INFORMATION ABOUT THE BOARD OF DIRECTORS

The Board of Directors and its Committees

Our business is managed through the oversight and direction of our Board of Directors. During fiscal 2011, we had three standing committees: the Audit Committee, the Compensation Committee, and the Nominating Committee. Our Board of Directors currently consists of seven persons. Under applicable Nasdaq and SEC requirements, (i) we are required to have a majority of independent directors, and (ii) all of the members of each committee, with the exception of the Nominating Committee, must be independent. The Board of Directors has affirmatively determined that each of H. Stuart Campbell, Michael T. Brooks, David M. Kelly, and Evan C. Guillemin is an independent director as such term is defined in Nasdaq Listing Rule 5605. The Board of Directors has also affirmatively determined that each member of each committee of the Board of Directors satisfies the independence requirements applicable to committees as prescribed by the Nasdaq Listing Rules and the rules and regulations of the SEC. Messrs. Schmieder, Sullivan and Dwyer are not independent directors because they either are employees of the Company or have been employed by the Company in the past three years.

The Board of Directors has the responsibility for establishing broad corporate policies and for the overall performance of the Company, although it is not involved in day-to-day operating details. The Board meets regularly throughout the year, including the annual organization meeting following the Annual Meeting of Shareholders, to review significant developments affecting the Company and to act upon matters requiring Board approval. It also holds special meetings as required from time to time when important matters arise, requiring Board action between scheduled meetings.

Directors are elected at each Annual Meeting of Shareholders and serve until a successor is duly elected and qualified at an appropriate Annual Meeting of the Shareholders. Vacancies may be filled by an affirmative vote of the majority of the remaining directors.

No director attended fewer than 75 percent of the aggregate of the total number of meetings of the Board of Directors and the total number of meetings held by all committees of the Board on which he served.

Each non-employee director will be compensated separately for service on the Board and is reimbursed for expenses to attend Board meetings. Members of the Audit, Nominating and Compensation Committees are not compensated separately for service on those committees.

Meetings of the Board of Directors

The Board of Directors met nine times during fiscal 2011 and each director attended each meeting held during the time in which he was serving as a director, with the exception of Mr. Schmieder and Mr. Dwyer who missed one and two meetings, respectively.

Attendance at Annual Meeting

Although we do not have a formal policy regarding attendance by the Board of Directors at the Annual Meeting of Shareholders, we encourage directors to attend, and the annual meeting of the Board of Directors typically is held on the same day as the Annual Meeting of Shareholders. We anticipate that each director nominated for re-election will attend both meetings in 2011.

Committees of the Board

The Board has three standing committees to facilitate and assist the Board in the execution of its responsibilities. The committees are currently the Audit Committee, the Compensation Committee, and the Nominating Committee. The charter of each committee is available in print to any shareholder who requests it. The table below shows current membership of each of the standing Board committees:

Audit Committee	Compensation Committee	Nominating Committee
H. Stuart Campbell	H. Stuart Campbell	Michael T. Brooks
Michael T. Brooks	Evan C. Guillemín	H. Stuart Campbell *
Evan C. Guillemín *	David M. Kelly *	Evan C. Guillemín
David M. Kelly		Luke R. Schmieder

*Committee Chairman

In addition to the standing committees mentioned above, the Board may convene special committees to consider various other matters as they arise. During fiscal 2011, the Board did not convene any special committees.

Audit Committee. Pursuant to its charter, the Audit Committee assists the Board of Directors in overseeing (1) the financial statements and audits of the Company, (2) the Company's compliance with financial reporting requirements, and (3) the independence and performance of the Company's internal and external auditors. The Audit Committee charter further requires the Audit Committee to, among other things:

- Review the annual audited financial statements with management and the independent auditors and determine whether to recommend to the Board that they be included in the Company's Annual Report on Form 10-K;
- Review proposed major changes to the Company's auditing and accounting principles and practices;
- Review and evaluate the Company's system of internal controls;
- Review significant financial reporting issues raised by management or the independent auditors; and

- Establish procedures for the receipt, retention, and treatment of complaints received by the Company regarding accounting, internal accounting controls, or auditing matters as well as the confidential and anonymous submission by employees of the Company of concerns regarding questionable accounting or auditing matters.

