. Limitation of Audit Committee's Role

While the Committee has the responsibilities and powers set forth in this Charter, it is not the duty of the Committee to plan or conduct audits or to determine that the Company's financial statements and disclosures are complete and accurate and are in accordance with generally accepted accounting principles and applicable rules and regulations. These are the responsibilities of management and the independent auditor.

Attachment A

Audit Committee Pre-Approval Policy

I. Statement of Principles

The Audit Committee (the Committee) is required to pre-approve the audit and non-audit services performed by the independent auditor in order to assure that the provision of such services does not impair the auditor's independence. Unless a type of service to be provided by the independent auditor has received general pre-approval, it will require specific pre-approval by the Committee. Any proposed services exceeding pre-approved cost levels will require specific pre-approval by the Committee.

The appendices to this policy describe the audit, audit-related and tax services that have the pre-approval of the Committee. The term of any general pre-approval is 12 months from the date of pre-approval, unless the Committee specifically provides for a different period. The Committee will revise the list of pre-approved services periodically based on subsequent determinations.

II. Delegation

The Audit Committee may delegate pre-approval authority to one or more of its members. The member or members to whom such authority is delegated shall report any pre-approval decisions to the Committee at its next scheduled meeting. The Committee does not delegate its responsibilities to pre-approve services performed by the independent auditor to management.

III. Audit Services

The annual audit services engagement terms and fees will be subject to the specific pre-approval of the Committee. The Committee will approve, if necessary, any changes in terms, conditions and fees resulting from changes in audit scope, Company structure or other matters.

In addition to the annual audit services engagement approved by the Committee, the Committee may grant pre-approval for other audit services, which are those services that only the independent auditor reasonably can provide. The Committee has pre-approved the audit services listed in Appendix A. All other audit services not listed in Appendix A must be pre-approved by the Committee.

IV. Audit-Related Services

Audit-related services are assurance and related services that are reasonably related to the performance of the audit or review of the Company's financial statements and that are traditionally performed by the independent auditor. The Committee believes that the provision of audit-related services does not impair the independence of the auditor and has pre-approved the audit-related services listed in Appendix B. All other audit-related services not listed in Appendix B must be pre-approved by the Committee.

V. Tax Services

The Committee believes that the independent auditor can provide tax services to the Company such as preparation of tax returns, tax compliance, tax planning and tax advice without impairing the auditor's independence. However, the Committee will not permit the retention of the independent auditor in connection with a transaction initially

recommended by the independent auditor, the purpose of which may be tax avoidance and the tax treatment of which may not be supported by the Internal Revenue Code and related regulations. The Committee has pre-approved the tax services listed in Appendix C. All tax services involving large and complex transactions not listed in Appendix C must be pre-approved by the Committee.

VI. All Other Services

All other services not addressed in the above sections may be provided by the independent auditor only if such services do not impair the auditor's independence. The Committee has not pre-approved a list of other services. All other services require specific pre-approval by the Committee.

A list of the SEC's prohibited non-audit services is attached to this policy as Exhibit 1. The SEC's rules and relevant guidance should be consulted to determine the precise definitions of these services and the applicability of exceptions to certain of the prohibitions.

VII. Pre-Approval Fee Levels

Pre-approval fee levels for all services to be provided by the independent auditor will be established periodically by the Committee. Any proposed services exceeding these levels will require specific pre-approval by the Committee.

VIII. Supporting Documentation

With respect to each proposed pre-approved service, the independent auditor will provide detailed back-up documentation to the Committee regarding the specific services to be provided.

IX. Procedures

Requests or applications to provide services that require approval by the Committee will be submitted to the Committee by both the independent auditor and the chief financial officer of the Company, and must include a statement by each of them as to whether, in their view, the request or application is consistent with the SEC's rules on auditor independence.
