-

**Item 1.01. Entry into a Material Definitive Agreement**

On May 11, 2006, the Compensation Committee of the Board of Directors of Watson Wyatt Worldwide, Inc. (the Company) approved the performance metrics to be used for the Performance Share Bonus Incentive Program (SBI Program) for fiscal years 2006-2008 (the FY06 SBI Program). The FY06 SBI Program is a long-term stock bonus arrangement pursuant to the Company's 2001 Deferred Stock Unit Plan for Selected Employees (the 2001 Plan). The 2001 Plan was approved by shareholders in 2001.

Incentives under the SBI Program and the FY06 SBI Program are provided through grants of deferred stock units (Performance Shares) pursuant to the 2001 Plan. Performance Shares are based on the value of the cash portion of the eligible participant's fiscal year-end bonus target and a multiplier, which is then converted into a target number of Performance Shares based upon the Company's stock price as of the fiscal year-end prior to grant. Eligible participants vest between zero and 170% of the target number of Performance Shares within three years from the date of grant, with a threshold vesting level set at 30% of target based on the extent that performance metrics under the FY06 SBI Program are achieved. The performance metrics under the FY06 SBI Program are Earnings Per Share Growth and Revenue Growth.

The FY06 SBI Program is attached herein as Exhibit 10.1.

**Item 9.01. Financial Statements and Exhibits.**

(d) Exhibits.

10.1 FY06 Performance Share Bonus Incentive Program
