2003 STOCK INCENTIVE PLAN**

PERFORMANCE STOCK UNIT AWARD AGREEMENT

This Award Agreement (the "Award Agreement") is made and entered into as of [], 200[7] between Aventine Renewable Energy Holdings, Inc. (the "Company") and (the "Participant").

Pursuant to Article 8 of the Aventine Renewable Energy Holdings, Inc. 2003 Stock Incentive Plan (the "Plan"), the Company hereby grants to the Participant Performance Stock Units (the "Award") on the terms and conditions as set forth in this Award Agreement and in the Plan. Capitalized terms not otherwise defined herein shall have the meanings set forth in the Plan.

In accordance with this grant, and as a condition thereto, the Company and the Participant agree as follows:

SECTION 1. Target Award; Award Period; Date of Grant.

Target Award:	Performance Stock Units (the "Target Award")
Award Period:	January 1, 2007 through and ending on December 31, 2009 (the "Award Period")
Date of Grant:	, 200[7]

SECTION 2. Nature of Award. The Target Award represents the opportunity to receive a number of shares of Company common stock, \$0.001 par value per share (the "Shares"), as are earned in accordance with Section 3 of this Award Agreement as more fully set forth in Section 4 of this Award Agreement.

SECTION 3. Determination of Number of Shares Earned. The number of Shares earned as of the end of the Award Period, if any, shall be determined as follows:

$$\text{[# of Shares} = \text{Payout Percentage} \times \text{Target Award}]$$

The Payout Percentage shall be determined by the achievement of Company performance goals with respect to the third calendar year of the Award Period as set forth and provided in Schedule A ("Performance Goals"), with the Payout Percentage being 50% for Threshold performance, 100% for Target performance and [200%] for Stretch performance. The percentage will be prorated for performance between Threshold and Stretch. Performance below Threshold will result in a Payout Percentage of 0%, with no Shares being

earned by the Participant hereunder. All determinations regarding whether the performance goals have been achieved, the Payout Percentage, and any other matter related to this Section 3 shall be made by the Committee in its sole and absolute discretion.

SECTION 4. *Settlement of Performance Stock Units.* Subject to Section 5 of this Award Agreement, Performance Stock Units will be converted into Shares, in accordance with Section 3 of this Agreement, as soon as reasonably practicable following the close of the Award Period and the Committee's determination of the level of Company achievement under the Performance Goals.

SECTION 5. *Termination of Employment.*

(a) Unless otherwise determined by the Committee at the time of termination, if the Participant's employment with the Company or a Subsidiary is terminated by the Company or the Subsidiary for any reason other than for Cause prior to the end of the Award Period, all Performance Stock Units will be forfeited upon such termination with no consideration due to Participant. For the avoidance of doubt, if a Participant's employment is terminated for Cause, all Performance Stock Units will be forfeited upon such termination with no consideration due to Participant.

(b) (i) Except as provided in Section 5(b)(ii), if the Participant's employment with the Company or a Subsidiary is terminated due to his or her death, Disability or approved retirement (as determined by the Committee at the time of termination) prior to the end of the Award Period, the determination of the Payout Percentage for the Award Period will be made by the Committee at the end of the Award Period in accordance with Sections 3 and 4 above, and Performance Shares earned, if any, will be paid based on such Payout Percentage prorated for the number of full months elapsed from and including the month in which the Award Period began to and including the month in which the termination of employment occurs.

(ii) In the event that, following Participant's termination by approved retirement (as determined in Section 5(b)(i) above), Participant breaches any of the provisions of Section 10, as determined by the Committee, all of Participant's rights to any Performance Stock Units otherwise payable pursuant to Section 5(b)(i) above shall be deemed immediately forfeited and cancelled in their entirety effective on the date of such determination without any payment or consideration being due from the Company.

(c) For purposes of the Plan and the Award Agreement, a transfer of employment from the Company to any Subsidiary or vice versa, or from one Subsidiary to another, shall not be considered a termination of employment.

SECTION 6. *Sale of the Company.* Upon a Sale of the Company, all outstanding Performance Stock Units shall be converted into restricted Shares (or any successor security thereto), with same Award period and Target Performance Goal, as maybe adjusted to reflect such transaction; provided, however, that in the event such outstanding Units are not assumed by a successor entity in connection with such Sale of the Company or in the event Participant's employment is terminated without Cause within the 24-month period beginning on the effective date of the Sale of the Company, as of the effective date of such termination the Award Period shall be deemed completed in full, the Target performance goal shall be deemed to have been attained and such Shares shall be fully vested and transferable.

SECTION 7. *Tax Withholding.* The Participant acknowledges that this Award is subject to Article 11 of the Plan, and that Participant's tax obligations will be satisfied by the Company withholding a sufficient number of Shares that otherwise would be released to Participant upon settlement of the Award based on the Fair Market Value of the Shares, determined as of the date when the taxes otherwise would have been withheld in cash.

SECTION 8. *Rights As A Shareholder.* The Participant shall have no rights as shareholder with respect to any Shares underlying the Award until and unless a Share certificate is issued to the Participant upon payment with respect to the Award.

SECTION 9. *Transferability.* The Participant may not sell, transfer, pledge, assign or otherwise alienate or hypothecate Shares underlying the Award, other than as permitted under the terms of the Plan.

SECTION 10. *Confidentiality And Non-competition.* As a condition to the receipt of this Award, the Participant agrees that:

(a) From the date hereof until the first anniversary of the date on which the Participant's employment or service with the Company is terminated for any reason, the Participant shall not, directly or indirectly, on his or her own account or as an employee, consultant, independent contractor, partner, owner, officer, director or stockholder, engage in, be connected with, have any interest in, or aid or assist anyone else to engage in, be connected with, or have any interest in, a Business, as such term is defined below; *provided* that the Participant may purchase securities in any corporation whose securities are listed or traded on a national securities exchange or in an over-the-counter securities market if such purchases do not result in the Participant beneficially owning, directly or indirectly, at any time, the lesser of (i) 1% or more of the equity securities of any such corporation or (ii) equity securities of any such corporation having a fair market value of \$1,000,000 or more. As used herein "Business" means the business of producing, marketing, purchasing, selling, reselling and distributing

ethanol and related bio-products and co-products (and incidental related activities) in the United States.

(b) From the date hereof until the first anniversary of the date on which the Participant's employment or service with the Company is terminated for any reason, the Participant shall not, directly or indirectly, (i) induce or attempt to induce any employee, officer or consultant of the Company or any of its Subsidiaries to leave the employ of the Company or any of its Subsidiaries, or in any way interfere with the relationship between the Company or any of its Subsidiaries and any employee, officer or consultant thereof, (ii) hire directly or through another entity any person who was an employee of the Company or any of its Subsidiaries at any time during the twelve months prior to the date such person is to be so hired, or (iii) induce or attempt to induce any customer, supplier, licensee or other business relation of the Company or any of its Subsidiaries to cease doing business with the Company or any of its Subsidiaries, or in any way interfere with the relationship between any such customer, supplier, licensee or business relation and the Company or any of its Subsidiaries (including making any negative statements or communications concerning the Company or any of its Subsidiaries).

(c) During the Participant's employment or service with the Company and at all times and after the termination of the Participant's employment or service with the Company, the Participant shall not disclose or use for the Participant's own benefit or purposes or the benefit or purposes of any Person other than the Company, any trade secrets or other confidential information relating to customers, development programs, costs, marketing, trading, investment, sales activities, promotion, credit and financial data, manufacturing processes, financing methods, plans, or the business and affairs of the Company generally; *provided* that the foregoing shall not apply to information which is required by law to be disclosed, or to information which is not unique to the Company or which is generally known to the industry or the public other than as a result of the Participant's breach of this covenant.

(d) The terms of this Section 10 are reasonable and necessary in light of the Participant's position with the Company and responsibility and knowledge of the operations of the Company and its Subsidiaries and are not more restrictive than necessary to protect the legitimate interests of the parties hereto. In addition, any breach of the covenants contained in this Section 10 would cause irreparable harm to the Company, its Subsidiaries and Affiliates and there would be no adequate remedy at law or in damages to compensate the Company, its Subsidiaries and Affiliates for any such breach.

SECTION 11. *Notices.* Any notice under this Award Agreement shall be in writing and shall be deemed to have been duly given when delivered personally or when deposited in the United States mail, registered, postage prepaid, and

addressed, in the case of the Company, at its principal office located at 1300 S. Second Street, Pekin, Illinois 61555, or if the Company should move its principal office, to such other principal office, and, in the case of the Participant, to his or her last permanent address as shown on the Company's records, subject to the right of either party to designate some other address at any time hereafter in a notice satisfying the requirements of this Section.

SECTION 12. *Governing Law and Severability.* This Award Agreement shall be governed by and construed in accordance with the laws of the State of Delaware, without application of the conflict of law principles thereof.

The Participant acknowledges receiving a copy of the Plan.

SECTION 14. *No Rights to Continued Employment.* This Award Agreement is not a contract of employment. Nothing in the Plan or in this Award Agreement shall interfere with or limit in any way the right of the Company or any subsidiary to terminate the Participant's employment at any time, for any reason or no reason, or confer upon the Participant the right to continue in the employ of the Company or a subsidiary.

SECTION 15. *Sections and Headings.* All section references in this Award Agreement are to sections hereof for convenience of reference only and are not to affect the meaning of any provision of this Award Agreement.

SECTION 16. *Counterparts.* This Award Agreement may be signed in any number of counterparts, each of which shall be an original, with the same effect as if the signatures thereto and hereto were upon the same instrument.

THIS AWARD AGREEMENT (the **Award Agreement**) is made and entered into as of _____, 20__ between Aventine Renewable Energy Holdings, Inc. (the **Company**) and [_____] (the **Optionee**).

Pursuant to Article 6 of the Aventine Renewable Energy Holdings, Inc. 2003 Stock Incentive Plan (the **Plan**), the Company hereby grants to the Optionee an option (the **Option**) to purchase Shares on the terms and conditions as set forth in this Award Agreement and in the Plan. Capitalized terms not otherwise defined herein have the meanings set forth in the Plan.

In accordance with this grant, and as a condition thereto, the Company and the Optionee agree as follows:

SECTION 1. *Exercise Price; Number Of Shares; Date Of Grant; Vesting Schedule.* The Option is a nonqualified option under the Code and has the following terms and conditions:

Exercise Price \$[_____]

Number of Shares Subject to the Option [_____]

Grant Date _____, 20__

Vesting Schedule

SECTION 2. *Term and Exercise Schedule.* This Option shall not be exercisable to any extent after the tenth anniversary of the Grant Date (the **Expiration Date**). Subject to the terms and conditions of this Award Agreement and the Plan, the Optionee shall be entitled to exercise the Option prior to the Expiration Date and to purchase Shares hereunder in accordance with the vesting schedule set forth in Section 1 above. The right to exercise this Option shall be cumulative so that to the extent this Option is not exercised when it becomes initially exercisable with respect to any Shares, it shall be exercisable with respect to such Shares at any time thereafter as provided herein and in the Plan until the Expiration Date and any Shares subject to this Option which have not then been purchased may not, thereafter, be purchased hereunder. A Share shall be considered to have been purchased on or before the Expiration Date if the Company has been given notice of the purchase pursuant to Sections 3 and 8, and

the Company has actually received payment for the Share on or before the Expiration Date.

SECTION 3. *Notice of Exercise, Payment and Certificate.* Exercise of this Option, in whole or in part, shall be by delivery of a written notice to the Company as provided in Section 8 which specifies the number of Shares being purchased and is accompanied by payment therefor in cash, or such other consideration as may be permitted by the Company. Promptly after receipt of such notice and the Exercise Price with respect to the Option (or portion thereof) to be exercised (or adequate provision therefor, in the Company's sole discretion), the Company shall deliver to the Optionee the number of Shares purchased. Shares to be issued upon the exercise of this Option may be either authorized and unissued Shares or Shares which have been reacquired by the Company.

SECTION 4. *Termination of Employment.* This Option may be exercised only while the Optionee is employed (as an employee or an officer) by the Company or is otherwise performing services for the Company (as a director or consultant), except as follows:

(a) *Death or Disability.* If the Optionee's employment or service with the Company terminates due to his or her death or Disability, the Optionee (or his representative or successor) shall have the right to exercise this Option, to the extent that the Optionee was entitled to do so on the date of termination of his or her employment or service, for a period which ends not later than the earlier of (i) one year after such termination and (ii) the Expiration Date.

(b) *Termination with Cause.* If the Optionee's employment or service with the Company is terminated by the Company for Cause, this Option shall be deemed immediately forfeited and cancelled in its entirety upon such termination of employment or service without any payment or consideration being due from the Company.

(c) *Other Terminations.* In the case of any termination of employment or service other than as set forth above, the Optionee shall have the right to exercise this Option, to the extent that the Optionee was entitled to do so on the date of termination of his or her employment or service, for a period which ends not later than the earlier of (i) ninety (90) days after such termination and (ii) the Expiration Date.

For purposes of this Award Agreement, employment by a Subsidiary of the Company shall be deemed to be employment by the Company.

SECTION 5. *Confidentiality and Non-competition.* As a condition to the receipt of the Option, the Optionee agrees that:

(a) From the date hereof until the first anniversary of the date on which the Optionee's employment or service with the Company is terminated for any reason, the Optionee shall not, directly or indirectly, on his or her own account or as an employee, consultant, independent contractor, partner, owner, officer, director or stockholder, engage in, be connected with, have any interest in, or aid or assist anyone else to engage in, be connected with, or have any interest in, a Business, as such term is defined below; *provided* that the Optionee may purchase securities in any corporation whose securities are listed or traded on a national securities exchange or in an over-the-counter securities market if such purchases do not result in the Optionee beneficially owning, directly or indirectly, at any time, the lesser of (i) 1% or more of the equity securities of any such corporation or (ii) equity securities of any such corporation having a fair market value of \$250,000 or more. As used herein "Business" means the business of producing, marketing, purchasing, selling, reselling and distributing ethanol and related bio-products and co-products (and incidental related activities) in the midwestern United States, with respect to production activities, and throughout the United States, with respect to all other activities.

(b) From the date hereof until the first anniversary of the date on which the Optionee's employment or service with the Company is terminated for any reason, the Optionee shall not, directly or indirectly, (i) induce or attempt to induce any employee, officer or consultant of the Company or any of its Subsidiaries to leave the employ of the Company or any of its Subsidiaries, or in any way interfere with the relationship between the Company or any of its Subsidiaries and any employee, officer or consultant thereof, (ii) hire directly or through another entity any person who was an employee of the Company or any of its Subsidiaries at any time during the twelve months prior to the date such person is to be so hired, or (iii) induce or attempt to induce any customer, supplier, licensee or other business relation of the Company or any of its Subsidiaries to cease doing business with the Company or any of its Subsidiaries, or in any way interfere with the relationship between any such customer, supplier, licensee or business relation and the Company or any of its Subsidiaries (including making any negative statements or communications concerning the Company or any of its Subsidiaries).

(c) During the Optionee's employment or service with the Company and at all times and after the termination of the Optionee's employment or service with the Company, the Optionee shall not disclose or use for the Optionee's own benefit or purposes or the benefit or purposes of any Person other than the Company, any trade secrets or other confidential information relating to customers, development programs, costs, marketing, trading, investment, sales activities, promotion, credit and financial data, manufacturing processes, financing methods, plans, or the business and affairs of the Company generally; *provided* that the foregoing shall not apply to information which is required by law to be disclosed, or to information which is not unique to the Company or

which is generally known to the industry or the public other than as a result of the Optionee's breach of this covenant.

(d) The terms of this Section 5 are reasonable and necessary in light of the Optionee's position with the Company and responsibility and knowledge of the operations of the Company and its Subsidiaries and are not more restrictive than necessary to protect the legitimate interests of the parties hereto. In addition, any breach of the covenants contained in this Section 5 would cause irreparable harm to the Company, its Subsidiaries and Affiliates and there would be no adequate remedy at law or in damages to compensate the Company, its Subsidiaries and Affiliates for any such breach.

SECTION 6. *Governing Law.* This Award Agreement shall be governed by and construed in accordance with the laws of the State of Delaware, without application of the conflict of law principles thereof.

SECTION 7. *Interpretation.* The Optionee accepts this Option subject to all the terms and provisions of the Plan, which shall control in the event of any conflict between any provision of the Plan and this Award Agreement, and accepts as binding, conclusive and final all decisions or interpretations of the Board or the Committee upon any questions arising under the Plan and/or this Award Agreement. The Optionee acknowledges receiving a copy of the Plan.

SECTION 8. *Notices.* Any notice under this Award Agreement shall be in writing and shall be deemed to have been duly given when delivered personally or when deposited in the United States mail, registered, postage prepaid, and addressed, in the case of the Company, at its principal office located at 1300 S. Second Street, Pekin, Illinois 61555, or if the Company should move its principal office, to such other principal office, and, in the case of the Optionee, to his or her last permanent address as shown on the Company's records, subject to the right of either party to designate some other address at any time hereafter in a notice satisfying the requirements of this Section.

SECTION 9. *Sections and Headings.* All section references in this Award Agreement are to sections hereof for convenience of reference only and are not to affect the meaning of any provision of this Award Agreement.

SECTION 10. *Tax Withholding.* The Optionee acknowledges that this Option is subject to Article 11 of the Plan, and the Company is entitled to take any actions necessary to satisfy its tax withholding obligations.

SECTION 11. *Counterparts.* This Award Agreement may be signed in any number of counterparts, each of which shall be an original, with the same effect as if the signatures thereto and hereto were upon the same instrument.

Item 1.01 Entry into a Material Definitive Agreement.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

On March 23, 2007, Aventine Renewable Energy, Inc., Aventine Renewable Energy Mt Vernon, LLC and Aventine Renewable Energy Aurora West, LLC (together the Borrowers), all indirect subsidiaries of Aventine Renewable Energy Holdings, Inc. (the Company), together with the Company and all of the Company's other direct or indirect subsidiaries, except for Nebraska Energy, LLC (together hereinafter called the Loan Parties), established a five-year, \$200 million senior secured revolving credit facility (subject to a right, on an uncommitted basis, to increase the commitments thereunder to up to \$300 million) among the Borrowers, the Loan Parties, the lenders thereto and JPMorgan Chase Bank, N.A., as administrative agent (the Credit Agreement).

The Credit Agreement provides the Borrowers with an aggregate initial commitment amount of \$200 million, subject to collateral availability. The aggregate amount available under the Credit Agreement includes a \$25 million sub-limit for letters of credit issued on behalf of the Borrowers. The terms of the Credit Agreement also include:

Borrowing Base. At any time before the maturity of the facility, the Borrowers may draw, repay and re-borrow amounts available under the borrowing base up to the maximum aggregate availability discussed above. Generally, the borrowing base equals the sum of (a) 85% of eligible accounts receivable of the Borrowers plus (b) the sum of the following: (i) the lesser of 70% of the base value of the Borrowers eligible finished goods inventory or the applicable inventory advance percentage of the Borrowers eligible finished goods; (ii) the lesser of 70% of the base value of the Borrowers eligible raw materials inventory or the applicable inventory advance percentage of the Borrowers eligible raw material; and (iii) the lesser of 70% of the base value of the Borrowers eligible in-transit inventory or the applicable inventory advance percentage of the Borrowers eligible in-transit inventory. A fixed asset component in an amount of \$50 million may be added to the borrowing base on or prior to December 31, 2007 upon the satisfaction of certain requirements as set forth in the Credit Agreement. The administrative agent may establish reserve requirements, and the reserve requirements and eligibility standards may be adjusted during the term with three days notice.

Interest and Fees. Under the Credit Agreement, borrowings generally bear interest, at the Borrowers' option, at the following rates (i) the LIBO rate multiplied by the statutory reserve rate plus a margin between 1.25% to 1.75%, depending on the average availability, or (ii) the greater of the prime rate or the federal funds rate plus 0.50%, plus a margin between 0.00% to 0.50%, depending on the average availability. Accrued interest is payable monthly on outstanding principal amounts, provided that accrued interest on Eurodollar loans is payable at the end of each interest period, but in no event less frequently than quarterly. In addition, fees and expenses are payable based on unused borrowing availability (0.25% to 0.375% per annum, depending on the average availability), outstanding letters of credit (1.25% to 1.75% fee, depending on the average availability) and administrative and legal costs.

Maturity. The maturity date of the secured revolving credit facility under the Credit Agreement is March 22, 2012, at which time all amounts borrowed under the facility will be due and outstanding letters of credit must be cash collateralized. The facility may be terminated early upon the occurrence of an event of default.

Security. The obligations under the Credit Agreement are secured by (i) a first priority lien on substantially all assets of the Loan Parties, including inventory, accounts receivable and real estate and equipment, and (ii) a first priority pledge of the capital stock of existing and future direct and indirect subsidiaries of the Company, other than Nebraska Energy, LLC unless certain conditions set forth in the Credit Agreement are satisfied.

Covenants. The Credit Agreement continues to contain customary representations and warranties, as well as covenants which, among other things, limit our ability to incur additional indebtedness and liens; enter into transactions with affiliates; make acquisitions; pay dividends; redeem or repurchase capital stock or senior notes; make investments or loans; make negative pledges; consolidate, merge or effect asset sales; or change the nature of our business.

As of March 23, 2007, the Company was in compliance with these covenants.

Events of Default and Acceleration. The secured revolving credit facility contains customary events of default for credit facilities of this size and type, and includes, without limitation, payment defaults; defaults in performance of covenants or other agreements contained in the transaction documents; inaccuracies in representations and warranties; certain defaults, termination events or similar events; certain defaults with respect to any other Company indebtedness in excess of \$5.0 million; certain bankruptcy or insolvency events; the rendering of certain judgments in excess of \$5.0 million; certain ERISA events; certain change in control events and the defectiveness of any liens under the secured revolving credit facility. Obligations under the secured revolving credit facility may be accelerated upon the occurrence of an event of default.

As of March 23, 2007, one letter of credit in the amount of \$1.225 million was outstanding under the secured revolving credit facility, leaving approximately \$83.3 million in additional borrowing availability thereunder.

A copy of the Credit Agreement is attached hereto as Exhibit 10.1 and is incorporated herein by reference.

Section 2.01 Commitments. Subject to the terms and conditions set forth herein, each Lender agrees to make Loans to the Borrowers from time to time during the Availability Period in an aggregate principal amount that will not result in (a) such Lender's Revolving Exposure exceeding such Lender's Revolving Commitment or (b) the total Revolving Exposures exceeding (i) the lesser of (x) the total Revolving Commitments and (y) the Borrowing Base, *minus* (ii) the Reserves, subject to the Administrative Agent's authority, in its sole discretion, to make Protective Advances and Overadvances pursuant to the terms of Section 2.04 and Section 2.05. Within the foregoing limits and subject to the terms and conditions set forth herein, the Borrowers may borrow, prepay and reborrow Loans.

Section 2.02 Loans and Borrowings. (a) Each Loan (other than a Swingline Loan) shall be made as part of a Borrowing consisting of Loans of the same Class and Type made by the Lenders ratably in accordance with their respective Commitments of the applicable Class. Any Protective Advance, any Overadvance and any Swingline Loan shall be made in accordance with the procedures set forth in Section 2.04 and Section 2.05.

(b) Subject to Section 2.14, each Borrowing shall be comprised entirely of ABR Loans or Eurodollar Loans as the Borrower Representative may request in accordance herewith, provided that all Borrowings made on the Effective Date must be made as ABR Borrowings but may be converted into Eurodollar Borrowings in accordance with Section 2.08. Each Swingline Loan shall be an ABR Loan. Each Lender at its option may make any Eurodollar Loan by causing any domestic or foreign branch or Affiliate of such Lender to make such Loan; provided that any exercise of such option shall not affect the obligation of the Borrowers to repay such Loan in accordance with the terms of this Agreement.

(c) At the commencement of each Interest Period for any Eurodollar Borrowing, such Borrowing shall be in an aggregate amount that is an integral multiple of \$500,000 and not less than \$5,000,000. ABR Borrowings may be in any amount. Borrowings of more than one Type and Class may be outstanding at the same time; provided that there shall not at any time be more than a total of six Eurodollar Borrowings outstanding.

(d) Notwithstanding any other provision of this Agreement, the Borrower Representative shall not be entitled to request, or to elect to convert or continue, any Borrowing if the Interest Period requested with respect thereto would end after the Maturity Date.

Section 2.03 Requests for Borrowings. To request a Borrowing, the Borrower Representative shall notify the Administrative Agent of such request either in writing (delivered by hand or facsimile) in a form approved by the Administrative Agent and signed by the Borrower Representative or by telephone (a) in the case of a Eurodollar Borrowing, not later than 10:00 a.m., Chicago time, three Business Days before the date of the proposed Borrowing or (b) in the case of an ABR Borrowing, not later than noon, Chicago time, on the date of the proposed Borrowing; provided that any such notice of an ABR Borrowing to finance the reimbursement of an LC Disbursement as contemplated by Section 2.06(e) may be given not later than 9:00 a.m., Chicago time, on the date of the proposed Borrowing. Each such telephonic Borrowing Request shall be irrevocable and shall be confirmed promptly by hand delivery or facsimile to the Administrative Agent of a written Borrowing Request in a form approved by the Administrative Agent and signed by the Borrower Representative. Each such telephonic and written Borrowing Request shall specify the following information in compliance with Section 2.01:

- (i) the name of the applicable Borrower;
- (ii) the aggregate amount of the requested Borrowing and a breakdown of the separate wires comprising such Borrowing;
- (iii) the date of such Borrowing, which shall be a Business Day;
- (iv) whether such Borrowing is to be an ABR Borrowing or a Eurodollar Borrowing; and
- (v) in the case of a Eurodollar Borrowing, the initial Interest Period to be applicable thereto, which shall be a period contemplated by the definition of the term Interest Period.

If no election as to the Type of Borrowing is specified, then the requested Borrowing shall be an ABR Borrowing. If no Interest Period is specified with respect to any requested Eurodollar Borrowing, then the applicable Borrower(s) shall be deemed to have selected an Interest Period of one month's duration. Promptly following receipt of a Borrowing Request in accordance with this Section, the Administrative Agent shall advise each Lender of the details thereof and of the amount of such Lender's Loan to be made as part of the requested Borrowing.

Section 2.04 Protective Advances. (a) Subject to the limitations set forth below, the Administrative Agent is authorized by the Borrowers and the Lenders, from time to time in the Administrative Agent's sole discretion (but shall have absolutely no obligation to), to make Loans to the Borrowers, on behalf of all Lenders, which the Administrative Agent, in its Permitted Discretion, deems necessary or desirable (i) to preserve or protect the Collateral, or any portion thereof, (ii) to enhance the likelihood of, or maximize the amount of, repayment of the Loans and other Obligations, or (iii) to pay any other amount chargeable to or required to be paid by the Borrowers pursuant to the terms of this Agreement, including payments of

reimbursable expenses (including costs, fees, and expenses as described in Section 9.03) and other sums payable under the Loan Documents (any of such Loans are herein referred to as Protective Advances); provided that, the aggregate amount of Protective Advances outstanding at any time shall not at any time exceed \$10,000,000; provided further that, the aggregate amount of outstanding Protective Advances *plus* the aggregate Revolving Exposure shall not exceed the aggregate unused Commitments. Protective Advances may be made even if the conditions precedent set forth in Section 4.02 have not been satisfied. The Protective Advances shall be secured by the Liens in favor of the Administrative Agent in and to the Collateral and shall constitute Obligations hereunder. All Protective Advances shall be ABR Borrowings. The Administrative Agent's authorization to make Protective Advances may be revoked at any time by the Supermajority Lenders. Any such revocation must be in writing and shall become effective prospectively upon the Administrative Agent's receipt thereof. At any time that there is sufficient Availability and the conditions precedent set forth in Section 4.02 have been satisfied, the Administrative Agent may request the Lenders to make a Loan to repay a Protective Advance. At any other time the Administrative Agent may require the Lenders to fund their risk participations described in Section 2.04(b).

(b) Upon the making of a Protective Advance by the Administrative Agent (whether before or after the occurrence of a Default), each Lender shall be deemed, without further action by any party hereto, to have unconditionally and irrevocably purchased from the Administrative Agent without recourse or warranty, an undivided interest and participation in such Protective Advance in proportion to its Applicable Percentage. From and after the date, if any, on which any Lender is required to fund its participation in any Protective Advance purchased hereunder, the Administrative Agent shall promptly distribute to such Lender, such Lender's Applicable Percentage of all payments of principal and interest and all proceeds of Collateral received by the Administrative Agent in respect of such Protective Advance.

Section 2.05 Swingline Loans and Overadvances. (a) Subject to the terms and conditions set forth herein, the Swingline Lender agrees to make Swingline Loans to the Borrowers, from time to time during the Availability Period, in an aggregate principal amount at any time outstanding that will not result in (i) the aggregate principal amount of outstanding Swingline Loans exceeding \$25,000,000 or (ii) the sum of the total Revolving Exposures exceeding the lesser of the total Revolving Commitments and Availability; provided that the Swingline Lender shall not be required to make a Swingline Loan to refinance an outstanding Swingline Loan. Within the foregoing limits and subject to the terms and conditions set forth herein, the Borrowers may borrow, prepay and reborrow Swingline Loans. To request a Swingline Loan, the Borrower Representative shall notify the Administrative Agent of such request by telephone (confirmed by facsimile), not later than noon, Chicago time, on the day of a proposed Swingline Loan. Each such notice shall be irrevocable and shall specify the requested date (which shall be a Business Day) and amount of the requested Swingline Loan. The Administrative Agent will promptly advise the Swingline Lender of any such notice received from the Borrower Representative. The Swingline Lender shall make each Swingline Loan available to the Borrowers by means of a credit to the Funding Account(s) (or, in the case of a Swingline Loan made to finance the reimbursement of an LC Disbursement as provided in Section 2.06(e), by remittance to the Issuing Bank, and in the case of repayment of another Loan or fees or expenses as provided by Section 2.18(c), by remittance to the Administrative Agent to

be distributed to the Lenders) by 2:00 p.m., Chicago time, on the requested date of such Swingline Loan.

(b) The Swingline Lender may by written notice given to the Administrative Agent not later than 11:00 a.m., Chicago time, on any Business Day require the Revolving Lenders to acquire participations on such Business Day in all or a portion of the Swingline Loans outstanding. Such notice shall specify the aggregate amount of Swingline Loans in which Revolving Lenders will participate. Promptly upon receipt of such notice, the Administrative Agent will give notice thereof to each Revolving Lender, specifying in such notice such Lender's Applicable Percentage of such Swingline Loan or Loans. Each Revolving Lender hereby absolutely and unconditionally agrees, upon receipt of notice as provided above, to pay to the Administrative Agent, for the account of the Swingline Lender, such Lender's Applicable Percentage of such Swingline Loan or Loans. Each Revolving Lender acknowledges and agrees that its obligation to acquire participations in Swingline Loans pursuant to this paragraph is absolute and unconditional and shall not be affected by any circumstance whatsoever, including the occurrence and continuance of a Default or reduction or termination of the Commitments, and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever. Each Revolving Lender shall comply with its obligation under this paragraph by wire transfer of immediately available funds, in the same manner as provided in Section 2.07 with respect to Loans made by such Lender (and Section 2.07 shall apply, mutatis mutandis, to the payment obligations of the Lenders), and the Administrative Agent shall promptly pay to the Swingline Lender the amounts so received by it from the Revolving Lenders. The Administrative Agent shall notify the Borrower Representative of any participations in any Swingline Loan acquired pursuant to this paragraph, and thereafter payments in respect of such Swingline Loan shall be made to the Administrative Agent and not to the Swingline Lender. Any amounts received by the Swingline Lender from the Borrowers (or other party on behalf of the Borrowers) in respect of a Swingline Loan after receipt by the Swingline Lender of the proceeds of a sale of participations therein shall be promptly remitted to the Administrative Agent; any such amounts received by the Administrative Agent shall be promptly remitted by the Administrative Agent to the Revolving Lenders that shall have made their payments pursuant to this paragraph and to the Swingline Lender, as their interests may appear; provided that any such payment so remitted shall be repaid to the Swingline Lender or to the Administrative Agent, as applicable, if and to the extent such payment is required to be refunded to the Borrowers for any reason. The purchase of participations in a Swingline Loan pursuant to this paragraph shall not relieve the Borrowers of any default in the payment thereof.

(c) Any provision of this Agreement to the contrary notwithstanding, at the request of the Borrower Representative, the Administrative Agent may in its sole discretion (but with absolutely no obligation), make Loans to the Borrowers, on behalf of the Lenders, in amounts that exceed Availability (any such excess Loans are herein referred to collectively as Overadvances); provided that, no Overadvance shall result in a Default due to the Borrowers' failure to comply with Section 2.01 for so long as such Overadvance remains outstanding in accordance with the terms of this paragraph, but solely with respect to the amount of such Overadvance. In addition, Overadvances may be made even if the condition precedent set forth in Section 4.02(c) has not been satisfied. All Overadvances shall constitute ABR Borrowings. The authority of the Administrative Agent to make Overadvances is limited to an aggregate

amount not to exceed \$10,000,000 at any time, each Overadvance shall mature and be due on the earlier of the Maturity Date, demand by the Administrative Agent and thirty days after such Overadvance is made, and no Overadvance shall cause any Lender's Revolving Exposure to exceed its Revolving Commitment; provided that, the Supermajority Lenders may at any time revoke the Administrative Agent's authorization to make Overadvances. Any such revocation must be in writing and shall become effective prospectively upon the Administrative Agent's receipt thereof.

(d) Upon the making of an Overadvance by the Administrative Agent, each Lender shall be deemed, without further action by any party hereto, to have unconditionally and irrevocably purchased from the Administrative Agent without recourse or warranty, an undivided interest and participation in such Overadvance in proportion to its Applicable Percentage of the Revolving Commitment. The Administrative Agent may, at any time, require the Lenders to fund their participations. From and after the date, if any, on which any Lender is required to fund its participation in any Overadvance purchased hereunder, the Administrative Agent shall promptly distribute to such Lender, such Lender's Applicable Percentage of all payments of principal and interest and all proceeds of Collateral received by the Administrative Agent in respect of such Loan.

(e) Upon the making of a Swingline Loan or an Overadvance (whether before or after the occurrence of a Default and regardless of whether a Settlement has been requested with respect to such Swingline Loan or Overadvance), each Lender shall be deemed, without further action by any party hereto, to have unconditionally and irrevocably purchased from the Swingline Lender or the Administrative Agent, as the case may be, without recourse or warranty, an undivided interest and participation in such Swingline Loan or Overadvance in proportion to its Applicable Percentage of the Revolving Commitment. The Swingline Lender or the Administrative Agent may, at any time, require the Lenders to fund their participations. From and after the date, if any, on which any Lender is required to fund its participation in any Swingline Loan or Overadvance purchased hereunder, the Administrative Agent shall promptly distribute to such Lender, such Lender's Applicable Percentage of all payments of principal and interest and all proceeds of Collateral received by the Administrative Agent in respect of such Loan.

(f) The Administrative Agent, on behalf of the Swingline Lender, shall request settlement (a Settlement) with the Lenders on at least a weekly basis or on any date that the Administrative Agent elects, by notifying the Lenders of such requested Settlement by facsimile, telephone, or e-mail no later than 12:00 noon Chicago time on the date of such requested Settlement (the Settlement Date). Each Lender (other than the Swingline Lender, in the case of the Swingline Loans) shall transfer the amount of such Lender's Applicable Percentage of the outstanding principal amount of the applicable Loan with respect to which Settlement is requested to the Administrative Agent, to such account of the Administrative Agent as the Administrative Agent may designate, not later than 2:00 p.m., Chicago time, on such Settlement Date. Settlements may occur during the existence of a Default and whether or not the applicable conditions precedent set forth in Section 4.02 have then been satisfied. Such amounts transferred to the Administrative Agent shall be applied against the amounts of the Swingline Lender's Swingline Loans and, together with Swingline Lender's Applicable Percentage of such

Swingline Loan, shall constitute Loans of such Lenders, respectively. If any such amount is not transferred to the Administrative Agent by any Lender on such Settlement Date, the Swingline Lender shall be entitled to recover such amount on demand from such Lender together with interest thereon as specified in Section 2.07.

Section 2.06

Letters of Credit.

- (a) General. Subject to the terms and conditions set forth herein, the Borrower Representative may request the issuance of Letters of Credit for its own account or for the account of another Loan Party, in a form reasonably acceptable to the Administrative Agent and the Issuing Bank, at any time and from time to time during the Availability Period (such letters of credit, together with the Existing Letter of Credit, being collectively referred to as the Letters of Credit). In the event of any inconsistency between the terms and conditions of this Agreement and the terms and conditions of any form of letter of credit application or other agreement submitted by the Borrowers to, or entered into by the Borrowers with, the Issuing Bank relating to any Letter of Credit, the terms and conditions of this Agreement shall control. The Existing Letter of Credit shall be deemed to have been issued hereunder as of the Effective Date.
- (b) Notice of Issuance, Amendment, Renewal, Extension; Certain Conditions. To request the issuance of a Letter of Credit (or the amendment, renewal or extension of an outstanding Letter of Credit), the Borrower Representative shall hand deliver or facsimile (or transmit by electronic communication, if arrangements for doing so have been approved by the Issuing Bank) to the Issuing Bank and the Administrative Agent (prior to 9:00 am, Chicago time, at least three Business Days prior to the requested date of issuance, amendment, renewal or extension) a notice requesting the issuance of a Letter of Credit, or identifying the Letter of Credit to be amended, renewed or extended, and specifying the date of issuance, amendment, renewal or extension (which shall be a Business Day), the date on which such Letter of Credit is to expire (which shall comply with paragraph (c) of this Section), the amount of such Letter of Credit, the name and address of the beneficiary thereof and such other information as shall be necessary to prepare, amend, renew or extend such Letter of Credit. If requested by the Issuing Bank, the applicable Borrower also shall submit a letter of credit application on the Issuing Bank's standard form in connection with any request for a Letter of Credit. A Letter of Credit shall be issued, amended, renewed or extended only if (and upon issuance, amendment, renewal or extension of each Letter of Credit the Borrowers shall be deemed to represent and warrant that), after giving effect to such issuance, amendment, renewal or extension (i) the LC Exposure shall not exceed \$25,000,000 and (ii) the total Revolving Exposures shall not exceed (A) the lesser of the total Revolving Commitments and the Borrowing Base, *minus* (B) the Reserves.
- (c) Expiration Date. Each Letter of Credit shall expire at or prior to the close of business on the earlier of (i) the date one year after the date of the issuance of such Letter of Credit (or, in the case of any renewal or extension thereof, one year after such renewal or extension) and (ii) the date that is five Business Days prior to the Maturity Date.
- (d) Participations. By the issuance of a Letter of Credit (or an amendment to a Letter of Credit increasing the amount thereof) and without any further action on the part of the Issuing Bank or the Lenders, the Issuing Bank hereby grants to each Lender, and each Lender

hereby acquires from the Issuing Bank, a participation in such Letter of Credit equal to such Lender's Applicable Percentage of the aggregate amount available to be drawn under such Letter of Credit. In consideration and in furtherance of the foregoing, each Lender hereby absolutely and unconditionally agrees to pay to the Administrative Agent, for the account of the Issuing Bank, such Lender's Applicable Percentage of each LC Disbursement made by the Issuing Bank and not reimbursed by the Borrowers on the date due as provided in paragraph (e) of this Section, or of any reimbursement payment required to be refunded to the Borrowers for any reason. Each Lender acknowledges and agrees that its obligation to acquire participations pursuant to this paragraph in respect of Letters of Credit is absolute and unconditional and shall not be affected by any circumstance whatsoever, including any amendment, renewal or extension of any Letter of Credit or the occurrence and continuance of a Default or reduction or termination of the Commitments, and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever.