The Board of Directors has determined that Mr. Evan Guillemin is an audit committee financial expert as defined in the applicable rules and regulations of the Exchange Act and is independent. The Audit Committee met seven times during fiscal 2011. All members of the Audit Committee were present at each meeting. The SEC has indicated that the designation of a person as an audit committee financial expert does not (i) mean that such person is an expert for any purpose, including without limitation for purposes of Section 11 of the Securities Act of 1933, as amended (ii) impose on such person any duties, obligations, or liability that are greater than the duties, obligations, and liability imposed on such person as a member of the Audit Committee and the Board of Directors in the absence of such designation, or (iii) affect the duties, obligations, or liability of any other member of the Audit Committee or the Board of Directors.

As required by Nasdaq, our Board of Directors has reviewed the qualifications of its Audit Committee members and has determined that none of them has a relationship with us that may interfere with the exercise of their independence from management and the Company.

Compensation Committee . Pursuant to its charter, the Compensation Committee assists the Board of Directors in fulfilling its oversight responsibilities for compensation of executive officers and administration of the Company's compensation and benefit plans.

The Compensation Committee met three times during fiscal 2011, and all members of the Compensation Committee were present at each meeting.

Nominating Committee. The Nominating Committee assists the Board of Directors in identifying qualified individuals to become members of the Board. The committee met three times during fiscal 2011.

Special Committees. As needed, special committees may be constituted by the Board to review special matters or assist in special investigations and any matters which may arise out of those investigations. In fiscal 2011, we had no special committees.

Director Nominations

In evaluating potential director candidates, the Nominating Committee considers the appropriate balance of experience, skills, and characteristics required of the Board of Directors and seeks to ensure that at least a majority of the directors are independent under the applicable Listing Rules of The NASDAQ Stock Market, Inc. The Nominating Committee selects director nominees based on their personal and professional integrity, depth and breadth of experience, ability to make independent analytical inquiries, understanding of our business, willingness to devote adequate attention and time to duties of the Board of Directors, and such other criteria as are deemed relevant by the Nominating Committee. The Nominating Committee believes that the backgrounds and qualifications of the directors, considered as a group, should provide a diverse mix of experience, knowledge, and skills.

In identifying potential director candidates, the Nominating Committee relies on recommendations made by current directors and officers. In addition, the Nominating Committee may engage a third party search firm to identify and recommend potential candidates. Finally, the Nominating Committee will consider candidates recommended by shareholders.

Compensation Committee Interlocks and Insider Participation

During fiscal 2011, no members of our Compensation Committee were executive officers serving on the compensation committee of another entity whose executive officers served on the Company's Board of Directors. No member of the Compensation Committee was an officer or employee of the Company, or had a business relationship with or conducted any undisclosed transactions with the Company.

Board Leadership

The role of Chairman is currently held by Mr. Luke R. Schmieder and the role of CEO is held by Dr. John J. Sullivan. Because of Mr. Schmieder's role as founder, and his successful tenure for more than 25 years as CEO with the Company, the Board believes he is best suited for the Chairman's role. It is the Board's opinion that Dr. Sullivan's training and experience with similar organizations and his experience in increasingly responsible positions within the Company makes him well suited for the role of CEO. Mr. Evan Guillemin currently serves as the Company's Audit Committee Chairman. Mr. Guillemin has considerable experience both as a CFO and in financial analysis which makes him well suited to this role. Mr. H. Stuart Campbell, as the Company's longest serving independent director, currently serves in the role of lead director. Besides his almost 30 years of experience with the Company, Mr. Campbell has served on the Boards of several other successful publicly owned companies over his career.

