**REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The Savings Plan Committee

Magnetek, Inc.

We have audited the accompanying statements of net assets available for benefits of the Magnetek FlexCare Plus Retirement Savings Plan as of December 31, 2005 and 2004, and the related statement of changes in net assets available for benefits for the year ended December 31, 2005. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States of America). Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan at December 31, 2005 and 2004, and the changes in its net assets available for benefits for the year ended December 31, 2005, in conformity with generally accepted accounting principles in the United States of America.

Our audits were performed for the purpose of forming an opinion on the basic financial statements taken as a whole. The accompanying supplemental schedule of assets (held at end of year) as of December 31, 2005, is presented for the purpose of additional analysis and is not a required part of the basic financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This supplemental schedule is the responsibility of the Plan's management. The supplemental schedule has been subjected to the auditing procedures applied in our audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

Magnetek FlexCare Plus Retirement Savings Plan

Notes to Financial Statements

December 31, 2005

**1. Description of the Plan**

## Edgar Filing: MAGNETEK INC - Form 11-K

The following description of the Magnetek FlexCare Plus Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the Summary Plan Description for a more complete description of the Plan's provisions.

### **General**

The Plan is a defined contribution plan covering all eligible employees of Magnetek, Inc. (the Company). The Plan is subject to Section 401(k) of the Internal Revenue Code and the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Effective March 31, 2003, the Plan was amended to allow for the merger of the Maxtec International Corp. Retirement Savings Plan into the Plan.

### **Participation**

The Plan allows newly hired eligible employees to participate on the first day of the pay period subsequent to performance of one hour of service for the Company. Newly hired employees are automatically enrolled in the Plan; however, no eligible employee shall be automatically enrolled until the eligible employee has received notice of the procedure for making contribution elections and has been given a reasonable period in which to make an election.

### **Contributions**

Each year, participants may contribute up to 16% of eligible pre-tax annual compensation and up to an additional 10% of eligible after-tax annual compensation as a supplemental contribution, as defined in the Plan document. Total contributions may not exceed 20% of eligible compensation. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

Under current Plan provisions, Company contributions are 50% of the first 6% of the participant's basic contributions. Additional amounts may be contributed at the option of the Company's board of directors.

After receiving proper notification, automatically enrolled eligible employees begin making before-tax contributions to the Plan in an amount of 3% of their pay. If an automatically enrolled employee does not wish to participate in the Plan, the employee may disenroll electronically, making such an election with J.P. Morgan, the Trustee.

**Contributions (continued)**

Participants have the ability under the Plan to direct their contributions into a number of investment options offered by the Plan. Participants may also choose an investment advisor option wherein ProManage, Inc. directs the allocation of the balance in the individual participant's account among the various investment options offered by the Plan. Participants can opt out of the ProManage program or change their investment options at any time through the Trustee.

**Participant Accounts**

Each participant's account is credited with the participant's contributions and allocations of the Company's contributions and Plan investment results, and is charged with an allocation of administrative fees. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Vesting**

Participants are immediately vested in their contributions plus actual earnings thereon.

Vesting in the Company contribution portion of their accounts plus actual earnings thereon is based on completed years of service as follows:

<b>Years of Service</b>	<b>Vested Percentage</b>
Less than one year	0%
One	20%
Two	40%
Three	60%
Four	80%
Five or more years	100%

**Vesting (continued)**

All employees are fully vested upon attaining age 65, death or disability, or upon the termination or discontinuation of the Plan.

**Forfeitures**

Forfeited balances of terminated participants' nonvested accounts are used to restore accounts for employees who are rehired, to pay Plan fees and expenses or to decrease supplemental Company contributions, if any. For the year ended December 31, 2005, forfeited nonvested accounts totaling approximately \$47,000 were used to reduce Company contributions.

**Payment of Benefits**

Following termination of service, if the participant's vested account balance is less than \$1,000, the participant must take a lump-sum distribution of their vested account balance. Otherwise, the participant may elect to receive a distribution of their vested account balance at any time.

Participants may withdraw all or part of their after-tax contributions or earnings thereon only once in any 12-month period. In the event of financial hardship, there are provisions in the Plan, subject to limitations, which will permit an active participant to withdraw before-tax contributions and related earnings.

If a participant's employment is terminated due to death, disability or retirement, the participant or his or her beneficiary is entitled to a distribution of the entire balance in his or her account.

If a participant's employment is terminated for a reason other than those stated above, the participant forfeits the nonvested portion of the employer contributions of his or her account.

### **Participant Loans**

Participants may borrow from their fund accounts a minimum of \$250 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balances. Loan repayment terms may be for a period not to exceed five years. The loans are secured by the balance in the participant's account and bear interest at the prime rate published in the Wall Street Journal at the time the loan is processed, plus 1%. A participant may have only one outstanding loan at any given time. Principal and interest are paid ratably through payroll deductions.

### **Administrative Expenses**

The Plan pays administrative fees to the Trustee. Other administrative expenses, such as legal and accounting expenses, are paid by the Company.

## **2. Summary of Significant Accounting Policies**

### **Basis of Accounting**

The accompanying financial statements have been prepared on the accrual basis of accounting.

### **Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

### **Investment Valuation and Income Recognition**

The Plan's investments in the common/collective trust funds are stated at fair value as determined by the quoted redemption price on the last business day of the Plan year as established by the Trustee. Equity securities and mutual funds, which are traded on security exchanges, are stated at fair value based on quoted market prices. Participant loans are valued at their outstanding balances, which approximate fair value.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

**Payment of Benefits**

Benefits are recorded when paid.

**3. Administration of the Plan**

J.P. Morgan is the Plan trustee, and J.P. Morgan Retirement Plan Services, an agent of J.P Morgan, is the depository for the Plan's assets and invests funds in accordance with the Trust Agreement. The Plan Administrator is the Magnetek, Inc. Savings Plan Committee.

**4. Investments**

The Plan's investments (including investments purchased, sold, as well as held during the year) appreciated (depreciated) in value by \$632,230 as follows:

	<b>Year ended December 31 2005</b>
Mutual Funds & Common/Collective Trusts	<b>\$ 823,526</b>
Magnetek Stock Fund	<b>(191,296)</b>
	<b>\$ 632,230</b>

Investments that represent 5% or more of fair value of the Plan's net assets are as follows:

	<b>December 31</b>	
	<b>2005</b>	<b>2004</b>
American Century Funds:		
Stable Asset Value	\$ 17,585,373	\$ 17,062,897
ACI Equity Index	7,245,348	8,382,244
Small Cap Value	3,315,904	3,214,428
Large Company Value	3,165,104	3,376,702
Heritage	2,724,392	2,255,970
International Growth		2,162,280
First Eagle Funds Overseas	3,130,077	2,845,489
J.P. Morgan International Equity-Select	2,210,962	

**5. Income Tax Status**

The Plan has received a determination letter from the Internal Revenue Service dated January 5, 2004, stating that the Plan is qualified under Section 401(a) of the Internal Revenue Code (the Code) and, therefore, the related trust is exempt from taxation. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The plan administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan, as amended, is qualified and the related trust is tax exempt.

**6. Transactions with Parties-in-Interest**

Transactions with parties-in-interest include purchases and sales of assets through the Trustee, the Plan's investment in Magnetek common stock, contributions from the Company and fees paid to the Trustee.

**7. Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan document to terminate the Plan at any time subject to the provisions of ERISA. In the event the Plan is terminated, participants will become fully vested in their accounts.

**8. Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