(e) Reimbursement. If the Issuing Bank shall make any LC Disbursement in respect of a Letter of Credit, the Borrowers shall reimburse such LC Disbursement by paying to the Administrative Agent an amount equal to such LC Disbursement not later than 11:00 a.m., Chicago time, on the date that such LC Disbursement is made, if the Borrowers Representative shall have received notice of such LC Disbursement prior to 9:00 a.m., Chicago time, on such date, or, if such notice has not been received by the Borrower Representative prior to such time on such date, then not later than 11:00 a.m., Chicago time, on (i) the Business Day that the Borrower Representative receives such notice, if such notice is received prior to 9:00 a.m., Chicago time, on the day of receipt, or (ii) the Business Day immediately following the day that the Borrower Representative receives such notice, if such notice is not received prior to such time on the day of receipt; provided that, the Borrowers may, subject to the conditions to borrowing set forth herein, request in accordance with Section 2.03 or Section 2.05 that such payment be financed with an ABR Borrowing or Swingline Loan in an equivalent amount and, to the extent so financed, the Borrowers' obligation to make such payment shall be discharged and replaced by the resulting ABR Borrowing or Swingline Loan. If the Borrowers fail to make such payment when due, the Administrative Agent shall notify each Lender of the applicable LC Disbursement, the payment then due from the Borrowers in respect thereof and such Lender's Applicable Percentage thereof. Promptly following receipt of such notice, each Lender shall pay to the Administrative Agent its Applicable Percentage of the payment then due from the Borrowers, in the same manner as provided in Section 2.07 with respect to Loans made by such Lender (and Section 2.07 shall apply, mutatis mutandis, to the payment obligations of the Lenders), and the Administrative Agent shall promptly pay to the Issuing Bank the amounts so received by it from the Lenders. Promptly following receipt by the Administrative Agent of any payment from the Borrowers pursuant to this paragraph, the Administrative Agent shall distribute such payment to the Issuing Bank or, to the extent that Lenders have made payments pursuant to this paragraph to reimburse the Issuing Bank, then to such Lenders and the Issuing Bank as their interests may appear. Any payment made by a Lender pursuant to this paragraph to reimburse the Issuing Bank for any LC Disbursement (other than the funding of ABR Loans or a Swingline Loan as contemplated above) shall not constitute a Loan and shall not relieve the Borrowers of their obligation to reimburse such LC Disbursement.

(f) Obligations Absolute. The Borrowers' joint and several obligation to reimburse LC Disbursements as provided in paragraph (e) of this Section shall be absolute, unconditional and irrevocable, and shall be performed strictly in accordance with the terms of this Agreement under any and all circumstances whatsoever and irrespective of (i) any lack of validity or enforceability of any Letter of Credit or this Agreement, or any term or provision therein, (ii) any draft or other document presented under a Letter of Credit proving to be forged, fraudulent or invalid in any respect or any statement therein being untrue or inaccurate in any respect, (iii) payment by the Issuing Bank under a Letter of Credit against presentation of a draft or other document that does not comply with the terms of such Letter of Credit, or (iv) any other event or circumstance whatsoever, whether or not similar to any of the foregoing, that might, but for the provisions of this Section, constitute a legal or equitable discharge of, or provide a right of setoff against, the Borrowers' obligations hereunder. Neither the Administrative Agent, the Lenders nor the Issuing Bank, nor any of their Related Parties, shall have any liability or responsibility by reason of or in connection with the issuance or transfer of any Letter of Credit or any payment or failure to make any payment thereunder (irrespective of any of the circumstances referred to in the preceding sentence), or any error, omission, interruption, loss or delay in transmission or delivery of any draft, notice or other communication under or relating to any Letter of Credit (including any document required to make a drawing thereunder), any error in interpretation of technical terms or any consequence arising from causes beyond the control of the Issuing Bank; provided that the foregoing shall not be construed to excuse the Issuing Bank from liability to the Borrowers to the extent of any direct damages (as opposed to consequential damages, claims in respect of which are hereby waived by the Borrowers to the extent permitted by applicable law) suffered by any Borrower that are caused by the Issuing Bank's failure to exercise care when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof. The parties hereto expressly agree that, in the absence of gross negligence or willful misconduct on the part of the Issuing Bank (as finally determined by a court of competent jurisdiction), the Issuing Bank shall be deemed to have exercised care in each such determination. In furtherance of the foregoing and without limiting the generality thereof, the parties agree that, with respect to documents presented which appear on their face to be in substantial compliance with the terms of a Letter of Credit, the Issuing Bank may, in its sole discretion, either accept and make payment upon such documents without responsibility for further investigation, regardless of any notice or information to the contrary, or refuse to accept and make payment upon such documents if such documents are not in strict compliance with the terms of such Letter of Credit.

(g) Disbursement Procedures. The Issuing Bank shall, promptly following its receipt thereof, examine all documents purporting to represent a demand for payment under a Letter of Credit. The Issuing Bank shall promptly notify the Administrative Agent and the applicable Borrower by telephone (confirmed by facsimile) of such demand for payment and whether the Issuing Bank has made or will make an LC Disbursement thereunder; provided that any failure to give or delay in giving such notice shall not relieve the Borrowers of their obligation to reimburse the Issuing Bank and the Lenders with respect to any such LC Disbursement.

(h) Interim Interest. If the Issuing Bank shall make any LC Disbursement, then, unless the Borrowers shall reimburse such LC Disbursement in full on the date such LC

Disbursement is made, the unpaid amount thereof shall bear interest, for each day from and including the date such LC Disbursement is made to but excluding the date that the Borrowers reimburse such LC Disbursement, at the rate per annum then applicable to ABR Loans; provided that, if the Borrowers fail to reimburse such LC Disbursement when due pursuant to paragraph (e) of this Section, then Section 2.13(d) shall apply. Interest accrued pursuant to this paragraph shall be for the account of the Issuing Bank, except that interest accrued on and after the date of payment by any Lender pursuant to paragraph (e) of this Section to reimburse the Issuing Bank shall be for the account of such Lender to the extent of such payment.

(i) Replacement of the Issuing Bank. The Issuing Bank may be replaced at any time by written agreement among the Borrower Representative, the Administrative Agent, the replaced Issuing Bank and the successor Issuing Bank. The Administrative Agent shall notify the Lenders of any such replacement of the Issuing Bank. At the time any such replacement shall become effective, the Borrowers shall pay all unpaid fees accrued for the account of the replaced Issuing Bank pursuant to Section 2.12(b). From and after the effective date of any such replacement, (i) the successor Issuing Bank shall have all the rights and obligations of the Issuing Bank under this Agreement with respect to Letters of Credit to be issued thereafter and (ii) references herein to the term Issuing Bank shall be deemed to refer to such successor or to any previous Issuing Bank, or to such successor and all previous Issuing Banks, as the context shall require. After the replacement of an Issuing Bank hereunder, the replaced Issuing Bank shall remain a party hereto and shall continue to have all the rights and obligations of an Issuing Bank under this Agreement with respect to Letters of Credit issued by it prior to such replacement, but shall not be required to issue additional Letters of Credit.

(j) Cash Collateralization. If any Default shall occur and be continuing, on the Business Day that the Borrower Representative receives notice from the Administrative Agent or the Required Lenders (or, if the maturity of the Loans has been accelerated, Lenders with LC Exposure representing greater than 50% of the total LC Exposure) demanding the deposit of cash collateral pursuant to this paragraph, the Borrowers shall deposit in an account with the Administrative Agent, in the name of the Administrative Agent and for the benefit of the Lenders (the LC Collateral Account), an amount in cash equal to 105% of the LC Exposure as of such date *plus* accrued and unpaid interest thereon; provided that the obligation to deposit such cash collateral shall become effective immediately, and such deposit shall become immediately due and payable, without demand or other notice of any kind, upon the occurrence of any Event of Default with respect to any Borrower described in clause (h) or (i) of Article VII. Such deposit shall be held by the Administrative Agent as collateral for the payment and performance of the Secured Obligations. The Administrative Agent shall have exclusive dominion and control, including the exclusive right of withdrawal, over such account and the Borrowers hereby grant the Administrative Agent a security interest in the LC Collateral Account. Other than any interest earned on the investment of such deposits, which investments shall be made at the option and sole discretion of the Administrative Agent and at the Borrowers' risk and expense, such deposits shall not bear interest. Interest or profits, if any, on such investments shall accumulate in such account. Moneys in such account shall be applied by the Administrative Agent to reimburse the Issuing Bank for LC Disbursements for which it has not been reimbursed and, to the extent not so applied, shall be held for the satisfaction of the reimbursement obligations of the Borrowers for the LC Exposure at such time or, if the maturity

of the Loans has been accelerated (but subject to the consent of Lenders with LC Exposure representing greater than 50% of the total LC Exposure), be applied to satisfy other Secured Obligations. If the Borrowers are required to provide an amount of cash collateral hereunder as a result of the occurrence of a Default, such amount (to the extent not applied as aforesaid) shall be returned to the Borrowers within three Business Days after all such Defaults have been cured or waived.

Section 2.07 Funding of Borrowings. (a) Each Lender shall make each Loan to be made by it hereunder on the proposed date thereof by wire transfer of immediately available funds by 2:00 p.m., Chicago time, to the account of the Administrative Agent most recently designated by it for such purpose by notice to the Lenders in an amount equal to such Lender's Applicable Percentage; provided that, Swingline Loans shall be made as provided in Section 2.05. The Administrative Agent will make such Loans available to the Borrower Representative by promptly crediting the amounts so received, in like funds, to the Funding Account(s); provided that ABR Loans made to finance the reimbursement of (i) an LC Disbursement as provided in Section 2.06(e) shall be remitted by the Administrative Agent to the Issuing Bank and (ii) a Protective Advance or an Overadvance shall be retained by the Administrative Agent.

(b) Unless the Administrative Agent shall have received notice from a Lender prior to the proposed date of any Borrowing that such Lender will not make available to the Administrative Agent such Lender's share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with paragraph (a) of this Section and may, in reliance upon such assumption, make available to the applicable Borrower a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable Borrowing available to the Administrative Agent, then the applicable Lender and the Borrowers severally agree to pay to the Administrative Agent forthwith on demand such corresponding amount with interest thereon, for each day from and including the date such amount is made available to the applicable Borrower to but excluding the date of payment to the Administrative Agent, at (i) in the case of such Lender, the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation or (ii) in the case of the Borrowers, the interest rate applicable to ABR Loans. If such Lender pays such amount to the Administrative Agent, then such amount shall constitute such Lender's Loan included in such Borrowing.

Section 2.08 Interest Elections. (a) Each Borrowing initially shall be of the Type specified in the applicable Borrowing Request and, in the case of a Eurodollar Borrowing, shall have an initial Interest Period as specified in such Borrowing Request. Thereafter, the Borrower Representative may elect to convert such Borrowing to a different Type or to continue such Borrowing and, in the case of a Eurodollar Borrowing, may elect Interest Periods therefor, all as provided in this Section. The Borrower Representative may elect different options with respect to different portions of the affected Borrowing, in which case each such portion shall be allocated ratably among the Lenders holding the Loans comprising such Borrowing, and the Loans comprising each such portion shall be considered a separate Borrowing. This Section shall not apply to Swingline Borrowings, Overadvances or Protective Advances, which may not be converted or continued.

(b) To make an election pursuant to this Section, the Borrower Representative shall notify the Administrative Agent of such election by telephone by the time that a Borrowing Request would be required under Section 2.03 if the Borrowers were requesting a Borrowing of the Type resulting from such election to be made on the effective date of such election. Each such telephonic Interest Election Request shall be irrevocable and shall be confirmed promptly by hand delivery or facsimile to the Administrative Agent of a written Interest Election Request in a form approved by the Administrative Agent and signed by the Borrower Representative.

(c) Each telephonic and written Interest Election Request shall specify the following information in compliance with Section 2.02:

(i) the Borrower and the Borrowing to which such Interest Election Request applies and, if different options are being elected with respect to different portions thereof, the portions thereof to be allocated to each resulting Borrowing (in which case the information to be specified pursuant to clauses (iii) and (iv) below shall be specified for each resulting Borrowing);

(ii) the effective date of the election made pursuant to such Interest Election Request, which shall be a Business Day;

(iii) whether the resulting Borrowing is to be an ABR Borrowing or a Eurodollar Borrowing; and

(iv) if the resulting Borrowing is a Eurodollar Borrowing, the Interest Period to be applicable thereto after giving effect to such election, which shall be a period contemplated by the definition of the term Interest Period .

If any such Interest Election Request requests a Eurodollar Borrowing but does not specify an Interest Period, then the Borrowers shall be deemed to have selected an Interest Period of one month's duration.

(d) Promptly following receipt of an Interest Election Request, the Administrative Agent shall advise each Lender of the details thereof and of such Lender's portion of each resulting Borrowing.

(e) If the Borrower Representative fails to deliver a timely Interest Election Request with respect to a Eurodollar Borrowing prior to the end of the Interest Period applicable thereto, then, unless such Borrowing is repaid as provided herein, at the end of such Interest Period such Borrowing shall be converted to an ABR Borrowing. Notwithstanding any contrary provision hereof, if a Default has occurred and is continuing and the Administrative Agent, at the request of the Required Lenders, so notifies the Borrower Representative, then, so long as a Default is continuing (i) no outstanding Borrowing may be converted to or continued as a Eurodollar Borrowing and (ii) unless repaid, each Eurodollar Borrowing shall be converted to an ABR Borrowing at the end of the Interest Period applicable thereto.

Section 2.09 Termination and Reduction of Commitments. (a) Unless previously terminated the Commitments shall terminate on the Maturity Date.

(b) The Borrowers may at any time terminate the Commitments upon (i) the payment in full of all outstanding Loans, together with accrued and unpaid interest thereon and on any Letters of Credit, (ii) the cancellation and return of all outstanding Letters of Credit (or alternatively, with respect to each such Letter of Credit, the furnishing to the Administrative Agent of a cash deposit (or at the discretion of the Administrative Agent a back up standby letter of credit satisfactory to the Administrative Agent) equal to 105% of the LC Exposure as of such date), (iii) payment in full of the accrued and unpaid fees, and (iv) the payment in full of all reimbursable expenses and other Obligations together with accrued and unpaid interest thereon.

(c) The Borrowers may from time to time reduce the Revolving Commitments; provided that (i) each reduction of the Revolving Commitments shall be in an amount that is an integral multiple of \$10,000,000 and (ii) the Borrowers shall not reduce the Revolving Commitments if, after giving effect to any concurrent prepayment of the Loans in accordance with Section 2.10, the sum of the Revolving Exposures would exceed (A) the lesser of the total Revolving Commitments and the Borrowing Base, *minus* (B) the Reserves. In the event the sum of the total unfunded Commitments *plus* the aggregate principal amount (without duplication) of the Revolving Exposures and other Loans outstanding at any time is reduced to \$100,000,000 or less, the Commitments shall terminate and all Obligations shall become immediately due and payable in full.

(d) The Borrower Representative shall notify the Administrative Agent of any election to terminate or reduce the Commitments under paragraph (b) or (c) of this Section at least three Business Days prior to the effective date of such termination or reduction, specifying such election and the effective date thereof. Promptly following receipt of any notice, the Administrative Agent shall advise the Lenders of the contents thereof. Each notice delivered by the Borrower Representative pursuant to this Section shall be irrevocable; provided that a notice of termination of the Commitments delivered by the Borrower Representative may state that such notice is conditioned upon the effectiveness of other credit facilities, in which case such notice may be revoked by the Borrower Representative (by notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied. Any termination or reduction of the Commitments shall be permanent. Each reduction of the Commitments shall be made ratably among the Lenders in accordance with their respective Commitments.

Section 2.10 Repayment and Amortization of Loans; Evidence of Debt. (a) The Borrowers hereby unconditionally promise to pay (i) to the Administrative Agent for the account of each Lender the then unpaid principal amount of each Loan on the Maturity Date, (ii) to the Administrative Agent the then unpaid amount of each Protective Advance on the earlier of the Maturity Date and demand by the Administrative Agent, and (iii) to the Swingline Lender the then unpaid principal amount of each Swingline Loan on the earlier of the Maturity Date and the first date after such Swingline Loan is made that is the 15th or last day of a calendar month and is at least two Business Days after such Swingline Loan is made; provided that on each date that a Loan is made, the Borrowers shall repay all Swingline Loans then outstanding, and (iv) to the Administrative Agent the then unpaid principal amount of each Overadvance on the earlier of the Maturity Date, demand by the Administrative Agent and the 30th day after such Overadvance is made.

(b) At all times that full cash dominion is in effect pursuant to Section 7.3 of the Security Agreement, on each Business Day, the Administrative Agent shall apply all funds credited to the Collection Account the previous Business Day (whether or not immediately available) first to prepay any Protective Advances and Overadvances that may be outstanding, pro rata, and second to prepay the Loans (including Swing Line Loans) and to cash collateralize outstanding LC Exposure.

(c) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrowers to such Lender resulting from each Loan made by such Lender, including the amounts of principal and interest payable and paid to such Lender from time to time hereunder.

(d) The Administrative Agent shall maintain accounts in which it shall record (i) the amount of each Loan made hereunder, the Class and Type thereof and the Interest Period applicable thereto, (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrowers to each Lender hereunder and (iii) the amount of any sum received by the Administrative Agent hereunder for the account of the Lenders and each Lender's share thereof.

(e) The entries made in the accounts maintained pursuant to paragraph (c) or (d) of this Section shall be prima facie evidence of the existence and amounts of the obligations recorded therein; provided that the failure of any Lender or the Administrative Agent to maintain such accounts or any error therein shall not in any manner affect the obligation of the Borrowers to repay the Loans in accordance with the terms of this Agreement.

(f) Any Lender may request that Loans made by it be evidenced by a promissory note. In such event, the Borrowers shall prepare, execute and deliver to such Lender a promissory note payable to the order of such Lender (or, if requested by such Lender, to such Lender and its registered assigns) and in a form approved by the Administrative Agent. Thereafter, the Loans evidenced by such promissory note and interest thereon shall at all times (including after assignment pursuant to Section 9.04) be represented by one or more promissory notes in such form payable to the order of the payee named therein (or, if such promissory note is a registered note, to such payee and its registered assigns).

Section 2.11 Prepayment of Loans. (a) The Borrowers shall have the right at any time and from time to time to prepay any Borrowing in whole or in part, subject to prior notice in accordance with paragraph (e) of this Section.

(b) Except for Overadvances permitted under Section 2.05, in the event and on such occasion that the total Revolving Exposure exceeds (x) the lesser of (i) the aggregate Revolving Commitments or (ii) the Borrowing Base, *minus* (y) the Reserves, the Borrowers shall prepay the Loans, LC Exposure and/or Swingline Loans in an aggregate amount equal to such excess.

(c) In the event and on each occasion that any Net Proceeds are received by or on behalf of any Loan Party in respect of any Prepayment Event, the Borrowers shall, immediately after such Net Proceeds are received by any Loan Party, prepay the Obligations as

set forth in Section 2.11(d) below in an aggregate amount equal to 100% of such Net Proceeds, provided that, in the case of any event described in clause (a) or (b) of the definition of the term Prepayment Event, if the Borrower Representative shall deliver to the Administrative Agent a certificate of a Financial Officer to the effect that the Loan Parties intend to apply the Net Proceeds from such event (or a portion thereof specified in such certificate), within 180 days after receipt of such Net Proceeds, to acquire (or replace or rebuild) real property, equipment or other tangible assets (excluding inventory) to be used in the business of the Loan Parties, and certifying that no Default has occurred and is continuing, then either (i) so long as full cash dominion is not in effect, no prepayment shall be required pursuant to this paragraph in respect of the Net Proceeds specified in such certificate or (ii) if full cash dominion is in effect, if the Net Proceeds specified in such certificate are to be applied by (A) the Borrowers, then such Net Proceeds shall be applied by the Administrative Agent to reduce the outstanding principal balance of the Loans (without a permanent reduction of the Revolving Commitment) and upon such application, the Administrative Agent shall establish a Reserve against the Borrowing Base in an amount equal to the amount of such proceeds so applied and (B) any Loan Party that is not a Borrower, then such Net Proceeds shall be deposited in a cash collateral account and in either case, thereafter, such funds shall be made available to the applicable Loan Party as follows:

- (1) the Borrower Representative shall request a Loan (specifying that the request is to use Net Proceeds pursuant to this Section) or the applicable Loan Party shall request a release from the cash collateral account be made in the amount needed;
- (2) so long as the conditions set forth in Section 4.02 have been met, the Lenders shall make such Loan or the Administrative Agent shall release funds from the cash collateral account; and
- (3) in the case of Net Proceeds applied against the Loan, the Reserve established with respect to such insurance proceeds shall be reduced by the amount of such Loan;

provided that to the extent of any such Net Proceeds therefrom that have not been so applied by the end of such 180 day period, at which time a prepayment shall be required in an amount equal to such Net Proceeds that have not been so applied; provided, further that the Borrowers shall not be permitted to make elections to use Net Proceeds to acquire (or replace or rebuild) real property, equipment or other tangible assets (excluding inventory) with respect to Net Proceeds in any fiscal year in an aggregate amount in excess of \$25,000,000.

(d) All such amounts pursuant to Section 2.11(c) (as to any insurance or condemnation proceeds, to the extent they arise from casualties or losses to Equipment, Fixtures and real property) shall be applied, first to prepay any Protective Advances and Overadvances that may be outstanding, pro rata and second to prepay the Loans (including Swing Line Loans) without a corresponding reduction in the Revolving Commitment and to cash collateralize outstanding LC Exposure. All such amounts pursuant to Section 2.11(c) (as to any insurance or condemnation proceeds, to the extent they arise from casualties or losses to cash or Inventory) shall be applied, first to prepay any Protective Advances and Overadvances that may be outstanding, pro rata, and second to prepay the Loans (including Swing Line Loans) without a

corresponding reduction in the Revolving Commitment and to cash collateralize outstanding LC Exposure. If the precise amount of insurance or condemnation proceeds allocable to Inventory as compared to Equipment, Fixtures and real property is not otherwise determined, the allocation and application of those proceeds shall be determined by the Administrative Agent, in its Permitted Discretion.

(e) The Borrower Representative shall notify the Administrative Agent (and, in the case of prepayment of a Swingline Loan, the Swingline Lender) by telephone (confirmed by facsimile) of any prepayment hereunder (i) in the case of prepayment of a Eurodollar Borrowing, not later than 10:00 a.m., Chicago time, three Business Days before the date of prepayment, or (ii) in the case of prepayment of an ABR Borrowing, not later than 10:00 a.m., Chicago time, one Business Day before the date of prepayment or (iii) in the case of prepayment of a Swingline Loan, not later than 11:00 a.m., Chicago time, on the date of prepayment. Each such notice shall be irrevocable and shall specify the prepayment date and the principal amount of each Borrowing or portion thereof to be prepaid; provided that, if a notice of prepayment is given in connection with a conditional notice of termination of the Commitments as contemplated by Section 2.09, then such notice of prepayment may be revoked if such notice of termination is revoked in accordance with Section 2.09. Promptly following receipt of any such notice relating to a Borrowing, the Administrative Agent shall advise the Lenders of the contents thereof. Each partial prepayment of any Borrowing shall be in an amount that would be permitted in the case of an advance of a Borrowing of the same Type as provided in Section 2.02. Each prepayment of a Borrowing shall be applied ratably to the Loans included in the prepaid Borrowing. Prepayments shall be accompanied by accrued interest to the extent required by Section 2.13.

Section 2.12 Fees. (a) The Borrowers agree to pay to the Administrative Agent for the account of each Lender a commitment fee, which shall accrue at the Applicable Rate on the average daily amount of the Available Revolving Commitment of such Lender during the period from and including the Effective Date to but excluding the date on which the Lenders' Revolving Commitments terminate. Accrued commitment fees shall be payable in arrears on the first day of each fiscal quarter and on the date on which the Revolving Commitments terminate, commencing on the first such date to occur after the date hereof. All commitment fees shall be computed on the basis of a year of 360 days and shall be payable for the actual number of days elapsed.

(b) The Borrowers agree to pay (i) to the Administrative Agent for the account of each Lender a participation fee with respect to its participations in Letters of Credit, which shall accrue at the same Applicable Rate used to determine the interest rate applicable to Eurodollar Loans on the average daily amount of such Lender's LC Exposure (excluding any portion thereof attributable to unreimbursed LC Disbursements) during the period from and including the Effective Date to but excluding the later of the date on which such Lender's Revolving Commitment terminates and the date on which such Lender ceases to have any LC Exposure, and (ii) to the Issuing Bank a fronting fee, which shall accrue at the rate of 0.125% per annum on the average daily amount of the LC Exposure (excluding any portion thereof attributable to unreimbursed LC Disbursements) during the period from and including the Effective Date to but excluding the later of the date of termination of the Revolving

Commitments and the date on which there ceases to be any LC Exposure, as well as the Issuing Bank's standard fees with respect to the issuance, amendment, renewal or extension of any Letter of Credit or processing of drawings thereunder. Participation fees and fronting fees accrued through and including the last day of each calendar month shall be payable on the first day of each calendar month following such last day, commencing on the first such date to occur after the Effective Date; provided that all such fees shall be payable on the date on which the Revolving Commitments terminate and any such fees accruing after the date on which the Commitments terminate shall be payable on demand. Any other fees payable to the Issuing Bank pursuant to this paragraph shall be payable within 10 days after demand. All participation fees and fronting fees shall be computed on the basis of a year of 360 days and shall be payable for the actual number of days elapsed.

(c) The Borrowers agree to pay to the Administrative Agent, for its own account, fees payable in the amounts and at the times separately agreed upon between the Borrowers and the Administrative Agent.

(d) All fees payable hereunder shall be paid on the dates due, in immediately available funds, to the Administrative Agent (or to the Issuing Bank, in the case of fees payable to it) for distribution, in the case of commitment fees and participation fees, to the Lenders. Fees paid shall not be refundable under any circumstances.

Section 2.13 Interest. (a) The Loans comprising each ABR Borrowing (including each Swingline Loan) shall bear interest at the Alternate Base Rate *plus* the Applicable Rate.

(b) The Loans comprising each Eurodollar Borrowing shall bear interest at the Adjusted LIBO Rate for the Interest Period in effect for such Borrowing *plus* the Applicable Rate.

(c) Each Protective Advance and each Overadvance shall bear interest at the Alternate Base Rate *plus* the Applicable Rate for Loans *plus* 2%.

(d) Notwithstanding the foregoing, during the occurrence and continuance of an Event of Default, the Administrative Agent or the Required Lenders may, at their option, by notice to the Borrower Representative (which notice may be revoked at the option of the Required Lenders notwithstanding any provision of Section 9.02 requiring the consent of each Lender affected thereby for reductions in interest rates), declare that (i) all Loans shall bear interest at 2% *plus* the rate otherwise applicable to such Loans as provided in the preceding paragraphs of this Section or (ii) in the case of any other amount outstanding hereunder, such amount shall accrue at 2% *plus* the rate applicable to such fee or other obligation as provided hereunder.

(e) Accrued interest on each Loan (for ABR Loans, accrued through the last day of the prior calendar month) shall be payable in arrears on each Interest Payment Date for such Loan and upon termination of the Commitments; provided that (i) interest accrued pursuant to paragraph (d) of this Section shall be payable on demand, (ii) in the event of any repayment or prepayment of any Loan (other than a prepayment of an ABR Loan prior to the end of the Availability Period), accrued interest on the principal amount repaid or prepaid shall be payable

on the date of such repayment or prepayment and (iii) in the event of any conversion of any Eurodollar Loan prior to the end of the current Interest Period therefor, accrued interest on such Loan shall be payable on the effective date of such conversion.

(f) All interest hereunder shall be computed on the basis of a year of 360 days, except that interest computed by reference to the Alternate Base Rate at times when the Alternate Base Rate is based on the Prime Rate shall be computed on the basis of a year of 365 days (or 366 days in a leap year), and in each case shall be payable for the actual number of days elapsed. The applicable Alternate Base Rate, Adjusted LIBO Rate or LIBO Rate shall be determined by the Administrative Agent, and such determination shall be conclusive absent manifest error.

Section 2.14 Alternate Rate of Interest. If prior to the commencement of any Interest Period for a Eurodollar Borrowing:

(a) the Administrative Agent determines (which determination shall be conclusive absent manifest error) that adequate and reasonable means do not exist for ascertaining the Adjusted LIBO Rate or the LIBO Rate, as applicable, for such Interest Period; or

(b) the Administrative Agent is advised by the Required Lenders that the Adjusted LIBO Rate or the LIBO Rate, as applicable, for such Interest Period will not adequately and fairly reflect the cost to such Lenders (or Lender) of making or maintaining their Loans (or its Loan) included in such Borrowing for such Interest Period;

then the Administrative Agent shall give notice thereof to the Borrower Representative and the Lenders by telephone or facsimile as promptly as practicable thereafter and, until the Administrative Agent notifies the Borrower Representative and the Lenders that the circumstances giving rise to such notice no longer exist, (i) any Interest Election Request that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a Eurodollar Borrowing shall be ineffective, and (ii) if any Borrowing Request requests a Eurodollar Borrowing, such Borrowing shall be made as an ABR Borrowing.

Section 2.15 Increased Costs. (a) If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit or similar requirement against assets of, deposits with or for the account of, or credit extended by, any Lender (except any such reserve requirement reflected in the Adjusted LIBO Rate) or the Issuing Bank; or

(ii) impose on any Lender or the Issuing Bank or the London interbank market any other condition affecting this Agreement or Eurodollar Loans made by such Lender or any Letter of Credit or participation therein;

and the result of any of the foregoing shall be to increase the cost to such Lender of making or maintaining any Eurodollar Loan (or of maintaining its obligation to make any such Loan) or to increase the cost to such Lender or the Issuing Bank of participating in, issuing or maintaining any Letter of Credit or to reduce the amount of any sum received or receivable by such Lender or

the Issuing Bank hereunder (whether of principal, interest or otherwise), then the Borrowers will pay to such Lender or the Issuing Bank, as the case may be, such additional amount or amounts as will compensate such Lender or the Issuing Bank, as the case may be, for such additional costs incurred or reduction suffered.

(b) If any Lender or the Issuing Bank determines that any Change in Law regarding capital requirements has or would have the effect of reducing the rate of return on such Lender's or the Issuing Bank's capital or on the capital of such Lender's or the Issuing Bank's holding company, if any, as a consequence of this Agreement or the Loans made by, or participations in Letters of Credit held by, such Lender, or the Letters of Credit issued by the Issuing Bank, to a level below that which such Lender or the Issuing Bank or such Lender's or the Issuing Bank's holding company could have achieved but for such Change in Law (taking into consideration such Lender's or the Issuing Bank's policies and the policies of such Lender's or the Issuing Bank's holding company with respect to capital adequacy), then from time to time the Borrowers will pay to such Lender or the Issuing Bank, as the case may be, such additional amount or amounts as will compensate such Lender or the Issuing Bank or such Lender's or the Issuing Bank's holding company for any such reduction suffered.

(c) A certificate of a Lender or the Issuing Bank setting forth the amount or amounts necessary to compensate such Lender or the Issuing Bank or its holding company, as the case may be, as specified in paragraph (a) or (b) of this Section shall be delivered to the Borrower Representative and shall be conclusive absent manifest error. The Borrowers shall pay such Lender or the Issuing Bank, as the case may be, the amount shown as due on any such certificate within 10 days after receipt thereof.

(d) Failure or delay on the part of any Lender or the Issuing Bank to demand compensation pursuant to this Section shall not constitute a waiver of such Lender's or the Issuing Bank's right to demand such compensation; provided that the Borrowers shall not be required to compensate a Lender or the Issuing Bank pursuant to this Section for any increased costs or reductions incurred more than 180 days prior to the date that such Lender or the Issuing Bank, as the case may be, notifies the Borrower Representative of the Change in Law giving rise to such increased costs or reductions and of such Lender's or the Issuing Bank's intention to claim compensation therefor; provided further that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof.

Section 2.16 Break Funding Payments. In the event of (a) the payment of any principal of any Eurodollar Loan other than on the last day of an Interest Period applicable thereto (including as a result of an Event of Default), (b) the conversion of any Eurodollar Loan other than on the last day of the Interest Period applicable thereto, (c) the failure to borrow, convert, continue or prepay any Eurodollar Loan on the date specified in any notice delivered pursuant hereto (regardless of whether such notice may be revoked under Section 2.09(d) and is revoked in accordance therewith), or (d) the assignment of any Eurodollar Loan other than on the last day of the Interest Period applicable thereto as a result of a request by the Borrower Representative pursuant to Section 2.19, then, in any such event, the Borrowers shall compensate each Lender for the loss, cost and expense attributable to such event. In the case of a Eurodollar Loan, such loss, cost or expense to any Lender shall be deemed to include an amount determined by such

Lender to be the excess, if any, of (i) the amount of interest which would have accrued on the principal amount of such Loan had such event not occurred, at the Adjusted LIBO Rate that would have been applicable to such Loan, for the period from the date of such event to the last day of the then current Interest Period therefor (or, in the case of a failure to borrow, convert or continue, for the period that would have been the Interest Period for such Loan), *over* (ii) the amount of interest which would accrue on such principal amount for such period at the interest rate which such Lender would bid were it to bid, at the commencement of such period, for dollar deposits of a comparable amount and period from other banks in the eurodollar market. A certificate of any Lender setting forth any amount or amounts that such Lender is entitled to receive pursuant to this Section shall be delivered to the Borrower Representative and shall be conclusive absent manifest error. The Borrowers shall pay such Lender the amount shown as due on any such certificate within 10 days after receipt thereof.

Section 2.17 Taxes. (a) Any and all payments by or on account of any obligation of the Borrowers hereunder shall be made free and clear of and without deduction for any Indemnified Taxes or Other Taxes; provided that if the Borrowers shall be required to deduct any Indemnified Taxes or Other Taxes from such payments, then (i) the sum payable shall be increased as necessary so that after making all required deductions (including deductions applicable to additional sums payable under this Section) the Administrative Agent, Lender or Issuing Bank (as the case may be) receives an amount equal to the sum it would have received had no such deductions been made, (ii) the Borrowers shall make such deductions and (iii) the Borrowers shall pay the full amount deducted to the relevant Governmental Authority in accordance with applicable law.

(b) In addition, the Borrowers shall pay any Other Taxes to the relevant Governmental Authority in accordance with applicable law.

(c) The Borrowers shall jointly and severally indemnify the Administrative Agent, each Lender and the Issuing Bank, within 10 days after written demand therefor, for the full amount of any Indemnified Taxes or Other Taxes paid by the Administrative Agent, such Lender or the Issuing Bank, as the case may be, on or with respect to any payment by or on account of any obligation of the Borrowers hereunder (including Indemnified Taxes or Other Taxes imposed or asserted on or attributable to amounts payable under this Section) and any penalties, interest and reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Borrower Representative by a Lender or the Issuing Bank, or by the Administrative Agent on its own behalf or on behalf of a Lender or the Issuing Bank, shall be conclusive absent manifest error.

(d) As soon as practicable after any payment of Indemnified Taxes or Other Taxes by the Borrowers to a Governmental Authority, the Borrower Representative shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(e) Any Foreign Lender that is entitled to an exemption from or reduction of withholding tax under the law of the jurisdiction in which any Borrower is located, or any treaty to which such jurisdiction is a party, with respect to payments under this Agreement shall deliver to the Borrower Representative (with a copy to the Administrative Agent), at the time or times prescribed by applicable law, such properly completed and executed documentation prescribed by applicable law or reasonably requested by the Borrower Representative as will permit such payments to be made without withholding or at a reduced rate.

(f) If the Administrative Agent or a Lender determines, in its sole discretion, that it has received a refund of any Taxes or Other Taxes as to which it has been indemnified by the Borrowers or with respect to which the Borrowers have paid additional amounts pursuant to this Section 2.17, it shall pay over such refund to the Borrowers (but only to the extent of indemnity payments made, or additional amounts paid, by the Borrowers under this Section 2.17 with respect to the Taxes or Other Taxes giving rise to such refund), net of all out-of-pocket expenses of the Administrative Agent or such Lender and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund); provided, that the Borrowers, upon the request of the Administrative Agent or such Lender, agree to repay the amount paid over to the Borrowers (*plus* any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Administrative Agent or such Lender in the event the Administrative Agent or such Lender is required to repay such refund to such Governmental Authority. This Section shall not be construed to require the Administrative Agent or any Lender to make available its tax returns (or any other information relating to its taxes which it deems confidential) to the Borrowers or any other Person.

Section 2.18 Payments Generally; Allocation of Proceeds; Sharing of Set-offs. (a) The Borrowers shall make each payment required to be made by them hereunder (whether of principal, interest, fees or reimbursement of LC Disbursements, or of amounts payable under Section 2.15, Section 2.16 or Section 2.17, or otherwise) prior to 2:00 p.m., Chicago time, on the date when due, in immediately available funds, without set-off or counterclaim. Any amounts received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made to the Administrative Agent at its offices at 120 South LaSalle Street, 8th Floor, Mail Code IL1-1190, Chicago, Illinois 60603, except payments to be made directly to the Issuing Bank or Swingline Lender as expressly provided herein and except that payments pursuant to Section 2.15, Section 2.16, Section 2.17 and Section 9.03 shall be made directly to the Persons entitled thereto. The Administrative Agent shall distribute any such payments received by it for the account of any other Person to the appropriate recipient promptly following receipt thereof. If any payment hereunder shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day, and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension. All payments hereunder shall be made in dollars. At all times that full cash dominion is in effect pursuant to Section 7.3 of the Security Agreement, solely for purposes of determining the amount of Loans available for borrowing purposes, checks (in addition to immediately available funds applied pursuant to Section 2.10(b)) from collections of items of payment and proceeds of any Collateral shall be applied in whole or in part against the Obligations, on the Business Day after receipt, subject to actual collection.

(b) Any proceeds of Collateral received by the Administrative Agent (i) not constituting either (A) a specific payment of principal, interest, fees or other sum payable under the Loan Documents (which shall be applied as specified by the terms of the Loan Documents), (B) a mandatory prepayment (which shall be applied in accordance with Section 2.11) or (C) amounts to be applied from the Collection Account when full cash dominion is in effect (which shall be applied in accordance with Section 2.10(b)) or (ii) after an Event of Default has occurred and is continuing and the Administrative Agent so elects or the Required Lenders so direct, such funds shall be applied ratably first, to pay any fees, indemnities, or expense reimbursements including amounts then due to the Administrative Agent and the Issuing Bank from the Borrowers (other than in connection with Banking Services or Swap Obligations), second, to pay any fees or expense reimbursements then due to the Lenders from the Borrowers (other than in connection with Banking Services or Swap Obligations), third, to pay interest due in respect of the Overadvances and Protective Advances, fourth, to pay the principal of the Overadvances and Protective Advances, fifth, to pay interest then due and payable on the Loans (other than the Overadvances and Protective Advances) ratably, sixth, to prepay principal on the Loans (other than the Overadvances and Protective Advances) and unreimbursed LC Disbursements ratably, seventh, to pay an amount to the Administrative Agent equal to one hundred five percent (105%) of the aggregate undrawn face amount of all outstanding Letters of Credit and the aggregate amount of any unpaid LC Disbursements, to be held as cash collateral for such Obligations, eighth, to payment of any amounts owing with respect to Banking Services and Swap Obligations (excluding any amounts relating to Secured Obligations under any Banking Services or Swap Agreements owed to any Non-Reporting Lender), ninth, to the payment of any Secured Obligations under any Banking Services or Swap Agreements owed to any Non-Reporting Lender, and tenth, to the payment of any other Secured Obligation due to the Administrative Agent or any Lender by the Borrowers. Notwithstanding anything to the contrary contained in this Agreement, unless so directed by the Borrower Representative, or unless a Default is in existence, neither the Administrative Agent nor any Lender shall apply any payment which it receives to any Eurodollar Loan of a Class, except (A) on the expiration date of the Interest Period applicable to any such Eurodollar Loan or (B) in the event, and only to the extent, that there are no outstanding ABR Loans of the same Class and, in any such event, the Borrowers shall pay the break funding payment required in accordance with Section 2.16. The Administrative Agent and the Lenders shall have the continuing and exclusive right to apply and reverse and reapply any and all such proceeds and payments to any portion of the Secured Obligations.

(c) At the election of the Administrative Agent, all payments of principal, interest, LC Disbursements, fees, premiums, reimbursable expenses (including, without limitation, all reimbursement for fees and expenses pursuant to Section 9.03), and other sums payable under the Loan Documents, may be paid from the proceeds of Borrowings made hereunder whether made following a request by the Borrower Representative pursuant to Section 2.03 or a deemed request as provided in this Section or may be deducted from any deposit account of any Borrower maintained with the Administrative Agent. Each Borrower hereby irrevocably authorizes (i) the Administrative Agent to make a Borrowing for the purpose of paying each payment of principal, interest and fees as it becomes due hereunder or any other amount due under the Loan Documents and agrees that all such amounts charged shall constitute Loans (including Swingline Loans and Overadvances, but such a Borrowing may only constitute

a Protective Advance if it is to reimburse costs, fees and expenses as described in Section 9.03) and that all such Borrowings shall be deemed to have been requested pursuant to Section 2.03, Section 2.04, Section 2.05, as applicable and (ii) the Administrative Agent to charge any deposit account of any Borrower maintained with the Administrative Agent for each payment of principal, interest and fees as it becomes due hereunder or any other amount due under the Loan Documents.

(d) If any Lender shall, by exercising any right of set-off or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of its Loans or participations in LC Disbursements resulting in such Lender receiving payment of a greater proportion of the aggregate amount of its Loans and participations in LC Disbursements and accrued interest thereon than the proportion received by any other Lender, then the Lender receiving such greater proportion shall purchase (for cash at face value) participations in the Loans and participations in LC Disbursements of other Lenders to the extent necessary so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Loans and participations in LC Disbursements; provided that (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest, and (ii) the provisions of this paragraph shall not be construed to apply to any payment made by the Borrowers pursuant to and in accordance with the express terms of this Agreement or any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans or participations in LC Disbursements to any assignee or participant, other than to the Borrowers or any Subsidiary or Affiliate thereof (as to which the provisions of this paragraph shall apply). Each Borrower consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against such Borrower rights of set-off and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of such Borrower in the amount of such participation.

