Item 8.01 - Other Events

On July 28, 2010, we entered into a settlement agreement with Abbott Laboratories (Abbott) and Hospira, Inc. (Hospira), effective as of July 12, 2010 (the Effective Date), which resolves all claims and counterclaims between us and Abbott pending before the U.S. District Court in the Eastern District of Texas, Texarkana Division or that accrued prior to the Effective Date. The settlement agreement provides that Hospira shall deliver to us \$6 million within 15 business days of the Effective Date, and Abbott waives its rights to any Series IV Class B preferred stock accrued dividends. In addition, Hospira is granted an exclusive one-year option to negotiate a licensing agreement for certain uses of our Patient Safe® syringe. In exchange for the option, Hospira shall pay us \$2 million per quarter for four quarters, beginning three months from the Effective Date and every three months thereafter, for a total of \$8 million. In the event a licensing agreement is entered into, any remaining portion of the option fee shall, when paid, be credited against royalties payable by Hospira to RTI then or in the future under the exclusive license. All claims have been dismissed.
