If a quorum is present, the persons named as proxies will vote those proxies which they are entitled to vote FOR any proposal in favor of such adjournment and will vote those proxies required to be voted AGAINST any proposal against such adjournment.

PROPOSAL 1: TO ELECT TWO (2) TRUSTEES OF THE FUND

NOMINEES FOR THE BOARD OF TRUSTEES

The Board of Trustees is divided into three classes, each class having a term of three years. Each year the term of office of one class will expire. Jeremy W. Deems and Jeremy O. May have both been nominated by the Board of Trustees for a three-year term to expire at the Fund's 2013 Annual Meeting of Shareholders or until their successors are duly elected and qualified.

Under the Fund's Agreement and Declaration of Trust (Declaration of Trust), Statement of Preferences of Auction Market Preferred Shares (Statement of Preferences) and the Investment Company Act of 1940, as amended (the 1940 Act), holders of the Fund's outstanding Preferred Shares, voting as a separate class, are entitled to elect two Trustees, and holders of the Fund's outstanding Common Shares and Preferred Shares, voting as a single class, are entitled to elect the remaining Trustees, subject to the provisions of the 1940 Act and the Fund's Declaration of Trust,

Edgar Filing: REAVES UTILITY INCOME FUND - Form DEF 14A

Statement of Preferences and By-Laws. The holders of the Fund's outstanding Preferred Shares would be entitled to elect the minimum number of additional Trustees that would

represent a majority of the Trustees if dividends on the Fund's Preferred Shares are in arrears for two full years. No dividend arrearages exist at this time. Jeremy W. Deems is the nominee for election as Trustee at the Meeting to be elected solely by the holders of the Fund's Preferred Shares.

Unless authority is withheld, it is the intention of the persons named in the proxy to vote the proxy FOR the election of the nominees named above. Each nominee has indicated that he has consented to serve as a Trustee if elected at the Meeting. If a designated nominee declines or otherwise becomes unavailable for election, however, the proxy confers discretionary power on the persons named therein to vote in favor of a substitute nominee or nominees.

AUDIT COMMITTEE REPORT

The role of the Fund's Audit Committee is to assist the Board of Trustees in its oversight of (i) the quality and integrity of Fund's financial statements, reporting process and the independent registered public accounting firm (the independent accountants) and reviews thereof, (ii) the Fund's accounting and financial reporting policies and practices, its internal controls and, as appropriate, the internal controls of certain service providers, (iii) the Fund's compliance with legal and regulatory requirements and (iv) the independent accountants' qualifications, independence and performance. The Audit Committee is also required to prepare an audit committee report pursuant to the rules of the SEC for inclusion in the Fund's annual proxy statement. The Audit Committee operates pursuant to the Audit Committee Charter (the Charter) that was most recently reviewed and approved by the Board of Trustees on September 8, 2009. The Charter is attached herein as Appendix A to the Fund's Proxy Statement. As set forth in the Charter, management is responsible for maintaining appropriate systems for accounting and internal control, and the Fund's independent accountants are responsible for planning and carrying out proper audits and reviews. The independent accountants are ultimately accountable to the Board of Trustees and to the Audit Committee, as representatives of shareholders. The independent accountants for the Fund report directly to the Audit Committee.

In performing its oversight function, at a meeting held on December 8, 2009, the Audit Committee reviewed and discussed with management of the Fund and the independent accountants, Deloitte & Touche LLP (Deloitte), the audited financial statements of the Fund as of and for the fiscal year ended October 31, 2009, and discussed the audit of such financial statements with the independent accountants.

In addition, the Audit Committee discussed with the independent accountants the accounting principles applied by the Fund and such other matters brought to the attention of the Audit Committee by the independent accountants required by Statement of Auditing Standards No. 114, *The Auditor's Communication With Those Charged With Governance*, as currently modified or supplemented and No. 61, as amended (AICPA, *Professional Standards*, Vol. 1 AU section 380), as adopted by the Public Company Accounting Oversight Board (PCAOB) in Rule 3200T. The Audit Committee also received from the independent accountants the written disclosures and letters required by Independence Standards Board Standard No. 1 (*Independence Discussions With Audit Committees*) as adopted by the PCAOB in Rule 3600T and discussed the relationships between the independent accountants and the Fund and the impact that any such relationships might have on the objectivity and independence of the independent accountants.

As set forth above, and as more fully set forth in the Charter, the Audit Committee has significant duties and powers in its oversight role with respect to the Fund's financial reporting procedures, internal control systems and the independent audit process.

The members of the Audit Committee are not, and do not represent themselves to be, professionally engaged in the practice of auditing or accounting and are not employed by the Fund for accounting, financial management or internal control purposes. Moreover, the Audit Committee relies on and makes no independent verification of the facts presented to it or representations made by management or independent verification of the facts presented to it or representations made by management or the Fund's independent accountants. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and/or financial reporting principles and policies, or internal controls and procedures, designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions referred to above do not provide assurance that the audit of the Fund's financial statements has been carried out in accordance with generally accepted accounting standards or that the financial statements are presented in accordance with generally accepted accounting principles.

Based on the findings of the Audit Committee, the Audit Committee has determined that it has two audit committee financial experts, as defined in the rules promulgated by the SEC, and as required by NYSE Amex Equities listing standards; namely, Jeremy W. Deems and Michael E. Holland.

Based on its consideration of the audited financial statements and the discussions referred to above with management and the Fund's independent accountants, and subject to the limitations on the responsibilities and role of the Audit Committee set forth in the Charter and those discussed above, the Audit Committee recommended to the Board of Trustees that the Fund's audited financial statements be included in the Fund's Annual Report for the fiscal year ended October 31, 2009.

non-audit services to be provided by the auditors to the Fund's investment adviser and service providers controlling, controlled by or under common control with the Fund's investment adviser (affiliates) that provide on-going services to the Fund (a Covered Services Provider), if the engagement relates directly to the operations and financial reporting of the Fund. The Audit Committee may delegate its responsibility to pre-approve any such audit and permissible non-audit services to the Chairman of the Audit Committee, and the Chairman must report to the Audit Committee, at its next regularly scheduled meeting after the Chairman's pre-approval of such services, his decision(s). The Audit Committee may also establish detailed pre-approval policies and procedures for pre-approval of such services in accordance with applicable laws, including the delegation of some or all of the Audit Committee's pre-approval responsibilities to other persons (other than the Adviser or the Fund's officers). Pre-approval by the Audit Committee of any permissible non-audit services is not required so long as: (i) the aggregate amount of all such permissible non-audit services provided to the Fund, the investment adviser and any Covered Services Provider constitutes not more than 5% of the total amount of revenues paid by the Fund to its independent accountants during the fiscal year in which the permissible non-audit services are provided; (ii) the permissible non-audit services were not recognized by the Fund at the time of the engagement to be non-audit services; and (iii) such services are promptly brought to the attention of the Audit Committee and approved by the Audit Committee or the Chairman prior to the completion of the audit. All of the audit, audit-related, tax services and all other services described above for which Deloitte billed the Fund fees for the fiscal years ended October 31, 2009 and October 31, 2008 were pre-approved by the Audit Committee.
