**Section 5 Corporate Governance and Management**

**Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year**

On December 5, 2007, our Board of Directors, upon recommendation of the Corporate Governance and Nominating Committee, adopted amendments to the Company's Amended and Restated Bylaws that provide for (i) a majority voting standard for uncontested director elections and (ii) a mechanism for consideration of the resignation of an incumbent director who does not receive a majority of the votes cast in an uncontested election.

Our Board adopted amendments to Article II Section 9 of the Bylaws to change the vote standard for the election of directors in an uncontested election from a plurality to a majority of the votes cast. Under the adopted majority voting standard, a majority of the votes cast means that the number of shares voted for a director nominee must exceed the number of votes cast against that director nominee. In contested elections where the number of nominees exceeds the number of directors to be elected, the vote standard will continue to be a plurality of votes cast.

In addition, our Board adopted amendments to Article III, Section 1 to provide that if an incumbent director is nominated in an uncontested election, the director nominee is required, as a condition of the director's nomination, to submit an irrevocable letter of resignation to the Chairman of the Board. If an incumbent director nominee does not receive a majority of the votes cast, the Corporate Governance and Nominating Committee will make a recommendation to the Board on whether to accept or reject the resignation, or whether other action should be taken. The Board will act on the Committee's recommendation and publicly disclose its decision within 90 days from the date of certification of the election results. The director whose resignation is being considered will not participate in the recommendation of the Committee or the Board's decision.

In addition, our Board approved certain other non-material changes to our Bylaws that are primarily clerical in nature and designed to update and conform our Bylaws with the current Delaware General Corporation Law, including, among other things, allowing (i) the use of electronic transmission for items that previously required a written instrument, such as notices, consents, written ballots, resignations and other communications and (ii) stockholder meetings to be held solely by means of remote communication.

The foregoing is a summary of the amendments to the Bylaws and is qualified in its entirety by the Amended and Restated Bylaws, a copy of which is included as Exhibit 3.1 to this Form 8-K and is incorporated into this Item 5.03 by reference.
