**Section 5 - Corporate Governance and Management**

**Item 5.02 Departure of Directors or Principal Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers**

On August 14, 2010, the independent directors serving on the Compensation Committee of the Board of Directors (the Compensation Committee) of Emergency Medical Services Corporation (EMSC) approved certain performance measures (the Performance Measures) that will need to be attained in order for restricted stock (the Restricted Stock) granted by EMSC pursuant to its Second Amended and Restated Long-Term Incentive Plan to certain of its named executive officers on May 18, 2010 to vest. The Performance Measures were established for EMSC to satisfy the performance-based compensation standards with respect to deductibility of compensation under Section 162(m) of the Internal Revenue Code of 1986, as amended (the Code).

Generally, one-third (1/3) of the shares of Restricted Stock vest on each of the first three anniversaries of the date of grant. However, the Performance Measures also must be satisfied in order for the Restricted Stock to vest in accordance with the time-vesting schedule set forth in the applicable restricted stock grant agreement. The Performance Measures, which are based on the Adjusted EBITDA generated by EMSC, are as follows:

- for the period from July 1, 2010 to December 31, 2010, Adjusted EBITDA equal to or exceeding \$158.2 million;
- for the period from January 1, 2011 to December 31, 2011, Adjusted EBITDA equal to or exceeding the Adjusted EBITDA for calendar year 2010 multiplied by 1.1; and
- for the period from January 1, 2012 to December 31, 2012, Adjusted EBITDA equal to or exceeding the Adjusted EBITDA for calendar year 2011 multiplied by 1.1.

In the event that the Adjusted EBITDA generated by EMSC in any performance period described above is equal to or exceeds the Adjusted EBITDA target for that or any subsequent performance period, then the Performance Measures shall be deemed immediately satisfied for any and all performance periods, irrespective of whether such performance periods have expired.

The Compensation Committee approved a form of restricted stock agreement to be used for grants of restricted stock to its named executive officers and other covered employees (as defined in Code Section 162(m)) for which EMSC wishes to be able to deduct such compensation under Code Section 162(m).