Risk Oversight

The Board of Directors takes a key role in overseeing the Company's risks. The board receives frequent timely reports of the Company's financial performance, changes in and composition of balance sheet accounts, quality assurance program effectiveness, product liability risks and status of relationships with all business constituencies including customers, employees, suppliers and government entities. The board reviews and authorizes material contracts in which the Company enters, including banking relationships. The Audit Committee receives regular reports on Mesa Laboratories, Inc.'s compliance with securities laws and communicates with the SEC and shareholders. The Audit Committee has established an independent whistleblower hot line to encourage early and anonymous reporting of accounting irregularities or other violations of its codes of ethics. The Board of Directors routinely reviews litigation threats, product/market strategies and operational activities of the Company.

Code of Ethics

We have adopted a Code of Business Conduct and Ethics that applies to all of our employees, executive officers and directors, including our principal executive officer and principal financial officer. The Code contains written standards that are reasonably designed to deter wrongdoing and includes provisions regarding ethical conduct, conflicts of interest, proper disclosure in all public communications, compliance with all applicable governmental laws, rules and regulations, and the prompt reporting of violations of the Code and accountability for adherence to the Code. A copy of the Code is available at no charge on our web site at www.mesalabs.com.

Shareholder Communications with the Board

Shareholders and other interested parties may communicate with one or more members of the Board of Directors by writing to all or one of the following: Audit Committee Chairman, Compensation Committee Chairman, or Nominating Committee Chairman, c/o Corporate Secretary, Mesa Laboratories, Inc., 12100 West Sixth Avenue, Lakewood CO 80228.

COMPENSATION, DISCUSSION, AND ANALYSIS

Compensation of Executive Officers

The Compensation Committee supervises our executive compensation program for named individuals. All members of the committee are independent, non-employee directors. As a group, the committee reports to the full Board of Directors. Members of our management do not attend executive sessions of the committee but do, upon request, provide input regarding their performance to the committee. The committee does not engage any outside consultants and does not delegate its authority to anyone. The committee met three times in fiscal 2011.

Compensation Philosophy

Edgar Filing: MESA LABORATORIES INC /CO - Form DEF 14A

The Compensation Committee has designed a compensation program for Named Executive Officers (NEOs) to attract, retain, and motivate talent in our competitive market environment while focusing the management team and Mesa Laboratories, Inc. on the creation of long-term value for shareholders. Positions included in the named executive program during fiscal 2011 included: Chief Executive Officer, President, Chief Financial Officer and Vice President of Sales and Marketing. Other positions may be added as business conditions warrant.

Our Compensation Committee administers four elements for named executive officers: base salary (cash), short-term incentives (bonus cash, equity, or both), long-term incentives (equity), and benefits. The total compensation package reflects Mesa s Pay for Performance philosophy, which is to couple employee rewards with the interests of shareholders. We believe strongly that retention and motivation of

successful employees is in the long-term interest of shareholders. Further, we believe in development and internal promotion of proven, existing employees whenever optimal for the interests of the Company. The committee targets the total compensation level over time to be competitive with comparable companies in our industry segments and geographic locations.

For the purpose of determining short-term incentives, performance is measured by two variables: sales growth and profit growth. These variables are considered by the committee to be a reliable proxy set for the creation of long-term shareholder value. The committee also evaluates the general economic and market conditions when applying these measurements. The committee believes that it is in the best interest of our shareholders to have a substantial component of total compensation at-risk and dependent upon our performance.

Historically, there have been few directly comparable public companies in the analytical instrument and disposable industries. Many of our competitors are much larger companies that are not directly comparable in size, geographic coverage, and scope of product offerings. Therefore, a direct peer group comparison is not comparable and salary survey information from multiple sources is used to supplement available company data.

