**Item 5.02** **Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.**

On February 19, 2008, the Organization and Compensation Committee (the Committee) of the Board of Directors of Sealed Air Corporation (the Company) approved a new Annual Incentive Plan (the Plan). The purpose of the Plan is to enhance the ability of the Company to motivate, attract, and retain the services of individuals upon whose judgment, interest, and special effort the successful conduct of the Company's operation is largely dependent. The Plan furthers these goals by providing eligible employees of the Company an opportunity to participate in the Company's success by earning annual incentive compensation in the form of a cash bonus (or in certain cases, as noted below, a stock award) based on the achievement by the Company of certain pre-established goals and the employees' contributions towards meeting the goals. The Plan includes the creation and allocation of a Company-wide annual bonus pool.

The Plan is attached hereto as Exhibit 10.1 and is incorporated herein by reference.

The Company's principal executive officer, principal financial officer and other named executive officers for whom disclosure was required pursuant to Item 402(c) of Regulation S-K under the Exchange Act, in the Company's proxy statement for the 2007 annual meeting of stockholders, are eligible to participate in the Plan, together with other Company officers as well as key employees selected for participation by the Committee.

The Plan contains a provision pursuant to which Company officers and senior executives selected by the Committee will be given a leveraged opportunity to receive restricted stock or restricted stock units granted under the Company's 2005 Contingent Stock Plan in lieu of cash as all or part of their annual bonus award. This stock leverage opportunity component of the Plan is subject to stockholder approval of amendments to the 2005 Contingent Stock Plan at the 2008 annual meeting.
