**Diageo launches Exchange Offer for outstanding Notes due 2014**

14 April 2010

Diageo plc

Diageo, the world's leading premium drinks business, today launched an exchange offer for up to \$1 billion aggregate principal amount of Diageo's outstanding 7.375% Notes due 2014 on the terms and subject to the conditions set forth in the related Prospectus and letter of transmittal. Diageo is offering to exchange such notes for a cash payment plus an equal principal amount of new notes due 15 July 2020 to be issued by Diageo Capital plc, with payment of principal and interest fully guaranteed by Diageo plc.

The exchange offer will expire at 5:00 p.m., New York City time, on 12 May 2010 (unless extended).

*The purpose of the exchange offer is to refinance a portion of the 2014 notes in order to improve Diageo's debt maturity profile and decrease funding costs.*

The coupon on the new notes is expected to be determined on 10 May 2010 and will be calculated as 100 basis points over the yield of the reference U.S. Treasury security, plus additional basis points in respect of accrued but unpaid interest to, but not including, the date of settlement of the exchange offer.

For each \$1,000 principal amount of 2014 notes accepted for exchange, holders will also receive a cash payment calculated as (a) the value of the remaining payments of principal and interest (less accrued interest) on such notes discounted at a rate of 50 basis points over the yield of the reference U.S. Treasury security, minus (b) \$1,000. This cash payment includes an early exchange premium of \$50 per \$1,000 principal amount of notes accepted for exchange, but only holders who validly tender their notes on or prior to 5:00 p.m., New York City time, on 27 April 2010 (unless extended), will be eligible to receive the early exchange premium. Holders who validly tender notes thereafter but before the expiration date will receive cash consideration that does not include the early exchange premium.

Any notes previously tendered in the exchange offer may be withdrawn at any time prior to the expiration date.

## Edgar Filing: DIAGEO PLC - Form 6-K

The exchange offer is conditional on at least \$500 million aggregate principal amount of 2014 notes being validly tendered and not validly withdrawn by the expiration date, as well as other conditions.
