Item 1.01 Entry into a Material Definitive Agreement.

On December 27, 2011 Overstock.com, Inc. (the Company) and U.S. Bancorp Equipment Finance, Inc. Technology Finance Group (Lessor), agreed to terminate a Master Lease Agreement, dated September 17, 2010 (Master Lease Agreement) and all related schedules. The Company paid approximately \$20.1 million to Lessor in connection with the amendment and agreement to terminate the Master Lease Agreement, including approximately \$1.2 million in prepayment premiums. The aggregate amount the Company paid to amend the Master Lease Agreement and terminate the schedules associated with the Master Lease Agreement was less than the amount the Company would have been required to pay over the scheduled life of the Master Lease Agreement and all related schedules. By this transaction, the Master Lease Agreement was first amended to eliminate all financial covenants, effective immediately. Lessor also committed to convey to the Company all of the equipment and other assets covered by the Master Lease Agreement for no additional consideration.

The Company amended the Master Lease Agreement in order to eliminate the total fixed charge coverage ratio covenant under the Master Lease Agreement. As disclosed in the Company's Form 10-Q for the quarter ended September 30, 2011, based on the Company's results for the first three quarters of 2011, management considered it likely at that time that the Company would be out of compliance with the Master Lease Agreement's total fixed charge coverage ratio covenant at December 31, 2011. In order to avoid a covenant violation, the Company amended the Master Lease Agreement to eliminate the financial covenants.

Lessor is an affiliate of U.S. Bank National Association (the Bank). The Company has a \$20 million cash-secured credit facility with the Bank. The Bank or its affiliates have also provided other commercial services to the Company from time to time.

The agreement amending the Master Lease Agreement and providing for the termination of the Master Lease Agreement is filed as Exhibit 10.1 to this Report on Form 8-K.

Item 1.02 Termination of a Material Definitive Agreement.

The information set forth in Item 1.01 is incorporated herein by reference.