(e) Unless the Administrative Agent shall have received notice from the Borrower Representative prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders or the Issuing Bank hereunder that the Borrowers will not make such payment, the Administrative Agent may assume that the Borrowers have made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders or the Issuing Bank, as the case may be, the amount due. In such event, if the Borrowers have not in fact made such payment, then each of the Lenders or the Issuing Bank, as the case may be, severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender or Issuing Bank with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

(f) If any Lender shall fail to make any payment required to be made by it hereunder, then the Administrative Agent may, in its discretion (notwithstanding any contrary

provision hereof), apply any amounts thereafter received by the Administrative Agent for the account of such Lender to satisfy such Lender's obligations hereunder until all such unsatisfied obligations are fully paid.

Section 2.19 **Mitigation Obligations; Replacement of Lenders.** If any Lender requests compensation under Section 2.15, or if the Borrowers are required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17, then:

(a) such Lender shall use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 2.15 or Section 2.17, as the case may be, in the future and (ii) would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender (and the Borrowers hereby agree to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment);

(b) the Borrowers may, at their sole expense and effort, require such Lender or any Lender that defaults in its obligation to fund Loans hereunder (herein, a **Departing Lender**), upon notice to the Departing Lender and the Administrative Agent, to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all its interests, rights and obligations under this Agreement to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); provided that (i) the Borrowers shall have received the prior written consent of the Administrative Agent (and if a Revolving Commitment is being assigned, the Issuing Bank), which consent shall not unreasonably be withheld, (ii) the Departing Lender shall have received payment of an amount equal to the outstanding principal of its Loans and participations in LC Disbursements and Swingline Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder, from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrowers (in the case of all other amounts) and (iii) in the case of any such assignment resulting from a claim for compensation under Section 2.15 or payments required to be made pursuant to Section 2.17, such assignment will result in a reduction in such compensation or payments. A Departing Lender shall not be required to make any such assignment and delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrowers to require such assignment and delegation cease to apply.

Section 2.20 **Returned Payments.** If after receipt of any payment which is applied to the payment of all or any part of the Obligations, the Administrative Agent or any Lender is for any reason compelled to surrender such payment or proceeds to any Person because such payment or application of proceeds is invalidated, declared fraudulent, set aside, determined to be void or voidable as a preference, impermissible setoff, or a diversion of trust funds, or for any other reason, then the Obligations or part thereof intended to be satisfied shall be revived and continued and this Agreement shall continue in full force as if such payment or proceeds had not been received by the Administrative Agent or such Lender. The provisions of this Section 2.20 shall be and remain effective notwithstanding any contrary action which may have been taken by

the Administrative Agent or any Lender in reliance upon such payment or application of proceeds. The provisions of this Section 2.20 shall survive the termination of this Agreement.

Section 2.21 Increase of Commitments.

- (a) If no Default or Event of Default shall have occurred and be continuing and no event, change or condition has occurred that has had, or could reasonably be expected to have, a Material Adverse Effect, since the Effective Date, the Borrowers may at any time from time to time prior to the Maturity Date request one or more increases of the Revolving Commitments by notice to the Administrative Agent in writing of the amount of such proposed increase (each such notice, a **Commitment Increase Notice**); provided, however, that, the Revolving Commitment of any Lender may not be increased without such Lender's consent, the aggregate amount the Revolving Commitments as so increased shall not exceed \$300,000,000, and the Revolving Commitments may not be increased without the consent of the Administrative Agent (which consent shall not be unreasonably withheld or delayed) and further provided that the aggregate amount of such increases during the term of this Agreement shall not exceed \$100,000,000.
- (b) The Borrowers may, in their sole discretion, but with the consent of the Administrative Agent as to any Person that is not at such time a Lender (which consent shall not be unreasonably withheld or delayed), offer to any existing Lender or to one or more additional banks or financial institutions the opportunity to participate in all or a portion of the increased Revolving Commitments, by notifying the Administrative Agent; provided, that the Revolving Commitment of any New Lender shall not be less than \$15,000,000 and shall be in an integral multiple of \$5,000,000. Promptly and in any event within five (5) Business Days after receipt of notice from the Borrowers of their desire to offer such commitments to certain existing Lenders or to the additional banks or financial institutions identified therein, the Administrative Agent shall notify such proposed lenders of the opportunity to participate in all or a portion of the increased Revolving Commitments. Any agreement by a Lender to increase its Revolving Commitment shall be irrevocable.
- (c) Any existing Lender that accepts the Borrowers' offer to increase its Revolving Commitment shall execute a Commitment Increase Agreement with the Borrowers and the Administrative Agent, whereupon such Lender shall be bound by, and entitled to the benefits of, this Agreement with respect to the full amount of its Revolving Commitment as so increased.
- (d) Any additional bank or financial institution which is not an existing Lender and which accepts the Borrowers' offer to participate in the increased Revolving Commitments shall execute and deliver to the Administrative Agent and the Borrowers a New Lender Agreement setting forth its Revolving Commitment (subject to the limitations on the amounts thereof set forth herein), and upon the effectiveness of such New Lender Agreement such bank or financial institution (a **New Lender**) shall become a Lender for all purposes and to the same extent as if originally a party hereto and shall be bound by and entitled to the benefits of this Agreement, and the signature pages hereof shall be deemed to be amended to add the name of such New Lender.

(e) Upon any increase in the Revolving Commitments pursuant to this Section 2.21, the Commitment Schedule shall be deemed amended to reflect the Revolving Commitment of each Lender (including any New Lender) as thereby increased.

ARTICLE III

Section 3.03 Governmental Approvals; No Conflicts. Section 3.04 Financial Condition; No Material Adverse Change. (a) Holdings has heretofore furnished to the Lenders its consolidated balance sheet and statements of income, stockholders equity and cash flows (i) as of and for the fiscal year ended December 31, 2006, reported on by Ernst & Young LLP, independent public accountants, and (ii) as of and for the fiscal month and the portion of the fiscal year ended February 28, 2007, certified by its chief accounting and compliance officer. Such financial statements present fairly, in all material respects, the financial position and results of operations and cash flows of Holdings and its consolidated Subsidiaries as of such dates and for such periods in accordance with GAAP, subject to year-end audit adjustments and the absence of footnotes in the case of the statements referred to in clause (ii) above.

Section 3.05 Properties. (a) As of the date of this Agreement, Schedule 3.05 sets forth the address of each parcel of real property that is owned or leased by each Loan Party and its Subsidiaries. Each of such leases and subleases is valid and enforceable in accordance with its terms and is in full force and effect, and no default by any party to any material lease or sublease exists. Each of the Loan Parties and its Subsidiaries has good and indefeasible title to, or valid leasehold interests in, all its real and personal property, free of all Liens other than those permitted by Section 6.02.

(b) Each Loan Party and its Subsidiaries owns, or is licensed to use, all trademarks, tradenames, copyrights, patents and other intellectual property necessary to its business as currently conducted, a correct and complete list of which, as of the date of this Agreement, is set forth on Schedule 3.05, and the use thereof by the Loan Parties and its Subsidiaries does not infringe in any material respect upon the rights of any other Person, and the Loan Parties' rights thereto are not subject to any licensing agreement or similar arrangement.

Section 3.06 Litigation and Environmental Matters. (a) There are no actions, suits or proceedings by or before any arbitrator or Governmental Authority pending against or, to the knowledge of any Loan Party, threatened against or affecting, the Loan Parties or any of their Subsidiaries (i) as to which there is a reasonable possibility of an adverse determination and that, if adversely determined, could reasonably be expected, individually or in the aggregate, to result in a Material Adverse Effect (other than the Disclosed Matters) or (ii) that involve this Agreement or the Transactions.

(b) Except for the Disclosed Matters (i) as of the Effective Date, no Loan Party nor any of its Subsidiaries has received notice of any claim with respect to any Environmental Liability or knows of any basis for any material Environmental Liability and (ii) and except with respect to any other matters that, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect, no Loan Party nor any of its Subsidiaries (A) has failed to comply with any Environmental Law or to obtain, maintain or comply with any permit, license or other approval required under any Environmental Law or (B) has become subject to any Environmental Liability.

(c) Since the date of this Agreement, there has been no change in the status of the Disclosed Matters that, individually or in the aggregate, has resulted in, or materially increased the likelihood of, a Material Adverse Effect.

Section 3.07 Compliance with Laws and Agreements. Each Loan Party and its Subsidiaries is in compliance with all Requirements of Law applicable to it or its property and all indentures, agreements and other instruments binding upon it or its property, except where the failure to do so, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect. No tax liens have been filed and no claims are being asserted with respect to any such taxes.

Section 3.10 ERISA. No ERISA Event has occurred or is reasonably expected to occur that, when taken together with all other such ERISA Events for which liability is reasonably expected to occur, could reasonably be expected to result in a Material Adverse Effect. The present value of all accumulated benefit obligations under each Plan (based on the assumptions used for purposes of Statement of Financial Accounting Standards No. 87) did not, as of the date of the most recent financial statements reflecting such amounts, exceed the fair market value of the assets of such Plan.

Section 3.11 Disclosure. The Loan Parties have disclosed to the Lenders all agreements, instruments and corporate or other restrictions to which it or any Subsidiary is subject, and all other matters known to it, that, individually or in the aggregate, could reasonably be expected to result in a Material Adverse Effect. Neither the Information Memorandum nor any of the other reports, financial statements, certificates or other information furnished by or on behalf of any Loan Party to the Administrative Agent or any Lender in connection with the negotiation of this Agreement or any other Loan Document (as modified or supplemented by other information so furnished) contains any material misstatement of fact or omits to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; provided that, with respect to projected financial information, the Loan Parties represent only that such information was prepared in good faith based upon assumptions believed to be reasonable at the time delivered and, if such projected financial information was delivered prior to the Effective Date, as of the Effective Date.

and liabilities become absolute and matured; and (iv) each Loan Party will not have unreasonably small capital with which to conduct the business in which it is engaged as such business is now conducted and is proposed to be conducted after the Effective Date.

(b) No Loan Party intends to, or will permit any of its Subsidiaries to, and no Loan Party believes that it or any of its Subsidiaries will, incur debts beyond its ability to pay such debts as they mature, taking into account the timing of and amounts of cash to be received by it or any such Subsidiary and the timing of the amounts of cash to be payable on or in respect of its Indebtedness or the Indebtedness of any such Subsidiary.

Section 3.16 Security Interest in Collateral. The provisions of this Agreement and the other Loan Documents create legal and valid Liens on all the Collateral in favor of the Administrative Agent, for the benefit of the Administrative Agent and the Lenders, and such Liens constitute perfected and continuing Liens on the Collateral, securing the Secured Obligations, enforceable against the applicable Loan Party and all third parties, and having priority over all other Liens on the Collateral except in the case of (a) Permitted Encumbrances, to the extent any such Permitted Encumbrances would have priority over the Liens in favor of the Administrative Agent pursuant to any applicable law or agreement and (b) Liens perfected only by possession (including possession of any certificate of title) to the extent the Administrative Agent has not obtained or does not maintain possession of such Collateral.

Section 3.17 Employment Matters. As of the Effective Date, there are no strikes, lockouts or slowdowns against any Loan Party or any Subsidiary pending or, to the knowledge of the Borrowers, threatened. The hours worked by and payments made to employees of the Loan Parties and the Subsidiaries have not been in violation of the Fair Labor Standards Act or any other applicable Federal, state, local or foreign law dealing with such matters. All payments due from any Loan Party or any Subsidiary, or for which any claim may be made against any Loan Party or any Subsidiary, on account of wages and employee health and welfare insurance and other benefits, have been paid or accrued as a liability on the books of the Loan Party or such Subsidiary.

Section 3.18 Common Enterprise. The successful operation and condition of each of the Loan Parties is dependent on the continued successful performance of the functions of the group of the Loan Parties as a whole and the successful operation of each of the Loan Parties is dependent on the successful performance and operation of each other Loan Party. Each Loan Party expects to derive benefit (and its board of directors or other governing body has determined that it may reasonably be expected to derive benefit), directly and indirectly, from (a) successful operations of each of the other Loan Parties and (b) the credit extended by the Lenders to the Borrowers hereunder, both in their separate capacities and as members of the group of companies. Each Loan Party has determined that execution, delivery, and performance of this Agreement and any other Loan Documents to be executed by such Loan Party is within its purpose, will be of direct and indirect benefit to such Loan Party, and is in its best interest.

Section 3.19 Terminals/Terminal Contracts. Schedule 3.19 contains an accurate list of all Terminals at which the Borrowers store or have an existing right to store inventory as of the Effective Date. Schedule 3.19 contains an accurate list of the contracts governing the Borrowers' right to store Inventory at such Terminals as of the Effective Date. Except as disclosed on Schedule 3.19, no material rights or obligations of any party to any such contract or agreement has been waived by any Loan Party as of the Effective Date. No Loan Party is, and to each Loan Party's knowledge, no other party to any such contract or agreement is, in default of its obligations or in breach of any representations or warranties made under any Terminal contract or agreement to the extent that such default or breach could reasonably be expected to have a Material Adverse Effect. Each of the Terminal contracts and agreements is a valid, binding and enforceable obligation of each party thereto in accordance with its terms and is in full force and effect, except to the extent any such contract and agreement terminates on its scheduled termination or expiration date in accordance with its terms and the termination or non-validity of such contracts and agreements could not reasonably be expected to have a Material Adverse Effect.

The Administrative Agent shall not have any duties or obligations except those expressly set forth in the Loan Documents. Without limiting the generality of the foregoing, (a) the Administrative Agent shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing, (b) the Administrative Agent shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated by the Loan Documents that the Administrative Agent is required to exercise in writing as directed by the Required Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided in Section 9.02), and (c) except as expressly set forth in the Loan Documents, the Administrative Agent shall not have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to any Loan Party or any of its Subsidiaries that is communicated to or obtained by the bank serving as Administrative Agent or any of its Affiliates in any capacity. The Administrative Agent shall not be liable for any action taken or not taken by it with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided in Section 9.02) or in the absence of its own gross negligence or willful misconduct. The Administrative Agent shall be deemed not to have knowledge of any Default unless and until written notice thereof is given to the Administrative Agent by the Borrower Representative or a Lender, and the Administrative Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with any Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or in connection with any Loan Document, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth in any Loan Document, (iv) the validity, enforceability, effectiveness or genuineness of any Loan Document or any other agreement, instrument or document, (v) the creation, perfection or priority of Liens on the Collateral or the existence of the Collateral, or (vi) the satisfaction of any condition set forth in Article IV or

elsewhere in any Loan Document, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent.

The Administrative Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing believed by it to be genuine and to have been signed or sent by the proper Person. The Administrative Agent also may rely upon any statement made to it orally or by telephone and believed by it to be made by the proper Person, and shall not incur any liability for relying thereon. The Administrative Agent may consult with legal counsel (who may be counsel for the Borrowers), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

The Administrative Agent may perform any and all its duties and exercise its rights and powers by or through any one or more sub-agents appointed by the Administrative Agent. The Administrative Agent and any such sub-agent may perform any and all its duties and exercise its rights and powers through their respective Related Parties. The exculpatory provisions of the preceding paragraphs shall apply to any such sub-agent and to the Related Parties of the Administrative Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent.

Subject to the appointment and acceptance of a successor Administrative Agent as provided in this paragraph, the Administrative Agent may resign at any time by notifying the Lenders, the Issuing Bank and the Borrower Representative. Upon any such resignation, the Required Lenders shall have the right, in consultation with the Borrowers, to appoint a successor. If no successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days after the retiring Administrative Agent gives notice of its resignation, then the retiring Administrative Agent may, on behalf of the Lenders and the Issuing Bank, appoint a successor Administrative Agent which shall be a commercial bank or an Affiliate of any such commercial bank. Upon the acceptance of its appointment as Administrative Agent hereunder by a successor, such successor shall succeed to and become vested with all the rights, powers, privileges and duties of the retiring Administrative Agent, and the retiring Administrative Agent shall be discharged from its duties and obligations hereunder. The fees payable by the Borrowers to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrowers and such successor. After the Administrative Agent's resignation hereunder, the provisions of this Article and Section 9.03 shall continue in effect for the benefit of such retiring Administrative Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while it was acting as Administrative Agent.

Each Lender acknowledges that it has, independently and without reliance upon the Administrative Agent or any other Lender and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon the Administrative Agent or any other Lender and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not

taking action under or based upon this Agreement, any other Loan Document or related agreement or any document furnished hereunder or thereunder.

Each Lender hereby agrees that (a) it has requested a copy of each Report prepared by or on behalf of the Administrative Agent; (b) the Administrative Agent (i) makes no representation or warranty, express or implied, as to the completeness or accuracy of any Report or any of the information contained therein or any inaccuracy or omission contained in or relating to a Report and (ii) shall not be liable for any information contained in any Report; (c) the Reports are not comprehensive audits or examinations, and that any Person performing any field examination will inspect only specific information regarding the Loan Parties and will rely significantly upon the Loan Parties' books and records, as well as on representations of the Loan Parties' personnel and that the Administrative Agent undertakes no obligation to update, correct or supplement the Reports; (d) it will keep all Reports confidential and strictly for its internal use, not share the Report with any other Person except as otherwise permitted pursuant to this Agreement; and (e) without limiting the generality of any other indemnification provision contained in this Agreement, it will pay and protect, and indemnify, defend, and hold the Administrative Agent and any such other Person preparing a Report harmless from and against, the claims, actions, proceedings, damages, costs, expenses, and other amounts (including reasonable attorney fees) incurred by as the direct or indirect result of any third parties who might obtain all or part of any Report through the indemnifying Lender.

The banks (or Affiliates thereof) identified in this Agreement, or hereafter appointed by the Administrative Agent, as a Co-Documentation Agent, Syndication Agent or other similar titles, shall not have any additional right, power, liability, responsibility or duty under this Agreement other than those applicable to all banks herein.

All such notices and other communications (i) sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the return receipt requested function, as available, return e-mail or other written acknowledgement), provided that if not given during the normal business hours of the recipient, such notice or communication shall be deemed to have been given at the opening of business on the next Business Day for the recipient, and (ii) posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (b)(i) of notification that such notice or communication is available and identifying the website address therefor.

(c) Any party hereto may change its address or facsimile number for notices and other communications hereunder by notice to the other parties hereto.

Section 9.02 Waivers; Amendments. (a) No failure or delay by the Administrative Agent, the Issuing Bank or any Lender in exercising any right or power hereunder or under any other Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Administrative Agent, the Issuing Bank and the Lenders hereunder and under any other Loan Document are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of any Loan Document or consent to any departure by any Loan Party therefrom shall in any event be

effective unless the same shall be permitted by paragraph (b) of this Section, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of a Loan or issuance of a Letter of Credit shall not be construed as a waiver of any Default, regardless of whether the Administrative Agent, any Lender or the Issuing Bank may have had notice or knowledge of such Default at the time.

(b) Neither this Agreement nor any other Loan Document nor any provision hereof or thereof may be waived, amended or modified except (i) in the case of this Agreement, pursuant to an agreement or agreements in writing entered into by the Borrowers and the Required Lenders or, (ii) in the case of any other Loan Document, pursuant to an agreement or agreements in writing entered into by the Administrative Agent and the Loan Party or Loan Parties that are parties thereto, with the consent of the Required Lenders; provided that no such agreement shall (iii) increase the Commitment of any Lender without the written consent of such Lender (provided that the Administrative Agent may make Protective Advances as set forth in Section 2.04), (iv) reduce or forgive the principal amount of any Loan or LC Disbursement or reduce the rate of interest thereon, or reduce or forgive any interest or fees payable hereunder, without the written consent of each Lender directly affected thereby, (v) postpone any scheduled date of payment of the principal amount of any Loan or LC Disbursement, or any date for the payment of any interest, fees or other Obligations payable hereunder, or reduce the amount of, waive or excuse any such payment, or postpone the scheduled date of expiration of any Commitment, without the written consent of each Lender directly affected thereby, (vi) change Section 2.18(b) or (d) in a manner that would alter the manner in which payments are shared, without the written consent of each Lender, (vii) increase the advance rates set forth in the definition of Borrowing Base or add new categories of eligible assets or modify the definitions of Eligible Accounts, Eligible Equipment, Eligible Inventory, or Eligible Real Property (or any defined terms used in such definitions) in a manner that would have the effect of increasing Availability, without the written consent of the Supermajority Lenders, (viii) change any of the provisions of this Section or the definition of Required Lenders or any other provision of any Loan Document specifying the number or percentage of Lenders (or Lenders of any Class) required to waive, amend or modify any rights thereunder or make any determination or grant any consent thereunder, without the written consent of each Lender, (ix) release any Loan Guarantor from its obligation under its Loan Guaranty (except as otherwise permitted herein or in the other Loan Documents), without the written consent of each Lender, or (x) except as provided in clause (d) of this Section or in any Collateral Document, release all or substantially all of the Collateral, without the written consent of each Lender; provided further that no such agreement shall amend, modify or otherwise affect the rights or duties of the Administrative Agent, the Issuing Bank or the Swingline Lender hereunder without the prior written consent of the Administrative Agent, the Issuing Bank or the Swingline Lender, as the case may be. The Administrative Agent may also amend the Commitment Schedule to reflect assignments entered into pursuant to Section 9.04

(c) The Lenders hereby irrevocably authorize the Administrative Agent, at its option and in its sole discretion, to release any Liens granted to the Administrative Agent by the Loan Parties on any Collateral (i) upon the termination of the all Commitments, payment and satisfaction in full in cash of all Secured Obligations (other than Unliquidated Obligations), and

the cash collateralization of all Unliquidated Obligations in a manner satisfactory to each affected Lender, (ii) constituting property being sold or disposed of if the Loan Party disposing of such property certifies to the Administrative Agent that the sale or disposition is made in compliance with the terms of this Agreement (and the Administrative Agent may rely conclusively on any such certificate, without further inquiry), (iii) constituting property leased to a Loan Party under a lease which has expired or been terminated in a transaction permitted under this Agreement, or (iv) as required to effect any sale or other disposition of such Collateral in connection with any exercise of remedies of the Administrative Agent and the Lenders pursuant to Article VII. Except as provided in the preceding sentence, the Administrative Agent will not release any Liens on Collateral without the prior written authorization of the Required Lenders; provided that, (A) the Administrative Agent may in its discretion, release its Liens on Collateral valued in the aggregate not in excess of \$15,000,000 during any calendar year without the prior written authorization of the Required Lenders and (B) the Borrowers Representative may request a release of the Fixed Asset Collateral and any other Real Property owned by the Borrowers from the Liens under the Collateral Documents and the Administrative Agent may in its discretion, release such Liens on the Fixed Asset Collateral, but only so long as each of the following conditions are satisfied: (1) the Fixed Asset Component shall be reduced to zero (\$0.00), (2) immediately after giving effect to the removal of the Fixed Asset Component from the Borrowing Base, Availability will not be less than \$75,000,000, such excess Availability to be determined on a pro forma basis (assuming all past due accounts payable of the Borrowers have been paid in full in cash), (3) prior to and after giving effect to the removal of the Fixed Asset Component from the Borrowing Base, no Default or Event of Default shall exist, and (4) the Borrower Representative shall certify (and in the case of clause (2) above, provide the Administrative Agent with pro forma calculations in form and substance reasonably satisfactory to the Administrative Agent) to the Administrative Agent and the Lenders of the satisfaction of each of the foregoing requirements. Any such release shall not in any manner discharge, affect, or impair the Obligations or any Liens (other than those expressly being released) upon (or obligations of the Loan Parties in respect of) all interests retained by the Loan Parties, including the proceeds of any sale, all of which shall continue to constitute part of the Collateral.

(d) If, in connection with any proposed amendment, waiver or consent requiring the consent of each Lender or each Lender affected thereby, the consent of the Required Lenders is obtained, but the consent of other necessary Lenders is not obtained (any such Lender whose consent is necessary but not obtained being referred to herein as a Non-Consenting Lender), then the Borrowers may elect to replace a Non-Consenting Lender as a Lender party to this Agreement, provided that, concurrently with such replacement, (i) another bank or other entity which is reasonably satisfactory to the Borrowers and the Administrative Agent shall agree, as of such date, to purchase for cash the Loans and other Obligations due to the Non-Consenting Lender pursuant to an Assignment and Assumption and to become a Lender for all purposes under this Agreement and to assume all obligations of the Non-Consenting Lender to be terminated as of such date and to comply with the requirements of clause (b) of Section 9.04, and (ii) the Borrowers shall pay to such Non-Consenting Lender in same day funds on the day of such replacement (A) all interest, fees and other amounts then accrued but unpaid to such Non-Consenting Lender by the Borrowers hereunder to and including the date of termination, including without limitation payments due to such Non-Consenting Lender under Section 2.15 and Section 2.17, and (B) an amount, if any, equal to the payment which would

have been due to such Lender on the day of such replacement under Section 2.16 had the Loans of such Non-Consenting Lender been prepaid on such date rather than sold to the replacement Lender.

Section 9.03

Expenses; Indemnity; Damage Waiver. (a) The Borrowers shall pay (i) all reasonable out-of-pocket expenses incurred by the Administrative Agent and its Affiliates, including the reasonable fees, charges and disbursements of Vinson & Elkins L.L.P. and local counsel in applicable jurisdictions for the Administrative Agent, in connection with the syndication and distribution (including, without limitation, via the internet or through a service such as Intralinks) of the credit facilities provided for herein, the preparation and administration of the Loan Documents or any amendments, modifications or waivers of the provisions of the Loan Documents (whether or not the transactions contemplated hereby or thereby shall be consummated), (ii) all reasonable out-of-pocket expenses incurred by the Issuing Bank in connection with the issuance, amendment, renewal or extension of any Letter of Credit or any demand for payment thereunder and (iii) all out-of-pocket expenses incurred by the Administrative Agent, the Issuing Bank or any Lender, including the fees, charges and disbursements of any counsel for the Administrative Agent, the Issuing Bank or any Lender, in connection with the enforcement, collection or protection of its rights in connection with the Loan Documents, including its rights under this Section, or in connection with the Loans made or Letters of Credit issued hereunder, including all such out-of-pocket expenses incurred during any workout, restructuring or negotiations in respect of such Loans or Letters of Credit. Expenses being reimbursed by the Borrowers under this Section include, without limiting the generality of the foregoing, costs and expenses incurred in connection with:

- (A) appraisals and insurance reviews;
- (B) field examinations and the preparation of Reports based on the fees charged by a third party retained by the Administrative Agent or the internally allocated fees for each Person employed by the Administrative Agent with respect to each field examination;
- (C) background checks regarding senior management and/or key investors, as deemed necessary or appropriate in the sole discretion of the Administrative Agent;
- (D) taxes, fees and other charges for (1) lien and title searches and title insurance and (2) recording the Mortgages, filing financing statements and continuations, and other actions to perfect, protect, and continue the Administrative Agent's Liens;
- (E) sums paid or incurred to take any action required of any Loan Party under the Loan Documents that such Loan Party fails to pay or take; and
- (F) forwarding loan proceeds, collecting checks and other items of payment, and establishing and maintaining the accounts and lock boxes, and costs and expenses of preserving and protecting the Collateral.

All of the foregoing costs and expenses may be charged to the Borrowers as Loans or to another deposit account, all as described in Section 2.18(c).

(b) The Borrowers shall, jointly and severally, indemnify the Administrative Agent, the Issuing Bank and each Lender, and each Related Party of any of the foregoing Persons (each such Person being called an Indemnitee) against, and hold each Indemnitee harmless from, any and all losses, claims, damages, penalties, liabilities and related expenses, including the fees, charges and disbursements of any counsel for any Indemnitee, incurred by or asserted against any Indemnitee arising out of, in connection with, or as a result of (i) the execution or delivery of the Loan Documents or any agreement or instrument contemplated thereby, the performance by the parties hereto of their respective obligations thereunder or the consummation of the Transactions or any other transactions contemplated hereby, (ii) any Loan or Letter of Credit or the use of the proceeds therefrom (including any refusal by the Issuing Bank to honor a demand for payment under a Letter of Credit if the documents presented in connection with such demand do not strictly comply with the terms of such Letter of Credit), (iii) any actual or alleged presence or release of Hazardous Materials on or from any property owned or operated by any Borrower or any of their Subsidiaries, or any Environmental Liability related in any way to any Borrower or any of their Subsidiaries, except for the presence or release of Hazardous Materials or Environmental Liabilities (which presence, release or liability is not actually caused by any Loan Party) and which first occurs or first arises after title to the relevant property is vested in any Indemnitee or other party after the completion of foreclosure proceedings or the granting of a deed-in-lieu of foreclosure or similar transfer of title, or (iv) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory and regardless of whether any Indemnitee is a party thereto; provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, penalties, liabilities or related expenses are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such Indemnitee.

(c) To the extent that the Borrowers fail to pay any amount required to be paid by it to the Administrative Agent, the Issuing Bank or the Swingline Lender under paragraph (a) or (b) of this Section, each Lender severally agrees to pay to the Administrative Agent, the Issuing Bank or the Swingline Lender, as the case may be, such Lender's Applicable Percentage (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount; provided that the unreimbursed expense or indemnified loss, claim, damage, penalty, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent, the Issuing Bank or the Swingline Lender in its capacity as such.

(d) To the extent permitted by applicable law, no Loan Party shall assert, and each hereby waives, any claim against any Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement or any agreement or instrument contemplated hereby, the Transactions, any Loan or Letter of Credit or the use of the proceeds thereof.

(e) All amounts due under this Section shall be payable not later than ten (10) days after written demand therefor.

Section 9.04

Successors and Assigns. (a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby (including any Affiliate of the Issuing Bank that issues any Letter of Credit), except that (i) the Borrowers may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (and any attempted assignment or transfer by the Borrowers without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby (including any Affiliate of the Issuing Bank that issues any Letter of Credit), Participants (to the extent provided in paragraph (c) of this Section) and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent, the Issuing Bank and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) (i) Subject to the conditions set forth in paragraph (b)(ii) below, any Lender may assign to one or more assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans at the time owing to it) with the prior written consent (such consent not to be unreasonably withheld) of:

(A) the Borrower Representative, provided that no consent of the Borrower Representative shall be required for an assignment to a Lender, an Affiliate of a Lender, an Approved Fund or, if an Event of Default has occurred and is continuing, any other assignee;

(B) the Administrative Agent, provided that any assignment to a Lender, an Affiliate of a Lender or an Approved Fund shall not be unreasonably withheld; and

(C) the Issuing Bank, provided that any assignment to a Lender, an Affiliate of a Lender or an Approved Fund shall not be unreasonably withheld.

(ii) Assignments shall be subject to the following additional conditions:

(A) except in the case of an assignment to a Lender or an Affiliate of a Lender or an assignment of the entire remaining amount of the assigning Lender's Commitment or Loans of any Class, the amount of the Commitment or Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent) shall not be less than \$5,000,000 unless each of the Borrower Representative and the Administrative Agent otherwise consent, provided that no such consent of the Borrower Representative shall be required if an Event of Default has occurred and is continuing;

(B) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement;

(C) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption, together with a processing and recordation fee of \$3,500; and

(D) the assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire in which the assignee designates one or more Credit Contacts to whom all syndicate-level information (which may contain material non-public information about the Loan Parties and their Related Parties or their respective securities) will be made available and who may receive such information in accordance with the assignee's compliance procedures and applicable laws, including Federal and state securities laws.

For the purposes of this Section 9.04(b), the term **Approved Fund** has the following meaning:

Approved Fund means any Person (other than a natural person) that is engaged in making, purchasing, holding or investing in bank loans and similar extensions of credit in the ordinary course of its business and that is administered or managed by (a) a Lender, (b) an Affiliate of a Lender or (c) an entity or an Affiliate of an entity that administers or manages a Lender.

(iii) Subject to acceptance and recording thereof pursuant to paragraph (b)(iv) of this Section, from and after the effective date specified in each Assignment and Assumption the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Section 2.15, Section 2.16, Section 2.17 and Section 9.03). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 9.04 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with paragraph (c) of this Section.

(iv) The Administrative Agent, acting for this purpose as an agent of the Borrowers, shall maintain at one of its offices a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitment of, and principal amount of the Loans and LC Disbursements owing to, each Lender pursuant to the terms hereof from time to time (the **Register**). The entries in the Register shall be conclusive, and the Borrowers, the Administrative Agent, the Issuing Bank and the Lenders may treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrowers, the Issuing Bank and any Lender, at any reasonable time and from time to time upon reasonable prior notice.

(v) Upon its receipt of a duly completed Assignment and Assumption executed by an assigning Lender and an assignee, the assignee's completed Administrative

Questionnaire (unless the assignee shall already be a Lender hereunder), the processing and recordation fee referred to in paragraph (b) of this Section and any written consent to such assignment required by paragraph (b) of this Section, the Administrative Agent shall accept such Assignment and Assumption and record the information contained therein in the Register; provided that if either the assigning Lender or the assignee shall have failed to make any payment required to be made by it pursuant to Section 2.05, Section 2.06(d) or Section 2.06(e), Section 2.07(b), Section 2.18(d) or Section 9.03(c), the Administrative Agent shall have no obligation to accept such Assignment and Assumption and record the information therein in the Register unless and until such payment shall have been made in full, together with all accrued interest thereon. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this paragraph.

(c) (i) Any Lender may, without the consent of the Borrowers, the Administrative Agent, the Issuing Bank or the Swingline Lender, sell participations to one or more banks or other entities (a Participant) in all or a portion of such Lender's rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans owing to it); provided that (A) such Lender's obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (C) the Borrowers, the Administrative Agent, the Issuing Bank and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in the first proviso to Section 9.02(b) that affects such Participant. Subject to paragraph (c)(ii) of this Section, the Borrowers agree that each Participant shall be entitled to the benefits of Section 2.15, Section 2.16 and Section 2.17 to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 9.08 as though it were a Lender, provided such Participant agrees to be subject to Section 2.18(c) as though it were a Lender.

(ii) A Participant shall not be entitled to receive any greater payment under Section 2.15 or Section 2.17 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower Representative's prior written consent. A Participant that would be a Foreign Lender if it were a Lender shall not be entitled to the benefits of Section 2.17 unless the Borrower Representative is notified of the participation sold to such Participant and such Participant agrees, for the benefit of the Borrowers, to comply with Section 2.17(e) as though it were a Lender.

(d) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including without limitation any pledge or assignment to secure obligations to a Federal Reserve Bank, and this Section shall not apply to any such pledge or assignment of a security interest; provided that

no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

Section 9.05 Survival. All covenants, agreements, representations and warranties made by the Loan Parties in the Loan Documents and in the certificates or other instruments delivered in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of the Loan Documents and the making of any Loans and issuance of any Letters of Credit, regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Administrative Agent, the Issuing Bank or any Lender may have had notice or knowledge of any Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any fee or any other amount payable under this Agreement is outstanding and unpaid or any Letter of Credit is outstanding and so long as the Commitments have not expired or terminated. The provisions of Section 2.15, Section 2.16, Section 2.17 and Section 9.03 and Article VIII shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, the repayment of the Loans, the expiration or termination of the Letters of Credit and the Commitments or the termination of this Agreement or any provision hereof.

Section 9.06 Counterparts; Integration; Effectiveness. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement, the other Loan Documents and any separate letter agreements with respect to fees payable to the Administrative Agent constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Except as provided in Section 4.01, this Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof which, when taken together, bear the signatures of each of the other parties hereto, and thereafter shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns. Delivery of an executed counterpart of a signature page of this Agreement by facsimile shall be effective as delivery of a manually executed counterpart of this Agreement.

Section 9.07 Severability. Any provision of any Loan Document held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions thereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

Section 9.08 Right of Setoff. If an Event of Default shall have occurred and be continuing, each Lender and each of its Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other obligations at any time owing by such Lender or Affiliate to or for the credit or the account of the Borrowers or

such Loan Guarantor against any of and all the Secured Obligations held by such Lender, irrespective of whether or not such Lender shall have made any demand under the Loan Documents and although such obligations may be unmaturing. The applicable Lender shall notify the Borrower Representative and the Administrative Agent of such set-off or application, provided that any failure to give or any delay in giving such notice shall not affect the validity of any such set-off or application under this Section. The rights of each Lender under this Section are in addition to other rights and remedies (including other rights of setoff) which such Lender may have.

Section 9.09 Governing Law; Jurisdiction; Consent to Service of Process. (a) The Loan Documents (other than those containing a contrary express choice of law provision) shall be governed by and construed in accordance with the laws of the State of New York, but giving effect to federal laws applicable to national banks.

(b) Each Loan Party hereby irrevocably and unconditionally submits, for itself and its property, to the nonexclusive jurisdiction of any U.S. Federal or New York State court sitting in New York, New York in any action or proceeding arising out of or relating to any Loan Documents, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State or, to the extent permitted by law, in such Federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement or any other Loan Document shall affect any right that the Administrative Agent, the Issuing Bank or any Lender may otherwise have to bring any action or proceeding relating to this Agreement or any other Loan Document against any Loan Party or its properties in the courts of any jurisdiction.

(c) Each Loan Party hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or any other Loan Document in any court referred to in paragraph (b) of this Section. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(d) Each party to this Agreement irrevocably consents to service of process in the manner provided for notices in Section 9.01. Nothing in this Agreement or any other Loan Document will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

Section 9.10 WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT, ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF

ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

Section 9.11 **Headings.** Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

Section 9.12 **Confidentiality.** Each of the Administrative Agent, the Issuing Bank and the Lenders agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its and its Affiliates directors, officers, employees and agents, including accountants, legal counsel and other advisors (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (b) to the extent requested by any regulatory authority, (c) to the extent required by Requirement of Laws or by any subpoena or similar legal process, (d) to any other party to this Agreement, (e) in connection with the exercise of any remedies hereunder or any suit, action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder, (f) subject to an agreement containing provisions substantially the same as those of this Section, to (i) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement or (ii) any actual or prospective counterparty (or its advisors) to any swap or derivative transaction relating to the Loan Parties and their obligations, (g) with the consent of the Borrower Representative or (h) to the extent such Information (i) becomes publicly available other than as a result of a breach of this Section or (ii) becomes available to the Administrative Agent, the Issuing Bank or any Lender on a non-confidential basis from a source other than the Borrowers. For the purposes of this Section, **Information** means all information received from the Borrowers relating to the Borrowers or their business, other than any such information that is available to the Administrative Agent, the Issuing Bank or any Lender on a non-confidential basis prior to disclosure by the Borrowers; provided that, in the case of information received from the Borrowers after the date hereof, such information is clearly identified at the time of delivery as confidential. Any Person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

EACH LENDER ACKNOWLEDGES THAT INFORMATION AS DEFINED IN Section 9.12 FURNISHED TO IT PURSUANT TO THIS AGREEMENT MAY INCLUDE MATERIAL NON-PUBLIC INFORMATION CONCERNING HOLDINGS AND ITS AFFILIATES AND THEIR RELATED PARTIES OR THEIR RESPECTIVE SECURITIES, AND CONFIRMS THAT IT HAS DEVELOPED COMPLIANCE PROCEDURES REGARDING THE USE OF MATERIAL NON-PUBLIC INFORMATION AND THAT IT WILL HANDLE SUCH MATERIAL NON-PUBLIC INFORMATION IN ACCORDANCE

WITH THOSE PROCEDURES AND APPLICABLE LAW, INCLUDING FEDERAL AND STATE SECURITIES LAWS.

ALL INFORMATION, INCLUDING REQUESTS FOR WAIVERS AND AMENDMENTS, FURNISHED BY THE BORROWERS OR THE ADMINISTRATIVE AGENT PURSUANT TO, OR IN THE COURSE OF ADMINISTERING, THIS AGREEMENT WILL BE SYNDICATE-LEVEL INFORMATION, WHICH MAY CONTAIN MATERIAL NON-PUBLIC INFORMATION ABOUT HOLDINGS, THE LOAN PARTIES AND THEIR RELATED PARTIES OR THEIR RESPECTIVE SECURITIES. ACCORDINGLY, EACH LENDER REPRESENTS TO THE BORROWERS AND THE ADMINISTRATIVE AGENT THAT IT HAS IDENTIFIED IN ITS ADMINISTRATIVE QUESTIONNAIRE A CREDIT CONTACT WHO MAY RECEIVE INFORMATION THAT MAY CONTAIN MATERIAL NON-PUBLIC INFORMATION IN ACCORDANCE WITH ITS COMPLIANCE PROCEDURES AND APPLICABLE LAW, INCLUDING FEDERAL AND STATE SECURITIES LAWS.

