Communication to employees, posted to Watson Wyatt Worldwide, Inc.'s internal website, Insite on October 17, 2007.

Attention All Stockholders

2007 Proxies have been mailed.
17 Oct 2007

If you own Watson Wyatt Worldwide, Inc. stock, your proxy, ballot and Annual Report to Stockholders (proxy materials) are being distributed to you, starting October 16, 2007.

As a Watson Wyatt stockholder, if you have not elected to receive your proxy materials electronically, you will receive your proxy materials via first class mail to your home address on file with your broker or the transfer agent. If you have elected to receive your proxy materials electronically, you will receive an email this week containing this information at the email address you provided when you enrolled for electronic delivery of proxy materials.

The record date for the proxy and annual meeting was October 1, 2007.

As in the past, you will be able to vote your proxy electronically through the Internet or by mail, and in the US and Canada, by telephone using the control number on your ballot.

Please note some associate stockholders may receive more than one set of proxy materials. If you receive more than one set of proxy materials, this is due to the way your shares are held both as registered and beneficially owned shares.

Registered Shares are Class A shares (former B-1 or B-2 shares that converted in October 2001 and October 2002) held in paper certificates on the records of the Company's transfer agent, American Stock Transfer.

Beneficially Owned Shares are either (i) Class A shares (former B-1 or B-2 shares, ESPP shares, RSU shares, or options exercised and held) held in an account at Citi Smith Barney or (ii) Class A shares you may have purchased on the open market and held at Citi Smith Barney or with another broker.

Edgar Filing: Watson Wyatt Worldwide, Inc. - Form DEFA14A

Regardless of how you receive your proxy materials, it is important that you vote and return **all** proxies promptly. More details and instructions about the proxy voting process and a Q&A are posted on Insite at Proxy Process Q&A.

How will I receive my Proxy Information?

Edgar Filing: Watson Wyatt Worldwide, Inc. - Form DEFA14A

All Watson Wyatt associate stockholders will receive their Proxy materials by mail, unless they have signed up to have their proxy materials delivered electronically via the <https://www.icsdelivery.com/ww/index.asp> website.

Why did I receive more than one set of Proxy Materials?

Edgar Filing: Watson Wyatt Worldwide, Inc. - Form DEFA14A

Some associate stockholders may receive more than one ballot by regular mail because the shares may be held in different ways, both beneficial and registered.

Beneficial Shares include class A shares that: (i) are former B-1 or B-2 shares, ESPP shares or options exercised, which are held in accounts at Smith Barney Citigroup, including shares that are subject to lock-up agreements; (ii) were transferred to another broker from Smith Barney Citigroup; and/or (iii) may have been purchased on the open market and which are held at Smith Barney Citigroup or with another broker.

Registered Shares include shares that are: (i) class A shares (former B-1 and B-2 shares that converted in October 2001 and in October 2002) held in paper certificates on the records of the Company's transfer agent, American Stock Transfer.

Regardless of how many proxy ballots you receive, it is very important you vote all your proxies promptly.

Please vote all the ballots you receive. Why?

Edgar Filing: Watson Wyatt Worldwide, Inc. - Form DEFA14A

If you receive more than one ballot, but only vote one of the ballots, all the shares that you own will not be voted. To ensure that all your shares will be voted at the Annual Meeting, please vote all ballots received. You may vote by mail, by phone or through the Internet.
