(1) These shares are managed by external managers as further described in Item 5.

Item 1.

Security and Issuer

This Schedule 13D/A constitutes the second amendment to the Schedule 13D originally filed by the Reporting Persons with the Securities and Exchange Commission (the **SEC**) on November 28, 2012 and amended by Amendment No.1 filed by the Reporting Persons with the SEC on January 18, 2013 (the **Statement**) with respect to the common stock, \$0.00 par value (the **Shares**), of The Timken Company (the **Issuer** or the **Company**). Except as specifically amended by this Schedule 13D/A, the Statement remains in full force and effect.

Item 3. Source and Amount of Funds or Other Consideration

The Reporting Persons purchased an aggregate of 6,987,134 Shares for total consideration (including brokerage commissions) of \$309.1 million derived from their working capital.

Item 4. Purpose of the Transaction

Item 4 is hereby amended and restated as follows:

The Reporting Persons believe the Shares reported in this Statement are undervalued by the market at the present time.

The Reporting Persons believe that the market significantly undervalues the Company due to its combination of two incongruent, core businesses and that a spin-off of the Steel business segment (Steel business) from the remaining business segments (collectively, Bearings business) would maximize shareholder value. In August 2012, Relational met with Company management and board members to recommend the Company hire advisors to effectuate a spin-off of its Steel business into a separately traded public company. (A copy of the presentation discussed with the Company was attached as Exhibit C to the Schedule 13D filed on November 28, 2012.)

Following the meeting, there is no evidence in the Company's public disclosures or otherwise that the Company has taken steps to independently evaluate the potential value creation of a spin-off of the Steel business. Based on Relational's communications with management and other publicly available information it seems clear that management continues to believe that improving returns and decreasing volatility in the Steel business can correct the trading discount. The Reporting Persons believe, however, that even if such improvements come to fruition, the Company will continue to trade at a discount due to the widely divergent business characteristics. Separating the two businesses would maximize shareholder value partly because the Steel business would be valued and classified as a materials company and the Bearings business as an industrial company. The publicly traded companies comprising these two industry sectors have divergent operating and financial characteristics and are generally followed and evaluated by different industry analysts. At any given time investors value these two industry segments separately within a broad range depending on many market, economic and firm-specific factors.

One of the Reporting Persons, CalSTRS submitted a shareholder proposal pursuant to the Company's bylaws and SEC Rule 14(a)-8 to be voted upon by the Company's shareholders at the Company's next annual meeting (the Proposal). The Proposal recommends that the board of directors and management act expeditiously to engage an investment banking firm to effectuate a spin-off of the Steel business into a separately traded public company. As previously described, we believe that a spin-off of the Steel business would fundamentally and positively change the way the market values the overall business when summing the share prices of the resulting two publicly traded companies. The Reporting persons have agreed to work together to support the Proposal. (A copy of the Proposal was attached as Exhibit D to the Schedule 13D filed on November 28, 2012.)

On February 19, 2013, the Reporting Persons sent a letter to the Board of Directors of the Company reiterating key aspects of its analysis in favor a separation of the Steel Business from the Bearings Business. Additionally, the Reporting Persons point to recent third-party analyses demonstrating broad support for a separation. A copy of the letter is attached as Exhibit B.

Edgar Filing: TIMKEN CO - Form SC 13D/A

The Reporting Persons intend to closely monitor the Company's performance, business mix and strategic direction and may modify their plans in the future depending on future events and any actions taken or omitted by the Company. The Reporting Persons and their representatives and advisers intend to continue their discussions regarding the Company, its business mix and strategic direction, with members of the board of directors and management of the Company. In addition, the Reporting Persons and their representatives and advisers may communicate with other shareholders, industry participants and other interested parties concerning the Company. In the future, the Reporting Persons may exercise any and all of their respective rights as shareholders of the Company in a manner consistent with their equity interests.

The Reporting Persons may from time-to-time (i) acquire additional Shares (subject to availability at prices deemed favorable) in the open market, in privately negotiated transactions or otherwise, or (ii) dispose of Shares at prices deemed favorable in the open market, in privately negotiated transactions or otherwise.

As of the date of this Statement, except as set forth above, none of the Reporting Persons has any present plan or intention which would result in or relate to any of the actions described in subparagraphs (a) through (j) of Item 4 of Schedule 13D.

Item 5.**Interest in Securities of the Issuer**

(a) As of the date of this Statement, the Reporting Persons beneficially own in the aggregate 6,987,134 Shares, constituting approximately 7.28% of the outstanding Shares. The percentage of Shares owned is based upon 95,937,115 Shares reported to be outstanding on January 31, 2013, as set forth in the Company's Annual Report on Form 10-K for the year ended December 31, 2012. The Reporting Persons may be deemed to have direct beneficial ownership of the Shares as follows:

MC II	2,396,338	2.50%	Sole
RCP	56,736	0.06%	Sole

Each of Messrs. Whitworth and Batchelder, as Principals of RILLC, may be deemed to have indirect beneficial ownership of the Shares which RILLC may beneficially own. Each of Messrs. Whitworth and Batchelder disclaims beneficial ownership of such Shares except to the extent of his pecuniary interest therein.

CalSTRS beneficially owns the underlying shares identified above and has sole voting authority over such shares. CalSTRS may be deemed to share the dispositive power over 190,822 shares that it beneficially owns with certain of its external asset managers.

To the best of the knowledge of each of the Reporting Persons, other than as set forth above, none of the persons named in Item 2 is the beneficial owner of any Shares.

Edgar Filing: TIMKEN CO - Form SC 13D/A
