**Notes:**

- The consolidated financial statements of Patni Computer Systems Limited and its subsidiaries have been prepared in accordance with the accounting principles generally accepted in the United States of America ( US GAAP ). All inter-company transactions have been eliminated on consolidation.
- In December 2008, the Company received a Demand of approximately Rs. 4,587 for the Assessment Year (A.Y.) 2003-04 including an interest demand of Rs. 2,586 (\$ 102 including an interest demand of approximately \$ 58) and another Demand in January 2009 of approximately Rs. 11,330 for the A.Y. 2005-06 including an interest demand of approximately Rs. 4,225 (\$ 252 including an interest demand of approximately \$ 94). These new demands concern the same issue of disallowance of tax benefits under Section 10A of the Indian Income Tax Act, 1961( ACT ) as per earlier assessments. The Company has filed an appeal with the tax authorities and stay of demand has been granted till 30 June 2010 or settlement of appeal whichever is earlier.

## Edgar Filing: Patni Computer Systems LTD - Form 6-K

As per stay of demand order, till March 2010, the Company has paid sum of Rs. 660 (\$ 15) for the A.Y. 2003-04 and Rs. 2,218 (\$ 49) for the A.Y. 2005-06 as regards the matter under appeal. Management considers these demands as not tenable against the Company, and therefore, no provision for this tax contingency has been established.

The tax department had earlier rejected the Company's claim under section 10A of the Act and raised a demand of approximately Rs. 6,302 (\$ 140 including an interest demand of approximately \$ 42) for A.Y. 2004-05 and Rs. 2,617 (\$ 58 including an interest demand of approximately \$ 31) for A.Y. 2002-03 in December 2006 and December 2007, respectively. However on appeal, in 2008 the CIT (Appeals) had allowed the claim under section 10A of the Act. The Indian Income tax department has appealed against the CIT (Appeals) orders in respect of A.Y. 2002-03 and 2004-05 in the tribunal. Management considers these demands as not tenable against the Company, and therefore, no provision for this tax contingency has been established.

In December 2009 the Income tax department has issued draft assessment order for A.Y. 2006-07 disallowing 10A deduction of the Indian Income Tax Act, 1961 as per the earlier assessments, as well as making a Transfer Pricing Adjustment for the Company's BPO operations. The Company has filed objections against the draft order before the Dispute Resolution Panel ( DRP ) newly set up under the Income Tax Act, 1961. Management considers these disallowances as not tenable against the Company, and therefore, no provision for this tax contingency has been established.

Certain other income tax related legal proceedings are pending against the Company. Potential liabilities, if any, have been adequately provided for, and the Company does not currently estimate any incremental liability in respect of these proceedings. Additionally, the Company is also involved in lawsuits and claims which arise in ordinary course of business. There are no such matters pending that Patni expects to be material in relation to its business.

- 3 Previous period's figures have been appropriately reclassified/regrouped to conform to the current period's presentation.
- 4 The above summary of consolidated financial results was taken on record by the Board of Directors at its adjourned meeting held on 29 April 2010.

These new demands concern the same issue of disallowance of tax benefits under Section 10A of the Indian Income Tax Act, 1961 as per the earlier assessments. The Company has filed an appeal with the tax authorities and stay of demand has been granted till 30 June 2010 or settlement of appeal whichever is earlier. The Indian Income tax department has appealed against the CIT (Appeals) orders in respect of A. Y. 2002-03 and 2004-05 in the tribunal. Management considers these demands as not tenable against the Company and, therefore, no provision for this tax contingency has been established.

In December 2009 the Income tax department has issued draft assessment order for A.Y. 2006-07 disallowing 10A deduction of the Indian Income Tax Act, 1961 as per the earlier assessments, as well as making a Transfer Pricing Adjustment for BPO operations of the Company. The Company has filed objections against the draft order before the Dispute Resolution Panel ( DRP ) newly set up under the Income Tax Act, 1961. Management considers these disallowances as not tenable against the Company and therefore no provision for this tax contingency has been established.

Certain other income tax related legal proceedings are pending against the Company. Potential liabilities, if any, have been adequately provided for, and the Company does not currently estimate any incremental liability in respect of these proceedings. Additionally, the Company is also involved in lawsuits and claims which arise in ordinary course of business.
