**Item 7.01 Regulation FD Disclosure**

On December 12, 2006, Agilent Technologies, Inc. ( Agilent ) is making a presentation to securities analysts and investors at Agilent s annual Analyst Meeting and will reconfirm the guidance for the current financial quarter (ending January 31, 2007) which was provided in Agilent s press release on November 14, 2006. In particular, Agilent is reconfirming that in the fiscal first quarter of 2007, Agilent expects revenues of \$1.25 billion to \$1.29 billion, up 7 percent to 10 percent from the first quarter of 2006. Also, adjusted net income is expected to be in the range of \$0.36 to \$0.40 per share, 24 percent to 38 percent above last year s comparable earnings(1). In addition, with respect to the fiscal year ending October 31, 2007, Agilent is stating today that it is comfortable with the current range of analysts estimates for revenues and adjusted net income.

Agilent s Analyst Day presentation also includes its updated operating model as reflected in the slide furnished as Exhibit 99.1 to this Current Report on Form 8-K, which is incorporated herein by reference.

As previously announced by Agilent through a press release issued on December 8, 2006, Agilent is hosting a live webcast of its Analyst Day in listen-only mode today from 8:30 am to 12:30 pm (PT). Listeners may log on at [www.investor.agilent.com](http://www.investor.agilent.com). Access to the webcast can be found in the Events & Presentations section of the site under 2006 Analyst Day. The webcast will be available for replay on the company site for 90 days.

The information contained in this Item 7.01 is not filed for purposes of the Securities Exchange Act of 1934 and is not deemed incorporated by reference by any general statements incorporating by reference this report or future filings into any filings under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent Agilent specifically incorporates the information by reference.

(1) Adjusted net income per share as projected by Agilent is a non-GAAP measure which excludes primarily the impacts of future restructuring and asset impairment charges, non-cash stock-based compensation, and intangibles amortization. Most of these excluded amounts pertain to events that have not yet occurred and are not currently possible to estimate with a reasonable degree of accuracy. Therefore, Agilent is not providing a reconciliation to GAAP amounts.