Section 9.13 Several Obligations; Nonreliance; Violation of Law. The respective obligations of the Lenders hereunder are several and not joint and the failure of any Lender to make any Loan or perform any of its obligations hereunder shall not relieve any other Lender from any of its obligations hereunder. Each Lender hereby represents that it is not relying on or looking to any margin stock for the repayment of the Borrowings provided for herein. Anything contained in this Agreement to the contrary notwithstanding, neither the Issuing Bank nor any Lender shall be obligated to extend credit to the Borrowers in violation of any Requirement of Law.

Section 9.14 USA PATRIOT Act. Each Lender that is subject to the requirements of the USA Patriot Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)) (the Act) hereby notifies the Borrowers that pursuant to the requirements of the Act, it is required to obtain, verify and record information that identifies the Borrowers, which information includes the names and addresses of the Borrowers and other information that will allow such Lender to identify the Borrowers in accordance with the Act.

Section 9.15 Disclosure. Each Loan Party and each Lender hereby acknowledges and agrees that the Administrative Agent and/or its Affiliates from time to time may hold investments in, make other loans to or have other relationships with any of the Loan Parties and their respective Affiliates.

Section 9.16 Appointment for Perfection. Each Lender hereby appoints each other Lender as its agent for the purpose of perfecting Liens, for the benefit of the Administrative Agent and the Lenders, in assets which, in accordance with Article 9 of the UCC or any other applicable law can be perfected only by possession. Should any Lender (other than the Administrative Agent) obtain possession of any such Collateral, such Lender shall notify the Administrative Agent thereof, and, promptly upon the Administrative Agent's request therefor shall deliver such Collateral to the Administrative Agent or otherwise deal with such Collateral in accordance with the Administrative Agent's instructions.

Section 9.17 **Interest Rate Limitation.** Notwithstanding anything herein to the contrary, if at any time the interest rate applicable to any Loan, together with all fees, charges and other amounts which are treated as interest on such Loan under applicable law (collectively the **Charges**), shall exceed the maximum lawful rate (the **Maximum Rate**) which may be contracted for, charged, taken, received or reserved by the Lender holding such Loan in accordance with applicable law, the rate of interest payable in respect of such Loan hereunder, together with all Charges payable in respect thereof, shall be limited to the Maximum Rate and, to the extent lawful, the interest and Charges that would have been payable in respect of such Loan but were not payable as a result of the operation of this Section shall be cumulated and the interest and Charges payable to such Lender in respect of other Loans or periods shall be increased (but not above the Maximum Rate therefor) until such cumulated amount, together with interest thereon at the Federal Funds Effective Rate to the date of repayment, shall have been received by such Lender.

ARTICLE X

Loan Guaranty

Section 10.01 **Guaranty.** Each Loan Guarantor (other than those that have delivered a separate Guaranty) hereby agrees that it is jointly and severally liable for, and, as primary obligor and not merely as surety, absolutely and unconditionally guarantees to the Lenders the prompt payment when due, whether at stated maturity, upon acceleration or otherwise, and at all times thereafter, of the Secured Obligations and all costs and expenses including, without limitation, all court costs and attorneys and paralegals fees (including allocated costs of in-house counsel and paralegals) and expenses paid or incurred by the Administrative Agent, the Issuing Bank and the Lenders in endeavoring to collect all or any part of the Secured Obligations from, or in prosecuting any action against, any Borrower, any Loan Guarantor or any other guarantor of all or any part of the Secured Obligations (such costs and expenses, together with the Secured Obligations, collectively the **Guaranteed Obligations**). Each Loan Guarantor further agrees that the Guaranteed Obligations may be extended or renewed in whole or in part without notice to or further assent from it, and that it remains bound upon its guarantee notwithstanding any such extension or renewal. All terms of this Loan Guaranty apply to and may be enforced by or on behalf of any domestic or foreign branch or Affiliate of any Lender that extended any portion of the Guaranteed Obligations.

Section 10.02 **Guaranty of Payment.** This Loan Guaranty is a guaranty of payment and not of collection. Each Loan Guarantor waives any right to require the Administrative Agent, the Issuing Bank or any Lender to sue any Borrower, any Loan Guarantor, any other guarantor, or any other person obligated for all or any part of the Guaranteed Obligations (each, an **Obligated Party**), or otherwise to enforce its payment against any collateral securing all or any part of the Guaranteed Obligations.

Section 10.03 **No Discharge or Diminishment of Loan Guaranty.** (a) Except as otherwise provided for herein, the obligations of each Loan Guarantor hereunder are unconditional and absolute and not subject to any reduction, limitation, impairment or termination for any reason (other than the indefeasible payment in full in cash of the Guaranteed Obligations), including: (i) any claim of waiver, release, extension, renewal, settlement,

surrender, alteration, or compromise of any of the Guaranteed Obligations, by operation of law or otherwise; (ii) any change in the corporate existence, structure or ownership of any Borrower or any other guarantor of or other person liable for any of the Guaranteed Obligations; (iii) any insolvency, bankruptcy, reorganization or other similar proceeding affecting any Obligated Party, or their assets or any resulting release or discharge of any obligation of any Obligated Party; or (iv) the existence of any claim, setoff or other rights which any Loan Guarantor may have at any time against any Obligated Party, the Administrative Agent, the Issuing Bank, any Lender, or any other person, whether in connection herewith or in any unrelated transactions.

(b) The obligations of each Loan Guarantor hereunder are not subject to any defense or setoff, counterclaim, recoupment, or termination whatsoever by reason of the invalidity, illegality, or unenforceability of any of the Guaranteed Obligations or otherwise, or any provision of applicable law or regulation purporting to prohibit payment by any Obligated Party, of the Guaranteed Obligations or any part thereof.

(c) Further, the obligations of any Loan Guarantor hereunder are not discharged or impaired or otherwise affected by: (i) the failure of the Administrative Agent, the Issuing Bank or any Lender to assert any claim or demand or to enforce any remedy with respect to all or any part of the Guaranteed Obligations; (ii) any waiver or modification of or supplement to any provision of any agreement relating to the Guaranteed Obligations; (iii) any release, non-perfection, or invalidity of any indirect or direct security for the obligations of any Borrower for all or any part of the Guaranteed Obligations or any obligations of any other guarantor of or other person liable for any of the Guaranteed Obligations; (iv) any action or failure to act by the Administrative Agent, the Issuing Bank or any Lender with respect to any collateral securing any part of the Guaranteed Obligations; or (v) any default, failure or delay, willful or otherwise, in the payment or performance of any of the Guaranteed Obligations, or any other circumstance, act, omission or delay that might in any manner or to any extent vary the risk of such Loan Guarantor or that would otherwise operate as a discharge of any Loan Guarantor as a matter of law or equity (other than the indefeasible payment in full in cash of the Guaranteed Obligations).

Section 10.04 Defenses Waived. To the fullest extent permitted by applicable law, each Loan Guarantor hereby waives any defense based on or arising out of any defense of any Borrower or any Loan Guarantor or the unenforceability of all or any part of the Guaranteed Obligations from any cause, or the cessation from any cause of the liability of any Borrower or any Loan Guarantor, other than the indefeasible payment in full in cash of the Guaranteed Obligations. Without limiting the generality of the foregoing, each Loan Guarantor irrevocably waives acceptance hereof, presentment, demand, protest and, to the fullest extent permitted by law, any notice not provided for herein, as well as any requirement that at any time any action be taken by any person against any Obligated Party, or any other person. The Administrative Agent may, at its election, foreclose on any Collateral held by it by one or more judicial or nonjudicial sales, accept an assignment of any such Collateral in lieu of foreclosure or otherwise act or fail to act with respect to any collateral securing all or a part of the Guaranteed Obligations, compromise or adjust any part of the Guaranteed Obligations, make any other accommodation with any Obligated Party or exercise any other right or remedy available to it against any Obligated Party, without affecting or impairing in any way the liability of such Loan Guarantor under this Loan Guaranty except to the extent the Guaranteed Obligations have been fully and indefeasibly paid

in cash. To the fullest extent permitted by applicable law, each Loan Guarantor waives any defense arising out of any such election even though that election may operate, pursuant to applicable law, to impair or extinguish any right of reimbursement or subrogation or other right or remedy of any Loan Guarantor against any Obligated Party or any security.

Section 10.05 Rights of Subrogation. No Loan Guarantor will assert any right, claim or cause of action, including, without limitation, a claim of subrogation, contribution or indemnification that it has against any Obligated Party, or any collateral, until the Loan Parties and the Loan Guarantors have fully performed all their obligations to the Administrative Agent, the Issuing Bank and the Lenders.

Section 10.06 Reinstatement: Stay of Acceleration. If at any time any payment of any portion of the Guaranteed Obligations is rescinded or must otherwise be restored or returned upon the insolvency, bankruptcy, or reorganization of any Borrower or otherwise, each Loan Guarantor's obligations under this Loan Guaranty with respect to that payment shall be reinstated at such time as though the payment had not been made and whether or not the Administrative Agent, the Issuing Bank and the Lenders are in possession of this Loan Guaranty. If acceleration of the time for payment of any of the Guaranteed Obligations is stayed upon the insolvency, bankruptcy or reorganization of any Borrower, all such amounts otherwise subject to acceleration under the terms of any agreement relating to the Guaranteed Obligations shall nonetheless be payable by the Loan Guarantors forthwith on demand by the Lender.

Section 10.07 Information. Each Loan Guarantor assumes all responsibility for being and keeping itself informed of the Borrowers' financial condition and assets, and of all other circumstances bearing upon the risk of nonpayment of the Guaranteed Obligations and the nature, scope and extent of the risks that each Loan Guarantor assumes and incurs under this Loan Guaranty, and agrees that neither the Administrative Agent, the Issuing Bank nor any Lender shall have any duty to advise any Loan Guarantor of information known to it regarding those circumstances or risks.

Section 10.08 Termination. Each Loan Guarantor acknowledges and agrees that this Loan Guaranty is irrevocable until the Guaranteed Obligations have been paid in full and the Commitments have been terminated. The Lenders may continue to make loans or extend credit to the Borrowers based on this Loan Guaranty. Each Loan Guarantor will continue to be liable to the Lenders for any Guaranteed Obligations created, assumed or committed to from time to time, and all subsequent renewals, extensions, modifications and amendments with respect to, or substitutions for, all or any part of that Guaranteed Obligations.

Section 10.09 Taxes. All payments of the Guaranteed Obligations will be made by each Loan Guarantor free and clear of and without deduction for any Indemnified Taxes or Other Taxes; provided that if any Loan Guarantor shall be required to deduct any Indemnified Taxes or Other Taxes from such payments, then (a) the sum payable shall be increased as necessary so that after making all required deductions (including deductions applicable to additional sums payable under this Section) the Administrative Agent, Lender or Issuing Bank (as the case may be) receives an amount equal to the sum it would have received had no such deductions been made, (b) such Loan Guarantor shall make such deductions and (c) such Loan Guarantor shall

pay the full amount deducted to the relevant Governmental Authority in accordance with applicable law.

Section 10.10 **Maximum Liability.** The provisions of this Loan Guaranty are severable, and in any action or proceeding involving any state corporate law, or any state, federal or foreign bankruptcy, insolvency, reorganization or other law affecting the rights of creditors generally, if the obligations of any Loan Guarantor under this Loan Guaranty would otherwise be held or determined to be avoidable, invalid or unenforceable on account of the amount of such Loan Guarantor's liability under this Loan Guaranty, then, notwithstanding any other provision of this Loan Guaranty to the contrary, the amount of such liability shall, without any further action by the Loan Guarantors or the Lenders, be automatically limited and reduced to the highest amount that is valid and enforceable as determined in such action or proceeding (such highest amount determined hereunder being the relevant Loan Guarantor's **Maximum Liability**). This Section with respect to the Maximum Liability of each Loan Guarantor is intended solely to preserve the rights of the Lenders to the maximum extent not subject to avoidance under applicable law, and no Loan Guarantor nor any other person or entity shall have any right or claim under this Section with respect to such Maximum Liability, except to the extent necessary so that the obligations of any Loan Guarantor hereunder shall not be rendered voidable under applicable law. Each Loan Guarantor agrees that the Guaranteed Obligations may at any time and from time to time exceed the Maximum Liability of each Loan Guarantor without impairing this Loan Guaranty or affecting the rights and remedies of the Lenders hereunder, provided that, nothing in this sentence shall be construed to increase any Loan Guarantor's obligations hereunder beyond its Maximum Liability.

Section 10.11 **Contribution.** In the event any Loan Guarantor (a **Paying Guarantor**) shall make any payment or payments under this Loan Guaranty or shall suffer any loss as a result of any realization upon any collateral granted by it to secure its obligations under this Loan Guaranty, each other Loan Guarantor (each a **Non-Paying Guarantor**) shall contribute to such Paying Guarantor an amount equal to such Non-Paying Guarantor's **Applicable Percentage** of such payment or payments made, or losses suffered, by such Paying Guarantor. For purposes of this Article X, each Non-Paying Guarantor's **Applicable Percentage** with respect to any such payment or loss by a Paying Guarantor shall be determined as of the date on which such payment or loss was made by reference to the ratio of (a) such Non-Paying Guarantor's Maximum Liability as of such date (without giving effect to any right to receive, or obligation to make, any contribution hereunder) or, if such Non-Paying Guarantor's Maximum Liability has not been determined, the aggregate amount of all monies received by such Non-Paying Guarantor from the Borrowers after the date hereof (whether by loan, capital infusion or by other means) to (b) the aggregate Maximum Liability of all Loan Guarantors hereunder (including such Paying Guarantor) as of such date (without giving effect to any right to receive, or obligation to make, any contribution hereunder), or to the extent that a Maximum Liability has not been determined for any Loan Guarantor, the aggregate amount of all monies received by such Loan Guarantors from the Borrowers after the date hereof (whether by loan, capital infusion or by other means). Nothing in this provision shall affect any Loan Guarantor's several liability for the entire amount of the Guaranteed Obligations (up to such Loan Guarantor's Maximum Liability). Each of the Loan Guarantors covenants and agrees that its right to receive any contribution under this Loan Guaranty from a Non-Paying Guarantor shall be subordinate and junior in right of payment to the payment in full in cash of the Guaranteed Obligations. This

provision is for the benefit of both the Administrative Agent, the Issuing Bank, the Lenders and the Loan Guarantors and may be enforced by any one, or more, or all of them in accordance with the terms hereof.

Section 10.12 **Liability Cumulative.** The liability of each Loan Party as a Loan Guarantor under this **Article X** is in addition to and shall be cumulative with all liabilities of each Loan Party to the Administrative Agent, the Issuing Bank and the Lenders under this Agreement and the other Loan Documents to which such Loan Party is a party or in respect of any obligations or liabilities of the other Loan Parties, without any limitation as to amount, unless the instrument or agreement evidencing or creating such other liability specifically provides to the contrary.

ARTICLE XI

The Borrower Representative

Section 11.01 **Appointment; Nature of Relationship.** Holdings is hereby appointed by each of the Borrowers as its contractual representative (herein referred to as the **Borrower Representative**) hereunder and under each other Loan Document, and each of the Borrowers irrevocably authorizes the Borrower Representative to act as the contractual representative of such Borrower with the rights and duties expressly set forth herein and in the other Loan Documents. The Borrower Representative agrees to act as such contractual representative upon the express conditions contained in this **Article XI**. Additionally, the Borrowers hereby appoint the Borrower Representative as their agent to receive all of the proceeds of the Loans in the Funding Account(s), at which time the Borrower Representative shall promptly disburse such Loans to the appropriate Borrower. The Administrative Agent and the Lenders, and their respective officers, directors, agents or employees, shall not be liable to the Borrower Representative or any Borrower for any action taken or omitted to be taken by the Borrower Representative or the Borrowers pursuant to this **Section 11.01**.

Section 11.02 **Powers.** The Borrower Representative shall have and may exercise such powers under the Loan Documents as are specifically delegated to the Borrower Representative by the terms of each thereof, together with such powers as are reasonably incidental thereto. The Borrower Representative shall have no implied duties to the Borrowers, or any obligation to the Lenders to take any action thereunder except any action specifically provided by the Loan Documents to be taken by the Borrower Representative.

Section 11.03 **Employment of Agents.** The Borrower Representative may execute any of its duties as the Borrower Representative hereunder and under any other Loan Document by or through authorized officers or agents.

Section 11.04 **Notices.** Each Borrower shall immediately notify the Borrower Representative of the occurrence of any Default or Event of Default hereunder referring to this Agreement describing such Default or Event of Default and stating that such notice is a notice of default. In the event that the Borrower Representative receives such a notice, the Borrower Representative shall give prompt notice thereof to the Administrative Agent and the Lenders.

Any notice provided to the Borrower Representative hereunder shall constitute notice to each Borrower on the date received by the Borrower Representative.

Section 11.05 Successor Borrower Representative. Upon the prior written consent of the Administrative Agent, the Borrower Representative may resign at any time, such resignation to be effective upon the appointment of a successor Borrower Representative; provided that such successor shall be a Loan Party. The Administrative Agent shall give prompt written notice of such resignation to the Lenders.

Section 11.06 Execution of Loan Documents; Borrowing Base Certificate. The Borrowers hereby empower and authorize the Borrower Representative, on behalf of the Borrowers, to execute and deliver to the Administrative Agent and the Lenders the Loan Documents and all related agreements, certificates, documents, or instruments as shall be necessary or appropriate to effect the purposes of the Loan Documents, including without limitation, the Borrowing Base Certificates and the Compliance Certificates. Each Borrower agrees that any action taken by the Borrower Representative or the Borrowers in accordance with the terms of this Agreement or the other Loan Documents, and the exercise by the Borrower Representative of its powers set forth therein or herein, together with such other powers that are reasonably incidental thereto, shall be binding upon all of the Borrowers.

Section 11.07 Reporting. Each Borrower hereby agrees that such Borrower shall furnish promptly after each fiscal month to the Borrower Representative a copy of its Borrowing Base Certificate and any other certificate or report required hereunder or requested by the Borrower Representative on which the Borrower Representative shall rely to prepare the Borrowing Base Certificates and Compliance Certificates required pursuant to the provisions of this Agreement.

(i) ***Good Standing.*** The Representative shall have received on and as of the Closing Date satisfactory evidence of the good standing of the Company and its subsidiaries in their respective jurisdictions of organization and their good standing in such other jurisdictions as the Representative may reasonably request, except where

7. **Indemnification and Contribution.**

(a) ***Indemnification of the Initial Purchasers.*** The Company and each of the Guarantors jointly and severally agree to indemnify and hold harmless each Initial Purchaser, its affiliates, directors and officers and each person, if any, who controls such Initial Purchaser within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act, from and against any and all losses, claims, damages and liabilities (including, without limitation, legal fees and other expenses incurred in connection with any suit, action or proceeding or any claim asserted, as such fees and expenses are incurred), joint or several, that arise out of, or are based upon, any untrue statement or alleged untrue statement of a material fact contained in the Preliminary Offering Memorandum, any of the other Time of Sale Information, any Issuer Written Communication or the Offering Memorandum (or any amendment or supplement thereto) or any omission or alleged omission to state therein a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading, in each case except insofar as such losses, claims, damages or liabilities arise out of, or are based upon, any untrue statement or omission or alleged untrue statement or omission made in reliance upon and in conformity with any information relating to any Initial Purchaser furnished to the Company in writing by such Initial Purchaser through the Representative expressly for use therein.

(b) ***Indemnification of the Company.*** Each Initial Purchaser agrees, severally and not jointly, to indemnify and hold harmless the Company, each of the Guarantors, each of their respective directors and officers and each person, if any, who controls the Company or any of the Guarantors within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act to the same extent as the indemnity set forth in paragraph (a) above, but only with respect to any losses, claims, damages or liabilities

(b) Indemnification of the Company. Each Initial Purchaser agrees, severally and not jointly, to indemnify and

that arise out of, or are based upon, any untrue statement or omission or alleged untrue statement or omission made in reliance upon and in conformity with any information relating to such Initial Purchaser furnished to the Company in writing by such Initial Purchaser through the Representative expressly for use in the Preliminary Offering Memorandum, any of the other Time of Sale Information, any Issuer Written Communication or the Offering Memorandum (or any amendment or supplement thereto), it being understood and agreed that the only such information consists of the following: (i) the names of the Initial Purchasers appearing on the cover page of the Preliminary Offering Memorandum; and (ii) the sixteenth paragraph of text of the Plan of Distribution in the Preliminary Offering Memorandum.

(c) ***Notice and Procedures.*** If any suit, action, proceeding (including any governmental or regulatory investigation), claim or demand shall be brought or asserted against any person in respect of which indemnification may be sought pursuant to either paragraph (a) or (b) above, *such* person (the Indemnified Person) shall promptly notify the person against whom such indemnification may be sought (the Indemnifying Person) in writing; provided that the failure to notify the Indemnifying Person shall not relieve it from any liability that it may have under subsections 7(a) and 7(b) except to the extent that it has been materially prejudiced (through the forfeiture of substantive rights or defenses) by such failure; and provided, further, that the failure to notify the Indemnifying Person shall not relieve it from any liability that it may have to an Indemnified Person otherwise than under subsections 7(a) and 7(b). If any such proceeding shall be brought or asserted against an Indemnified Person and it shall have notified the Indemnifying Person thereof, the Indemnifying Person shall retain counsel reasonably satisfactory to the Indemnified Person (who shall not, without the consent of the Indemnified Person, be counsel to the Indemnifying Person) to represent the Indemnified Person and any others entitled to indemnification pursuant to this Section 7 that the Indemnifying Person may designate in such proceeding and shall pay the fees and expenses of such proceeding and shall pay the fees and expenses of such counsel related to such proceeding, as incurred. In any such proceeding, any Indemnified Person shall have the right to retain its own counsel, but the fees and expenses of such counsel shall be at the expense of such Indemnified Person unless (i) the Indemnifying Person and the Indemnified Person shall have mutually agreed to the contrary; (ii) the Indemnifying Person has failed within a reasonable time to retain counsel reasonably satisfactory to the Indemnified Person; (iii) the

Indemnified Person shall have reasonably concluded that there may be legal defenses available to it that are different from or in addition to those available to the Indemnifying Person; or (iv) the named parties in any such proceeding (including any impleaded parties) include both the Indemnifying Person and the Indemnified Person and representation of both parties by the same counsel would be inappropriate due to actual or potential differing interests between them. It is understood and agreed that the Indemnifying Person shall not, in connection with any proceeding or related proceeding in the same jurisdiction, be liable for the fees and expenses of more than one separate firm (in addition to any local counsel) for all Indemnified Persons, and that all such fees and expenses shall be reimbursed as they are incurred. Any such separate firm for any Initial Purchaser, its affiliates, directors and officers and any control persons of such Initial Purchaser shall be designated in writing by J.P. Morgan Securities Inc. and any such separate firm for the Company, the

Guarantors, their respective directors and officers and any control persons of the Company and the **Guarantors shall be designated in writing by the Company. The Indemnifying Person shall not be liable for any settlement of any proceeding effected without its written consent, but if settled with such consent or if there be a final judgment for the plaintiff, the Indemnifying Person agrees to indemnify each Indemnified Person from and against any loss or liability by reason of such settlement or judgment. No Indemnifying Person shall, without the written consent of the Indemnified Person, effect any settlement of any pending or threatened proceeding in respect of which any Indemnified Person is or could have been a party and indemnification could have been sought hereunder by such Indemnified Person, unless such settlement (x) includes an unconditional release of such Indemnified Person, in form and substance reasonably satisfactory to such Indemnified Person, from all liability on claims that are the subject matter of such proceeding and (y) does not include any statement as to or any admission of fault, culpability or a failure to act by or on behalf of any Indemnified Person.**

(d) ***Contribution.*** If the indemnification provided for in paragraphs (a) and (b) above is unavailable to an Indemnified Person or insufficient in respect of any losses, claims, damages or liabilities referred to therein, then each Indemnifying Person under such paragraph, in lieu of indemnifying such Indemnified Person thereunder, shall contribute to the amount paid or payable by such Indemnified Person as a result of such losses, claims, damages or liabilities (i) in such proportion as is appropriate to reflect the relative benefits received by the Company and the Guarantors on the one hand and the Initial Purchasers on the other from the offering of the Securities or (ii) if the allocation provided by clause (i) is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) but also the relative fault of the Company and the Guarantors on the one hand and the Initial Purchasers on the other in connection with the statements or omissions that resulted in such losses, claims, damages or liabilities, as well as any other relevant equitable considerations. The relative benefits received by the Company and the Guarantors on the one hand and the Initial Purchasers on the other shall be deemed to be in the same respective proportions as the net proceeds (before deducting expenses) received by the Company from the sale of the Securities and the total discounts and commissions received by the Initial Purchasers in connection therewith, as provided in this Agreement, bear to the aggregate offering price of the Securities. The relative fault of the Company and the Guarantors on the one hand and the Initial Purchasers on the other shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company or any Guarantor or by the Initial Purchasers and the parties' relative intent,

(d) Contribution. If the indemnification provided for in paragraphs (a) and (b) above is unavailable to an Indemnified Person or insufficient in respect of any losses, claims, damages or liabilities referred to therein, then each Indemnifying Person under such paragraph, in lieu of indemnifying such Indemnified Person thereunder, shall contribute to the amount paid or payable by such Indemnified Person as a result of such losses, claims, damages or liabilities (i) in such proportion as is appropriate to reflect the relative benefits received by the Company and the Guarantors on the one hand and the Initial Purchasers on the other from the offering of the Securities or (ii) if the allocation provided by clause (i) is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) but also the relative fault of the Company and the Guarantors on the one hand and the Initial Purchasers on the other in connection with the statements or omissions that resulted in such losses, claims, damages or liabilities, as well as any other relevant equitable considerations. The relative benefits received by the Company and the Guarantors on the one hand and the Initial Purchasers on the other shall be deemed to be in the same respective proportions as the net proceeds (before deducting expenses) received by the Company from the sale of the Securities and the total discounts and commissions received by the Initial Purchasers in connection therewith, as provided in this Agreement, bear to the aggregate offering price of the Securities. The relative fault of the Company and the Guarantors on the one hand and the Initial Purchasers on the other shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company or any Guarantor or by the Initial Purchasers and the parties' relative intent,

knowledge, access to information and opportunity to correct or prevent such statement or omission.

(d) Contribution. If the indemnification provided for in paragraphs (a) and (b) above is unavailable ~~in~~ an Indem

(e) ***Limitation on Liability.*** The Company, the Guarantors and the Initial Purchasers agree that it would not be just and equitable if contribution pursuant to this Section 7 were ***determined by pro rata*** allocation (even if the Initial Purchasers were treated as one entity for such purpose) or by any other method of allocation that does not take account of the equitable considerations referred to in paragraph (d) above.

(e) Limitation on Liability. The Company, the Guarantors and the Initial Purchasers agree that it would not be

The amount paid or payable by an Indemnified Person as a result of the losses, claims, damages and liabilities referred to in paragraph (d) above shall be deemed to include, subject to the limitations set forth above, any legal or other expenses incurred by such Indemnified Person in connection with any such action or claim. Notwithstanding the provisions of this Section 7, in no event shall an Initial Purchaser be required to contribute any amount in excess of the amount by which the total discounts and commissions received by such Initial Purchaser with respect to the offering of the Securities exceeds the amount of any damages that such Initial Purchaser has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The Initial Purchasers' obligations to contribute pursuant to this Section 7 are several in proportion to their respective purchase obligations hereunder and not joint.

(f) ***Non-Exclusive Remedies.*** The remedies provided for in this Section 7 are not exclusive and shall not limit any rights or remedies that may otherwise be available to any Indemnified Person at law or in equity.

8. **Termination.** The obligations of the Initial Purchasers hereunder shall be subject to termination in the absolute discretion of the Representative, at any time prior to the Closing Time, (i) if there has occurred any outbreak or escalation of hostilities or other national or international calamity or crisis or change in economic, political or other conditions, the effect of which on the United States or international financial markets is such as to make it, in the judgment of the Representative, impracticable to market the Securities or enforce contracts for the sale of the Securities, or (ii) if trading in any securities of the Company has been suspended by the Commission or by the New York Stock Exchange, or if trading generally on the New York Stock Exchange or in the Nasdaq over-the-counter market has been suspended (including an automatic halt in trading pursuant to market-decline triggers, other than those in which solely program trading is temporarily halted), or limitations on prices for trading (other than limitations on hours or numbers of days of trading) have been fixed, or maximum ranges for prices for securities have been required, by such exchange or the NASD or the over-the-counter market or by order of the Commission or any other governmental authority, or (iii) declaration of a banking moratorium by either federal or New York State authorities, or (iv) a material disruption in commercial banking or securities

settlement or clearance services in the United States. If the Representative elects to terminate this Agreement as provided in this Section 8, the Company shall be notified promptly by telephone, promptly confirmed by fax or email.

9. **Defaulting Initial Purchaser.** (a) If, on the Closing Date, any Initial Purchaser defaults on its obligation to purchase the Securities that it has agreed to purchase hereunder, the non-defaulting Initial Purchasers may in their discretion arrange for the purchase of such Securities by other persons satisfactory to the Company on the terms contained in this Agreement. If, within 36 hours after any such default by any Initial Purchaser, the non-defaulting Initial Purchasers do not arrange for the purchase of such

Securities, then the Company shall be entitled to a further period of 36 hours within which to procure other persons satisfactory to the non-defaulting Initial Purchasers to purchase such Securities on such terms. If other persons become obligated or agree to purchase the Securities of a defaulting Initial Purchaser, either the non-defaulting Initial Purchasers or the Company may postpone the Closing Date for up to five full business days in order to effect any changes that in the opinion of counsel for the Company or counsel for the Initial Purchasers may be necessary in the Time of Sale Information, the Offering Memorandum or in any other document or arrangement, and the Company agrees to promptly prepare any amendment or supplement to the Time of Sale Information or the Offering Memorandum that effects any such changes. As used in this Agreement, the term Initial Purchaser includes, for all purposes of this Agreement unless the context otherwise requires, any person not listed in Schedule 1 hereto that, pursuant to this Section 9, purchases Securities that a defaulting Initial Purchaser agreed but failed to purchase.

(b) If, after giving effect to any arrangements for the purchase of the Securities of a defaulting Initial Purchaser or Initial Purchasers by the non-defaulting Initial Purchasers and the Company as provided in paragraph (a) above, the aggregate principal amount of such Securities that remains unpurchased does not exceed one-eleventh of the aggregate principal amount of all the Securities, then the Company shall have the right to require each non-defaulting Initial Purchaser to purchase the principal amount of Securities that such Initial Purchaser agreed to purchase hereunder plus such Initial Purchaser's pro rata share (based on the principal amount of Securities that such Initial Purchaser agreed to purchase hereunder) of the Securities of such defaulting Initial Purchaser or Initial Purchasers for which such arrangements have not been made.

(c) If, after giving effect to any arrangements for the purchase of the Securities of a defaulting Initial Purchaser or Initial Purchasers by the non-defaulting Initial Purchasers and the Company as provided in paragraph (a) above, the aggregate principal amount of such Securities that remains unpurchased exceeds one-eleventh of the aggregate principal amount of all the Securities, or if the Company shall not exercise the right described in paragraph (b) above, then this Agreement shall terminate without liability on the part of the non-defaulting Initial Purchasers. Any termination of this Agreement pursuant to this Section 9 shall be without liability on the part of the Company or the Guarantors, except that the Company and each of the Guarantors will continue to be liable for the payment of expenses as set forth in Section 10 hereof and except that the provisions of Section 7 hereof shall not terminate and shall remain in effect.

(d) **Nothing contained herein shall relieve a defaulting Initial Purchaser of any liability it may have to the Company, the Guarantors or any non-defaulting Initial Purchaser for damages caused by its default.**

10. **Payment of Expenses. (a) Whether or not the transactions contemplated by this Agreement are consummated or this Agreement is terminated, the Company and each of the Guarantors jointly and severally agree to pay or cause to be paid all costs and expenses incident to the performance of their respective obligations hereunder, including without limitation, (i) the costs incident to the authorization, issuance, sale,**

preparation and delivery of the Securities and any taxes payable in that connection; (ii) the costs incident to the preparation and printing of the Preliminary Offering Memorandum, any other Time of Sale Information, any Issuer Written Communication and the Offering Memorandum (including any amendment or supplement thereto) and the distribution thereof; (iii) the costs of reproducing and distributing each of the Transaction Documents; (iv) the fees and expenses of the Company's and the Guarantors' counsel and independent accountants; (v) the fees and expenses incurred in connection with the registration or qualification and determination of eligibility for investment of the Securities under the laws of such jurisdictions as the Representative may designate and the preparation, printing and distribution of a Blue Sky Memorandum (including the related reasonable fees and expenses of counsel for the Initial Purchasers); (vi) any fees charged by rating agencies for rating the Securities; (vii) the fees and expenses of the Trustee and any paying agent (including related fees and expenses of any counsel to such parties); (viii) all expenses and application fees incurred in connection with the application for the inclusion of the Securities on the PORTAL Market and the approval of the Securities for book-entry transfer by DTC; and (ix) all expenses incurred by the Company in connection with any road show presentation to potential investors, provided that one half of the costs of any aircraft chartered in connection with the road show will be paid by the Initial Purchasers. It is understood that except as expressly provided in this Section (a) and (b) and Section 7, the Initial Purchasers will pay all of their costs and expenses, including fees and disbursements of their counsel, transfer taxes payable on resale of any of the Securities by them and any advertising expenses connected with any offers they may make.

(b) If (i) this Agreement is terminated pursuant to Section 8, (ii) the Company for any reason fails to tender the Securities for delivery to the Initial Purchasers or (iii) the Initial Purchasers decline to purchase the Securities for any reason permitted under this Agreement, the Company and each of the Guarantors jointly and severally agrees to reimburse the Initial Purchasers for all out-of-pocket costs and expenses (including the fees and expenses of their counsel) reasonably incurred by the Initial Purchasers in connection with this Agreement and the offering contemplated hereby.

11. **Persons Entitled to Benefit of Agreement.** This Agreement shall inure to the benefit of and be binding upon the parties hereto and their respective successors and any controlling persons referred to herein, and the affiliates, officers and directors of each Initial Purchaser referred to in Section 7 hereof. Nothing in this Agreement is intended or shall be construed to give any other person any legal or equitable right, remedy or claim under or in respect of this Agreement or any provision contained herein. No purchaser of Securities from any Initial Purchaser shall be deemed to be a successor merely by reason of such purchase.

12. **Survival. The respective indemnities, rights of contribution, representations, warranties and agreements of the Company, the Guarantors and the Initial Purchasers contained in this Agreement or made by or on behalf of the Company, the Guarantors or the Initial Purchasers pursuant to this Agreement or any certificate delivered pursuant hereto shall survive the delivery of and payment for the Securities and shall remain in full**

force and effect, regardless of any termination of this Agreement or any investigation made by or on behalf of the Company, the
Guarantors or the Initial Purchasers.

13. **Certain Defined Terms.** For purposes of this Agreement, (a) except where otherwise expressly provided, the term **affiliate** has the meaning set forth in Rule 405 under the Securities Act; (b) the term **business day** means any day other than a day on which banks are permitted or required to be closed in New York City; (c) the term **Exchange Act** means the Securities Exchange Act of 1934, as amended; (d) the term **subsidiary** has the meaning set forth in Rule 405 under the Securities Act; and (e) the term **written communication** has the meaning set forth in Rule 405 under the Securities Act.

14. **Miscellaneous. (a) *Authority of the Representative.*** Any action by the Initial Purchasers hereunder may be taken by J.P. Morgan Securities Inc. on behalf of the Initial Purchasers, and any such action taken by J.P. Morgan Securities Inc. shall be binding upon the Initial Purchasers.

(b) **Notices.** All notices and other communications hereunder shall be in writing and shall be deemed to have been duly given if mailed or transmitted and confirmed by any standard form of telecommunication. Item 1.01 Entry into a Material Definitive Agreement.

As described by Aventine Renewable Energy Holdings, Inc. (the Company) in its Current Report on Form 8-K filed with the Securities and Exchange Commission (the Commission) on March 27, 2007, the Company entered into a Purchase Agreement on March 21, 2007 (the Purchase Agreement) among the Company, the subsidiary guarantors named therein, and J.P. Morgan Securities, Inc., as representative of several initial purchasers, pursuant to which the initial purchasers agreed to purchase, subject to certain closing conditions, \$300,000,000 aggregate principal amount of 10% Senior Notes due 2017 (the Securities) at a price equal to 98.000% of the principal amount thereof plus accrued interest, if any.

The net proceeds from the offering will be used to fund a portion of the Company's capacity expansion plans.

The Securities were issued pursuant to an indenture dated as of March 27, 2007 by and among the Company, the subsidiary guarantors and Wells Fargo Bank, N.A., as trustee (the Indenture). The obligations under the Securities are guaranteed by the subsidiary guarantors. The Indenture provides for events of default, including payment defaults, breaches of covenants, certain defaults relating to guarantees for the obligations and certain events of bankruptcy, insolvency and reorganization. If an event of default occurs and is continuing, the principal amount of the Securities, plus accrued and unpaid interest, if any, may be declared immediately due and payable. These amounts automatically become due and payable if an event of default relating to certain events of bankruptcy, insolvency or reorganization occurs.

The Indenture and the form of note are filed as Exhibit 4.1 to this Current Report on Form 8-K and the description of the terms of the Indenture in this Item 1.01 is qualified in its entirety by reference to such exhibit.

Holders of the Securities are entitled to the benefits of a registration rights agreement dated as of March 27, 2007 among the Company, the subsidiary guarantors and the initial purchasers (the Registration Rights Agreement). The Registration Rights Agreement provides that the Company will use its reasonable best efforts to file and cause to become effective a registration statement (the Exchange Offer Registration Statement) with the Commission with respect to the Securities for an issue of notes of the Company (the Exchange Securities), guaranteed by the Company and the subsidiary guarantors with terms identical to the Securities (except that the Exchange Securities will not bear a legend restricting transfer).

In the event (i) that the Company determines that the Exchange Offer registration described above is not available or may not be completed as soon as practicable after the last date the Securities are accepted for exchange because it would violate any applicable law or applicable interpretations of the staff of the Commission (ii) the Exchange Offer is not for any other reason completed by October 23, 2007 or (iii) upon receipt of a written request (a Shelf Request) from any initial purchaser representing that it holds Securities and that such Securities were ineligible to be exchanged in the Exchange Offer, the Company and the subsidiary guarantors will, at their cost, use their reasonable best efforts to cause to become effective a shelf registration statement (the Shelf Registration Statement) with respect to resales of the Securities.

(iv) Such Initial Purchaser has not and will not enter into any contractual arrangement with any distributor with

In the event that the Exchange Offer is not consummated or a Shelf Registration Statement has not become effective (if required to be filed pursuant to (i) or (ii) of the previous paragraph), on or prior to October 23, 2007 the annual interest rate borne by the Securities will be increased by 0.25% over the interest rate on the Securities. The amount of additional interest will increase by an additional 0.25% for each subsequent 90-day period, up to a maximum additional 1.00% over the interest rate on the Securities. Once the Exchange Offer is consummated or a Shelf Registration Statement is declared effective, the annual interest rate borne by the Securities shall be changed to again be the original interest rate. In the event that the Company and the subsidiary guarantors receive a Shelf Request pursuant to (iii) of the previous paragraph, and the Shelf Registration Statement required to be filed thereby has not become effective by the later of August 24, 2007 or 90 days after delivery of such Shelf Request, then the annual interest rate borne by the Securities will be increased in accordance with the previous interest rate step-up provisions of this paragraph, up to a maximum additional 1.00% over the original interest rate amount.

If the Shelf Registration Statement, if required by its terms, has become effective and thereafter either ceases to be effective or the prospectus contained therein ceases to be usable, in each case whether or not permitted by the agreement and such failure to remain effective or usable exists for more than 30 days (whether or not consecutive) in any 12-month period, then the interest rate on the Securities will be increased by 0.25% per annum for the first 90 day period commencing on the 31st day in such 12-month period and increasing by an additional 0.25% per annum with respect to each subsequent 90-day period and ending on such date that the Shelf Registration Statement has again become effective or the prospectus contained therein again becomes usable, up to a maximum increase of 1.00% per annum.

The Registration Rights Agreement is filed as Exhibit 10.1 to this Current Report on Form 8-K and the description of the terms of the Registration Rights Agreement in this Item 1.01 are qualified in their entirety by reference to such exhibit.

The Securities offered by the Company to the initial purchasers are not registered under the Securities Act or state securities laws and may not be offered or sold in the United States absent registration with the Securities and Exchange Commission or an applicable exemption from the registration requirements. This notice shall not constitute an offer to sell or the solicitation of an offer to buy, nor shall there be any sale of these securities in any state in which such offer, solicitation or sale would be unlawful prior to the registration or qualification under the securities laws of such state.

2.5 Holder Lists The Trustee shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of Holders. If the Trustee is not the Registrar, the Issuer shall furnish to the Trustee at least five Business Days before each Interest Payment Date and at such other times as the Trustee may request in writing a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of Holders, which list may be conclusively relied upon by the Trustee.

