**Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers**

On October 8, 2012, Steven W. Peterson, Vice President and Chief Financial Officer of Mesa Laboratories, Inc. (the Company), notified the Company of his intention to retire effective as of the close of business on November 30, 2012. In connection with Mr. Peterson's pending retirement, John V. Sakys will join the Company on October 29, 2012 as an Executive Vice President. Immediately after Mr. Peterson's retirement date, the Board of Directors of the Company intends to appoint Mr. Sakys to serve as the Company's Chief Financial Officer. Mr. Peterson's decision to retire is not based on any disagreement over the Company's accounting principles or practices, or financial statement disclosures.

Mr. Sakys, 44, was most recently with The Berry Company, LLC, the fifth largest telephone directory publisher and search provider in the U.S. Mr. Sakys held several positions with The Berry Company, and its predecessor company, Local Insight Regatta Holdings, Inc., most recently as its Vice President and Chief Accounting Officer. In this capacity, Mr. Sakys was responsible for general accounting, SEC reporting, treasury, and tax compliance. Prior to The Berry Company, from 2001 to 2009, Mr. Sakys was the Vice President and Chief Financial Officer of Isonics Corporation, a NASDAQ listed manufacturing company based in the Denver area.

In consideration of Mr. Peterson's lengthy tenure with the Company and his contributions to Mesa's success, Mr. Peterson's base salary and health benefits will be continued for a period of 12 months following his retirement date, and all of his unvested stock options as of his retirement date will be vested over a subsequent two year period, allowing Mr. Peterson to exercise these options at a future date.

Commencing on his employment date, Mr. Sakys will be paid a base salary of \$200,000 and will be paid a guaranteed incentive bonus for the remainder of the current fiscal year of \$70,000. In the Company's next fiscal year, in addition to the base salary, Mr. Sakys will participate in the Company's incentive plan with a maximum possible payout of \$100,000. In addition to his cash compensation, Mr. Sakys will be awarded 8,000 options under the Company's Stock Compensation Plan. These grants will be either Incentive Stock Options (ISO) with a term of five years or Non-Qualified Stock Options (NQSO) with a term of 10 years. In either case, the grant price is set at 100% of the closing market price on the day of the grant and the option vests at 25% per year for the first 4 years. As of the date of this Current Report on Form 8-K, neither Mr. Sakys nor any of his immediate family members is a party, either directly or indirectly, to any transaction that would be required to be considered and disclosed as a related party transaction under Regulation S-K.
