CURRENT REPORT

**Item 1.01. Entry into a Material Definitive Agreement.**

As of April 1, 2001, W. R. Grace & Co. and those of its subsidiaries that are currently pursuing reorganization under Chapter 11 of the U.S. Bankruptcy Code (the Company) entered into a debtor-in-possession post-petition loan and security agreement (the DIP Facility) with Bank of America, N.A., as administrative agent for a syndicate of lenders (the Agent) providing for up to \$250 million of revolving loans and face amount of letters of credit. The DIP Facility was subsequently extended by amendments through April 1, 2008.

As of March 31, 2008, the Company entered into Amendment No. 6 (the Amendment) to the DIP Facility with the Agent that reduces the amount of revolving loans and face amount of letters of credit permitted to a maximum of \$165 million, and extends the expiration date of the DIP Facility to the earlier of April 1, 2010 or the Company's emergence from Chapter 11. The Amendment also permits the increase of commitments of existing lenders and/or commitments by new lenders up to an aggregate maximum of \$250 million. The Amendment has been approved by the bankruptcy court supervising the Company's Chapter 11 case. This description of the Amendment does not purport to be complete and is qualified in its entirety by reference to the Amendment, which is filed as an exhibit to this Report.

As of March 31, 2008, the Company has no revolving loans and \$61.4 million of standby letters of credit issued and outstanding under the DIP Facility. These letters of credit and other holdback provisions under the DIP Facility, as amended by the Amendment, reduce the aggregate unused availability for revolving loans and letters of credit to \$103.6 million. The letters of credit were issued mainly for trade-related matters such as performance bonds, as well as certain insurance and environmental matters.