Base Salary

The base salary is evaluated annually after the completion of the fiscal year. It is adjusted as required to be competitive with the external market, job responsibilities, and the individual's performance in their job. Dr. Sullivan, Mr. Peterson and Mr. Adriance do not have employment agreements, and in fiscal 2011 had base salaries of \$243,000, \$152,000 and \$135,000, respectively.

Short-Term Incentive (Bonus)

All officers held their office for the entire fiscal year. According to their authorized bonus plans, Dr. Sullivan, Mr. Peterson and Mr. Adriance were awarded bonuses in the amount of \$182,000, \$114,000 and \$100,000 for fiscal 2011, respectively.

Fiscal 2012 Compensation

For fiscal 2012 the Board has adopted a compensation plan that increases base compensation for each individual by an average of thirteen percent. This above average annual increase for officers is the last in a three year program to adjust base compensations to market levels. Potential bonus payment range from approximately zero percent to 75 percent of base compensation based on certain net sales and net income goals.

We are not disclosing the specific target objectives set forth in the Plan because we believe that the disclosure thereof would cause us competitive harm. Because we are not disclosing these target objectives, we are stating our assessment of how likely it will be for these targets to be achieved by our executive officers. Although achievement of our target objectives involves future performance and, therefore, is subject to uncertainties, the Compensation Committee believes it has established target objectives that are achievable with an appropriate amount of dedication and hard work and, therefore, it is more likely than not that each executive officer will earn a bonus under the Executive

Compensation Plan.

Long-Term Incentive (Stock Options)

Our Compensation Committee makes routine stock option grants to the executives at hire and on an annual basis. During fiscal 2011, Dr. Sullivan, Mr. Peterson and Mr. Adriance were awarded 10,000, 5,000 and 5,000 options, respectively. For fiscal 2012, Dr. Sullivan, Mr. Peterson and Mr. Adriance have been awarded 8,800, 4,400 and 4,400 options, respectively.

Benefits

Our benefit philosophy is to provide named executives with health, welfare, and retirement (401(k)) benefits consistent with those generally offered to other employees.

Employment and Change-in-Control Agreements

We do not maintain employment agreements with our Named Executive Officers. Our current stock option plans do call for immediate vesting of all outstanding options upon a change in control of the Company.

Compensation Plans

- *Participation in Compensation Plans* . Each NEO is eligible to participate in the following plans:
- *Executive Compensation Plan*. Pursuant to this plan, each NEO has the opportunity to earn an annual bonus based on performance measures and annual incentive plan goals, which are established by the Compensation Committee. The opportunity to earn a bonus under the Executive Compensation Plan is expressed as dollar amounts to be paid for certain levels of net sales and income performance and is set each year for each NEO separately. For fiscal 2010 and 2011, the maximum percentages of base salary for the executive officers ranges from approximately 0% to 75%, with a target cash bonus set at 50 to 75% of base salary.

- *Stock Option Grants.* Upon starting employment, the NEOs received grants of options. Each year, each NEO will receive an option grant to purchase shares of common stock based on the discretion of the Compensation Committee. These option grants vest over a four-year period based on continued service.
- *Other Plans.* The NEOs and, to the extent applicable, the NEOs' families, dependents, and beneficiaries may participate in the benefit or similar plans, policies, or programs provided to similarly situated employees under our standard employment practices as in effect from time to time.
- *Termination and Change-in-Control Payments.* Employment with Mesa Laboratories, Inc. provides for the following termination payments:
 - Upon termination for any reason whatsoever, an NEO (or in case of death, his estate) is entitled to all salary and expense reimbursements due through the date of such termination and such benefits as are available pursuant to the terms of any benefit or similar plans, policies, or programs in which he was participating at the time of such termination.
 - Upon a Change-in-Control (as defined in the Employee Stock Option Agreement), each NEO will be entitled to full vesting of all stock options awarded.

