**2 - The Income Fund of America, Inc.**

On 21 September 2011, PT was informed that The Income Fund of America, Inc. held less than 5% of the voting rights corresponding to the share capital of PT.

Such new holding resulted from the sale, on 20 September 2011, on regulated market, of a total of 283,896 PT shares.

As a result of the above mentioned transaction, a holding of 44,575,845 ordinary shares representing 4.97% of PT's share capital and corresponding voting rights was attributed to The Income Fund of America, Inc..

PT was further informed that The Income Fund of America, Inc. granted proxy voting authority to the Capital Research and Management Company, its investment adviser.

**3- Capital Research and Management Company**

On 22 September 2011, PT was informed that Capital Research and Management Company holds less than 10% of the voting rights corresponding to the share capital of PT.

Such new holding resulted from the disposal, on regulated market, on 21 September 2011, of 706,236 PT shares. As a result of such transaction, a holding corresponding to 89,403,498 ordinary shares representing 9.97% of PT's share capital and corresponding voting rights is attributed to Capital Research and Management Company.

PT was further informed that the securities reported in this disclosure are owned by mutual funds under the discretionary management of Capital Research and Management Company, as follows:

**FORWARD-LOOKING STATEMENTS**

This document may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words anticipates, believes, estimates, expects, plans and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
