**Item 1.01            Entry into a Material Definitive Agreement**

In order to prevent the possibility that a one-day fluctuation in market price could distort award payouts, effective as of August 19, 2006, the performance share and phantom stock awards that were provided to Messrs. Fred J. Fowler, Jimmy W. Mogg and David L. Hauser and Dr. Ruth G. Shaw in 2004 were amended to change the total shareholder return calculation from one that uses the last business day of the three-year (2004-2006) performance period to one that uses the average of the last 30 business days of that period. In addition, these same phantom stock awards also were amended, effective August 19, 2006, to prohibit accelerated payments under such awards in order to ensure compliance with the deferred compensation rules under Section 409A of the Internal Revenue Code of 1986, as amended.

The foregoing description of the amendments to the 2004 performance share and phantom stock agreements is qualified in its entirety by reference to the Form Amendments attached hereto as Exhibits 10.1 and 10.2.