Potential Payments upon Termination or Change-in-Control

The following summaries set forth potential payments payable to our NEOs upon termination of employment or a Change-in-Control of us under our compensation plans and our stock plans and other compensation programs. For purposes of the following summaries, dollar amounts are estimates based on salary as of March 31, 2011, benefits paid to the NEOs in fiscal 2011 (and any prior years as applicable), and stock and option holdings of the NEOs as of March 31, 2011. The summaries assume a price per share of our common stock of \$28.80, which was the closing price per share on March 31, 2011, as reported on the NASDAQ Global Market.

Termination and Change-in-Control. Except for certain circumstances relating to a change in control of the Company (discussed below), none of our named executive officers has an employment agreement or termination of employment arrangement. Instead, those named executive officers are employed at will, which means that the Company may terminate their employment at any time with or without cause and without advance notice. Therefore, other than in the context of a change in control of the Company, those named executive officers may receive only the same severance benefit as would be provided to other salaried (exempt) U.S. employees. Upon our Change-in-Control, all of the NEOs stock option awards which are unvested will automatically accelerate and become fully vested.

Upon termination for any reason whatsoever, each NEO (or in case of death, his estate) is entitled to all salary and expense reimbursements due to such NEO through the date of his termination, any accrued unused paid vacation, and such benefits as are available pursuant to the terms of any benefit plans, policies, or programs in which he was participating at the time of such termination.

John, J. Sullivan, Ph.D.

Assuming that Dr. Sullivan's employment was terminated under each of these circumstances, or a Change-in-Control occurred on March 31, 2011, such payments and benefits have an estimated value as follows (less applicable withholding taxes):

Scenario	Cash Severance	Value of Equity Awards Received or to be Received (\$)
Death or Disability	0	0
Termination for Cause	0	0
Termination for Good Reason by Dr. Sullivan, or without cause by Mesa Laboratories, Inc.	0	0
Involuntary termination other than for cause within 12 months of a change-in-control	0	599,724(1)

(1) As of March 31, 2011, Dr. Sullivan held unvested stock options to purchase 61,700 shares of our common stock. The value of accelerating these unvested stock options was calculated by multiplying 61,700 shares underlying Dr. Sullivan's unvested stock options that were in-the-money at March 31, 2011 by \$9.72 (the difference between the weighted average exercise price for options in-the-money at March 31, 2011 and \$28.80 (our closing price per share on March 31, 2011)).

Steven W. Peterson

Assuming that Mr. Peterson's employment was terminated under each of these circumstances, or a Change-in-Control occurred on March 31, 2011, such payments and benefits have an estimated value as follows (less applicable withholding taxes):

Scenario	Cash Severance	Value of Equity Awards Received or to be Received (\$)
Death or Disability	0	0
Termination for Cause	0	0
Termination for Good Reason by Mr. Peterson, or without cause by Mesa Laboratories, Inc.	0	0

(1) As of March 31, 2011, Mr. Peterson held unvested stock options to purchase 10,100 shares of our common stock. The value of accelerating these unvested stock options was calculated by multiplying 10,100 shares underlying Mr. Peterson's unvested stock options that were in-the-money at March 31, 2011 by \$6.88 (the difference between the weighted average exercise price for options in-the-money at March 31, 2011 and \$28.80 (our closing price per share on March 31, 2011)).

Glenn E. Adriance

Assuming that Mr. Adriance's employment was terminated under each of these circumstances, or a Change-in-Control occurred on March 31, 2011, such payments and benefits have an estimated value as follows (less applicable withholding taxes):

Scenario	Cash Severance	Value of Equity Awards Received or to be Received (\$)

(1) As of March 31, 2011, Mr. Adriance held unvested stock options to purchase 11,350 shares of our common stock. The value of accelerating these unvested stock options was calculated by multiplying 11,350 shares underlying Mr. Adriance's unvested stock options that were in-the-money at March 31, 2011 by \$6.89 (the difference between the weighted average exercise price for options in-the-money at March 31, 2011 and \$28.80 (our closing price per share on March 31, 2011)).
