(e) On March 13, 2014, the Compensation Committee (the Committee) of the Board of Directors of HCP, Inc. (HCP) approved the amendment and restatement of the HCP, Inc. Change in Control Severance Plan (the CIC Plan) effective as of March 13, 2014.

To further align executive compensation with the interests of HCP's stockholders and to reinforce good corporate governance practices, the CIC Plan was amended to eliminate the gross-up for any excise taxes for parachute payments imposed under Section 280G of the Internal Revenue Code of 1986, as amended (the Code) on the benefits payable to participants in connection with a change in control. The provision was replaced with one providing that any parachute payments will either be reduced as necessary to avoid incurring any excess parachute payment excise tax or be paid in full (with the participant paying any excise taxes due), whichever places the participant in the better after-tax position.

The CIC Plan was further amended by adding a provision that, if a participant is terminated and becomes entitled to CIC Plan benefits, he or she would only be entitled to the CIC Plan benefits and not to any employment agreement benefits. Additionally, certain technical amendments were made to the CIC Plan to ensure its compliance with Section 409A of the Code.

The remaining portion of the CIC Plan was not amended and is intended to provide severance benefits to executives of HCP and its subsidiaries, each of whom have been approved for participation by the Committee, including Lauralee E. Martin, President and Chief Executive Officer; Paul F. Gallagher, Executive Vice President and Chief Investment Officer; Timothy M. Schoen, Executive Vice President and Chief Financial Officer; James W. Mercer, Executive Vice President, Chief Administrative Officer, General Counsel and Corporate Secretary; and Thomas M. Klaritch, Executive Vice President Medical Office Properties, upon a covered termination (by HCP without cause or by the participant for good reason, each as defined in the CIC Plan) within two years after a change in control (as defined in the CIC Plan). Upon a qualifying termination of employment, the participant will generally be entitled to receive the following benefits: (1) a cash lump sum payment equal to the participant's severance multiplier (for Ms. Martin, three, for Messrs. Gallagher, Schoen, Mercer and Klaritch, two) times the sum of (a) the participant's base salary plus (b) the greater of one-third of the participant's base salary or the participant's average annual cash incentive award for the preceding three years (based only on complete fiscal years in which the participant was employed); (2) a lump sum cash payment equal to the expected cost of premiums for medical coverage pursuant to COBRA for the number of years represented by the severance multiplier; (3) if not then fully-vested, full vesting in the participant's benefits under HCP's non-qualified retirement plans plus a lump sum cash payment equal to the participant's then unvested benefits under HCP's 401(k) plan; and (4) a lump sum cash payment equal to the participant's pro-rated annual cash incentive award amount for the year of termination (with the annual cash incentive award amount being determined as described in clause (1)(b) above).

The foregoing description of the terms and conditions of the CIC Plan is qualified in its entirety by reference to the terms and conditions of the CIC Plan, a copy of which is attached as Exhibit 10.1 to this current report on Form 8-K, and which is incorporated herein by reference.