2.6 Transfer and Exchange Subject to the provisions of Sections 2.15 and 2.16, when Securities are presented to the Registrar or a co-Registrar with a request to register the transfer of such Securities or to exchange such Securities for an equal principal amount of Securities of other authorized denominations, the Registrar or co-Registrar shall register the transfer or make the exchange as requested if its requirements for such transaction are met; provided, however, that the Securities surrendered for registration of transfer or exchange shall be duly endorsed or

accompanied by a written instrument of transfer in form satisfactory to the Issuer and the Registrar or co-Registrar, duly executed by the Holder thereof or his attorney duly authorized in writing. To permit registrations of transfers and exchanges, the Issuer shall execute and the Trustee shall authenticate Securities at the Registrar's or co-Registrar's request. No service charge shall be made for any registration of transfer or exchange, but the Issuer or Trustee may require payment of a sum sufficient to cover any transfer tax or similar governmental charge payable in connection therewith (other than any such transfer taxes or similar governmental charge payable upon exchanges or transfers pursuant to Section 2.2, 2.10, 3.6, 3.7, 4.17, 4.18 or 9.6). The Registrar or co-Registrar shall not be required to register the transfer of or exchange of any Security (i) during a period beginning at the opening of business 15 days before the mailing of a notice of redemption of Securities and ending at the close of business on the day of such mailing, (ii) selected for redemption in whole or in part pursuant to Article III, except the unredeemed portion of any Security being redeemed in part, and (iii) during an Offer to Purchase made pursuant to Section 4.17 or 4.18 if such Security is tendered pursuant to such Offer to Purchase and not withdrawn. A Global Security may be transferred, in whole but not in part, in the manner provided in this Section 2.6(a), only to a nominee of the Depository for such Global Security, or to the Depository, or a successor Depository for such Global Security selected or approved by the Issuer, or to a nominee of such successor Depository.

(b) If at any time the Depository for the Global Security or Securities notifies the Issuer that it is unwilling or unable to continue as Depository for such Global Security or Securities or the Issuer become aware that the Depository has ceased to be a clearing agency registered under the Exchange Act, the Issuer shall appoint a successor Depository with respect to such Global Security or Securities. If a successor Depository for such Global Security or Securities has not been appointed within 90 days after the Issuer receives such notice or becomes aware of such ineligibility, the Issuer shall execute, and the Trustee, upon receipt of an Officers' Certificate for the authentication and delivery of Physical Securities, shall authenticate and deliver, Physical Securities, in an aggregate principal amount at maturity equal to the principal amount at maturity of the Global Security representing such Securities, in exchange for such Global Security. The Issuer shall reimburse the Registrar, the Depository and the Trustee for expenses they incur in documenting such exchanges and issuances of Securities.

The Issuer may at any time and in their sole discretion determine that the Securities shall no longer be represented by such Global Security or Securities. In such event the Issuer shall execute, and the Trustee, upon receipt of a written order for the authentication and delivery of Physical Securities in exchange in whole or in part for such Global Security or Securities accompanied by an Officers' Certificate, shall authenticate and deliver Physical Securities in an aggregate principal amount equal to the principal amount of such Global Security or Securities in exchange for such Global Security or Securities.

In any exchange provided for in any of the preceding two paragraphs, the Issuer shall execute and the Trustee shall authenticate and deliver Physical Securities in authorized denominations. Upon the exchange of a Global Security for Physical Securities, such Global Security shall be cancelled by the Trustee. Physical Securities issued in exchange for a Global Security pursuant to this Section 2.6(b) shall be registered in such names and in such authorized denominations as the Depository for such Global Security, pursuant to instructions from its direct

or indirect participants or otherwise, shall instruct the Trustee. The Trustee shall deliver such Securities to the Persons in whose names such Securities are so registered.

None of the Issuer, the Trustee, any Paying Agent or the Registrar shall have any responsibility or liability for any aspect of the records relating to or payments made on account of beneficial ownership interests in a Global Security or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

2.7 Replacement Securities If a mutilated Security is surrendered to the Trustee or if the Holder of a Security claims that the Security has been lost, destroyed or wrongfully taken, the Issuer shall issue and the Trustee shall authenticate a replacement Security if the Trustee's requirements are met. If required by the Trustee or the Issuer, such Holder must provide an indemnity bond or other indemnity, sufficient in the judgment of both the Issuer and the Trustee, to protect the Issuer, the Trustee or any Agent from any loss which any of them may suffer if a Security is replaced. The Issuer or Trustee may charge such Holder for its reasonable out-of-pocket expenses in replacing a Security pursuant to this Section 2.7, including reasonable fees and expenses of counsel.

Every replacement Security is an additional obligation of the Issuer.

2.8 Outstanding Securities Securities outstanding at any time are all the Securities that have been authenticated by the Trustee except those cancelled by it, those delivered to it for cancellation and those described in this Section as not outstanding. A Security does not cease to be outstanding because either of the Issuer, any Guarantor or any of their respective Subsidiaries or Affiliates holds the Security.

If a Security is replaced pursuant to Section 2.7 (other than a mutilated Security surrendered for replacement), it ceases to be outstanding unless the Trustee receives proof satisfactory to it that the replaced Security is held by a bona fide purchaser or a protected purchaser. A mutilated Security ceases to be outstanding upon surrender of such Security and replacement thereof pursuant to Section 2.7. If the principal amount of any Security is considered paid under Section 4.1, it ceases to be outstanding and interest ceases to accrue.

If on a Redemption Date or the Maturity Date the Paying Agent (other than either of the Issuer or a Subsidiary) holds U.S. Legal Tender sufficient to pay all of the principal, premium, if any, and interest due on the Securities payable on that date, then on and after that date such Securities cease to be outstanding and interest on them ceases to accrue.

2.9 Treasury Securities In determining whether the Holders of the required principal amount of Securities have concurred in any direction, waiver or consent, Securities owned by the Issuer, any of its Subsidiaries or any of their respective Affiliates shall be disregarded, except that, for the purposes of determining whether the Trustee shall be protected in relying on any such direction, waiver or consent, only Securities that a Responsible Officer of the Trustee has Actual Knowledge are so owned shall be disregarded.

2.10 Temporary Securities Until definitive Securities are ready for delivery, the Issuer may prepare and the Trustee shall authenticate temporary Securities. Temporary Securities shall be substantially in the form of definitive Securities but may have variations that the Issuer considers

appropriate for temporary Securities, as evidenced by execution of such temporary Securities by the Issuer. Without unreasonable delay, the Issuer shall prepare and the Trustee shall authenticate definitive Securities in exchange for temporary Securities. Until such exchange, temporary Securities shall be entitled to the same rights, benefits and privileges as definitive Securities. Notwithstanding the foregoing, so long as the Securities are represented by a Global Security, such Global Security may be in typewritten form.

2.11 Cancellation The Issuer at any time may deliver Securities to the Trustee for cancellation. The Registrar and the Paying Agent shall forward to the Trustee any Securities surrendered to them for registration of transfer, exchange or payment. The Trustee, or at the direction of the Trustee, the Registrar or the Paying Agent (other than either of the Issuer or a Subsidiary), and no one else, shall cancel and shall dispose of all Securities surrendered for registration of transfer, exchange, payment or cancellation. Subject to Section 2.7, the Issuer may not issue new Securities to replace Securities that they have paid or delivered to the Trustee for cancellation. If the Issuer or any Guarantor shall acquire any of the Securities, such acquisition shall not operate as a redemption or satisfaction of the Indebtedness represented by such Securities unless and until the same are surrendered to the Trustee for cancellation pursuant to this Section 2.11.

2.12 Defaulted Interest If the Issuer defaults in a payment of interest on the Securities, it shall, unless the Trustee fixes another record date pursuant to Section 6.10, pay the defaulted interest, plus (to the extent lawful) any interest payable on the defaulted interest, in any lawful manner. The Issuer may pay the defaulted interest to the Persons who are Holders on a subsequent special record date, which date shall be the fifteenth day next preceding the date fixed by the Issuer for the payment of defaulted interest or the next succeeding Business Day if such date is not a Business Day. At least 15 days before any such subsequent special record date, the Issuer shall mail to each Holder, with a copy to the Trustee, a notice that states the subsequent special record date, the payment date and the amount of defaulted interest, and interest payable on such defaulted interest, if any, to be paid.

2.13 CUSIP and ISIN Numbers The Issuer in issuing the Securities may use CUSIP and ISIN numbers, and if so, the Trustee shall use the CUSIP numbers in notices of redemption or exchange as a convenience to Holders; provided, however, that any such notice may state that no representation is made as to the correctness or accuracy of the CUSIP and ISIN numbers printed in the notice or on the Securities, and that reliance may be placed only on the other identification numbers printed on the Securities and that any such redemption or exchange shall not be affected by any defect or omission of such CUSIP and ISIN numbers. The Issuer shall promptly notify the Trustee of any change in CUSIP or ISIN number.

2.14 Restrictive Legends Unless and until a Security is exchanged for an Exchange Note or sold in connection with an effective registration statement under the Securities Act pursuant to the Registration Rights Agreement, the U.S. Global Securities, U.S. Physical Securities and Offshore Global Securities shall bear the following legend set forth below (the Private Placement Legend) on the face thereof:

The following provisions shall apply with respect to the registration of any proposed transfer of a Security constituting a Restricted Security to any institutional accredited investor (as defined in Rule 501(a)(1), (2), (3) or (7) under the Securities Act) (an Accredited Investor or an Institutional Accredited Investor) which is not a QIB (excluding Non-U.S. Persons):

(i) The Registrar shall register the transfer in an aggregate principal amount of at least \$250,000 of any Security constituting a Restricted Security, whether or not such Security bears the Private Placement Legend, if the proposed transferee has delivered to the Registrar a certificate substantially in the form Exhibit C hereto, and the proposed transferee has delivered to the Registrar and the Issuer an opinion of counsel acceptable to the Issuer that such transfer is in compliance with the Securities Act and such other certifications, legal opinions or other information that the Trustee may reasonably request in order to confirm that such transaction is being made pursuant to an exemption form or in a transaction not subject to the registration requirements of the Securities Act; and

(ii) if the proposed transferee is an Agent Member, and the Securities to be transferred consist of U.S. Physical Securities which after transfer are to be evidenced by an interest in a U.S. Global Security, upon receipt by the Registrar of instructions given in accordance with the Depository's and the Registrar's procedures, the Registrar shall reflect on its books and records the date and an increase in the principal amount of the applicable U.S. Global Security in an amount equal to the principal amount of the U.S. Physical Securities to be transferred, and the Trustee shall cancel the U.S. Physical Securities so transferred.

(c) **Transfers to Non-U.S. Persons at Any Time.** The following provisions shall apply with respect to any transfer of a Security to a Non-U.S. Person:

- (d) **Private Placement Legend.** Upon the registration of transfer, exchange or replacement of Securities not bearing the Private Placement Legend, the Registrar shall deliver Securities that do not bear the Private Placement Legend. Upon the registration of transfer, exchange or replacement of Securities bearing the Private Placement Legend, the Registrar shall deliver only Securities that bear the Private Placement Legend unless (i) the transferee certifies that it is not an Affiliate of the Issuer and the requested transfer is after the second anniversary of the later of (a) the date on which such Securities are originally issued and (b) the last date on which the Issuer or an Affiliate of the Issuer was the owner of such Securities (or any predecessor Securities) or such shorter period of time as permitted by Rule 144(k) under the Securities Act or any successor provision thereunder or (ii) the circumstance contemplated by paragraph (b)(ii) of this Section 2.16 exists or (iii) there is delivered to the Registrar an Opinion of Counsel reasonably satisfactory to the Issuer and the Trustee to the effect that neither such legend nor the related restrictions on transfer are required in order to maintain compliance with the provisions of the Securities Act.
- (e) **General.** By its acceptance of any Security bearing the Private Placement Legend, each Holder of such Security acknowledges the restrictions on transfer of such Security set forth in this Indenture and in the Private Placement Legend and agrees that it shall transfer such Security only as provided in this Indenture.

ARTICLE III

REDEMPTION; OFFER TO PURCHASE

3.1 Notices to Trustee If the Issuer elects to redeem Securities pursuant to Paragraph 5 or 6 of the Securities, it shall notify the Trustee in writing of the Redemption Date, the Redemption Price and the principal amount of the applicable Securities to be redeemed. The Issuer shall give such notice of redemption to the Paying Agent and Trustee at least 30 days but not more than 60 days before the Redemption Date (unless a shorter notice shall be agreed to by the Trustee in writing), together with an Officers Certificate stating that such redemption shall comply with the conditions contained herein and provide the information specified in Section 3.3.

3.2 Selection of Securities to Be Redeemed In the event that less than all of the Securities are to be redeemed at any time, selection of such Securities for redemption shall be made by the Trustee in compliance with the requirements of the principal national securities exchange, if any, on which such Securities are listed or, if such Securities are not then listed on a national securities exchange, by lot or by such method as the Trustee shall deem fair and appropriate; provided, however, that no Securities of a principal amount of \$2,000 or less shall be redeemed in part; and provided further that, if a partial redemption is made, selection of the Securities or portions thereof for redemption shall be made by the Trustee only by lot or by such method as the Trustee shall deem fair and appropriate (subject to the procedures of the Depository).

3.3 Notice of Redemption At least 30 days but not more than 60 days before a Redemption Date, the Issuer shall mail a notice of redemption by first class mail, postage prepaid, to each Holder whose Securities are to be redeemed at its registered address. At the Issuer's request at least 45 days before a Redemption Date (unless a shorter period shall be acceptable to the Trustee), the Trustee shall give the notice of redemption in the Issuer's name and at the Issuer's expense. Each notice of redemption shall identify the Securities to be redeemed and shall state:

- (a) the Redemption Date;
- (b) the Redemption Price and the amount of accrued interest, if any, to be paid;
- (c) the name and address of the Paying Agent;
- (d) that Securities called for redemption must be surrendered to the Paying Agent to collect the Redemption Price plus accrued interest, if any;
- (e) that, unless the Issuer defaults in making the redemption payment, interest on Securities called for redemption ceases to accrue on and after the Redemption Date, and the only remaining right of the Holders of such Securities is to receive payment of the Redemption Price and accrued interest, if any, upon surrender to the Paying Agent of the Securities redeemed;

- (f) if any Security is being redeemed in part, the portion of the principal amount of such Security to be redeemed and that, after the Redemption Date, and upon surrender of such Security, a new Security or Securities in aggregate principal amount equal to the unredeemed portion thereof shall be issued;
- (g) if fewer than all the Securities are to be redeemed, the identification of the particular Securities (or portion thereof) to be redeemed, as well as the aggregate principal amount of Securities to be redeemed and the aggregate principal amount of Securities to be outstanding after such partial redemption;
- (h) the paragraph of the Securities pursuant to which the Securities are to be redeemed; and
- (i) the CUSIP or ISIN number, if any, printed on the Securities being redeemed and a statement that no representation is made as to the correctness or accuracy of the CUSIP or ISIN number, if any, listed in such notice or printed on the Securities.

The notice, if mailed in a manner herein provided, shall be conclusively presumed to have been given, whether or not the Holder receives such notice. In any case, failure to give such notice by mail or any defect in the notice to the Holder of any Security designated for redemption in whole or in part shall not affect the validity of the proceedings for the redemption of any other Security.

3.4 Effect of Notice of Redemption Once notice of redemption is mailed in accordance with Section 3.3, Securities called for redemption become due and payable on the Redemption Date and at the Redemption Price plus accrued interest, if any. Upon surrender to the Trustee or Paying Agent, such Securities called for redemption shall be paid at the Redemption Price (which shall include accrued interest thereon to the Redemption Date), but installments of interest, the maturity of which is on or prior to the Redemption Date, shall be payable to Holders of record at the close of business on the relevant Record Dates.

3.5 Deposit of Redemption Price On or before 11:00 a.m. New York time on the Redemption Date, the Issuer shall deposit with the Paying Agent U.S. Legal Tender in immediately available funds sufficient to pay the Redemption Price plus accrued interest, if any, of all Securities to be redeemed on that date.

If the Issuer complies with the preceding paragraph, then, unless the Issuer defaults in the payment of such Redemption Price plus accrued interest, if any, interest on the Securities to be redeemed shall cease to accrue on and after the applicable Redemption Date, whether or not such Securities are presented for payment.

3.6 Securities Redeemed in Part Upon surrender of a Security that is to be redeemed in part only, the Trustee shall upon written instruction from the Issuer authenticate for the Holder a new Security or Securities in a principal amount equal to the unredeemed portion of the Security surrendered.

3.7 Offer to Purchase In the event that, pursuant to Section 4.17 or 4.18, the Issuer shall be required to commence an offer to purchase Securities from the Holders in accordance with the procedures specified in the following provisions of this Section 3.7 (an Offer to Purchase). The Issuer shall commence an Offer to Purchase by mailing a notice to the Trustee and each Holder stating:

- (1) the provision of this Indenture pursuant to which the offer is being made and that all Securities validly tendered shall be accepted for payment on a pro rata basis;
- (2) the purchase price and the date of purchase, which shall be a Business Day no earlier than 30 days nor later than 60 days from the date such notice is mailed (the Payment Date);
- (3) that any Security not tendered shall continue to accrue interest pursuant to its terms;
- (4) that, unless the Issuer defaults in the payment of the purchase price, any Security accepted for payment pursuant to the Offer to Purchase shall cease to accrue interest on and after the Payment Date;
- (5) that Holders electing to have a Security purchased pursuant to the Offer to Purchase shall be required to surrender the Security, together with the form entitled Option of the Holder to Elect Purchase on the reverse side of the Security completed, to the Paying Agent at the address specified in the notice prior to the close of business on the Business Day immediately preceding the Payment Date;
- (6) that Holders shall be entitled to withdraw their election if the Paying Agent receives, not later than the close of business on the third Business Day immediately preceding the Payment Date, a telegram, facsimile transmission or letter setting forth the name of such Holder, the principal amount of Securities delivered for purchase and a statement that such Holder is withdrawing his election to have such Securities purchased; and
- (7) that Holders whose Securities are being purchased only in part shall be issued new Securities equal in principal amount to the unpurchased portion of the Securities surrendered; provided that each Security purchased and each new Security issued shall be in a principal amount of at least \$2,000 and integral multiples of \$1,000 thereafter.

On the Payment Date, the Issuer shall (a) accept for payment on a pro rata basis Securities or portions thereof tendered pursuant to an Offer to Purchase; (b) deposit, or cause to be deposited, with the Paying Agent money sufficient to pay the purchase price of all Securities or portions

thereof so accepted; and (c) deliver, or cause to be delivered, to the Trustee all Securities or portions thereof so accepted together with an Officers Certificate specifying the Securities or portions thereof accepted for payment by the Issuer. The Paying Agent shall promptly mail to the Holders of Securities so accepted payment in an amount equal to the purchase price, and the Trustee shall promptly authenticate and mail to such Holders a new Security equal in principal amount to any unpurchased portion of the Security surrendered; provided that each Security purchased and each new Security issued shall be in a principal amount of at least \$2,000 with integral multiples of \$1,000 thereafter. The Issuer shall publicly announce the results of an Offer to Purchase as soon as practicable after the Payment Date. The Trustee may act as the Paying Agent for an Offer to Purchase. The Issuer shall comply with Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder, to the extent such laws and regulations are applicable, in the event that the Issuer is required to repurchase Securities pursuant to an Offer to Purchase. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Indenture relating to an Offer to Purchase, the Issuer shall comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations under such provisions of this Indenture by virtue of such conflict.

ARTICLE IV

COVENANTS

4.1 Payment of Securities The Issuer shall pay the principal of, premium, if any, and interest on the Securities in the manner provided in the Securities. An installment of principal of, premium, if any, or interest on the Securities shall be considered paid on the date it is due if the Trustee or Paying Agent holds on that date U.S. Legal Tender in immediately available funds designated for and sufficient to pay the installment. If the Issuer or any Subsidiary acts as Paying Agent, an installment of principal, premium, if any, or interest shall be considered paid on the date it is due if the entity acting as Paying Agent complies with the second sentence of Section 2.4. Upon any bankruptcy or reorganization procedure relative to the Issuer, the Trustee shall serve as Paying Agent, if any, for the Securities.

4.2 Maintenance of Office or Agency The Issuer shall maintain in the Borough of Manhattan, The City of New York, the office or agency required under Section 2.3. The Issuer shall give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Issuer shall fail to maintain any such required office or agency or shall fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the address of the Trustee set forth in Section 11.2.

The Issuer may also from time to time designate one or more other offices or agencies where the Securities may be presented or surrendered for any or all such purposes and may from time to time rescind such designations. The Issuer shall give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

The Issuer hereby initially designate the Trustee at its Corporate Trust Office, as such office of the Issuer in accordance with Section 2.3.

4.3 Limitation on Restricted Payments The Issuer shall not, and shall not permit any Restricted Subsidiary to, directly or indirectly, (1) declare or pay any dividend or make any distribution on or with respect to its Capital Stock (other than (x) dividends or distributions payable solely in shares of its Capital Stock (other than Disqualified Stock) or in options, warrants or other rights to acquire shares of such Capital Stock and (y) pro rata dividends or distributions on common stock of Restricted Subsidiaries held by minority stockholders) held by Persons other than the Issuer or any of its Restricted Subsidiaries, (2) purchase, call for redemption or redeem, retire or otherwise acquire for value any shares of Capital Stock of (A) the Issuer (including options, warrants or other rights to acquire such shares of Capital Stock) held by any Person or (B) a Restricted Subsidiary (including options, warrants or other rights to acquire such shares of Capital Stock) held by any Affiliate of the Issuer (other than a Wholly Owned Restricted Subsidiary) or any holder (or any Affiliate of such holder) of 10% or more of the Capital Stock of the Issuer, (3) make any voluntary or optional principal payment, or voluntary or optional redemption, repurchase, defeasance, or other acquisition or retirement for value, of Indebtedness of the Issuer that is subordinated in right of payment to the Securities or any Indebtedness of a Subsidiary Guarantor that is subordinated in right of payment to a Note Guarantee or (4) make any Investment, other than a Permitted Investment, in any Person (such payments or any other actions described in clauses (1) through (4) above being collectively Restricted Payments) if, at the time of, and after giving effect to, the proposed Restricted Payment:

- (a) a Default or an Event of Default shall have occurred and be continuing; or
- (b) the Issuer is not able to incur at least \$1.00 of additional Indebtedness pursuant to the Fixed Charge Coverage Ratio test set forth in the first paragraph of part (a) of Section 4.4; or
- (c) the aggregate amount of all Restricted Payments made after the Issue Date shall exceed the sum of:
 - (i) 50% of the aggregate amount of the Adjusted Consolidated Net Income (or, if the Adjusted Consolidated Net Income is a loss, minus 100% of the amount of such loss) accrued on a cumulative basis during the period (taken as one accounting period) beginning on the first day of the fiscal quarter during which the Issue Date occurs and ending on the last day of the last fiscal quarter preceding the Transaction Date for which reports have been filed with the Commission or provided to the Trustee plus

41

from the issuance to a Person which is not a Subsidiary of the Issuer of any options, warrants or other rights to acquire Capital Stock of the Issuer (in each case, exclusive of any Disqualified Stock or any options, warrants or other rights that are redeemable at the option of the holder, or are required to be redeemed, prior to the Stated Maturity of the Securities) plus

(iii) an amount equal to the net reduction in Investments (other than reductions in Permitted Investments) in any Person resulting from payments of interest on Indebtedness, dividends, repayments of loans or advances, or other transfers of assets, in each case, to the Issuer or any Restricted Subsidiary or from the Qualified Proceeds from the sale of any such Investment (except, in each case, to the extent any such payment or proceeds are included in the calculation of Adjusted Consolidated Net Income), from the release of any Guarantee or from redesignations of Unrestricted Subsidiaries as Restricted Subsidiaries (valued in each case as provided in the definition of Investments), not to exceed, in each case, the amount of Investments previously made by the Issuer or any Restricted Subsidiary in such Person or Unrestricted Subsidiary.

The foregoing shall not be violated by reason of:

- (1) the payment of any dividend or redemption of any Capital Stock within 60 days after the related date of declaration or call for redemption if, at said date of declaration or call for redemption, such payment or redemption would comply with the preceding paragraph;
- (2) the making of any principal payment or the repurchase, redemption, retirement, defeasance or other acquisition or retirement for value of Indebtedness that is subordinated in right of payment to the Securities or any Note Guarantee including premium, if any, and accrued interest, with the proceeds of, or in exchange for, Indebtedness Incurred under clause (3) of the second paragraph of Section 4.4(a);
- (3) the repurchase, redemption or other acquisition of Capital Stock of the Issuer or a Subsidiary Guarantor (or options, warrants or other rights to acquire such Capital Stock) in exchange for, or out of the proceeds of a capital contribution or a substantially concurrent offering of, shares of Capital Stock (other than Disqualified Stock) of the Issuer (or options, warrants or other rights to acquire such Capital Stock); provided that such options, warrants or other rights are not redeemable at the option of the holder, or required to be redeemed, prior to the Stated Maturity of the Securities;
- (4) the making of any principal payment or the repurchase, redemption, retirement, defeasance or other acquisition or retirement for value of Indebtedness (including premium, if any, and accrued interest) which is subordinated in right of payment to the Securities or any Note Guarantee in exchange for, or out of the proceeds of a capital contribution or a substantially concurrent offering of, shares of the Capital Stock (other than Disqualified Stock) of the Issuer (or options, warrants or other rights to acquire such Capital Stock); provided that such options, warrants or other rights are not redeemable at the option of the holder, or required to be redeemed, prior to the Stated Maturity of the Securities;

- (5) payments or distributions, to dissenting stockholders pursuant to applicable law, pursuant to or in connection with a consolidation, merger or transfer of assets of the Issuer that complies with the provisions of Article V;
- (6) Investments acquired as a capital contribution to, or in exchange for, or out of the proceeds of a substantially concurrent offering of, Capital Stock (other than Disqualified Stock) of the Issuer;
- (7) the repurchase of Capital Stock deemed to occur upon the exercise of options or warrants if such Capital Stock represents all or a portion of the exercise price thereof;
- (8) the declaration or payment of dividends on Capital Stock (other than Disqualified Stock or preferred stock) of the Issuer in an aggregate annual amount not to exceed 6% of the Net Cash Proceeds received by the Issuer after the Issue Date from the sale of such Capital Stock;
- (9) the payment by the Issuer to any Affiliate of the Issuer of management fees of not more than \$500,000, in the aggregate in any calendar year, as invoiced by such Affiliate;
- (10) the repurchase or other acquisition of Capital Stock of the Issuer or any of its Subsidiaries from employees, former employees, directors or former directors of the Issuer or any of its Subsidiaries (or permitted transferees of such employees, former employees, directors or former directors), pursuant to the terms of the agreements (including employment agreements) or plans (or amendments thereto) approved by the Board of Directors under which such individuals purchase or sell, or are granted the option to purchase or sell, such Capital Stock; provided, however, that the aggregate amount of such repurchases and other acquisitions shall not exceed \$1.0 million in any calendar year;
- (11) dividends paid in respect of Disqualified Stock or preferred stock of the Issuer or any Restricted Subsidiary of the Issuer which is permitted to be issued pursuant to Section 4.4; provided, however, that the aggregate amount of dividends paid in respect of preferred stock of the Issuer (other than Disqualified Stock of the Issuer) pursuant to this clause (11) shall not exceed the amount of Net Cash Proceeds from the issuance of such preferred stock;
- (12) the pledge by the Issuer or any Restricted Subsidiary of the Capital Stock of an Unrestricted Subsidiary to secure Non-Recourse Debt of that Unrestricted Subsidiary; and
- (13) Restricted Payments in an amount which, when taken together with all Restricted Payments made pursuant to this clause (13), does not exceed \$20.0 million;

provided that, except in the case of clauses (1) and (3), no Default or Event of Default shall have occurred and be continuing or occur as a consequence of the actions or payments set forth therein.

Each Restricted Payment permitted pursuant to the preceding paragraph (other than the Restricted Payment referred to in clause (2), (7) through (9), and (11) through (12) thereof or an exchange of Capital Stock for Capital Stock or Indebtedness referred to in clause (3) or (4) thereof and an Investment acquired as a capital contribution or in exchange for Capital Stock referred to in clause (6) thereof) shall be included in calculating whether the conditions of clause (c) of this Section 4.3 have been met with respect to any subsequent Restricted Payments, and the Net Cash Proceeds from any issuance of Capital Stock to the extent used to make Restricted Payments referred to in clause (3), (4) or (6) shall not be included in such calculation.

For purposes of determining compliance with this Section 4.3, (x) the amount, if other than in cash, of any Restricted Payment shall be determined in good faith by the Board of Directors, whose determination shall be conclusive and evidenced by a Board Resolution and (y) in the event that a Restricted Payment meets the criteria of more than one of the types of Restricted Payments described in the above clauses, including the first paragraph of this Section 4.3, the Issuer, in its sole discretion, may order and classify, and from time to time may reclassify, such Restricted Payment if it would have been permitted at the time such Restricted Payment was made and at the time of such reclassification.

Not later than the date of making any Restricted Payment, the Issuer shall deliver to the Trustee an Officers Certificate stating that such Restricted Payment complies with this Indenture and setting forth in reasonable detail the basis upon which the required calculations were computed, which calculations may be based upon the Issuer's latest available internal quarterly financial statements.

4.4 Limitation on Indebtedness and Issuance of Preferred Stock The Issuer shall not, and shall not permit any of its Restricted Subsidiaries to, Incur any Indebtedness (other than the Securities, the Note Guarantees and other Indebtedness existing on the Issue Date) and the Issuer shall not permit any of its Restricted Subsidiaries to issue any preferred stock; provided, however, that the Issuer may Incur Indebtedness (including, without limitation, Acquired Indebtedness) and any Restricted Subsidiary may Incur Indebtedness (including, without limitation, Acquired Indebtedness) or issue preferred stock if, after giving effect to the Incurrence of such Indebtedness or issuance of preferred stock and the receipt and application of the proceeds therefrom, the Fixed Charge Coverage Ratio of the Issuer would be greater than 2.0:1.0.

Notwithstanding the foregoing, the Issuer and any Restricted Subsidiary (except as specified below) may Incur each and all of the following (clauses (1) through (11) comprising the Permitted Debt of the Issuer and any Restricted Subsidiary):

(1) the incurrence by the Issuer and any Restricted Subsidiary of additional Indebtedness and letters of credit under Credit Facilities in an aggregate principal amount at any one time outstanding under this clause (1) (with letters of credit being deemed to have a principal amount equal to the maximum potential liability of the Issuer and its

(2) Indebtedness owed (A) to the Issuer or any Subsidiary Guarantor evidenced by an unsubordinated promissory note or (B) to any other Restricted Subsidiary; provided that (x) any event which results in any such Restricted Subsidiary ceasing to be a Restricted Subsidiary or any subsequent transfer of such Indebtedness (other than to the Issuer or another Restricted Subsidiary) shall be deemed, in each case, to constitute an Incurrence of such Indebtedness not permitted by this clause (2) and (y) if the Issuer or any Subsidiary Guarantor is the obligor on such Indebtedness, such Indebtedness must be expressly subordinated in right of payment to the Securities, in the case of the Issuer, or the Note Guarantee, in the case of a Subsidiary Guarantor;

(3) Indebtedness issued in exchange for, or the net proceeds of which are used to refinance or refund, then outstanding Indebtedness (other than Indebtedness outstanding under clause (2) or (11)) in an amount not to exceed the amount so refinanced or refunded (plus premiums, accrued interest, fees and expenses); provided that (a) Indebtedness the proceeds of which are used to refinance or refund the Securities or Indebtedness that is pari passu with, or subordinated in right of payment to, the Securities or a Note Guarantee shall only be permitted under this clause (3) if (x) in case the Securities are refinanced in part or the Indebtedness to be refinanced is pari passu with the Securities or a Note Guarantee, such new Indebtedness, by its terms or by the terms of any agreement or instrument pursuant to which such new Indebtedness is outstanding, is expressly made pari passu with, or subordinate in right of payment to, the remaining Securities or the Note Guarantee, or (y) in case the Indebtedness to be refinanced is subordinated in right of payment to the Securities or a Note Guarantee, such new Indebtedness, by its terms or by the terms of any agreement or instrument pursuant to which such new Indebtedness is issued or remains outstanding, is expressly made subordinate in right of payment to the Securities or the Note Guarantee at least to the extent that the Indebtedness to be refinanced is subordinated to the Securities or the Note Guarantee, (b) such new Indebtedness, determined as of the date of Incurrence of such new Indebtedness, does not mature prior to the Stated Maturity of the Indebtedness to be refinanced or refunded, and the Average Life of such new Indebtedness is at least equal to the remaining Average Life of the Indebtedness to be refinanced or refunded and (c) such new Indebtedness is Incurred by the Issuer or a Subsidiary Guarantor or by the Restricted Subsidiary who is the obligor on the Indebtedness to be refinanced or refunded;

(4) Indebtedness of the Issuer, to the extent the net proceeds thereof are promptly (A) used to purchase Securities tendered in an Offer to Purchase made as a result of a Change in Control or (B) deposited to defease the Securities pursuant to Article VIII;

(5) Guarantees of the Securities and Guarantees of Indebtedness of the Issuer or any Restricted Subsidiary by the Issuer or any Restricted Subsidiary; provided the Guarantee of such Indebtedness is permitted by and made in accordance with Section 4.15;

45

- (6) Indebtedness arising from the honoring by a bank or other financial institution of a check, draft or similar instrument inadvertently (except in the case of daylight overdrafts) drawn against insufficient funds in the ordinary course of business; provided, however, that such Indebtedness is extinguished within two Business Days of incurrence;
- (7) Indebtedness in respect of performance bonds, bankers acceptances, workers compensation claims, surety or appeal bonds, payment obligations in connection with self-insurance or similar obligations, and bank overdrafts (and letters of credit in respect thereof);
- (8) Indebtedness Incurred or preferred stock issued to finance the cost (including the cost of improvement or construction) to acquire real or personal property (including acquisitions by way of Capitalized Lease Obligations and acquisitions of the Capital Stock of a Person that becomes a Restricted Subsidiary, to the extent of the fair market value of the real or personal property so acquired, plus goodwill associated therewith) by the Issuer or a Restricted Subsidiary after the Issue Date; provided, however, that the aggregate principal amount of such Indebtedness and/or the liquidation preference of such preferred stock outstanding at any time may not exceed \$25.0 million;
- (9) the incurrence by the Issuer or any of its Restricted Subsidiaries of Acquired Indebtedness; provided that the Fixed Charge Coverage Ratio immediately after giving pro forma effect to such incurrence would be greater than the Fixed Charge Coverage Ratio immediately prior to such incurrence;
- (10) Indebtedness consisting of (x) the financing of insurance premiums in the ordinary course of business or (y) take-or-pay obligations contained in supply arrangements entered into in the ordinary course of business; and
- (11) additional Indebtedness of the Issuer or Indebtedness of or preferred stock issued by any Restricted Subsidiary (in addition to Indebtedness permitted under clauses (1) through (10) above) in an aggregate principal amount and/or liquidation preference of such preferred stock outstanding at any time not to exceed \$25.0 million, less any amount of such Indebtedness permanently repaid as provided under Section 4.18.
- (b) Notwithstanding any other provision of this Section 4.4, the maximum amount of Indebtedness that may be Incurred pursuant to this Section 4.4 shall not be deemed to be exceeded, with respect to any outstanding Indebtedness due solely to the result of fluctuations in the exchange rates of currencies.**
- (c) For purposes of determining any particular amount of Indebtedness under this Section 4.4, Guarantees, Liens or obligations with respect to letters of credit supporting Indebtedness otherwise included in the determination of such particular amount shall not be included. For purposes of determining compliance with this Section 4.4, in the event that an item of Indebtedness meets the criteria of more than one of the types of Indebtedness described in clause (a) of this Section 4.4 (including the first paragraph of such clause (a)), the Issuer, in its sole discretion, may classify, and from time to time may reclassify, such item of Indebtedness.**
- (d) The Obligors shall not Incur any Indebtedness if such Indebtedness is subordinate in right of payment to any other Indebtedness unless such Indebtedness is also subordinate in right of payment to the Securities (in the case of the Issuer) or the Note Guarantees (in the case of any Subsidiary Guarantor), in each case, to the same extent.**

4.5 Corporate Existence Except as otherwise permitted by Article V, the Issuer shall do or cause to be done all things necessary to preserve and keep in full force and effect its corporate existence and the corporate, partnership or other existence of each of its Restricted Subsidiaries in accordance with the respective organizational documents of each such Restricted Subsidiary and the rights (charter and statutory) and material franchises of the Issuer and each of its Restricted Subsidiaries; provided, however, that neither the Issuer nor any Restricted Subsidiary shall be required to preserve any such right or franchise or in the case of any Restricted Subsidiary, its existence, if (in each case) the Board of Directors of the Issuer shall determine that the loss thereof is not, and shall not be, adverse in any material respect to the Holders.

4.6 Payment of Taxes and Other Claims The Issuer shall pay or discharge or cause to be paid or discharged, before the same shall become delinquent, (a) all material taxes, assessments and governmental charges levied or imposed upon it or any of its Restricted Subsidiaries or upon the income, profits or property of it or any of its Restricted Subsidiaries and (b) all lawful claims for labor, materials and supplies which, in each case, if unpaid, might by law become a material liability or Lien upon the property of it or any of its Restricted Subsidiaries; provided, however, that the Issuer shall not be required to pay or discharge or cause to be paid or discharged any such tax, assessment, charge or claim whose amount, (i) the applicability or validity is being contested in good faith by appropriate proceedings and for which appropriate provision has been made or (ii) where the failure to effect such payment or discharge is not adverse in any material respect to the Holders.

4.7 Maintenance of Properties and Insurance The Issuer shall cause all material properties owned or leased by it or any of its Restricted Subsidiaries used or useful to the conduct of its business or the business of any of its Restricted Subsidiaries, taken as a whole, to be maintained and kept in normal condition, repair and working order and supplied with all necessary equipment and shall cause to be made all repairs, renewals, replacements, and betterments thereof, all as in its judgment may be necessary, so that the business carried on in connection therewith may be properly and advantageously conducted at all times; provided, however, that, nothing in this Section 4.7 shall prevent the Issuer or any of its Restricted Subsidiaries from discontinuing the use, operation or maintenance of any of such properties, or disposing of any of them, if such discontinuance or disposal is, in the judgment of the Board of Directors of the Issuer or any such Restricted Subsidiary desirable in the conduct of the business of the Issuer or any such Restricted Subsidiary, and if such discontinuance or disposal is not adverse in any material respect to the Holders; provided further that nothing in this Section 4.7 shall prevent the Issuer or any of its Restricted Subsidiaries from discontinuing or disposing of any properties to the extent otherwise permitted by this Indenture.

(b) The Issuer shall maintain, and shall cause its Restricted Subsidiaries to maintain, insurance with responsible carriers against such risks and in such amounts, and with such deductibles, retentions, self-insured amounts and co-insurance provisions, as are, in the reasonable judgment, customarily carried by similar businesses of similar size, including property and casualty loss, workers compensation and interruption of business insurance.

The applicable Officers' Certificate shall also notify the Trustee should the Issuer or any of its Restricted Subsidiaries elect to change the manner in which it fixes its fiscal year end.

(b) The Issuer shall deliver to the Trustee, in the event that any Officer becomes aware of any Default or Event of Default in the performance of any covenant, agreement or condition contained in this Indenture, an Officers' Certificate specifying the Default or Event of Default and describing its status with particularity.

4.9 Compliance with Laws The Issuer shall comply, and shall cause each of its Subsidiaries to comply, with all applicable statutes, rules, regulations, orders and restrictions of the United States, all states and municipalities thereof, and of any governmental department, commission, board, regulatory authority, bureau, agency and instrumentality of the foregoing, in respect of the conduct of their respective businesses and the ownership of their respective properties, except for such noncompliances as would not in the aggregate have a material adverse effect on the financial condition or results of operations of the Issuer and its Subsidiaries taken as a whole.

4.10 Commission Reports and Reports to Holders At all times that the Securities remain outstanding, whether or not the Issuer is then required to file reports with the Commission, the Issuer shall file with the Commission, unless the Commission shall not accept such filing (x) all quarterly and annual financial information that would be required to be contained in a filing with the Commission on Forms 10-Q and 10-K if the Issuer were required to file such forms, including a Management's Discussion and Analysis of Financial Condition and Results of Operations and, with respect to the annual information only, a report on the annual financial statements by the Issuer's certified independent accountants and (y) all current reports that would be required to be filed with the Commission on Form 8-K if the Issuer were required to file such reports. The Issuer shall supply to the Trustee and to each Holder or shall supply to the Trustee for forwarding to each such Holder who so requests, without cost to such Holder, copies of such reports and other information. In addition, the Obligors have agreed that, at any times prior to any registration of the Securities, if the Issuer is not subject to Section 13 or 15(d) of the Exchange Act, upon the request of any Holder of Securities or any prospective purchaser of the Securities designated by a Holder of Securities, the Obligors shall supply to such Holder or such prospective purchaser the information required under Rule 144A under the Securities Act.

