**Item 1.01 Entry into a Material Definitive Agreement**

*Support Agreement*

On September 26, 2006, we entered into a support agreement with AnorMED Inc., a Canadian-based biopharmaceutical company, pursuant to which we have agreed to acquire AnorMED by means of a cash tender offer we have agreed to commence on or before October 6, 2006. In the tender offer, we will offer to purchase all of the issued and outstanding common shares of AnorMED, including all common shares issuable on the exercise of outstanding stock options granted pursuant to AnorMED's stock option plans, at a price of U.S. \$12.00, for a total purchase price of approximately \$515 million.

The support agreement has been approved by our board of directors and AnorMED's board of directors. The offer is subject to customary closing conditions, including there being validly deposited and not withdrawn at the time the offer expires at least 66 2/3% of AnorMED's common shares on a fully diluted basis and the absence of a material adverse change (as defined in the support agreement).

AnorMED's board of directors has the right, subject to conditions specified in the support agreement, to withdraw, modify or change its support of our tender offer if AnorMED receives a superior proposal (as defined in the support agreement) prior to the expiration of our offer. We have the right under the support agreement to match any superior proposal received by AnorMED. In specified circumstances, if the offer is not consummated, we would have the right to receive a termination fee of U.S. \$19.5 million under the support agreement.

The foregoing description of the support agreement is not complete and is qualified in its entirety by reference to the support agreement, which is filed as Exhibit 10.1 hereto and is incorporated herein by reference.

*Shareholder Support Agreement*

In addition, on September 26, 2006, we entered into a shareholder support agreement with several investment partnerships managed by Baker Brothers Advisors, L.L.C. and its affiliates pursuant to which the investment partnerships have agreed to tender their AnorMED common shares in acceptance of our offer, subject to the investment partnerships' ability to withdraw their support of our offer in the event of a superior proposal (as defined in the shareholder support agreement) being made prior to the expiration of our offer. We have the right under the shareholder support agreement to match any superior proposal. The investment partnerships hold 9,411,500 common shares representing approximately 21.5% of AnorMED's outstanding common shares on a fully diluted basis.

The foregoing description of the shareholder support agreement is not complete and is qualified in its entirety by reference to the shareholder support agreement, which is filed as Exhibit 10.2 hereto and is incorporated herein by reference.

**Item 8.01. Other Events**

On September 26, 2006, we announced that we have entered into an agreement to acquire AnorMED, a Canadian-based biopharmaceutical company with a Phase III hematology-oncology product, MOZOBIL. We intend to commence an all cash tender offer to acquire all of the issued and outstanding common shares of AnorMED, including all common shares issuable on the exercise of outstanding stock options granted pursuant to AnorMED's stock option plans, at the price of U.S. \$12.00, on or before October 6, 2006. This price represents a 21% premium over the closing price of AnorMED's shares on September 25, 2006. Previously, AnorMED rejected an offer by Genzyme Corporation, announced on August 31,
