PART III NARRATIVE

State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

As previously announced by Iteris, Inc. (the Company), the Company requires additional time to complete the audit of its consolidated financial statements for the fiscal year ended March 31, 2014, primarily due to the change in the audit team personnel, the commencement of the audit, as well as additional procedures and processes required by the Company's independent registered accounting firm. As a result, the Company was not able to complete and file the Annual Report on Form 10-K for the fiscal year ended March 31, 2014 (the Form 10-K) by the prescribed filing date without unreasonable effort or expense.

Until the review and audit of the Company's financial statements are completed, the Company is unable to determine whether the earnings statements to be included in the Form 10-K will reflect any significant change in the Company's results of operations from the corresponding period for the last fiscal year. In addition, as previously announced by the Company on June 25, 2014, the Company has delayed its earnings release and investor conference call for the fiscal fourth quarter and full year ended March 31, 2014 due to the reasons set forth in Part III above, and the Company will announce a new scheduled date for such conference call once the audit is completed.