4.11 Waiver of Stay, Extension or Usury Laws The Issuer and each Subsidiary Guarantor covenants (to the extent enforceable by law) that it shall not at any time insist upon, plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law or any usury law or other law that would prohibit or forgive such Issuer or such Subsidiary Guarantor from paying all or any portion of the principal of, premium, if any, and/or interest on the Securities or the Subsidiary Guarantee of any such Subsidiary Guarantor as contemplated

herein, wherever enacted, now or at any time hereafter in force, or which may affect the covenants or the performance of this Indenture, and (to the extent enforceable by law) each hereby expressly waives all benefit or advantage of any such law, and covenants to the extent enforceable by law that it shall not hinder, delay or impede the execution of any power herein granted to the Trustee, but shall suffer and permit the execution of every such power as though no such law had been enacted.

4.12 Limitations on Transactions with Shareholders and Affiliates The Issuer shall not, and shall not permit any Restricted Subsidiary to, directly or indirectly, enter into, renew or extend any transaction (including, without limitation, the purchase, sale, lease or exchange of property or assets, or the rendering of any service) with any holder (or any Affiliate of such holder) of 10% or more of any class of Capital Stock of the Issuer or with any Affiliate of the Issuer, except upon fair and reasonable terms no less favorable to the Issuer or such Restricted Subsidiary than could be obtained, at the time of such transaction or, if such transaction is pursuant to a written agreement, at the time of the execution of the agreement providing therefor, in a comparable arm's length transaction with a Person that is not such a holder or an Affiliate.

(b) The foregoing limitation (in clause (a)) does not limit and shall not apply to:

- (i) transactions (A) approved by a majority of the disinterested members of the Board of Directors or (B) for which the Issuer or a Restricted Subsidiary delivers to the Trustee a written opinion of a nationally recognized investment banking, accounting, valuation or appraisal firm stating that the transaction is fair to the Issuer or such Restricted Subsidiary from a financial point of view;
- (ii) any transaction solely between the Issuer and any of its Restricted Subsidiaries or solely among Restricted Subsidiaries;
- (iii) the payment of reasonable and customary regular fees to directors of the Issuer who are not employees of the Issuer and customary indemnification arrangements entered into by the Issuer;

- (vi) any Permitted Investments or any Restricted Payments not prohibited by Section 4.3;
- (vii) any agreement as in effect or entered into as of the Issue Date (as disclosed in the Offering Memorandum) or any amendment thereto or any transaction contemplated thereby (including pursuant to any amendment thereto) in any replacement agreement thereto so long as any such amendment or replacement agreement is not more disadvantageous to the Holders in any material respect than the original agreement as in effect on the Issue Date;

- (viii) the issuance of securities or other payments, awards or grants in cash, securities or otherwise pursuant to or the funding of, employment arrangements, stock options and stock ownership plans or similar employee benefit plans approved by the Board of Directors in good faith and loans to employees of the Issuer and its Subsidiaries which are approved by the Board of Directors in good faith;
- (ix) transactions with customers, clients, suppliers, or purchasers or sellers of goods or services, in each case on ordinary business terms and otherwise in compliance with the terms of the indenture, which are fair to the Issuer or its Restricted Subsidiaries, in the reasonable determination of the Board of Directors of the Issuer or the senior management thereof, or are on terms at least as favorable as could reasonably have been obtained at such time from an unaffiliated party;
- (x) the payment by the Issuer to any Affiliate of the Issuer of management fees of not more than \$500,000, in the aggregate in any calendar year, as invoiced by such Affiliate;

Notwithstanding the foregoing, any transaction or series of related transactions covered by clause (a) of this Section 4.12 and not covered by clauses (ii) through (xiii) of this clause (b), (x) the aggregate amount of which exceeds \$5.0 million in value, must be approved or determined to be fair in the manner provided for in clause (b)(i)(A) or (B) above and (y) the aggregate amount of which exceeds \$10.0 million in value must be determined to be fair in the manner provided for in clause (b)(i)(B) above.

4.13 Limitation on Dividend and Other Payment Restrictions Affecting Subsidiaries The Issuer shall not, and shall not permit any Restricted Subsidiary to, create or otherwise cause or suffer to exist or become effective any consensual encumbrance or restriction of any kind on the ability of any Restricted Subsidiary to (1) pay dividends or make any other distributions permitted by applicable law on any Capital Stock of such Restricted Subsidiary owned by the

The foregoing provisions shall not restrict any encumbrances or restrictions:

- (i) existing on the Issue Date, and any extensions, refinancings, renewals or replacements thereof; **provided that the encumbrances and restrictions in any such extensions, refinancings, renewals or replacements taken as a whole are, in the good faith judgment of the Board of Directors, no less favorable in any material respect to the Holders than those encumbrances or restrictions that are then in effect and that are being extended, refinanced, renewed or replaced;**

- (vi) arising from customary provisions in joint venture agreements and other similar agreements entered into in the ordinary course of business;
- (vii) on cash or other deposits or net worth imposed by customers under contracts entered into in the ordinary course of business; and
- (viii) arising in connection with any Indebtedness, Disqualified Stock or preferred stock of the Issuer or any Restricted Subsidiary of the Issuer permitted to be incurred subsequent to the date of the Issue Date pursuant to the provisions of Section 4.4.

Nothing contained in this Section 4.13 shall prevent the Issuer or any Restricted Subsidiary from (1) creating, incurring, assuming or suffering to exist any Liens otherwise permitted under Section 4.16 or (2) restricting the sale or other disposition of property or assets of the Issuer or any of its Restricted Subsidiaries that secure Indebtedness of the Issuer or any of its Restricted Subsidiaries.

4.14 Limitation on the Issuance and Sale of Capital Stock of Restricted Subsidiaries The Issuer shall not sell, and shall not permit any Restricted Subsidiary, directly or indirectly, to issue or sell, any shares of Capital Stock of a Restricted Subsidiary (including options, warrants or other rights to purchase shares of such Capital Stock) except:

4.15 Issuances of Guarantees by Restricted Subsidiaries The Issuer shall cause each Restricted Subsidiary that Guarantees any Indebtedness of the Issuer or any Subsidiary Guarantor (other than any revolving credit or other similar agreement the aggregate principal amount outstanding under which does not exceed the Borrowing Base) to execute and deliver a supplemental indenture to this Indenture providing for a Subsidiary Guarantee of payment of the Securities by such Restricted Subsidiary.

Notwithstanding the foregoing, any Subsidiary Guarantee by a Restricted Subsidiary (including NELLC, if it shall be a Subsidiary Guarantor) may provide by its terms that it shall be automatically and unconditionally released and discharged upon (1) any sale, exchange or

transfer to any Person of (a) all of the Capital Stock of such Subsidiary Guarantor owned directly or indirectly by the Issuer (which sale, exchange or transfer is not prohibited by this Indenture) after which such Subsidiary Guarantor is no longer a Restricted Subsidiary or (b) all or substantially all of the assets of such Subsidiary Guarantor, which sale, exchange or transfer is made in compliance with the conditions of the Indenture, (2) the designation of such Subsidiary Guarantor as an Unrestricted Subsidiary in accordance with the terms of this Indenture or (3) any defeasance or discharge of the Securities pursuant to the provisions of Article VIII of this Indenture.

4.16 Limitation on Liens The Issuer shall not, and shall not permit any Restricted Subsidiary to, create, incur, assume or suffer to exist any Lien on any of its assets or properties of any character (including any shares of Capital Stock or Indebtedness of any Restricted Subsidiary). (ii) **Liens granted on or after the Issue Date on any assets or Capital Stock of the Issuer or its Restricted Subsidiaries created in favor of the Holders;**

(iii) **Liens securing Indebtedness not to exceed the greater of (x) the Borrowing Base determined at the time of Incurrence of such Indebtedness plus 1.0 times EBITDA for the most recently ended four fiscal quarters for which internal financial statements are available at the time of Incurrence of such Indebtedness and (y) \$250 million, provided that any Liens securing Indebtedness outstanding under the Credit Facilities on the Issue Date shall be deemed to have been Incurred under this clause;**

(iv) **Liens securing Indebtedness which is Incurred to refinance secured Indebtedness which is permitted to be Incurred under clause (3) of the second paragraph of part (a) of Section 4.4; provided that such Liens do not extend to or cover any property or assets of the Issuer or any Restricted Subsidiary other than the property or assets securing the Indebtedness being refinanced;**

(v) **Liens (including extensions and renewals thereof) upon real or personal property acquired after the Issue Date; provided that (a) such Lien is created solely for the purpose of securing Indebtedness Incurred, in accordance with Section 4.4, to finance the cost (including the cost of improvement or construction) of the item of property or assets subject thereto and such Lien is created prior to, at the time of or within six months after the later of the acquisition, the completion of construction or the commencement of full operation of such property, (b) the principal amount of the Indebtedness secured by such Lien does not exceed 100% of such cost, and (c) any such Lien shall not extend to or cover any property or assets other than such item of property or assets and any improvements on such item;**

(vii) Liens on assets, property or Capital Stock of any Restricted Subsidiary that is not a Subsidiary Guarantor securing Indebtedness permitted under this Indenture; or

4.17 Change of Control The Issuer shall commence, within 30 days of the occurrence of a Change of Control, and consummate an Offer to Purchase for all Securities then outstanding, at a purchase price equal to 101% of their principal amount, plus accrued interest (if any) to the Payment Date. There can be no assurance that the Issuer will have sufficient funds available at the time of any Change of Control to make any debt payment (including repurchases of the Securities) required by this Section 4.17(a) (as well as may be contained in other securities of the Issuer which might be outstanding at the time).

(b) The above covenant in clause (a) of Section 4.17 requiring the Issuer to repurchase the Securities, will unless consents are obtained, require the Issuer to repay all indebtedness then outstanding which by its terms would prohibit such Security repurchase, either prior to or concurrently with such Note repurchase.

(c) Notwithstanding the provisions of clause (a) of this Section 4.17, the Issuer shall not be required to make an Offer to Purchase upon the occurrence of a Change of Control if a third party makes an offer to purchase the Securities in the manner, at the times and price and otherwise in compliance with the requirements of this Indenture applicable to an Offer to Purchase for a Change of Control and purchases all Securities validly tendered and not withdrawn in such Offer to Purchase.

4.18 Limitation on Asset Sales The Issuer shall not, and shall not permit any Restricted Subsidiary to, consummate any Asset Sale, unless (1) the consideration received by the Issuer or such Restricted Subsidiary is at least equal to the fair market value of the assets sold or disposed of and (2) at least 75% of the consideration received consists of (a) cash or Temporary Cash Investments, (b) the assumption of unsubordinated Indebtedness of the Issuer or any Subsidiary Guarantor or Indebtedness of any other Restricted Subsidiary (in each case, other than Indebtedness owed to the Issuer or any Affiliate of the Issuer), provided that the Issuer, such Subsidiary Guarantor or such other Restricted Subsidiary is irrevocably and unconditionally released from all liability under such Indebtedness, or (c) Replacement Assets.

For the purposes of this provision, any securities, notes or other obligations received by the Issuer or any of its Restricted Subsidiaries from the transferee that are converted by the Issuer or any of its Restricted Subsidiaries into cash or Temporary Cash Investments within 180 days of their receipt by the Issuer or any of its Restricted Subsidiaries shall be deemed to be cash, but only to the extent of the cash or Temporary Cash Investments received.

(b) The Issuer may, or may cause the relevant Restricted Subsidiary to, within twelve months after the date of receipt of any Net Cash Proceeds from an Asset Sale, apply all or a portion of such Net Cash Proceeds,

(b) The Issuer may, or may cause the relevant Restricted Subsidiary to, within twelve months after the date of

(i) to permanently repay or reduce outstanding (a) Indebtedness of the Issuer that is pari passu in right of payment with the Securities, (b) Indebtedness of any Subsidiary Guarantor that is pari passu in right of payment with the relevant Subsidiary Guarantee or (c) Indebtedness of any other Restricted Subsidiary, or

(ii) to invest (or enter into a definitive agreement committing to so invest within 12 months after the date of such agreement) in Replacement Assets.

The amount of such excess Net Cash Proceeds not applied by the end of such periods shall constitute Excess Proceeds.

(c) If, as of the first day of any calendar month, the aggregate amount of Excess Proceeds not theretofore subject to an Offer to Purchase pursuant to this Section 4.18 totals at least \$25.0 million, the Issuer shall commence, not later than the fifteenth Business Day of such month, and consummate an Offer to Purchase from the Holders (and, if required by the terms of any Indebtedness that is pari passu in right of payment with the Securities (Pari Passu Indebtedness), from the holders of such Pari Passu Indebtedness) on a pro rata basis an aggregate principal amount of Securities (and Pari Passu Indebtedness) equal to the Excess Proceeds on such date, at a purchase price equal to 100% of their principal amount, plus, in each case, accrued interest (if any) to the Payment Date. To the extent that any Excess Proceeds remain after consummation of an Offer to Purchase pursuant to this Section 4.18, the Issuer may use those Excess Proceeds for any purpose not otherwise prohibited by this Indenture and the amount of Excess Proceeds shall be reset to zero.

4.19 Limitation on Sale and Leaseback Transactions The Issuer shall not, and shall not permit any Restricted Subsidiary to, enter into any Sale and Leaseback Transaction involving any of its assets or properties whether now owned or hereafter acquired; provided, however, that the Issuer or any Restricted Subsidiary may enter into a Sale and Leaseback Transaction if:

(a) the consideration received in such Sale and Leaseback Transaction is at least equal to the fair market value of the property so sold or otherwise transferred, as determined by a resolution of the Board of Directors;

(b) the Issuer or such Restricted Subsidiary, as applicable, would be permitted to grant a Lien to secure Indebtedness under Section 4.16 in the amount of the Attributable Debt in respect of such Sale and Leaseback Transaction;

(i) it shall be the continuing Person, or the Person (if other than it) formed by such consolidation or into which it is merged or that acquired or leased such property and assets (the Surviving Person) shall be organized and validly existing under the laws of the United States of America or any jurisdiction thereof and shall expressly assume, by a supplemental indenture, executed and delivered to the Trustee, all of the obligations under this Indenture, the Securities, and the Registration Rights Agreement;

(ii) each of the conditions specified in paragraph (c) below is satisfied; and

(iii) each Subsidiary Guarantor, unless such Subsidiary Guarantor is the Person with which the Issuer has entered into a transaction under this Section 5.1, shall have by amendment to its Note Guarantee confirmed that its Note Guarantee shall apply to the obligations of the Issuer or the Surviving Person in accordance with the Securities and this Indenture.

(b) No Subsidiary Guarantor shall consolidate with or merge with or into any Person or permit any Person to merge with or into it, or sell, convey, transfer, lease or otherwise dispose of all or substantially all of its property and assets (as an entirety or substantially as an entirety in one transaction or a series of related transactions) to any Person, unless:

(ii) each of the conditions specified in paragraph (c) below is satisfied.

(c) The following additional conditions shall apply to each transaction described in paragraph (a) or (b) above, except that clause (ii) below shall not apply to a transaction described in paragraph (b):

(i) immediately after giving effect to such transaction, no Default or Event of Default shall have occurred and be continuing;

(ii) immediately after giving effect to such transaction on a pro forma basis the Issuer (or the Surviving Person, if applicable) (x) could Incur at least \$1.00 of Indebtedness under the first paragraph of part (a) of Section 4.4 covenant or (y) would, together with its Restricted Subsidiaries, have a greater Fixed Charge Coverage Ratio immediately after that transaction (after giving pro forma effect thereto as if that transaction had occurred at the beginning of the applicable four-quarter period) than the Fixed Charge Coverage Ratio of the Issuer and its Restricted Subsidiaries immediately prior to that transaction; provided that this clause (ii) shall not apply to a consolidation, merger or sale of all (but not less than all) of the assets of the Issuer if all Liens and Indebtedness of the Issuer (or the Surviving Person) together with the Restricted Subsidiaries of such Person, outstanding immediately after such transaction would have been permitted (and all such Liens and Indebtedness, other than Liens and Indebtedness of such Person and its Restricted Subsidiaries outstanding immediately prior to the transaction, shall be deemed to have been Incurred) for all purposes of this Indenture; and

(iii) the Issuer shall have delivered to the Trustee an Officers Certificate (attaching the arithmetic computations to demonstrate compliance with clause (ii) of this paragraph (c) unless compliance therewith is not required) and an opinion of counsel, each stating that such transaction and, if a supplemental indenture is required in connection with such transaction, such supplemental indenture complies with the applicable provisions of this Indenture, that all conditions precedent in this Indenture relating to such transaction have been satisfied and that such supplemental indenture is enforceable;

provided, however, that clause (ii) above does not apply if, in the good faith determination of the Board of Directors, whose determination shall be evidenced by a Board Resolution, the principal purpose of such transaction is to change the state of incorporation of the Issuer and any such transaction shall not have as one of its purposes the evasion of the foregoing limitations.

6.3 Other Remedies If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy by proceeding at law or in equity to collect the payment of principal of, premium, if any, or interest on the Securities or to enforce the performance of any provision of the Securities or this Indenture.

The Trustee may maintain a proceeding even if it does not possess any of the Securities or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Securityholder in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. No remedy is exclusive of any other remedy. All available remedies are cumulative to the extent permitted by law.

6.5 Control by Majority The Holders of not less than a majority in principal amount of the outstanding Securities may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on it. Subject to Section 7.1, however, the Trustee may refuse to follow any direction that conflicts with any law or this Indenture, that the Trustee determines in good faith may be unduly prejudicial to the

rights of another Securityholder not joining in the giving of such direction or that may involve the Trustee in personal liability and may take any other action it deems proper that is not inconsistent with any such direction received from the Securityholders.

6.6 Limitation on Suits A Securityholder may not pursue any remedy with respect to this Indenture or the Securities unless:

6.9 Trustee May File Proofs of Claim The Trustee may file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due to the Trustee under Section 7.7) and the Securityholders allowed in any judicial proceedings relating to the Issuer, their creditors

or their property and shall be entitled and empowered to participate as a member, voting or otherwise, of any official committee appointed for such matter, to collect and receive any monies or other securities or property payable or deliverable upon the conversion or exchange of the Securities or upon any such claims and to distribute the same, and any Custodian in any such judicial proceedings is hereby authorized by each Securityholder to make such payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Securityholders, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agent and counsel, and any other amounts due the Trustee under Section 7.7. Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Securityholder any plan of reorganization, arrangement, adjustment or composition affecting the Securities or the rights of any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Securityholder in any such proceeding.

6.10 Priorities If the Trustee collects any money or property pursuant to this Article VI, it shall pay out the money or property in the following order:

First: to the Trustee for amounts due under Section 7.7;

Second: to Holders for interest accrued on the Securities, ratably, without preference or priority of any kind, according to the amounts due and payable on the Securities for interest;

Third: to Holders for principal amounts and premium, if any, due and unpaid on the Securities, ratably, without preference or priority of any kind, according to the amounts due and payable on the Securities for principal; and

Fourth: to the Issuer or, if applicable, the Subsidiary Guarantors as their respective interests may appear.

The Trustee, upon prior notice to the Issuer, may fix a record date and payment date for any payment to Securityholders pursuant to this Section 6.10.

6.11 Undertaking for Costs In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.11 does not apply to a suit by the Trustee, a suit by a Holder pursuant to Section 6.7, or a suit by a Holder or Holders of more than 10% in principal amount of the outstanding Securities.

6.12 Restoration of Rights and Remedies If the Trustee or any Holder has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then, and in every such case, subject to any determination in such proceeding, the Issuer, the Trustee and the Holders shall be restored severally and respectively to their former

positions hereunder and thereafter all rights and remedies of the Issuer, Trustee and the Holders shall continue as though no such proceeding had been instituted.

6.13 Rights and Remedies Cumulative Except as otherwise provided with respect to the replacement or payment of mutilated, destroyed, lost or wrongfully taken Securities in Section 2.7, no right or remedy herein conferred upon or reserved to the Trustee or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

(iii) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.5.

63

- (d) No provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder or to take or omit to take any action under this Indenture or take any action at the request or direction of Holders if it shall have reasonable grounds for believing that repayment of such funds is not assured to it.
- (e) Every provision of this Indenture that in any way relates to the Trustee is subject to this Section 7.1.
- (f) The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree in writing with the Issuer. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.
- (g) In the absence of bad faith, negligence or willful misconduct on the part of the Trustee, the Trustee shall not be responsible for the application of any money by any Paying Agent other than the Trustee.
- (h) If the Trustee shall receive conflicting or inconsistent requests from two or more groups of Holders, each representing less than a majority of the aggregate principal amount of Securities then outstanding, the Trustee in its sole discretion may determine what action, if any, shall be taken, notwithstanding any other provision of this Indenture.

7.2 Rights of Trustee Subject to Section 7.1:

- (a) The Trustee may rely on any document believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document.
- (b) Before the Trustee acts or refrains from acting, it may require an Officers Certificate and an Opinion of Counsel, which shall conform to the provisions of Section 11.5. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on such certificate or opinion.
- (c) The Trustee may act through its attorneys and agents and shall not be responsible for the misconduct or negligence of any agent (other than an agent who is an employee of the Trustee) appointed with due care.
- (d) The Trustee shall not be liable for any action it takes or omits to take in good faith which it reasonably believes to be authorized or within its rights or powers.
- (e) The Trustee may consult with counsel and the advice or opinion of such counsel as to matters of law shall be full and complete authorization and protection from liability in respect of any action taken, omitted or suffered by it hereunder in good faith and in accordance with the advice or opinion of such counsel.
- (f) The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request, order or direction of any of the Holders pursuant to the provisions of this Indenture, unless such Holders shall have offered to the Trustee security or indemnity reasonably satisfactory to it against the costs, expenses and liabilities which may be incurred therein or thereby.

- (g) The Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate (including any Officers Certificate), statement, instrument, opinion (including any Opinion of Counsel), notice, request, direction, consent, order, bond, debenture, or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled, upon reasonable notice to the Issuer, to examine the books, records, and premises of the Issuer, personally or by agent or attorney.
- (h) The Trustee shall not be required to give any bond or surety in respect of the performance of its powers and duties hereunder.
- (i) The permissive rights of the Trustee to do things enumerated in this Indenture shall not be construed as duties.
- (j) The Trustee shall not be charged with knowledge of any Default or Event of Default, of the identity of any Restricted Subsidiary or the existence of any Change of Control or Asset Sale unless either (i) a Responsible Officer shall have Actual Knowledge thereof or (ii) the Trustee shall have received written notice thereof from either of the Issuer or any Holder.
- (k) Delivery of reports, information and documents to the Trustee under Section 4.10 is for informational purposes only and the Trustee's receipt of the foregoing shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Issuer's compliance with any of the covenants hereunder.
- (l) Except as set forth in paragraph 1 of the Securities, the Trustee shall not be responsible for the computation of any interest payments or redemption amounts payable with respect to the Securities.
- (m) The Trustee shall not be responsible for the filing of original or continuation financing statements or the recordation, amendment, or other filing of any security interests, liens, financing statements, or other similar documents, nor of the contents thereof.
- (n) In no event shall the Trustee be liable for any failure or delay in the performance of its obligations hereunder because of circumstances beyond the Trustee's control, including, but not limited to, acts of God, flood, war (whether declared or undeclared), terrorism, fire, riot, embargo, government action, including any laws, ordinances, regulations, governmental action or the like which delay, restrict or prohibit the providing of the services contemplated by this Indenture.

7.3 **Individual Rights of Trustee** The Trustee in its individual or any other capacity may become the owner or pledgee of Securities and may otherwise deal with the Issuer, its

Subsidiaries (including any Guarantors) or their respective Affiliates with the same rights it would have if it were not Trustee. Any Agent may do the same with like rights. However, the Trustee shall comply with Sections 7.10 and 7.11.

7.4 Trustee's Disclaimer The Trustee shall not be responsible for and makes no representation as to the validity or adequacy of this Indenture, any Subsidiary Guarantee, or the Securities, it shall not be accountable for the Issuer's use of the proceeds from the Securities, and it shall not be responsible for any statement of the Issuer in this Indenture or any document issued in connection with the sale of Securities or any statement in the Securities other than the Trustee's certificate of authentication. The Trustee makes no representations with respect to the effectiveness or adequacy of this Indenture.

7.5 Notice of Default If a Default or an Event of Default occurs and is continuing and the Trustee has Actual Knowledge thereof based on receipt of actual notice of such Default or Event of Default, the Trustee shall mail to each Securityholder notice of the uncured Default or Event of Default within 90 days after such Default or Event of Default occurs. Except in the case of a Default or an Event of Default in payment of principal of, premium, if any, or interest on, any Security including an accelerated payment and the failure to make payment on the relevant Payment Date pursuant to an Offer to Purchase resulting from a Change of Control, the Trustee may withhold the notice if and so long as the Board of Directors, the executive committee, or a trust committee of directors and/or Responsible Officers, of the Trustee in good faith determines that withholding the notice is in the interest of the Securityholders.

7.6 Reports by Trustee to Holders Within 60 days after each January 1, beginning with January 1, 2008, the Trustee shall, to the extent that any of the events described in TIA § 313(a) occurred within the previous twelve months, but not otherwise, mail to each Securityholder a brief report dated as of such date that complies with TIA § 313(a). The Trustee also shall comply with TIA §§ 313(b), 313(c) and 313(d).

A copy of each report at the time of its mailing to Securityholders shall be mailed to the Issuer and filed with the Commission and each securities exchange, if any, on which the Securities are listed.

The Issuer shall notify the Trustee if the Securities become listed on any securities exchange or of any delisting thereof and the Trustee shall comply with TIA § 313(d).

7.7 Compensation and Indemnity The Issuer shall pay to the Trustee, from time to time, reasonable compensation for its services hereunder. The Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Issuer shall reimburse the Trustee upon request for all reasonable disbursements, expenses and advances (including reasonable fees and expenses of counsel) incurred or made by it in addition to the compensation for its services, except any such disbursements, expenses and advances as may be attributable to the Trustee's negligence, bad faith or willful misconduct. Such expenses shall include the reasonable fees and expenses of the Trustee's agents and counsel.

The Issuer and each of the Subsidiary Guarantors shall indemnify the Trustee and its agents, employees, officers, stockholders and directors for, and hold them harmless against, any

loss, liability or expense (including reasonable attorneys' fees and expenses) incurred by them except for such actions to the extent caused by any negligence, bad faith or willful misconduct on their part, arising out of or in connection with the acceptance or administration of this trust including the cost and expense of enforcing this Indenture and the Securities against the Issuer or the Holders (including this Section 7.7) including the reasonable costs and expenses of defending themselves against or investigating any claim or liability in connection with the exercise or performance of any of the Trustee's rights, powers or duties hereunder. The Trustee shall notify the Issuer and the Subsidiary Guarantors promptly of any claim asserted against the Trustee or any of its agents, employees, officers, stockholders and directors for which it may seek indemnity, provided that any failure to so notify the Issuer or any of the Subsidiary Guarantors shall not relieve the Issuer of its indemnity obligations hereunder. The Issuer and the Subsidiary Guarantors may, subject to the approval of the Trustee, defend the claim and the Trustee shall cooperate in the defense. The Trustee and its agents, employees, officers, stockholders and directors subject to the claim may have separate counsel and the Issuer and the Subsidiary Guarantors shall pay the reasonable fees and expenses of such counsel; provided, however, that neither the Issuer nor any the Subsidiary Guarantors shall be required to pay such fees and expenses if, subject to the approval of the Trustee, they assume the Trustee's defense and there is no conflict of interest between the Issuer, the Subsidiary Guarantors and the Trustee and its agents, employees, officers, stockholders and directors subject to the claim in connection with such defense as reasonably determined by the Trustee. The Issuer and the Subsidiary Guarantors need not pay for any settlement made without its written consent, which consent shall not be unreasonably withheld, delayed or conditioned. The Issuer and the Subsidiary Guarantors need not reimburse any expense or indemnify against any loss or liability to the extent incurred by the Trustee through its negligence, bad faith or willful misconduct.

To secure the Issuer's and the Subsidiary Guarantors' payment obligations in this Section 7.7, the Trustee shall have a senior claim and Lien prior to the Securities against all money or property held or collected by the Trustee, in its capacity as Trustee.

When the Trustee incurs expenses or renders services after an Event of Default specified in clause (vii) or (viii) of Section 6.1 occurs, such expenses and the compensation for such services are intended to constitute expenses of administration under any Bankruptcy Law and shall be paid to the extent allowed under any Bankruptcy Law.

Notwithstanding any other provision in this Indenture, the foregoing provisions of this Section 7.7 shall survive the satisfaction and discharge of this Indenture or the appointment of a successor Trustee.

7.8 Replacement of Trustee The Trustee may resign at any time by so notifying the Issuer in writing. The Holders of a majority in principal amount of the outstanding Securities may remove the Trustee by so notifying the Issuer and the Trustee and may appoint a successor Trustee. The Issuer may remove the Trustee if:

- (i) **the Trustee fails to comply with Section 7.10;**
- (ii) **the Trustee is adjudged bankrupt or insolvent;**

67

(iii) a receiver or other public officer takes charge of the Trustee or its property; or

(iv) the Trustee becomes incapable of acting.

If the Trustee resigns or is removed or if a vacancy exists in the office of Trustee for any reason, the Issuer shall notify each Holder of such event and shall promptly appoint a successor Trustee. Within one year after the successor Trustee takes office, the Holders of a majority in principal amount of the Securities may appoint a successor Trustee to replace the successor Trustee appointed by the Issuer.

A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Issuer. Immediately after that, the retiring Trustee shall transfer, after payment of all sums then owing to the Trustee pursuant to Section 7.7, all property held by it as Trustee to the successor Trustee, subject to the Lien provided in Section 7.7, the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. A successor Trustee shall mail notice of its succession to each Securityholder.

If a successor Trustee does not take office within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee, the Issuer or the Holders of at least 10% in principal amount of the outstanding Securities may petition any court of competent jurisdiction for the appointment of a successor Trustee.

If the Trustee fails to comply with Section 7.10, any Securityholder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

Notwithstanding replacement of the Trustee pursuant to this Section 7.8, the Issuer's obligations under Section 7.7 shall continue for the benefit of the retiring Trustee.

7.9 **Successor Trustee by Merger, Etc.**

If the Trustee consolidates with, merges or converts into, or transfers all or substantially all of its corporate trust business to, another corporation, the resulting, surviving or transferee corporation without any further act shall, if such resulting, surviving or transferee corporation is otherwise eligible hereunder, be the successor Trustee; provided that such corporation shall be otherwise qualified and eligible under this Article VII.

7.10 Eligibility; Disqualification This Indenture shall always have a Trustee who satisfies the requirement of TIA §§ 310(a)(1), 310(a)(2) and 310(a)(5). The Trustee shall have a combined capital and surplus of at least \$50,000,000 as set forth in its most recent published annual report of condition. In addition, if the Trustee is a corporation included in a bank holding company system, the Trustee, independently of the bank holding company, shall meet the capital requirements of TIA § 310(a)(2). The Trustee shall comply with TIA § 310(b); provided, however, that there shall be excluded from the operation of TIA § 310(b)(1) any indenture or indentures under which other securities, or certificates of interest or participation in other securities, of the Issuer are outstanding, if the requirements for such exclusion set forth in TIA § 310(b)(1) are met. The provisions of TIA § 310 shall apply to the Issuer and any other obligor of the Securities.

7.11 Preferential Collection of Claims Against the Issuer The Trustee, in its capacity as Trustee hereunder, shall comply with TIA § 311(a), excluding any creditor relationship listed in TIA § 311(b). A Trustee who has resigned or been removed shall be subject to TIA § 311(a) to the extent indicated.

ARTICLE VIII

DISCHARGE OF INDENTURE; DEFEASANCE

8.1 Termination of the Issuer's Obligations. The Issuer and each Subsidiary Guarantor may terminate their obligations under the Securities and this Indenture, except those obligations referred to in the penultimate paragraph of this Section 8.1, if all Securities previously authenticated and delivered (other than destroyed, lost or stolen Securities which have been replaced or paid or Securities for whose payment U.S. Legal Tender in immediately available funds has theretofore been deposited with the Trustee or the Paying Agent in trust or segregated and held in trust by the Issuer and thereafter repaid to the Issuer, as provided in Section 8.5) have been delivered to the Trustee for cancellation and the Issuer have paid all sums payable by them hereunder, or if:

- (i) all Securities have become due and payable hereunder or shall become due and payable hereunder within one year pursuant to an optional redemption notice or otherwise;
- (ii) the Issuer shall have irrevocably deposited or caused to be deposited with the Trustee or a trustee satisfactory to the Trustee, under the terms of an irrevocable trust agreement in form and substance satisfactory to the Trustee, as trust funds in trust solely for the benefit of the Holders for that purpose, U.S. Legal Tender in immediately available funds in such amount as is sufficient without consideration of reinvestment of such interest, to pay principal of, premium, if any, and interest on any Securities not previously delivered to the Trustee for cancellation to maturity or redemption; provided that the Trustee shall have been irrevocably instructed to apply such U.S. Legal Tender to the payment of said principal, premium, if any, and interest with respect to the Securities;
- (iii) the Issuer shall have paid all other sums payable by it hereunder; and
- (iv) the Issuer shall have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent providing for or relating to the termination of the Issuer's obligations under the Securities and this Indenture have been complied with and a certificate of the Issuer's independent accountants (who shall be a firm of established national reputation) stating that the amount deposited with the Trustee is sufficient to pay principal of, premium, if any, and interest on the outstanding Securities to maturity or redemption.

Subject to the next sentence and notwithstanding the foregoing paragraph, the Issuer's obligations in Sections 2.5, 2.6, 2.7, 2.8, 4.1, 4.2, 7.7, 8.5 and 8.6 shall survive until the

Securities are no longer outstanding pursuant to the last paragraph of Section 2.8. After the Securities are no longer outstanding, the Issuer's obligations in Sections 7.7, 8.5 and 8.6 shall survive.

After such delivery or irrevocable deposit, the Trustee upon request shall acknowledge in writing the discharge of the Issuer's obligations under the Securities and this Indenture except for those surviving obligations specified above.

8.2 Legal Defeasance and Covenant Defeasance The Issuer may, at its option by Board Resolutions of the Boards of Directors of the Issuer, at any time, elect to have either paragraph (b) or (c) below applied to all outstanding Securities upon compliance with the conditions set forth in Section 8.3.

(b) Upon the Issuer's exercise under paragraph (a) hereof of the option applicable to this paragraph (b), the Issuer and each Subsidiary Guarantor shall, subject to the satisfaction of the conditions set forth in Section 8.3 and the conditions set forth in this Section 8.2, be deemed to have been discharged from their respective obligations with respect to all outstanding Securities and the corresponding Subsidiary Guarantees on the date that is 123 days after the date of the deposit referred to in Section 8.3(i) (hereinafter, Legal Defeasance). For this purpose, Legal Defeasance means that the Issuer shall be deemed to have paid and discharged the entire Indebtedness represented by the outstanding Securities, which shall thereafter be deemed to be outstanding only for the purposes of Section 8.4 and the other Sections of this Indenture referred to in (i) and (ii) below, and to have satisfied all its other obligations under such Securities and this Indenture (and the Trustee, on demand of and at the expense of the Issuer, shall execute proper instruments acknowledging the same), except for the following provisions, which shall survive until otherwise terminated or discharged hereunder: (i) the rights of Holders of outstanding Securities to receive solely from the trust fund described in Section 8.4, and as more fully set forth in such Section, payments in respect of the principal of, premium, if any, and interest on such Securities when such payments are due, (ii) the obligations with respect to such Securities under Article II and Section 4.2, (iii) the rights, powers, trusts, duties and immunities of the Trustee hereunder and the obligations in connection therewith and (iv) this Article VIII. Subject to compliance with this Article VIII, the Issuer may exercise their option under this paragraph (b) notwithstanding the prior exercise of its option under paragraph (c) hereof.

(c) Upon the Issuer's exercise under paragraph (a) hereof of the option applicable to this paragraph (c), the Issuer and each Subsidiary Guarantor shall, subject to the satisfaction of the conditions set forth in Section 8.3 and the conditions set forth in this Section 8.2, be released from their obligations, if any, under the covenants contained in Sections 4.3 and 4.4 and Sections 4.12 through 4.18 and clause (ii) of Section 5.1(c) with respect to the outstanding Securities and the corresponding Subsidiary Guarantee on and after the date the conditions set forth below are satisfied (hereinafter, Covenant Defeasance), and the Securities shall thereafter be deemed not outstanding for the purposes of any direction, waiver, consent or declaration or act of Holders (and the consequences of any thereof) in connection with such covenants, but shall continue to be deemed outstanding for all other purposes hereunder (it being understood that such Securities shall not be deemed outstanding for accounting purposes). For this purpose, such Covenant Defeasance means that, with respect to the outstanding Securities, the Issuer may omit to comply with and shall have no liability in respect of any term, condition or limitation set

forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply shall not constitute a Default or an Event of Default under Section 6.1(iii) (to the extent pertaining to a default under or breach of the provisions of clause (ii) of Section 5.1(c)), 6.1(iv), 6.1(v) or 6.1(vi), but, except as specified above, the remainder of this Indenture and such Securities shall be unaffected thereby.

8.3 Conditions to Legal Defeasance or Covenant Defeasance The following shall be the conditions to the application of either Section 8.2(b) or 8.2(c) to the outstanding Securities:

In order to exercise either Legal Defeasance or Covenant Defeasance:

(i) **the Issuer shall have deposited with the Trustee, in trust, money and /or U.S. Government Obligations that through the payment of interest and principal in accordance with their terms will provide money in an amount sufficient to pay the principal of, premium, if any, and accrued interest on the Securities on the Stated Maturity of such payments or on a redemption date specified by Aventine, as the case may be, in accordance with the terms of this Indenture and the Securities;**

(ii) **in the case of an election under Section 8.2(b), the Issuer shall have delivered to the Trustee:**

(A) either (x) an Opinion of Counsel to the effect that Holders will not recognize income, gain or loss for federal income tax purposes as a result of the Issuer's exercise of its option under Section 8.2(b) and will be subject to federal income tax on the same amount and in the same manner and at the same times as would have been the case if such deposit, defeasance and discharge had not occurred, which Opinion of Counsel must be based upon (and accompanied by a copy of) a ruling of the Internal Revenue Service to the same effect unless there has been a change in applicable federal income tax law after the Issue Date such that a ruling is no longer required or (y) a ruling directed to the Trustee received from the Internal Revenue Service to the same effect as the aforementioned Opinion of Counsel; and

(B) an Opinion of Counsel to the effect that, subject to customary assumptions and exclusions, (x) the creation of the defeasance trust does not violate the Investment Company Act of 1940 and after the passage of 123 days following the deposit, the trust fund will not be subject to the effect of Section 547 of the Bankruptcy Law or Section 15 of the New York Debtor and Creditor Law;

(iii) **in the case of an election under Section 8.2(c), the Issuer shall have delivered to the Trustee (A) an Opinion of Counsel to the effect that, subject to customary assumptions and exclusions, (x) the creation of the defeasance trust does not violate the Investment Company Act of 1940 and after the passage of 123 days following the**

deposit, the trust fund will not be subject to the effect of Section 547 of the Bankruptcy Law or Section 15 of the New York Debtor and Creditor Law, and (B) an Opinion of Counsel to the effect that, among other things, the Holders will not recognize income, gain or loss for federal income tax purposes as a result of the Issuer's exercise of its option under Section 8.2(c) and will be subject to federal income tax on the same amount and in the same manner and at the same times as would have been the case if such deposit and defeasance had not occurred;

(iv) immediately after giving effect to such deposit on a pro forma basis, no Event of Default, or event that after the giving of notice or lapse of time or both would become an Event of Default, shall have occurred and be continuing on the date of such deposit or during the period ending on the 123rd day after the date of such deposit, and such deposit shall not result in a breach or violation of, or constitute a default under, any other agreement or instrument to which the Issuer or any of its Subsidiaries is a party or by which the Issuer or any of its Subsidiaries is bound;

(v) if at such time the Securities are listed on a national securities exchange, the Issuer shall have delivered to the Trustee an Opinion of Counsel to the effect that the Securities will not be delisted as a result of such deposit, defeasance and discharge;

(vi) the Issuer shall have delivered to the Trustee an Officers Certificate stating that the deposit was not made by the Issuer with the intent of preferring the Holders over any other creditors of the Issuer or with the intent of defeating, hindering, delaying or defrauding any other creditors of the Issuer or others;

(vii) the Issuer shall have delivered to the Trustee an Officers Certificate and an Opinion of Counsel, each stating that all conditions precedent hereunder provided for or relating to the Legal Defeasance or the Covenant Defeasance have been complied with; and

Notwithstanding the foregoing, the Opinions of Counsel required by clause (ii) above of this Section 8.3 need not be delivered if all Securities not theretofore delivered to the Trustee for cancellation (i) have become due and payable, (ii) will become due and payable on the Maturity Date within one year or (iii) are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Issuer.

