**Item 1.01 Entry Into a Material Definitive Agreement.**

On June 13, 2013, Ball Corporation (the Company), Ball European Holdings, S.à r.l. (European Holdco), certain other domestic and foreign subsidiaries of the Company (the Other Subsidiary Borrowers; the Company, European Holdco and the Other Subsidiary Borrowers, collectively, the Borrowers), certain financial institutions party thereto as lenders (the Lenders), and Deutsche Bank AG New York Branch, as a Lender and as Administrative Agent (Administrative Agent) and Collateral Agent (Collateral Agent) for the Lenders, entered into an amended and restated credit agreement (the Credit Agreement) for the benefit of the Company and certain of its subsidiaries.

The Credit Agreement amends and restates that certain credit agreement, dated as of December 21, 2010, among the Borrowers, Lenders, Administrative Agent, Collateral Agent and the other financial institutions party thereto, and provides for a US\$850 million multicurrency revolving facility, a US\$150 million French revolving facility, a £38.25 million Term B loan facility and a \$38.75 million Term C loan facility, each with a maturity date of June 13, 2018.

The proceeds of the revolving credit facilities may be used by the Company and its subsidiaries for ongoing working capital needs, other general corporate purposes and fees and expenses in connection with the transaction. Borrowings under the Credit Agreement will bear interest at a rate per annum equal to, at the applicable Borrower's option, (i) the 1, 2, 3 or 6 month, or, subject to availability, 12 month LIBOR rate plus a margin or (ii) a base rate plus a margin. The margin added to LIBOR or the base rate will depend on the Company's leverage ratio at the time of the borrowing.

Certain of the Company's domestic subsidiaries guaranty the obligations of the Borrowers under the Credit Agreement. The credit facilities are secured by a valid first priority perfected lien on (i) 100% of the stock of each of the Company's present and future direct and indirect material domestic subsidiaries and (ii) 65% of the stock of each of the Company's present and future material first-tier foreign subsidiaries. The obligations of each foreign subsidiary Borrower are secured by a pledge of the stock of such foreign subsidiary Borrower.

The Credit Agreement contains customary representations and warranties, events of default and covenants for a transaction of this type, including two financial maintenance covenants: a maximum leverage ratio of 4.00 to 1.00 and minimum interest coverage ratio of 3.50 to 1.00. If an event of default under the Credit Agreement shall occur and be continuing, the commitments thereunder may be terminated and the principal amount outstanding thereunder, together with all accrued unpaid interest and other amounts owed thereunder, may be declared immediately due and payable.

The description of the Credit Agreement is qualified in its entirety by reference to the full text of such agreement, which is attached hereto as Exhibit 10.1, and which is incorporated herein by reference.
