- o Pre-commencement communications pursuant to Rule 13e-4(c) under the Exchange Act (17 CFR 240.13e-4(c))
-

**ITEM 3.01. Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.**

On June 26, 2006, we received notice from the Nasdaq Listing Qualifications Department of non-compliance with Nasdaq Marketplace Rule 4310(c)(4) because Intrusion's closing bid price was under \$1.00 per share for 30 consecutive business days. In accordance with Marketplace Rule 4310(c)(8)(D), Intrusion will be provided 180 calendar days, or until December 26, 2006, to regain compliance. The notice from Nasdaq states that, if, at anytime before December 26, 2006, the bid price of Intrusion's common stock closes at \$1.00 per share or more for a minimum of 10 consecutive business days, Nasdaq Listing Qualifications Staff will provide written notification that it complies with the Rule.

If Intrusion is unable to comply by December 26, 2006, the Nasdaq staff will determine at that time whether Intrusion's common stock should be delisted from the Nasdaq Capital Market. If such a determination is made, Intrusion may appeal that determination to a Listing Qualifications Panel. While there can be no assurance that the bid price of Intrusion's common stock will close above \$1.00 per share for 10 consecutive business days or that any action taken by Intrusion will be effective in increasing the price of its common stock, Intrusion is exploring all possible avenues to preserve its Nasdaq listing.

A copy of the Company's press release dated June 29, 2006 is attached as Exhibit 99.1.
