**Item 8.01. Other Events.**

At the Citi Entertainment, Media and Telecommunications conference on Tuesday, Barry Diller, CEO of IAC, made certain remarks about recent performance of the Company's HSN business unit. His remarks were misunderstood to mean that fourth quarter revenue growth for the Company's HSN business unit was 20% over the prior year, but his intent was to convey that individual days were frequently showing up to 20% or greater growth over the prior year. For the full fourth quarter, the Company currently expects HSN's revenue growth (excluding revenue from America's Store which was included in the year-ago quarter only given that it has ceased operations) to be approximately 8%.