8.4 Application of Trust Money The Trustee or Paying Agent shall hold in trust U.S. Legal Tender or U.S. Government Obligations deposited with it pursuant to this Article VIII, and shall apply the deposited U.S. Legal Tender and the money from U.S. Government Obligations in accordance with this Indenture to the payment of principal of, premium, if any, and interest on the Securities.

The Issuer shall pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the U.S. Legal Tender or U.S. Government Obligations deposited pursuant to Section 8.3 hereof or the principal, premium, if any, and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders of the outstanding Securities.

Anything in this Article VIII to the contrary notwithstanding, the Trustee shall deliver or pay to the Issuer from time to time upon the Issuer's request any U.S. Legal Tender or U.S. Government Obligations held by it as provided in Section 8.3 which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee, are in excess of the amount thereof that would then be required to be deposited to effect an equivalent Legal Defeasance or Covenant Defeasance.

8.5 Repayment to the Issuer The Trustee and the Paying Agent shall pay to the Issuer upon request any money held by them for the payment of principal, premium, if any, or interest that remains unclaimed for two years; provided that the Trustee or such Paying Agent, before being required to make any payment, may at the expense of the Issuer cause to be published once in a newspaper of general circulation in The City of New York or mail to each Holder entitled to such money notice that such money remains unclaimed and that after a date specified therein which shall be at least 30 days from the date of such publication or mailing any unclaimed balance of such money then remaining shall be repaid to the Issuer. After payment to the Issuer, Holders entitled to such money must look to the Issuer for payment as general creditors unless an applicable law designates another Person.

8.6 Reinstatement If the Trustee or Paying Agent is unable to apply any U.S. Legal Tender or U.S. Government Obligations in accordance with this Article VIII by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Issuer's obligations under this Indenture and the Securities shall be revived and reinstated as though no deposit had occurred pursuant to this Article VIII until such time as the Trustee or Paying Agent is permitted to apply all such U.S. Legal Tender or U.S. Government Obligations in accordance with this Article VIII; provided that if the Issuer has made any payment of interest on, premium, if any, or principal of any Securities because of the reinstatement of its obligations, the Issuer shall be subrogated to the rights of the Holders of such Securities to receive such payment from the U.S. Legal Tender or U.S. Government Obligations held by the Trustee or Paying Agent.

ARTICLE IX

AMENDMENTS, SUPPLEMENTS AND WAIVERS

9.1 Without Consent of Holders The Issuer, the Subsidiary Guarantors and the Trustee, together, may amend or supplement this Indenture, the Securities, or any Subsidiary Guarantee, without notice to or consent of any Securityholder, to:

- (i) **cure any ambiguity, defect or inconsistency in this Indenture;**
- (ii) **comply with the provisions described under Article V or Section 4.15;**
- (iii) **comply with any requirements of the Commission in connection with the qualification of this Indenture under the TIA;**

73

- (iv) **evidence and provide for the acceptance of appointment by a successor Trustee;**
- (v) **add a Subsidiary Guarantor;**
- (vi) **make any change that, in the good faith opinion of the Board of Directors, does not materially and adversely affect the rights of any Holder;**
- (vii) **provide for the issuance of Additional Securities in accordance with the terms of Indenture; or**
- (viii) **conform this Indenture to the section entitled Description of the Notes in the Offering Memorandum;**

provided that the Issuer has delivered to the Trustee an Opinion of Counsel and an Officers Certificate, each stating that such amendment or supplement complies with the provisions of this Section 9.1.

9.2 With Consent of Holders Subject to Section 6.7, modifications and amendments of this Indenture may be made by the Issuer, the Subsidiary Guarantors or the Trustee with the consent of the Holders of not less than a majority in aggregate principal amount of the outstanding Securities; provided, however, that no such modification or amendment may, without the consent of each Holder affected thereby, to:

- (i) change the Stated Maturity of the principal of, or any installment of interest on, any Note;
- (ii) reduce the principal amount of, or premium, if any, or interest on, any Note;
- (iii) change the optional redemption dates or optional redemption prices of the Securities from those stated in the Securities;
- (iv) change the place or currency of payment of principal of, or premium, if any, or interest on, any Note;
- (v) impair the right to institute suit for the enforcement of any payment on or after the Stated Maturity (or, in the case of a redemption, on or after the Redemption Date) of any Note;
- (vi) waive a default in the payment of principal of, premium, if any, or interest on the Securities;
- (vii) release any Subsidiary Guarantor from its Note Guarantee, except as provided in this Indenture;
- (viii) amend or modify any of the provisions of this Indenture in any manner which subordinates the Securities issued thereunder in right of payment to any other Indebtedness of the Issuer or which subordinates any Note Guarantee in right of payment to any other Indebtedness of the guarantor issuing any such Note Guarantee; or

74

(ix) reduce the percentage or aggregate principal amount of outstanding Securities the consent of whose Holders is necessary for waiver of compliance with certain provisions of this Indenture or for waiver of certain defaults.

9.3 Compliance with TIA From the date on which this Indenture is qualified under the TIA, every amendment, waiver or supplement of this Indenture or the Securities or any Subsidiary Guarantee shall comply with the TIA as then in effect.

9.4 Revocation and Effect of Consents Until an amendment, waiver or supplement becomes effective, a consent to it by a Holder is a continuing consent by the Holder and every subsequent Holder of a Security or portion of a Security that evidences the same debt as the consenting Holder's Security, even if notation of the consent is not made on any Security. However, any such Holder or subsequent Holder may revoke the consent as to his Security or portion of his Security by notice to the Trustee or the Issuer received before the date on which the Trustee receives an Officers Certificate certifying that the Holders of the requisite principal amount of Securities have consented (and not theretofore revoked such consent) to the amendment, supplement or waiver.

The Issuer may, but shall not be obligated to, fix a record date for the purpose of determining the Holders entitled to consent to any amendment, supplement or waiver. If a record date is fixed, then notwithstanding the last sentence of the immediately preceding paragraph, those Persons who were Holders at such record date (or their duly designated proxies), and only those Persons, shall be entitled to revoke any consent previously given, whether or not such Persons continue to be Holders after such record date. No such consent shall be valid or effective for more than 90 days after such record date.

After an amendment, supplement or waiver becomes effective, it shall bind every Securityholder, unless it makes a change described in any of clauses (i) through (vii) of Section 9.2, in which case, the amendment, supplement or waiver shall bind only each Holder of a Security who has consented to it and every subsequent Holder of a Security or portion of a Security that evidences the same debt as the consenting Holder's Security; provided that any such waiver shall not impair or affect the right of any Holder to receive payment of principal of, premium, if any, and interest on a Security, on or after the respective due dates expressed in such Security, or to bring suit for the enforcement of any such payment on or after such respective dates without the consent of such Holder.

75

9.5 Notation on or Exchange of Securities If an amendment, supplement or waiver changes the terms of a Security, the Issuer may require the Holder of the Security to deliver it to the Trustee. The Issuer shall provide the Trustee with an appropriate notation on the Security about the changed terms and cause the Trustee to return it to the Holder at the Issuer's expense. Alternatively, if the Issuer or the Trustee so determines, the Issuer in exchange for the Security shall issue and the Trustee shall authenticate a new Security that reflects the changed terms. Failure to make the appropriate notation or issue a new Security shall not affect the validity and effect of such amendment, supplement or waiver.

9.6 Trustee to Sign Amendments, Etc.

The Trustee shall execute any amendment, supplement or waiver authorized pursuant to this Article IX; provided that the Trustee may, but shall not be obligated to, execute any such amendment, supplement or waiver which affects the Trustee's own rights, duties or immunities under this Indenture. The Trustee shall be entitled to receive, and shall be fully protected in relying upon, an Opinion of Counsel and an Officers Certificate each complying with Sections 11.4 and 11.5 and stating that the execution of any amendment, supplement or waiver authorized pursuant to this Article IX is authorized or permitted by this Indenture and constitutes the legal, valid and binding obligations of the Issuer and the Subsidiary Guarantors, if applicable, enforceable in accordance with its terms. Such Opinion of Counsel shall be at the expense of the Issuer.

ARTICLE X

GUARANTEE OF SECURITIES

10.1 Unconditional Subsidiary Guarantee Subject to the provisions of this Article X, each of the Subsidiary Guarantors shall hereby, jointly and severally, unconditionally and irrevocably guarantee, on an unsubordinated basis (such guarantees to be referred to herein as the Subsidiary Guarantees) to each Holder of a Security authenticated and delivered by the Trustee and to the Trustee and its successors and assigns, irrespective of the validity and enforceability of this Indenture, the Securities or the obligations of the Issuer or any other Subsidiary Guarantors to the Holders or the Trustee hereunder or thereunder, that: (a) the principal of, premium, if any, and interest on the Securities shall be duly and punctually paid in full when due, whether at maturity, upon redemption at the option of Holders pursuant to the provisions of the Securities relating thereto, by acceleration or otherwise, and interest on the overdue principal and (to the extent permitted by law) interest, if any, on the Securities and all other obligations of the Issuer or the Subsidiary Guarantors to the Holders or the Trustee hereunder or thereunder (including amounts due the Trustee under Section 7.7 hereof) and all other obligations shall be promptly paid in full or performed, all in accordance with the terms hereof and thereof; and (b) in case of any extension of time of payment or renewal of any Securities or any of such other obligations, the same shall be promptly paid in full when due or performed in accordance with the terms of the extension or renewal, whether at maturity, by acceleration or otherwise. Failing payment when due of any amount so guaranteed, or failing performance of any other obligation of the Issuer to the Holders under this Indenture or under the Securities, for whatever reason, each Subsidiary Guarantor shall be obligated to pay, or to perform or cause the performance of, the same immediately. An Event of Default under this Indenture or the Securities shall constitute an event of default under the Subsidiary Guarantees, and shall entitle the Holders of Securities to accelerate the obligations of the Guarantors hereunder in the same manner and to the same extent as the obligations of the Issuer.

Each of the Subsidiary Guarantors shall hereby agree that its obligations hereunder shall be unconditional, irrespective of the validity, regularity or enforceability of the Securities or this Indenture, the absence of any action to enforce the same, any waiver or consent by any Holder of the Securities with respect to any provisions hereof or thereof, any release of any other Subsidiary Guarantor, the recovery of any judgment against the Issuer, any action to enforce the same, whether or not a Subsidiary Guarantee is affixed to any particular Security, or any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a Subsidiary Guarantor. Each of the Subsidiary Guarantors shall hereby waive the benefit of diligence, presentment, demand of payment, filing of claims with a court in the event of insolvency or bankruptcy of the Issuer, any right to require a proceeding first against the Issuer, protest, notice and all demands whatsoever and covenants that, except as provided in this Indenture, the Securities or its Subsidiary Guarantee, its Subsidiary Guarantee shall not be discharged except by complete performance of the obligations contained in the Securities, this Indenture and the Subsidiary Guarantees. Each Subsidiary Guarantee is a guarantee of payment and not of collection. If any Holder or the Trustee is required by any court or otherwise to return to the Issuer or to any Subsidiary Guarantor, or any custodian, trustee, liquidator or other similar official acting in relation to the Issuer or such Subsidiary Guarantor, any amount paid by the Issuer or such Subsidiary Guarantor to the Trustee or such Holder, each Subsidiary Guarantee, to the extent theretofore discharged, shall be reinstated in full force and effect. Each Subsidiary Guarantor shall hereby further agree that, as between it, on the one hand, and the Holders of Securities and the Trustee, on the other hand, (a) subject to this Article X, the maturity of the obligations guaranteed hereby may be accelerated as provided in Article VI hereof for the purposes of the Subsidiary Guarantees, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the obligations guaranteed hereby, and (b) in the event of any acceleration of such obligations as provided in Article VI hereof, such obligations (whether or not due and payable) shall forthwith become due and payable by the Subsidiary Guarantors for the purpose of the Subsidiary Guarantees.

No Affiliate, stockholder, officer, director, limited liability company member or employee, past, present or future, of any Subsidiary Guarantor, as such, shall have any personal liability under such Subsidiary Guarantor's Subsidiary Guarantee by reason of his, her or its status as such Affiliate, stockholder, officer, director, limited liability company member or employee.

10.2 Limitations on Subsidiary Guarantees The obligations of any Subsidiary Guarantor under its Subsidiary Guarantee shall be limited to the maximum amount which, after giving effect to all other contingent and fixed liabilities of such Subsidiary Guarantor and after giving effect to any collections from or payments made by or on behalf of any other Subsidiary Guarantor in respect of the obligations of such other Subsidiary Guarantor under its Subsidiary Guarantee or pursuant to its contribution obligations under this Indenture, shall result in the obligations of such Subsidiary Guarantor under the Subsidiary Guarantee not constituting a fraudulent conveyance or fraudulent transfer under federal or state law. Each Subsidiary Guarantor that makes a payment or distribution under a Subsidiary Guarantee shall be entitled to a contribution from each other Subsidiary Guarantor in an amount pro rata, based on the net assets of each Subsidiary Guarantor, determined in accordance with GAAP.

10.3 Execution and Delivery of Subsidiary Guarantee To further evidence the Subsidiary Guarantees set forth in Section 10.1, each Subsidiary Guarantor hereby agrees that a notation of its Subsidiary Guarantee, substantially in the form of Exhibit E hereto, shall be endorsed on each Security authenticated and delivered by the Trustee. The Subsidiary Guarantee of any Subsidiary Guarantor shall be executed on behalf of such Subsidiary Guarantor by either manual or facsimile signature of two Officers of such Subsidiary Guarantor, each of whom, in each case, shall have been duly authorized to so execute by all requisite corporate action. The validity and enforceability of any Subsidiary Guarantee shall not be affected by the fact that it is not affixed to any particular Security.

Each of the Subsidiary Guarantors hereby agrees that its Subsidiary Guarantee set forth in Section 10.1 shall remain in full force and effect notwithstanding any failure to endorse on each Security a notation of such Subsidiary Guarantee.

If an Officer of a Subsidiary Guarantor whose signature is on this Indenture or a Subsidiary Guarantee no longer holds that office at the time the Trustee authenticates the Security on which such Subsidiary Guarantee is endorsed or at any time thereafter, such Subsidiary Guarantor's Subsidiary Guarantee of such Security shall nevertheless be valid.

The delivery of any Security by the Trustee, after the authentication thereof hereunder, shall constitute due delivery of any Subsidiary Guarantee set forth in this Indenture on behalf of each Subsidiary Guarantor.

10.4 Release of a Subsidiary Guarantor **Upon (i) the sale, exchange, transfer or other disposition of (x) all of the Capital Stock of a Subsidiary Guarantor to any person other than the Issuer or any Restricted Subsidiary of the Issuer or (y) all or substantially all of the assets of such Subsidiary Guarantor which sale, exchange, transfer or other disposition is made in compliance with the provisions of this Indenture to any person other than the Issuer or a Restricted Subsidiary of the Issuer, (ii) the designation of a Subsidiary Guarantor as an Unrestricted Subsidiary in accordance with the terms of this Indenture or (iii) the defeasance or discharge of the Securities in accordance with the terms of this Indenture, such Subsidiary Guarantor's (or, in the case of clause (iii), each Subsidiary Guarantor's) Subsidiary Guarantee shall be automatically discharged and such Subsidiary Guarantor shall be released from all obligations under this Article X without any further action required on the part of the Subsidiary Guarantor, the Issuer, the Trustee or any Holder. Any Subsidiary Guarantor not so released or the entity surviving such Subsidiary Guarantor, as applicable, shall remain or be liable under its Subsidiary Guarantee as provided in this Article X.**

(b) The Trustee shall deliver an appropriate instrument evidencing the release of a Subsidiary Guarantor upon receipt of a request by the Issuer or such Subsidiary Guarantor accompanied by an Officers' Certificate and an Opinion of Counsel certifying as to the compliance with this Section 10.4; provided, however, that the legal counsel delivering such Opinion of Counsel may rely as to matters of fact on one or more Officers' Certificates of the Issuer.

The Trustee shall execute any documents reasonably requested by the Issuer or a Subsidiary Guarantor in order to evidence the release of such Subsidiary Guarantor from its obligations under its Subsidiary Guarantee endorsed on the Securities and under this Article X.

10.5 Waiver of Subrogation Until this Indenture is discharged and all of the Securities are discharged and paid in full, each Subsidiary Guarantor shall hereby irrevocably waive and agrees not to exercise any claim or other rights which it may now or hereafter acquire against the Issuer that arise from the existence, payment, performance or enforcement of the obligations under the Securities or this Indenture and such Subsidiary Guarantor's obligations under its Subsidiary Guarantee and this Indenture, in any such instance, including, without limitation, any right of subrogation, reimbursement, exoneration, contribution, indemnification, and any right to participate in any claim or remedy of the Holders against the Issuer, whether or not such claim, remedy or right arises in equity, or under contract, statute or common law, including, without limitation, the right to take or receive from the Issuer, directly or indirectly, in cash or other property or by set-off or in any other manner, payment or security on account of such claim or other rights. If any amount shall be paid to any Subsidiary Guarantor in violation of the preceding sentence and any amounts owing to the Trustee or the Holders of Securities under the Securities, this Indenture, or any other document or instrument delivered under or in connection with such agreements or instruments, shall not have been paid in full, such amount shall have been deemed to have been paid to such Subsidiary Guarantor for the benefit of, and held in trust for the benefit of, the Trustee or the Holders and shall forthwith be paid to the Trustee for the benefit of itself or such Holders to be credited and applied to the obligations in favor of the Trustee or the Holders, as the case may be, whether matured or unmatured, in accordance with the terms of this Indenture. Each Subsidiary Guarantor acknowledges that it will receive direct and indirect benefits from the financing arrangements contemplated by this Indenture and that the waiver set forth in this Section 10.5 is knowingly made in contemplation of such benefits.

10.6 Immediate Payment Each Subsidiary Guarantor, upon the execution and delivery of a Subsidiary Guarantee pursuant to Section 4.15, shall hereby agree to make immediate payment to the Trustee, on behalf of the Holders or itself, of all Obligations due and owing or payable to the respective Holders or the Trustee upon receipt of a demand for payment therefor by the Trustee to such Subsidiary Guarantor in writing.

10.7 No Set-Off Each payment to be made by a Subsidiary Guarantor hereunder in respect of the Obligations shall be payable in the currency or currencies in which such Obligations are denominated, and shall be made without set-off, counterclaim, reduction or diminution of any kind or nature.

10.8 Obligations Absolute The obligations of each Subsidiary Guarantor hereunder are and shall be absolute and unconditional and any monies or amounts expressed to be owing or payable by each Subsidiary Guarantor hereunder which may not be recoverable from such Subsidiary Guarantor on the basis of a Subsidiary Guarantee shall be recoverable from such Subsidiary Guarantor as a primary obligor and principal debtor in respect thereof.

10.9 Obligations Continuing The obligations of each Subsidiary Guarantor hereunder shall be continuing and shall remain in full force and effect until either all the obligations have been discharged or defeased pursuant to Article VIII or terminated pursuant to Section 10.4. Each

Subsidiary Guarantor shall hereby agree with the Trustee that it shall from time to time deliver to the Trustee suitable acknowledgments of its continued liability hereunder and under any other instrument or instruments in such form as counsel to the Trustee may advise and as shall prevent any action brought against it in respect of any default hereunder being barred by any statute of limitations now or hereafter in force and, in the event of the failure of a Subsidiary Guarantor so to do, it hereby irrevocably appoints the Trustee the attorney and agent of such Subsidiary Guarantor to make, execute and deliver such written acknowledgment or acknowledgments or other instruments as may from time to time become necessary or advisable, in the judgment of the Trustee on the advice of counsel, to fully maintain and keep in force the liability of such Subsidiary Guarantor hereunder and under its Subsidiary Guarantee.

10.10 Obligations Not Discharged Except as provided herein, the obligations of each Subsidiary Guarantor hereunder shall not be satisfied or discharged solely by the payment of such principal, premium, if any, interest, fees and other monies or amounts as may at any time prior to discharge of this Indenture pursuant to Article VIII be or become owing or payable under or by virtue of or otherwise in connection with the Securities or this Indenture.

10.11 Obligations Reinstated The obligations of each Subsidiary Guarantor hereunder shall continue to be effective or shall be reinstated, as the case may be, if at any time any payment which would otherwise have reduced the obligations of any Subsidiary Guarantor hereunder (whether such payment shall have been made by or on behalf of the Issuer or by or on behalf of a Subsidiary Guarantor) is rescinded or reclaimed from any of the Holders upon the insolvency, bankruptcy, liquidation or reorganization of the Issuer or any Subsidiary Guarantor or otherwise, all as though such payment had not been made. If demand for, or acceleration of the time for, payment by the Issuer is stayed upon the insolvency, bankruptcy, liquidation or reorganization of the Issuer, all such Indebtedness otherwise subject to demand for payment or acceleration shall nonetheless be payable by each Subsidiary Guarantor as provided herein.

10.12 Obligations Not Affected The obligations of each Subsidiary Guarantor hereunder shall, to the extent permitted by law, not be affected, impaired or diminished in any way by any act, omission, matter or thing whatsoever, occurring before, upon or after any demand for payment hereunder (and whether or not known or consented to by any Subsidiary Guarantor or any of the Holders) which, but for this provision, might constitute a whole or partial defense to a claim against any Subsidiary Guarantor hereunder or might operate to release or otherwise exonerate any Subsidiary Guarantor from any of its obligations hereunder or otherwise affect such obligations, whether occasioned by default of any of the Holders or otherwise, including, without limitation:

- (i) any limitation of status or power, disability, incapacity or other circumstance relating to the Issuer or any other Person, including any insolvency, bankruptcy, liquidation, reorganization, readjustment, composition, dissolution, winding-up or other proceeding involving or affecting the Issuer or any other Person;
- (ii) any irregularity, defect, unenforceability or invalidity in respect of any indebtedness or other obligation of the Issuer or any other Person under this Indenture, the Securities or any other document or instrument;

- (iii) any failure of the Issuer, whether or not without fault on its part, to perform or comply with any of the provisions of this Indenture or the Securities, or to give notice thereof to a Subsidiary Guarantor;
- (iv) the taking or enforcing or exercising or the refusal or neglect to take or enforce or exercise any right or remedy from or against the Issuer or any other Person or their respective assets or the release or discharge of any such right or remedy;
- (v) the granting of time, renewals, extensions, compromises, concessions, waivers, releases, discharges and other indulgences to the Issuer or any other Person;
- (vi) any change in the time, manner or place of payment of, or in any other term of, any of the Securities, or any other amendment, variation, supplement, replacement or waiver of, or any consent to departure from, any of the Securities or this Indenture, including, without limitation, any increase or decrease in the principal amount of or premium, if any, or interest on any of the Securities;
- (vii) any change in the ownership, control, name, objects, businesses, assets, capital structure or constitution of the Issuer or a Subsidiary Guarantor;
- (viii) any merger or amalgamation of the Issuer or a Subsidiary Guarantor with any Person or Persons;
- (ix) the occurrence of any change in the laws, rules, regulations or ordinances of any jurisdiction by any present or future action of any governmental authority or court amending, varying, reducing or otherwise affecting, or purporting to amend, vary, reduce or otherwise affect, any of the Obligations or the obligations of a Subsidiary Guarantor under its Subsidiary Guarantee; and
- (x) any other circumstance, including release of any other Subsidiary Guarantor pursuant to Section 10.4 (other than by complete, irrevocable payment) that might otherwise constitute a legal or equitable discharge or defense of the Issuer under this Indenture or the Securities or of another Subsidiary Guarantor in respect of its Subsidiary Guarantee hereunder;

provided that the provisions of this Section 10.12 are not intended to affect in any way any release of a Subsidiary Guarantor in accordance with the provisions of Section 10.4.

10.13 Waiver Without in any way limiting the provisions of Section 10.1, each Subsidiary Guarantor shall hereby waive notice of acceptance hereof, notice of any liability of any Subsidiary Guarantor hereunder, notice or proof of reliance by the Holders upon the obligations of any Subsidiary Guarantor hereunder, and diligence, presentment, demand for payment on the Issuer, protest, notice of dishonor or non-payment of any of the Obligations, or other notice or formalities to the Issuer or any Subsidiary Guarantor of any kind whatsoever.

10.14 No Obligation to Take Action Against the Issuer Neither the Trustee nor any other Person shall have any obligation to enforce or exhaust any rights or remedies or to take any other steps under any security for the Obligations or against the Issuer or any other Person or any

property of the Issuer or any other Person before the Trustee is entitled to demand payment and performance by any or all Subsidiary Guarantors of their liabilities and obligations under their Subsidiary Guarantees or under this Indenture.

10.15 Dealing with the Issuer and Others The Holders, without releasing, discharging, limiting or otherwise affecting in whole or in part the obligations and liabilities of any Subsidiary Guarantor and without the consent of or notice to any Guarantor, may

- (i) grant time, renewals, extensions, compromises, concessions, waivers, releases, discharges and other indulgences to the Issuer or any other Person;
- (ii) take or abstain from taking security or collateral from the Issuer or from perfecting security or collateral of the Issuer;
- (iii) release, discharge, compromise, realize, enforce or otherwise deal with or do any act or thing in respect of (with or without consideration) any and all collateral, mortgages or other security given by the Issuer or any third party with respect to the obligations or matters contemplated by this Indenture or the Securities;
- (iv) accept compromises or arrangements from the Issuer;
- (v) apply all monies at any time received from the Issuer or from any security upon such part of the Obligations as the Holders may see fit or change any such application in whole or in part from time to time as the Holders may see fit; and
- (vi) otherwise deal with, or waive or modify their right to deal with, the Issuer and all other Persons and any security as the Holders or the Trustee may see fit.

10.16 Default and Enforcement If any Subsidiary Guarantor fails to pay in accordance with Section 10.6, the Trustee may proceed in its name as trustee hereunder in the enforcement of the Subsidiary Guarantee of any such Subsidiary Guarantor and such Subsidiary Guarantor's obligations thereunder and hereunder by any remedy provided by law, whether by legal proceedings or otherwise, and to recover from such Guarantor the obligations.

10.17 Acknowledgment Each Subsidiary Guarantor shall hereby acknowledge communication of the terms of this Indenture and the Securities and shall hereby consent to and approve of the same.

10.18 Costs and Expenses Each Subsidiary Guarantor shall pay on demand by the Trustee any and all costs, fees and expenses (including, without limitation, legal fees on a solicitor and client basis) incurred by the Trustee, its agents, advisors and counsel or any of the Holders in enforcing any of their rights under any Subsidiary Guarantee.

10.19 No Merger or Waiver; Cumulative Remedies No Subsidiary Guarantee shall operate by way of merger of any of the obligations of a Subsidiary Guarantor under any other agreement, including, without limitation, this Indenture. No failure to exercise and no delay in exercising, on the part of the Trustee or the Holders, any right, remedy, power or privilege hereunder or under this Indenture or the Securities, shall operate as a waiver thereof; nor shall any single or

partial exercise of any right, remedy, power or privilege hereunder or under this Indenture or the Securities preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges in the Subsidiary Guarantee and under this Indenture, the Securities and any other document or instrument between a Subsidiary Guarantor and/or either Issuer and the Trustee are cumulative and not exclusive of any rights, remedies, powers and privilege provided by law.

10.20 Survival of Obligations Without prejudice to the survival of any of the other obligations of any Subsidiary Guarantor hereunder, the obligations of each Subsidiary Guarantor under Section 10.1 shall survive the payment in full of the Obligations under the Securities, but only if and to the extent such payment is avoided, and in such case shall be enforceable against such Subsidiary Guarantor to the same extent as prior to any such payment and without regard to and without giving effect to any defense, right of offset or counterclaim available to or which may be asserted by the Issuer or any Subsidiary Guarantor.

10.21 Subsidiary Guarantee in Addition to Other Obligations The Obligations of each Subsidiary Guarantor under its Subsidiary Guarantee and this Indenture are in addition to and not in substitution for any other Obligations to the Trustee or to any of the Holders in relation to this Indenture or the Securities and any guarantees or security at any time held by or for the benefit of any of them.

The Issuer shall make each interest payment to the holders of record on the immediately preceding March 15 and September 15. Holders must surrender Securities to a Paying Agent to collect principal payments. The Issuer shall pay principal, premium, if any and interest in money of the United States that at the time of payment is legal tender for payment of public and private debts (U.S. Legal Tender). However, the Issuer may pay principal, premium, if any, and interest by wire transfer of federal funds, or interest by check payable in such U.S. Legal Tender. The Issuer may deliver any such interest payment to the Paying Agent or to a Holder at the Holder's registered address.

3. Paying Agent and Registrar.

Initially, Wells Fargo Bank, N.A. (the Trustee) shall act as Paying Agent and Registrar. The Issuer may change any Paying Agent, Registrar or co-Registrar without notice to the Holders. The Issuer or any of its Subsidiaries may, subject to certain exceptions, act as Registrar or co-Registrar.

4. Indenture.

The Issuer issued the Securities under an Indenture, dated as of March 27, 2007 (the Indenture), among the Issuer, the Subsidiary Guarantors and the Trustee. This Security is one of a duly authorized issue of Securities of the Issuer designated as their 10% Senior Notes due 2017 (the Initial Notes). Capitalized terms herein are used as defined in the Indenture unless

otherwise defined herein. The terms of the Securities include those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act of 1939 (15 U.S.C. §§ 77aaa-77bbb) (the TIA), as in effect on the date of the Indenture until such time as the Indenture is qualified under the TIA, and thereafter the TIA as then in effect as amended from time to time. Notwithstanding anything to the contrary herein, the Securities are subject to all such terms, and Holders of Securities are referred to the Indenture and the TIA for a statement of them. The Securities are general obligations of the Issuer unlimited in amount, of which an aggregate principal amount of \$300,000,000 are being issued on the Issue Date.

5. Optional Redemption.

The Issuer may redeem the Securities, in whole or in part, at any time, on and after April 1, 2012 upon not less than 30 nor more than 60 days notice. The redemption prices (expressed as percentages of the principal amount thereof) will be as follows, if redeemed during the twelve-month period commencing on April 1 of the years set forth below, plus, in each case, accrued and unpaid interest thereon, if any, to the date of redemption (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date):

Year	Percentage
2012	105.000 %
2013	103.333 %
2014	101.667 %
2015 and thereafter	100.000 %

6. Optional Redemption with the Proceeds of Certain Equity Issuances.

At any time prior to April 1, 2010, the Issuer may redeem up to 35% of the aggregate principal amount of the Securities from time to time originally issued with the Net Cash Proceeds of one or more sales of Capital Stock (other than Disqualified Stock) of the Issuer at a redemption price of 110.00% of their principal amount, together with accrued and unpaid interest to the redemption date; provided that at least 65% of the aggregate principal amount of the Securities from time to time originally issued remains outstanding immediately after each such redemption and notice of any such redemption is mailed within 60 days of each such sale of Capital Stock.

7. Notice of Redemption.

Notice of redemption shall be mailed by first-class mail at least 30 days but not more than 60 days before the Redemption Date to each Holder of Securities to be redeemed at such Holder's registered address. If less than all of the Securities are to be redeemed, selection of the Securities for redemption shall be made by the Trustee (i) in compliance with the requirements of the principal national securities exchange, if any, on which the Securities are listed, or (ii) if the Securities are not listed on a national securities exchange, by lot or by such other method as the Trustee in its sole discretion shall deem to be fair and appropriate. However, no Securities of \$2,000 in principal amount or less shall be redeemed in part. If any note is to be redeemed in part only, the notice of redemption related to such Note shall state the portion of the principal

A-5

amount to be redeemed. A new Security in principal amount equal to the unredeemed portion shall be issued upon cancellation of the original Security.

8. Change of Control Offer.

Upon the occurrence of a Change of Control, the Issuer shall be required, as and to the extent set forth in the Indenture, to offer to purchase all of the outstanding Securities at a purchase price equal to 101% of the principal amount thereof, plus accrued and unpaid interest, if any, thereon to the date of repurchase (subject to the right of Securityholders of record on the relevant record date to receive interest due on the relevant interest payment date).

9. Limitation on Asset Sales.

The Issuer is, subject to certain conditions, obligated to make an offer to purchase Securities at 100% of their principal amount, plus accrued and unpaid interest, if any, thereon to the date of repurchase with certain Net Cash Proceeds of certain sales or other dispositions of assets in accordance with the Indenture.

10. Registration Rights.

The Holders of the Initial Notes issued on the Issue Date shall have the rights set forth in the Registration Rights Agreement dated as of March 27, 2007 among the Issuer, the Subsidiary Guarantors and the Initial Purchasers named therein.*

11. Denominations; Transfer; Exchange.

The Securities are in registered form, without coupons, in the principal amount of at least \$2,000 and integral multiples of \$1,000 thereafter. A Holder shall register the transfer of or exchange Securities in accordance with the Indenture. The Registrar may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and to pay certain transfer taxes or similar governmental charges payable in connection therewith as permitted by the Indenture. The Registrar need not register the transfer of or exchange any Securities or portions thereof selected for redemption, except the unredeemed portion of any security being redeemed in part.

12. Persons Deemed Owners.

The registered Holder of a Security shall be treated as the owner of it for all purposes.

13. Unclaimed Funds.

If funds for the payment of principal, premium, if any, or interest remain unclaimed for two years, the Trustee and the Paying Agent shall repay the funds to the Issuer at their request.

* This paragraph to be modified with respect to Securities issued after the Issue Date.

After that, all liability of the Trustee and such Paying Agent with respect to such funds shall cease.

14. Discharge Prior to Redemption or Maturity.

The Issuer and the Subsidiary Guarantors may be discharged from their obligations under the Indenture or the Securities and any Subsidiary Guarantee except for certain provisions thereof, and may be discharged from obligations to comply with certain covenants contained in the Indenture and the Securities and any Subsidiary Guarantee, in each case upon satisfaction of certain conditions specified in the Indenture.

15. Amendment; Supplement; Waiver.

Subject to certain exceptions, the Indenture, the Securities and any Subsidiary Guarantee may be amended or supplemented with the written consent of the Holders of at least a majority in aggregate principal amount of the Securities then outstanding, and any existing Default or Event of Default or compliance with any provision may be waived with the consent of the Holders of a majority in aggregate principal amount of the Securities then outstanding. Without notice to or consent of any Holder, the parties thereto may amend or supplement the Indenture, the Securities, and the Subsidiary Guarantees to, among other things, cure any ambiguity, defect or inconsistency, provide for uncertificated Securities and any Subsidiary Guarantee in addition to or in place of Physical Securities or comply with any requirements of the Commission in connection with the qualification of the Indenture under the TIA, or make any other change that does not materially and adversely affect the rights of any Holder of a Security.

16. Restrictive Covenants.

The Indenture contains certain covenants that, among other things, limit the ability of the Issuer and its Restricted Subsidiaries to make restricted payments, to incur indebtedness, to create liens, to sell assets, to permit restrictions on dividends and other payments by Restricted Subsidiaries of the Issuer to the Issuer, to consolidate, merge or sell all or substantially all of its assets or to engage in transactions with affiliates. The limitations are subject to a number of important qualifications and exceptions. The Issuer must annually report to the Trustee on compliance with such limitations.

17. Defaults and Remedies.

If an Event of Default occurs and is continuing, the Trustee or the Holders of at least 25% in aggregate principal amount of Securities then outstanding may declare all the Securities to be due and payable immediately in the manner and with the effect provided in the Indenture. Holders of Securities may not enforce the Indenture, the Securities or any Subsidiary Guarantee except as provided in the Indenture. The Trustee is not obligated to enforce the Indenture, the Securities or the Subsidiary Guarantees, if any, unless it has received indemnity satisfactory to it. The Indenture permits, subject to certain limitations therein provided, Holders of a majority in aggregate principal amount of the Securities then outstanding to direct the Trustee in its exercise of any trust or power. The Trustee may withhold from Holders of Securities notice of certain continuing Defaults or Events of Default if it determines that withholding notice is in their interest.

A-7

18. Trustee Dealings with Issuers.

The Trustee under the Indenture, in its individual or any other capacity, may become the owner or pledgee of Securities and may otherwise deal with the Issuer, their Subsidiaries or their respective Affiliates as if it were not the Trustee.

19. No Recourse Against Others.

No recourse for the payment of the principal of, premium, if any, or interest on any of the Securities or for any claim based thereon or otherwise in respect thereof, and no recourse under or upon any obligation, covenant or agreement of any Obligor in the Indenture, or in any of the Securities or Subsidiary Guarantees or because of the creation of any Indebtedness represented thereby, shall be had against any incorporator, stockholder, officer, director, employee or controlling person of the Issuer or any Subsidiary Guarantor or of any successor Person thereof. Each Holder, by accepting the Securities, waives and releases all such liability. The waiver and release are part of the consideration for the issuance of the Securities. Such waiver may not be effective to waive liabilities under the federal securities laws.

20. Authentication.

This Security shall not be valid until the Trustee or authenticating agent signs the certificate of authentication on this Security.

21. Abbreviations and Defined Terms.

Customary abbreviations may be used in the name of a Holder of a Security or an assignee, such as: TEN COM (= tenants in common), TEN ENT (= tenants by the entireties), JT TEN (= joint tenants with right of survivorship and not as tenants in common), CUST (= Custodian), and U/G/M/A (= Uniform Gifts to Minors Act).

22. Governing Law.

This Security shall be governed by, and construed in accordance with, the laws of the State of New York.

23. CUSIP and ISIN Numbers.

Pursuant to a recommendation promulgated by the Committee on Uniform Security Identification Procedures, the Issuer has caused CUSIP and ISIN numbers to be printed on the Securities as a convenience to the Holders of the Securities. No representation is made as to the accuracy of such numbers as printed on the Securities and reliance may be placed only on the other identification numbers printed hereon.

The Issuer shall pay interest (defaulted interest) on overdue principal and premium, if any, and interest on overdue installments of interest, to the extent lawful, at a rate per annum that is 2.0% in excess of the rate otherwise payable.

2. Method of Payment.

the Issuer shall pay interest on the Securities (except defaulted interest) to the persons who are the registered Holders at the close of business on the Record Date immediately preceding the Interest Payment Date even if the Securities are canceled on registration of transfer or registration of exchange after such Record Date. Holders must surrender Securities to a Paying Agent to collect principal payments. The Issuer shall pay principal, premium, if any, and interest in money of the United States that at the time of payment is legal tender for payment of public and private debts (U.S. Legal Tender). However, the Issuer may pay principal, premium, if any, and interest by wire transfer of federal funds, or interest by check payable in such U.S. Legal Tender. The Issuer may deliver any such interest payment to the Paying Agent or to a Holder at the Holder's registered address.

3. Paying Agent and Registrar.

Initially, Wells Fargo Bank, N.A. (the Trustee) shall act as Paying Agent and Registrar. The Issuer may change any Paying Agent, Registrar or co-Registrar without notice to the Holders. The Issuer or any of their Subsidiaries may, subject to certain exceptions, act as Registrar or co-Registrar.

4. Indenture.

This Security is one of a duly authorized issue of Exchange Notes of the Issuer designated as their 10% Senior Notes due 2017 (the Exchange Notes). Capitalized terms herein are used as defined in the Indenture unless otherwise defined herein. The terms of the Securities include those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act of 1939 (15 U.S.C.

B-3

§§ 77aaa-77bbb) (the TIA), as in effect on the date of the Indenture until such time as the Indenture is qualified under the TIA, and thereafter the TIA as then in effect as amended from time to time. Notwithstanding anything to the contrary herein, the Securities are subject to all such terms, and Holders of Securities are referred to the Indenture and the TIA for a statement of them. The Securities are general obligations of the Issuer unlimited in amount, of which an aggregate principal amount of \$300,000,000 were issued on the Issue Date.

5. Optional Redemption.

At any time prior to April 1, 2010, the Issuer may redeem up to 35% of the aggregate principal amount of the Securities from time to time originally issued with the Net Cash Proceeds of one or more sales of Capital Stock (other than Disqualified Stock) of the Issuer at a redemption price of 110.00 of their principal amount, together with accrued and unpaid interest to the redemption date; provided that at least 65% of the aggregate principal amount of the Securities from time to time originally issued remains outstanding immediately after each such redemption and notice of any such redemption is mailed within 60 days of each such sale of Capital Stock.

7. Notice of Redemption.

Notice of redemption shall be mailed by first-class mail at least 30 days but not more than 60 days before the Redemption Date to each Holder of Securities to be redeemed at such Holder's registered address. If less than all of the Securities are to be redeemed, selection of the Securities for redemption shall be made by the Trustee (i) in compliance with the requirements of the principal national securities exchange, if any, on which the Securities are listed, or (ii) if the Securities are not listed on a national securities exchange, by lot or by such other method as the Trustee in its sole discretion shall deem to be fair and appropriate. 9. Limitation on Asset Sales.

