Item 3.03 Material Modification to Rights of Security Holders

The Snap-on Incorporated (the Company) Shareholder Rights Agreement (the Rights Agreement) expired on November 3, 2007, in accordance with a Board of Directors determination to permit that expiration. The Rights Agreement, entered into as of August 22, 1997, provided for a dividend distribution of one preferred stock repurchase right for each share of the Company's outstanding common stock exercisable upon the occurrence of certain events set forth therein, namely, if a person or group (the Acquiring Person) acquires 15% or more of the Company's common stock or publicly announces a tender offer to become an Acquiring Person. As a result of the decision to allow the Rights Agreement to expire in accordance with its terms, the stock purchase rights under the Rights Agreement have terminated and are no longer effective.

Item 5.03. Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

On November 1, 2007, the Board of Directors of the Company amended Article V of the Company's bylaws (the Bylaws), effective as of that date, to allow for the issuance of uncertificated (i.e., book entry) shares. By being able to issue uncertificated shares, the Company may now participate in the Direct Registration System, which is currently administered by The Depository Trust Company. The Direct Registration System allows investors to have securities registered in their names without the issuance of physical certificates and allows investors to electronically transfer securities to broker-dealers in order to effect transactions without the risks and delays associated with transferring physical certificates.

The full text of the Bylaws, as amended, is filed as Exhibit 3.1 to this Current Report on Form 8-K, and amended Article V thereof is incorporated herein by reference.
