## Edgar Filing: ABERDEEN AUSTRALIA EQUITY FUND INC - Form 497AD

An investor should read the Fund's preliminary prospectus supplement and accompanying base prospectus carefully before investing. The preliminary prospectus supplement and accompanying base prospectus contain important information about the Fund and its investment objectives and policies, risks, charges and expenses.

This press release does not constitute an offer to sell or a solicitation to buy the securities described herein, nor shall there be any sale of these securities in any state or jurisdiction in which such offer or solicitation or sale would be unlawful prior to registration or qualification under the laws of such state or jurisdiction.

A registration statement relating to these securities was filed with, and has been declared effective by, the SEC. The securities being offered have not been approved or disapproved by any regulatory authority, nor has any such authority passed upon the accuracy or adequacy of the prospectus supplement, prospectus or shelf registration statement.

The Fund is a non-diversified, closed-end management investment company. The Fund's principal investment objective is long-term capital appreciation through investment primarily in equity securities of Australian companies listed on the Australian Stock Exchange Limited. The Fund's secondary investment objective is current income.

The Fund is managed by Aberdeen Asset Management Asia Limited and advised by Aberdeen Asset Management Limited. The Fund's shares trade on the NYSE AMEX under the symbol IAF.

*This information does not represent an offer to sell securities of the Fund and it is not soliciting an offer to buy securities of the Fund. There can be no assurance that the Fund will achieve its investment objectives. The net asset value of the Fund will fluctuate with the value of the underlying securities. It is important to note that closed-end funds trade on their market value, not net asset value, and closed-end funds often trade at a discount to their net asset value. Past performance is not indicative of future performance. An investment in the Fund is subject to certain risks and other considerations.*