The Issuer is, subject to certain conditions, obligated to make an offer to purchase Securities at 100% of their principal amount, plus accrued and unpaid interest, if any, thereon to the date of repurchase with certain net cash proceeds of certain sales or other dispositions of assets in accordance with the Indenture.

10. Denominations; Transfer; Exchange.

The Securities are in registered form, without coupons, in the principal amount of at least \$2,000 and integral multiples of \$1,000 thereafter. A Holder shall register the transfer of or exchange Securities in accordance with the Indenture. The Registrar may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and to pay certain transfer taxes or similar governmental charges payable in connection therewith as permitted by the Indenture. The Registrar need not register the transfer of or exchange any Securities or portions thereof selected for redemption, except the unredeemed portion of any security being redeemed in part.

11. Persons Deemed Owners.

The registered Holder of a Security shall be treated as the owner of it for all purposes.

12. Unclaimed Funds.

If funds for the payment of principal, premium, if any, or interest remain unclaimed for two years, the Trustee and the Paying Agent shall repay the funds to the Issuer at their request. After that, all liability of the Trustee and such Paying Agent with respect to such funds shall cease.

13. Discharge Prior to Redemption or Maturity.

The Issuer and the Subsidiary Guarantors may be discharged from their obligations under the Indenture or the Securities and any Subsidiary Guarantee except for certain provisions thereof, and may be discharged from obligations to comply with certain covenants contained in the Indenture and the Securities and any Subsidiary Guarantee, in each case upon satisfaction of certain conditions specified in the Indenture.

B-5

14. Amendment; Supplement; Waiver.

Subject to certain exceptions, the Indenture, the Securities and any Subsidiary Guarantee may be amended or supplemented with the written consent of the Holders of at least a majority in aggregate principal amount of the Securities then outstanding, and any existing Default or Event of Default or compliance with any provision may be waived with the consent of the Holders of a majority in aggregate principal amount of the Securities then outstanding. Without notice to or consent of any Holder, the parties thereto may amend or supplement the Indenture, the Securities and the Subsidiary Guarantees to, among other things, cure any ambiguity, defect or inconsistency, provide for uncertificated Securities in addition to or in place of Physical Securities or comply with any requirements of the Commission in connection with the qualification of the Indenture under the TIA, or make any other change that does not materially and adversely affect the rights of any Holder of a Security.

15. Restrictive Covenants.

The Indenture contains certain covenants that, among other things, limit the ability of the Issuer and its Restricted Subsidiaries to make restricted payments, to incur indebtedness, to create liens, to sell assets, to permit restrictions on dividends and other payments by Restricted Subsidiaries of the Issuer to the Issuer, to consolidate, merge or sell all or substantially all of its assets or to engage in transactions with affiliates. The limitations are subject to a number of important qualifications and exceptions. The Issuer must annually report to the Trustee on compliance with such limitations.

16. Defaults and Remedies.

If an Event of Default occurs and is continuing, the Trustee or the Holders of at least 25% in aggregate principal amount of Securities then outstanding may declare all the Securities to be due and payable immediately in the manner and with the effect provided in the Indenture. Holders of Securities may not enforce the Indenture, the Securities or any Subsidiary Guarantee except as provided in the Indenture. The Trustee is not obligated to enforce the Indenture, the Securities or the Subsidiary Guarantees, if any, unless it has received indemnity satisfactory to it. The Indenture permits, subject to certain limitations therein provided, Holders of a majority in aggregate principal amount of the Securities then outstanding to direct the Trustee in its exercise of any trust or power. The Trustee may withhold from Holders of Securities notice of certain continuing Defaults or Events of Default if it determines that withholding notice is in their interest.

17. Trustee Dealings with Issuers.

The Trustee under the Indenture, in its individual or any other capacity, may become the owner or pledgee of Securities and may otherwise deal with the Issuer, their Subsidiaries or their respective Affiliates as if it were not the Trustee.

18. No Recourse Against Others.

No recourse for the payment of the principal of, premium, if any, or interest on any of the Securities or for any claim based thereon or otherwise in respect thereof, and no recourse under

B-6

or upon any obligation, covenant or agreement of any Obligor in the Indenture, or in any of the Securities or Subsidiary Guarantees or because of the creation of any Indebtedness represented thereby, shall be had against any incorporator, stockholder, officer, director, employee or controlling person of the Issuer or any Subsidiary Guarantor or of any successor Person thereof. Each Holder, by accepting the Securities, waives and releases all such liability. The waiver and release are part of the consideration for the issuance of the Securities. Such waiver may not be effective to waive liabilities under the federal securities laws.

Holders to exchange all the Registrable Securities for Exchange Securities and (ii) have such Registration Statement remain effective until the closing of the Exchange Offer unless extended pursuant to Section 4. The Company and the Guarantors shall commence the Exchange Offer promptly after the Exchange Offer Registration Statement is declared effective by the SEC and use their reasonable best efforts to complete the Exchange Offer not later than 60 days after such effective date.

The Company and the Guarantors shall commence the Exchange Offer by mailing the related Prospectus, appropriate letters of transmittal and other accompanying documents to each Holder stating, in addition to such other disclosures as are required by applicable law, substantially the following:

- (i) that the Exchange Offer is being made pursuant to this Agreement and that all Registrable Securities validly tendered and not properly withdrawn will be accepted for exchange;
- (ii) the dates of acceptance for exchange (which shall be a period of at least 20 Business Days from the date such notice is mailed) (the Exchange Dates);
- (iii) that any Registrable Security not tendered will remain outstanding and continue to accrue interest but will not retain any rights under this Agreement, except as otherwise specified herein;
- (iv) that any Holder electing to have a Registrable Security exchanged pursuant to the Exchange Offer will be required to surrender such Registrable Security, together with the appropriate letters of transmittal, to the institution and at the address (located in the Borough of Manhattan, The City of New York) and in the manner specified in the notice prior to the close of business on the last Exchange Date; and
- (v) that any Holder will be entitled to withdraw its election, not later than the close of business on the last Exchange Date, by sending to the institution and at the address (located in the Borough of Manhattan, The City of New York) specified in the notice, a telegram, telex, facsimile transmission or letter setting forth the name of such Holder, the principal amount of Registrable Securities delivered for exchange and a statement that such Holder is withdrawing its election to have such Securities exchanged.

As a condition to participating in the Exchange Offer, a Holder will be required to represent to the Company and the Guarantors that (i) any Exchange Securities to be received by it will be acquired in the ordinary course of its business, (ii) at the time of the commencement of the Exchange Offer it has no arrangement or understanding with any Person to participate in the distribution (within the meaning of the Securities Act) of the Exchange Securities in violation

of the provisions of the Securities Act, (iii) it is not an affiliate (within the meaning of Rule 405 under the Securities Act) of the Company or any Guarantor and (iv) if such Holder is a broker-dealer that will receive Exchange Securities for its own account in exchange for Registrable Securities that were acquired as a result of market-making or other trading activities, then such Holder will deliver a Prospectus (or, to the extent permitted by law, make available a Prospectus to purchasers) in connection with any resale of such Exchange Securities.

As soon as practicable after the last Exchange Date, the Company and the Guarantors shall:

- (i) accept for exchange Registrable Securities or portions thereof validly tendered and not properly withdrawn pursuant to the Exchange Offer; and
- (ii) deliver, or cause to be delivered, to the Trustee for cancellation all Registrable Securities or portions thereof so accepted for exchange by the Company and the Guarantors issue, and cause the Trustee to promptly authenticate and deliver to each Holder, Exchange Securities equal in principal amount to the principal amount of the Registrable Securities tendered by such Holder.

The Company and the Guarantors shall use their reasonable best efforts to complete the Exchange Offer as provided above and shall comply with the applicable requirements of the Securities Act, the Exchange Act and other applicable laws and regulations in connection with the Exchange Offer. The Exchange Offer shall not be subject to any conditions, other than that the Exchange Offer does not violate any applicable law or applicable interpretations of the Staff.

- (b) In the event that (i) the Company and the Guarantors determine that the Exchange Offer Registration provided for in Section 2(a) above is not available or may not be completed as soon as practicable after the last Exchange Date because it would violate any applicable law or applicable interpretations of the Staff, (ii) the Exchange Offer is not for any other reason completed by October 23, 2007, or (iii) upon receipt of a written request (a Shelf Request) from any Initial Purchaser representing that it holds Registrable Securities and it has been advised by counsel that such Registrable Securities are or were ineligible to be exchanged in the Exchange Offer, the Company and the Guarantors shall use their reasonable best efforts to cause to be filed as soon as practicable after such determination, date or Shelf Request, as the case may be, a Shelf Registration Statement providing for the sale of all the Registrable Securities by the Holders thereof and to have such Shelf Registration Statement become effective.

In the event that the Company and the Guarantors are required to file a Shelf Registration Statement solely as a result of the matters referred to in clause (iii) of the preceding sentence, the Company and the Guarantors shall use their reasonable best efforts to file and have become effective both an Exchange Offer Registration Statement pursuant to Section 2(a) with respect to all Registrable Securities and a Shelf Registration Statement (which may be a combined Registration Statement with the Exchange Offer Registration Statement) with respect to offers and sales of Registrable Securities held by the Initial Purchasers after completion of the Exchange Offer.

The Company and the Guarantors agree to use their reasonable best efforts to keep the Shelf Registration Statement continuously effective until the expiration of the period referred to in Rule 144(k) (or any similar rule then in force, but not Rule 144A) under the Securities Act with respect to the Registrable Securities or such shorter period that will terminate when all the Registrable Securities covered by the Shelf Registration Statement have been sold pursuant to the Shelf Registration Statement (the Shelf Effectiveness Period). The Company and the Guarantors further agree to supplement or amend the Shelf Registration Statement and the related Prospectus if required by the rules, regulations or instructions applicable to the registration form used by the Company for such Shelf Registration Statement or by the Securities Act or by any other rules and regulations thereunder or if reasonably requested by a Holder of Registrable Securities with respect to information relating to such Holder, and to use their reasonable best efforts to cause any such amendment to become effective, if required, and such Shelf Registration Statement and Prospectus to become usable as soon as thereafter practicable. The Company and the Guarantors agree to furnish to the Holders of Registrable Securities copies of any such supplement or amendment promptly after its being used or filed with the SEC.

(c) The Company and the Guarantors shall pay all Registration Expenses in connection with any registration pursuant to Section 2(a) or Section 2(b) hereof. Each Holder shall pay all underwriting discounts and commissions, brokerage commissions and transfer taxes, if any, relating to the sale or disposition of such Holder's Registrable Securities pursuant to the Shelf Registration Statement.

(d) An Exchange Offer Registration Statement pursuant to Section 2(a) hereof will not be deemed to have become effective unless it has been declared effective by the SEC. A Shelf Registration Statement pursuant to Section 2(b) hereof will not be deemed to have become effective unless it has been declared effective by the SEC or is automatically effective upon filing with the SEC as provided by Rule 462 under the Securities Act.

In the event that either the Exchange Offer is not completed or the Shelf Registration Statement, if required pursuant to Section 2(b)(i) or 2(b)(ii) hereof, has not become effective on or prior to October 23, 2007, (the Target Registration Date), the interest rate on the Registrable Securities will be increased by (i) 0.25% per annum for the first 90-day period immediately following the Target Registration Date and (ii) an additional 0.25% per annum with respect to each subsequent 90-day period, in each case until the Exchange Offer is completed or the Shelf Registration Statement, if required hereby, becomes effective or the Securities become freely tradable under the Securities Act, up to a maximum increase of 1.00% per annum. In the event that the Company receives a Shelf Request pursuant to Section 2(b)(iii), and the Shelf Registration Statement required to be filed thereby has not become effective by the later of August 24, 2007 or 90 days after delivery of such Shelf Request (such later date, the Shelf Additional Interest Date), then the interest rate on the Registrable Securities will be increased by (i) 0.25% per annum for the first 90-day period payable commencing from one day after the Shelf Additional Interest Date and (ii) an additional 0.25% per annum with respect to each subsequent 90-day period, in each case until the Shelf Registration Statement becomes effective or the Securities become freely tradable under the Securities Act, up to a maximum increase of 1.00% per annum.

If the Shelf Registration Statement, if required hereby, has become effective and thereafter either ceases to be effective or the Prospectus contained therein ceases to be usable, in each case whether or not permitted by this Agreement, at any time during the Shelf Effectiveness Period, and such failure to remain effective or usable exists for more than 30 days (whether or not consecutive) in any 12-month period, then the interest rate on the Registrable Securities will be increased by 0.25% per annum for the first 90-day period commencing on the 31st day in such 12-month period and increasing by an additional 0.25% per annum with respect to each subsequent 90-day period and ending on such date that the Shelf Registration Statement has again become effective or the Prospectus again becomes usable, up to a maximum increase of 1.00% per annum.

(e) Without limiting the remedies available to the Initial Purchasers and the Holders, the Company and the Guarantors acknowledge that any failure by the Company or the Guarantors to comply with their obligations under Section 2(a) and Section 2(b) hereof may result in material irreparable injury to the Initial Purchasers or the Holders for which there is no adequate remedy at law, that it will not be possible to measure damages for such injuries precisely and that, in the event of any such failure, the Initial Purchasers or any Holder may obtain such relief as may be required to specifically enforce the Company's and the Guarantors' obligations under Section 2(a) and Section 2(b) hereof.

(f) The Company represents, warrants and covenants that it (including its agents and representatives) will not prepare, make, use, authorize, approve or refer to any Free Writing Prospectus.

3. Registration Procedures. (a) In connection with their obligations pursuant to Section 2(a) and Section 2(b) hereof, the Company and the Guarantors shall as expeditiously as possible:

(i) prepare and file with the SEC a Registration Statement on the appropriate form under the Securities Act, which form (x) shall be selected by the Company and the Guarantors, (y) shall, in the case of a Shelf Registration, be available for the sale of the Registrable Securities by the selling Holders thereof and (z) shall comply as to form in all material respects with the requirements of the applicable form and include all financial statements required by the SEC to be filed therewith; and use their reasonable best efforts to cause such Registration Statement to become effective and remain effective for the applicable period in accordance with Section 2 hereof;

(ii) prepare and file with the SEC such amendments and post-effective amendments to each Registration Statement as may be necessary to keep such Registration Statement effective for the applicable period in accordance with Section 2 hereof and cause each Prospectus to be supplemented by any required prospectus supplement and, as so supplemented, to be filed pursuant to Rule 424 under the Securities Act; and keep each Prospectus current during the period described in Section 4(3) of and Rule 174 under the Securities Act that is applicable to transactions by brokers or dealers with respect to the Registrable Securities or Exchange Securities;

(iii) in the case of a Shelf Registration, furnish to each Holder of Registrable Securities, to counsel for the Initial Purchasers, to counsel for such Holders and to each Underwriter of an Underwritten Offering of Registrable Securities, if any, without charge, as many copies of each Prospectus or preliminary prospectus, and any amendment or supplement thereto, as such Holder, counsel or Underwriter may reasonably request in order to facilitate the sale or other disposition of such Registrable Securities; and the Company and the Guarantors consent to the use of such Prospectus, preliminary prospectus and any amendment or supplement thereto in accordance with applicable law by each of the selling Holders of Registrable Securities and any such Underwriters in connection with the offering and sale of the Registrable Securities covered by and in the manner described in such Prospectus, preliminary prospectus or any amendment or supplement thereto in accordance with applicable law;

(iv) use their reasonable best efforts to register or qualify the Registrable Securities under all applicable state securities or blue sky laws of such jurisdictions as any Holder of Registrable Securities covered by a Registration Statement shall reasonably request in writing by the time the applicable Registration Statement becomes effective; cooperate with such Holders in connection with any filings required to be made with the National Association of Securities Dealers, Inc.; and do any and all other acts and things that may be reasonably necessary or advisable to enable each Holder to

10

complete the disposition in each such jurisdiction of the Registrable Securities owned by such Holder; provided that neither the Company nor any Guarantor shall be required to (1) qualify as a foreign corporation or other entity or as a dealer in securities in any such jurisdiction where it would not otherwise be required to so qualify, (2) file any general consent to service of process in any such jurisdiction or (3) subject itself to taxation in any such jurisdiction if it is not so subject;

(v) notify counsel for the Initial Purchasers and, in the case of a Shelf Registration, notify each Holder of Registrable Securities and counsel for such Holders promptly and, if requested by any such Holder or counsel, confirm such advice in writing (1) when a Registration Statement has become effective, when any post-effective amendment thereto has been filed and becomes effective and when any supplement to the Prospectus has been filed pursuant to Rule 424(b) under the Securities Act, (2) of any request by the SEC or any state securities authority for amendments and supplements to a Registration Statement or Prospectus or for additional information after the Registration Statement has become effective, (3) of the issuance by the SEC or any state securities authority of any stop order suspending the effectiveness of a Registration Statement or the initiation of any proceedings for that purpose, including the receipt by the Company of any notice of objection of the SEC to the use of a Shelf Registration Statement or any post-effective amendment thereto pursuant to Rule 401(g)(2) under the Securities Act, (4) if, between the applicable effective date of a Shelf Registration Statement and the closing of any sale of Registrable Securities covered thereby, the representations and warranties of the Company or any Guarantor contained in any underwriting agreement, securities sales agreement or other similar agreement, if any, relating to an offering of such Registrable Securities cease to be true and correct in all material respects or if the Company or any Guarantor receives any notification with respect to the suspension of the qualification of the Registrable Securities for sale in any jurisdiction or the initiation of any proceeding for such purpose, (5) of the happening of any event during the period a Registration Statement is effective that makes any statement made in such Registration Statement or the related Prospectus untrue in any material respect or that requires the making of any changes in such Registration Statement or Prospectus in order to make the statements therein not misleading and (6) of any determination by the Company or any Guarantor that a post-effective amendment to a Registration Statement or any supplement to the Prospectus pursuant to Rule 424 (b) under the Securities Act would be appropriate;

(vi) use their reasonable best efforts to obtain the withdrawal of any order suspending the effectiveness of a Registration Statement or, in the case of a Shelf Registration, the resolution of any objection of the SEC pursuant to Rule 401(g)(2), including by filing an amendment to such Shelf Registration Statement on the proper form, at the earliest possible moment and provide immediate notice to each Holder of the withdrawal of any such order or such resolution;

(vii) in the case of a Shelf Registration, upon request, furnish to each Holder of Registrable Securities, without charge, at least one conformed copy of each Registration Statement and any post-effective amendment thereto (without any documents incorporated therein by reference or exhibits thereto, unless requested);

(viii) in the case of a Shelf Registration, cooperate with the selling Holders of Registrable Securities to facilitate the timely preparation and delivery of certificates representing Registrable Securities to be sold and not bearing any restrictive legends and enable such Registrable Securities to be issued in such denominations and registered in such names (consistent with the provisions of the Indenture) as such selling Holders may reasonably request at least two Business Days prior to the closing of any sale of Registrable Securities;

(ix) in the case of a Shelf Registration, upon the occurrence of any event contemplated by Section 3(a)(v)(5) hereof, use their reasonable best efforts to prepare and file with the SEC a supplement or post-effective amendment to such Shelf Registration Statement or the related Prospectus or any document incorporated therein by reference or file any other required document so that, as thereafter delivered (or, to the extent permitted by law, made available) to purchasers of the Registrable Securities, such Prospectus will not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; and the Company and the Guarantors shall notify the Holders of Registrable Securities to suspend use of the Prospectus as promptly as practicable after the occurrence of such an event, and such Holders hereby agree to suspend use of the Prospectus until the Company and the Guarantors have amended or supplemented the Prospectus to correct such misstatement or omission;

(x) a reasonable time prior to the filing of any Registration Statement, any Prospectus, any amendment to a Registration Statement or amendment or supplement to a Prospectus or of any document that is to be incorporated by reference into a Registration Statement or a Prospectus after initial filing of a Registration Statement, provide copies of such document to the Initial Purchasers and their counsel (and, in the case of a Shelf Registration Statement, to the Holders of Registrable Securities and their counsel) and make such of the representatives of the Company and the Guarantors as shall be reasonably requested by the Initial Purchasers or their counsel (and, in the case of a Shelf Registration Statement, the Holders of Registrable Securities or their counsel) available for discussion of such document; and the Company and the Guarantors shall not, at any time after initial filing of a Registration Statement, use or file any Prospectus, any amendment of or supplement to a Registration Statement or a Prospectus, or any document that is to be incorporated by reference into a Registration Statement or a Prospectus, of which the Initial Purchasers and their

counsel (and, in the case of a Shelf Registration Statement, the Holders of Registrable Securities and their counsel) shall not have previously been advised and furnished a copy or to which the Initial Purchasers or their counsel (and, in the case of a Shelf Registration Statement, the Holders of Registrable Securities or their counsel) shall object; except for any amendment or supplement or document (a copy of which has been previously furnished to the Initial Purchasers and their counsel (and, in the case of a Shelf Registration Statement, the Holders and their counsel)) which counsel to the Company shall advise the Company in writing is required in order to comply with applicable law;

(xi) obtain a CUSIP number for all Exchange Securities or Registrable Securities, as the case may be, not later than the initial effective date of a Registration Statement;

(xii) cause the Indenture to be qualified under the Trust Indenture Act in connection with the registration of the Exchange Securities or Registrable Securities, as the case may be; cooperate with the Trustee and the Holders to effect such changes to the Indenture as may be required for the Indenture to be so qualified in accordance with the terms of the Trust Indenture Act; and execute, and use their reasonable best efforts to cause the Trustee to execute, all documents as may be required to effect such changes and all other forms and documents required to be filed with the SEC to enable the Indenture to be so qualified in a timely manner;

(xiii) in the case of a Shelf Registration, upon reasonable request, make available for inspection by a representative of the Holders of the Registrable Securities (an Inspector), any Underwriter participating in any disposition pursuant to such Shelf Registration Statement, any attorneys and accountants designated by a majority in principal amount of the Holders of Registrable Securities to be included in such Shelf Registration and any attorneys and accountants designated by such Underwriter, at reasonable times and in a reasonable manner, all pertinent financial and other records, documents and properties of the Company and its subsidiaries, and cause the respective officers, directors and employees of the Company and the Guarantors to supply all information reasonably requested by any such Inspector, Underwriter, attorney or accountant in connection with a Shelf Registration Statement; provided that if any such information is identified by the Company or any Guarantor as being confidential or proprietary, each Person receiving such information shall take such actions as are reasonably necessary to protect the confidentiality of such information to the extent such action is otherwise not inconsistent with, an impairment of or in derogation of the rights and interests of any Inspector, Holder or Underwriter);

(xiv) use their reasonable best efforts to cause all Registrable Securities to be listed on any securities exchange or any automated quotation system on which the Securities are then listed if requested by the Majority Holders, to the extent such Registrable Securities satisfy applicable listing requirements;

(xv) if reasonably requested by any Holder of Registrable Securities covered by a Shelf Registration Statement, promptly include in a Prospectus supplement or post-effective amendment such information with respect to such Holder as such Holder reasonably requests to be included therein and make all required filings of such Prospectus supplement or such post-effective amendment as soon as the Company has received notification of the matters to be so included in such filing;

(xvi) in the case of a Shelf Registration, enter into such customary agreements and take all such other actions in connection therewith (including those requested by the Holders of a majority in principal amount of the Registrable Securities being sold in order to expedite or facilitate the disposition of such Registrable Securities including, but not limited to, an Underwritten Offering and in such connection, (1) to the extent possible, make such representations and warranties to the Holders and any Underwriters of such Registrable Securities with respect to the business of the Company and its subsidiaries and the Registration Statement, Prospectus and documents incorporated by reference or deemed incorporated by reference, if any, in each case, in form, substance and scope as are customarily made by issuers to underwriters in underwritten offerings and confirm the same if and when requested, (2) obtain opinions of counsel to the Company and the Guarantors (which counsel and opinions, in form, scope and substance, shall be reasonably satisfactory to the Holders and such Underwriters and their respective counsel) addressed to each selling Holder and Underwriter of Registrable Securities, covering the matters customarily covered in opinions requested in underwritten offerings, (3) obtain comfort letters from the independent certified public accountants of the Company and the Guarantors (and, if necessary, any other certified public accountant of any subsidiary of the Company or any Guarantor, or of any business acquired by the Company or any Guarantor for which financial statements and financial data are or are required to be included in the Registration Statement) addressed to each selling Holder (to the extent permitted by applicable professional standards) and Underwriter of Registrable Securities, such letters to be in customary form and covering matters of the type customarily covered in comfort letters in connection with underwritten offerings, including but not limited to financial information contained in any preliminary prospectus or Prospectus and (4) deliver such documents and certificates as may be reasonably requested by the Holders of a majority in principal amount of the Registrable Securities being sold or the Underwriters, and which are customarily delivered in underwritten offerings, to evidence the continued validity of the representations and warranties of the Company and the Guarantors made pursuant to clause (1) above and to evidence compliance with any customary conditions contained in an underwriting agreement; and

(b) In the case of a Shelf Registration Statement, the Company may require each Holder of Registrable Securities to furnish to the Company such information regarding such Holder and the proposed disposition by such Holder of such Registrable Securities as the Company and the Guarantors may from time to time reasonably request in writing.

(c) In the case of a Shelf Registration Statement, each Holder of Registrable Securities covered in such Shelf Registration Statement agrees that, upon receipt of any notice from the Company and the Guarantors of the happening of any event of the kind described in Section 3(a)(v)(3) or 3(a)(v)(5) hereof, such Holder will forthwith discontinue disposition of Registrable Securities pursuant to the Shelf Registration Statement until such Holder's receipt of the copies of the supplemented or amended Prospectus contemplated by Section 3(a)(ix) hereof and, if so directed by the Company and the Guarantors, such Holder will deliver to the Company and the Guarantors all copies in its possession, other than permanent file copies then in such Holder's possession, of the Prospectus covering such Registrable Securities that is current at the time of receipt of such notice.

(d) If the Company and the Guarantors shall give any notice to suspend the disposition of Registrable Securities pursuant to a Registration Statement, the Company and the Guarantors shall extend the period during which such Registration Statement shall be maintained effective pursuant to this Agreement by the number of days during the period from and including the date of the giving of such notice to and including the date when the Holders of such Registrable Securities shall have received copies of the supplemented or amended Prospectus necessary to resume such dispositions. All such suspensions shall not exceed 90 days in aggregate during any 365-day period.

(e) The Holders of Registrable Securities covered by a Shelf Registration Statement who desire to do so may sell such Registrable Securities in an Underwritten Offering. In any such Underwritten Offering, the investment bank or investment banks and manager or managers (each an Underwriter) that will administer the offering will be selected by the Holders of a majority in principal amount of the Registrable Securities included in such offering.

4. Participation of Broker-Dealers in Exchange Offer. (a) The Staff has taken the position that any broker-dealer that receives Exchange Securities for its own account in the Exchange Offer in exchange for Securities that were acquired by such broker-dealer as a result of market-making or other trading activities (a Participating Broker-Dealer) may be deemed to be an underwriter within the meaning of the Securities Act and must deliver a prospectus meeting the requirements of the Securities Act in connection with any resale of such Exchange Securities.

The Company and the Guarantors understand that it is the Staff's position that if the Prospectus contained in the Exchange Offer Registration Statement includes a plan of distribution containing a statement to the above effect and the means by which Participating Broker-Dealers may resell the Exchange Securities, without naming the Participating Broker-Dealers or specifying the amount of Exchange Securities owned by them, such Prospectus may be delivered by Participating Broker-Dealers (or, to the extent permitted by law, made available to purchasers) to satisfy their prospectus delivery obligation under the Securities Act in connection with resales of Exchange Securities for their own accounts, so long as the Prospectus otherwise meets the requirements of the Securities Act.

(b) In light of the above, and notwithstanding the other provisions of this Agreement, the Company and the Guarantors agree to amend or supplement the Prospectus contained in the Exchange Offer Registration Statement for a period of up to 120 days after the last Exchange Date (as such period may be extended pursuant to Section 3(d) of this Agreement), in order to expedite or facilitate the disposition of any Exchange Securities by Participating Broker-Dealers consistent with the positions of the Staff recited in Section 4(a) above. The Company and the Guarantors further agree that Participating Broker-Dealers shall be authorized to deliver such Prospectus (or, to the extent permitted by law, make available) during such period in connection with the resales contemplated by this Section 4.

(c) The Initial Purchasers shall have no liability to the Company, any Guarantor or any Holder with respect to any request that they may make pursuant to Section 4(b) above.

5. Indemnification and Contribution. (a) The Company and each Guarantor, jointly and severally, agree to indemnify and hold harmless each Initial Purchaser and each Holder, their respective affiliates, directors and officers and each Person, if any, who controls any Initial Purchaser or any Holder within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act, from and against any and all losses, claims, damages and liabilities (including, without limitation, legal fees and other expenses reasonably incurred in connection with any suit, action or proceeding or any claim asserted, as such fees and expenses are incurred), joint or several, that arise out of, or are based upon, (1) any untrue statement or alleged untrue statement of a material fact contained in any Registration Statement or any omission or alleged omission to state therein a material fact required to be stated therein or necessary in order to make the statements therein not misleading, or (2) any untrue statement or alleged untrue statement of a material fact contained in any Prospectus, any Free Writing Prospectus used in violation of this Agreement or any issuer information (Issuer Information) filed or required to be filed pursuant to Rule 433(d) under the Securities Act, or any omission or alleged omission to state

therein a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading, in each case except insofar as such losses, claims, damages or liabilities arise out of, or are based upon, any untrue statement or omission or alleged untrue statement or omission made in reliance upon and in conformity with any information relating to any Initial Purchaser or information relating to any Holder furnished to the Company in writing through JPMorgan or any selling Holder, respectively expressly for use therein. In connection with any Underwritten Offering permitted by Section 3, the Company and the Guarantors, jointly and severally, will also indemnify the Underwriters, if any, selling brokers, dealers and similar securities industry professionals participating in the distribution, their respective affiliates and each Person who controls such Persons (within the meaning of the Securities Act and the Exchange Act) to the same extent as provided above with respect to the indemnification of the Holders, if requested in connection with any Registration Statement, any Prospectus, any Free Writing Prospectus or any Issuer Information.

(b) Each Holder agrees, severally and not jointly, to indemnify and hold harmless the Company, the Guarantors, the Initial Purchasers and the other selling Holders, the directors of the Company and the Guarantors, each officer of the Company and the Guarantors who signed the Registration Statement and each Person, if any, who controls the Company, the Guarantors, any Initial Purchaser and any other selling Holder within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act to the same extent as the indemnity set forth in paragraph (a) above, but only with respect to any losses, claims, damages or liabilities that arise out of, or are based upon, any untrue statement or omission or alleged untrue statement or omission made in reliance upon and in conformity with any information relating to such Holder furnished to the Company in writing by such Holder expressly for use in any Registration Statement and any Prospectus.

(c) If any suit, action, proceeding (including any governmental or regulatory investigation), claim or demand shall be brought or asserted against any Person in respect of which indemnification may be sought pursuant to either paragraph (a) or (b) above, such Person (the Indemnified Person) shall promptly notify the Person against whom such indemnification may be sought (the Indemnifying Person) in writing; provided that the failure to notify the Indemnifying Person shall not relieve it from any liability that it may have under this Section 5 except to the extent that it has been materially prejudiced (through the forfeiture of substantive rights or defenses) by such failure; and provided, further, that the failure to notify the Indemnifying Person shall not relieve it from any liability that it may have to an Indemnified Person otherwise than under this Section 5. If any such proceeding shall be brought or asserted against an Indemnified Person and it shall have notified the Indemnifying Person thereof, the Indemnifying Person shall retain counsel reasonably satisfactory to the Indemnified Person to represent the Indemnified Person and any others entitled to indemnification

pursuant to this Section 5 that the Indemnifying Person may designate in such proceeding and shall pay the fees and expenses of such proceeding and shall pay the fees and expenses of such counsel related to such proceeding, as incurred. In any such proceeding, any Indemnified Person shall have the right to retain its own counsel, but the fees and expenses of such counsel shall be at the expense of such Indemnified Person unless (i) the Indemnifying Person and the Indemnified Person shall have mutually agreed to the contrary; (ii) the Indemnifying Person has failed within a reasonable time to retain counsel reasonably satisfactory to the Indemnified Person; (iii) the Indemnified Person shall have reasonably concluded that there may be legal defenses available to it that are different from or in addition to those available to the Indemnifying Person; or (iv) the named parties in any such proceeding (including any impleaded parties) include both the Indemnifying Person and the Indemnified Person and representation of both parties by the same counsel would be inappropriate due to actual or potential differing interests between them. It is understood and agreed that the Indemnifying Person shall not, in connection with any proceeding or related proceeding in the same jurisdiction, be liable for the fees and expenses of more than one separate firm (in addition to any local counsel) for all Indemnified Persons, and that all such fees and expenses shall be reimbursed as they are incurred. Any such separate firm (x) for any Initial Purchaser, its affiliates, directors and officers and any control Persons of such Initial Purchaser shall be designated in writing by JPMorgan, (y) for any Holder, its directors and officers and any control Persons of such Holder shall be designated in writing by the Majority Holders and (z) in all other cases shall be designated in writing by the Company. The Indemnifying Person shall not be liable for any settlement of any proceeding effected without its written consent, but if settled with such consent or if there be a final judgment for the plaintiff, the Indemnifying Person agrees to indemnify each Indemnified Person from and against any loss or liability by reason of such settlement or judgment. No Indemnifying Person shall, without the written consent of the Indemnified Person, effect any settlement of any pending or threatened proceeding in respect of which any Indemnified Person is or could have been a party and indemnification could have been sought hereunder by such Indemnified Person, unless such settlement (A) includes an unconditional release of such Indemnified Person, in form and substance reasonably satisfactory to such Indemnified Person, from all liability on claims that are the subject matter of such proceeding and (B) does not include any statement as to or any admission of fault, culpability or a failure to act by or on behalf of any Indemnified Person.

(d) If the indemnification provided for in paragraphs (a) and (b) above is unavailable to an Indemnified Person or insufficient in respect of any losses, claims, damages or liabilities referred to therein, then each Indemnifying Person under such paragraph, in lieu of indemnifying such Indemnified Person thereunder, shall contribute to the amount paid or payable by such Indemnified Person as a result of such losses, claims, damages or liabilities (i) in such proportion as is appropriate to reflect the relative benefits received by the

Company and the Guarantors from the offering of the Securities and the Exchange Securities, on the one hand, and by the Holders from receiving Securities or Exchange Securities registered under the Securities Act, on the other hand, or (ii) if the allocation provided by clause (i) is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) but also the relative fault of the Company and the Guarantors on the one hand and the Holders on the other in connection with the statements or omissions that resulted in such losses, claims, damages or liabilities, as well as any other relevant equitable considerations. The relative fault of the Company and the Guarantors on the one hand and the Holders on the other shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company and the Guarantors or by the Holders and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission.

(e) The Company, the Guarantors and the Holders agree that it would not be just and equitable if contribution pursuant to this Section 5 were determined by pro rata allocation (even if the Holders were treated as one entity for such purpose) or by any other method of allocation that does not take account of the equitable considerations referred to in paragraph (d) above. The amount paid or payable by an Indemnified Person as a result of the losses, claims, damages and liabilities referred to in paragraph (d) above shall be deemed to include, subject to the limitations set forth above, any legal or other expenses incurred by such Indemnified Person in connection with any such action or claim. Notwithstanding the provisions of this Section 5, in no event shall a Holder be required to contribute any amount in excess of the amount by which the total price at which the Securities or Exchange Securities sold by such Holder exceeds the amount of any damages that such Holder has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No Person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any Person who was not guilty of such fraudulent misrepresentation. The Holders' obligations to contribute pursuant to this Section 5 are several and not joint.

(f) The remedies provided for in this Section 5 are not exclusive and shall not limit any rights or remedies that may otherwise be available to any Indemnified Person at law or in equity.

(g) The indemnity and contribution provisions contained in this Section 5 shall remain operative and in full force and effect regardless of (i) any termination of this Agreement, (ii) any investigation made by or on behalf of the Initial Purchasers or any Holder or any Person controlling any Initial Purchaser or any Holder, or by or on behalf of the Company or the Guarantors or the officers or directors of or any Person controlling the Company or the Guarantors, (iii)

acceptance of any of the Exchange Securities and (iv) any sale of Registrable Securities pursuant to a Shelf Registration Statement.

6. General.

(a) *No Inconsistent Agreements.* The Company and the Guarantors represent, warrant and agree that (i) the rights granted to the Holders hereunder do not in any way conflict with and are not inconsistent with the rights granted to the holders of any other outstanding securities issued or guaranteed by the Company or any Guarantor under any other agreement and (ii) neither the Company nor any Guarantor has entered into, or on or after the date of this Agreement will enter into, any agreement that is inconsistent with the rights granted to the Holders of Registrable Securities in this Agreement or otherwise conflicts with the provisions hereof.

(b) *Amendments and Waivers.* The provisions of this Agreement, including the provisions of this sentence, may not be amended, modified or supplemented, and waivers or consents to departures from the provisions hereof may not be given unless the Company and the Guarantors have obtained the written consent of Holders of at least a majority in aggregate principal amount of the outstanding Registrable Securities affected by such amendment, modification, supplement, waiver or consent; provided that no amendment, modification, supplement, waiver or consent to any departure from the provisions of Section 5 hereof shall be effective as against any Holder of Registrable Securities unless consented to in writing by such Holder. Any amendments, modifications, supplements, waivers or consents pursuant to this Section 6(b) shall be by a writing executed by each of the parties hereto.

(c) *Notices.* All notices and other communications provided for or permitted hereunder shall be made in writing by hand-delivery, registered first-class mail, telex, telecopier, or any courier guaranteeing overnight delivery (i) if to a Holder, at the most current address given by such Holder to the Company by means of a notice given in accordance with the provisions of this Section 6(c), which address initially is, with respect to the Initial Purchasers, the address set forth in the Purchase Agreement; (ii) if to the Company and the Guarantors, initially at the Company's address set forth in the Purchase Agreement and thereafter at such other address, notice of which is given in accordance with the provisions of this Section 6(c); and (iii) to such other persons at their respective addresses as provided in the Purchase Agreement and thereafter at such other address, notice of which is given in accordance with the provisions of this Section 6(c). All such notices and communications shall be deemed to have been duly given: at the time delivered by hand, if personally delivered; five Business Days after being deposited in the mail, postage prepaid, if mailed; when answered back, if telexed; when receipt is acknowledged, if telecopied; and on the next Business Day if timely delivered to an air courier guaranteeing overnight delivery. Copies of all such notices, demands or other communications shall be

concurrently delivered by the Person giving the same to the Trustee, at the address specified in the Indenture.

(d) *Successors and Assigns.* This Agreement shall inure to the benefit of and be binding upon the successors, assigns and transferees of each of the parties, including, without limitation and without the need for an express assignment, subsequent Holders; provided that nothing herein shall be deemed to permit any assignment, transfer or other disposition of Registrable Securities in violation of the terms of the Purchase Agreement or the Indenture. If any transferee of any Holder shall acquire Registrable Securities in any manner, whether by operation of law or otherwise, such Registrable Securities shall be held subject to all the terms of this Agreement, and by taking and holding such Registrable Securities such Person shall be conclusively deemed to have agreed to be bound by and to perform all of the terms and provisions of this Agreement and such Person shall be entitled to receive the benefits hereof. The Initial Purchasers (in their capacity as Initial Purchasers) shall have no liability or obligation to the Company or the Guarantors with respect to any failure by a Holder to comply with, or any breach by any Holder of, any of the obligations of such Holder under this Agreement.

(e) *Third Party Beneficiaries.* Each Holder shall be a third party beneficiary to the agreements made hereunder between the Company and the Guarantors, on the one hand, and the Initial Purchasers, on the other hand, and shall have the right to enforce such agreements directly to the extent it deems such enforcement necessary or advisable to protect its rights or the rights of other Holders hereunder.

(f) *Counterparts.* This Agreement may be executed in any number of counterparts and by the parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

(g) *Headings.* The headings in this Agreement are for convenience of reference only, are not a part of this Agreement and shall not limit or otherwise affect the meaning hereof.

(h) *Governing Law.* This Agreement shall be governed by and construed in accordance with the laws of the State of New York.

(j) *Entire Agreement; Severability.* This Agreement contains the entire agreement between the parties relating to the subject matter hereof and supersedes all oral statements and prior writings with respect thereto. If any term, provision, covenant or restriction contained in this Agreement is held by a court of competent jurisdiction to be invalid, void or unenforceable or against public policy, the remainder of the terms, provisions, covenants and restrictions contained herein shall remain in full force and effect and shall in no way be

affected, impaired or invalidated. The Company, the Guarantors and the Initial Purchasers shall endeavor in good faith negotiations to replace the invalid, void or unenforceable provisions with valid provisions the economic effect of which

comes as close as possible to that of the invalid, void or unenforceable provisions.
