Item 4. Description of Securities.

The common stock is registered under Section 12 of the Securities Exchange Act of 1934, as amended.

The deferred compensation obligations (Obligations) being registered pursuant to the Equifax Inc. Director Deferred Compensation Plan (the Plan) represent obligations of the Registrant to pay deferred compensation in the future in accordance with the terms of the Plan, which is filed as Exhibit 4.4 to this Registration Statement. Non-employee members of the Board of Directors of the Registrant are entitled to defer receipt of retainer and meeting fees into the Plan.

The Obligations are general unsecured obligations of the Registrant subject to the claims of its general creditors. The Plan is considered entirely unfunded for tax purposes.

The amount of compensation to be deferred by each participating Board member (individually, a Participant and collectively, the Participants) is determined in accordance with the Plan based on elections by each Participant.

Under the Plan, amounts credited to a Participant s account are deemed to be immediately invested in phantom share equivalents of shares of the Registrant s common stock; however, no credit is given for any dividends that would have been received had such amounts actually been invested in shares of common stock. The Obligations are distributed in shares of common stock that will be issued from the Plan either in a lump sum following separation from Board service with the Registrant or in up to 15 approximately equal annual installments following separation from Board service, in accordance with the Participant s election.

A Participant may designate one or more beneficiaries to receive any portion of the Obligations payable in the event of death. Participants or beneficiaries may not anticipate, alienate, sell, transfer, assign or otherwise dispose of any right or interest in the Plan. The Registrant reserves the right to amend or terminate the Plan.

Item 5. Interests of Named Experts and Counsel.

An opinion concerning the validity of the issuance of shares of common stock has been passed upon for the Registrant by Kent E. Mast, Corporate Vice President and General Counsel of the Registrant. Mr. Mast beneficially owns, or has rights to acquire under employee benefit plans, an aggregate of less than 1% of shares of common stock of the Registrant.

Item 6. Indemnification of Directors and Officers.

The Georgia Business Corporation Code permits, and the Registrant s bylaws require, the Registrant to indemnify any person who was or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding (which could include actions, suits or proceedings under the Securities Act of 1933), whether civil, criminal, administrative, or investigative (other than an action brought by or on behalf of the Registrant) by reason of the fact that such person is or was a director or officer of the Registrant or is or was serving at the request of the Registrant as a director or officer of another corporation, partnership, joint venture, trust, or other enterprise, against all expenses (including attorneys fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit or proceeding if such person acted in a manner he reasonably believed to be in or not opposed to the best interests of the Registrant and, with respect to any criminal action or proceeding if such person acted in a manner he reasonably believed to be in or not opposed to the best interests of the Registrant and, with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful. With regard to actions or suits by or in the right of the Registrant, indemnification is limited to reasonable expenses incurred in connection with the proceeding and generally

is not available in connection with such a proceeding in which such person was adjudged liable to the Registrant.

In addition, the Registrant carries insurance on behalf of directors and officers that may cover liabilities under the Securities Act of 1933.

Edgar Filing: EQUIFAX INC - Form S-8

Statement; provided, however, that paragraphs (1)(i) and (1)(ii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed by the Registrant pursuant to Section 13 or 15(d) of the Exchange Act that are incorporated by reference in this Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act to any purchaser:

(i) If the registrant is relying on Rule 430B:

(A) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(B) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. *Provided, however*, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date; or

(ii) If the registrant is subject to Rule 430C, each prospectus filed pursuant to Rule 424(b) as part of a registration statement relating to an offering, other than registration statements relying on Rule 430B or other than prospectuses filed in reliance on Rule 430A, shall be deemed to be part of and included in the registration statement as of the date it is first used after effectiveness. *Provided, however*, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such first use, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such date of first use.

(5) That, for the purpose of determining liability of the Registrant under the Securities Act to any purchaser in the initial distribution of the securities, the undersigned Registrant undertakes that in a primary offering of securities of the undersigned Registrant pursuant to this Registration Statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned Registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

Any preliminary prospectus or prospectus of the undersigned Registrant relating to the offering required to be filed pursuant to Rule 424, any free writing prospectus relating to the offering prepared by or on behalf of the undersigned Registrant or used or referred to by the undersigned Registrant, the portion of

any other free writing prospectus relating to the offering containing material information about the undersigned Registrant or its securities provided by or on behalf of the undersigned Registrant, and any other communication that is an offer in the offering made by the undersigned Registrant to the purchaser.

B. The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefits plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

C. Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that, in the opinion of the Commission, such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
