Item 8.01 Other Events.

As described on Form 8-K filed December 21, 2006, Magnetek, Inc. received an initial production order for delivery of 60 wind power inverters valued at more than \$7 million from a leading wind power company. The order contained scheduled shipment dates beginning in mid-2007 with all 60 inverters scheduled to ship within calendar 2007. Scheduled shipment dates under the order have been modified based upon mutual agreement between Magnetek and its customer. The revised shipment dates reflect one unit to be shipped in September with the remaining units scheduled to ship between October 2007 and March 2008.

This release contains forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995, including statements regarding the Company's anticipated financial results for its fiscal year ending June 29, 2008. These forward-looking statements are based on the Company's expectations and are subject to risks and uncertainties that cannot be predicted or quantified and are beyond the Company's control. These risks and uncertainties include effects of economic, market and operating conditions on the Company and its financial results. Other factors that could cause actual results to differ materially from expectations are described in the Company's reports filed with the Securities and Exchange Commission pursuant to the Securities Exchange Act of 1934.

SIGNATURES
