This document is intended to answer some immediate questions you may have.

What is the effective date of the sale?

The effective date of the sale is dependent on regulatory approval; however, we anticipate the closing to be in November, 2014.

How do I know if I will be offered a position with First Midwest Bank?

Edgar Filing: FIRST MIDWEST BANCORP INC - Form 425

Retail and Commercial: We will begin scheduling interviews for commercial and retail sales staff this week. Interviews will take place from July 28 - August 15. We will work in conjunction with Great Lakes management to communicate staffing decisions to you no later than August 22.

Operations: We are currently evaluating the staffing needs in the Operations functions due to FMB's continued growth. Positions in Operations will be integrated within FMB's current Operations Centers located in Joliet, Itasca and Gurnee.

What if I do not receive an offer of employment from First Midwest?

If we do not have an offer of employment for a specific position for you, we will provide a letter which will include details about your eligibility for your severance payment.

Severance Payment: A severance payment will be available to those individuals whose position will be eliminated or who do not receive an offer of employment for a comparable job* with First Midwest in connection with the merger. The amount of severance payment will be calculated based on your years of service and base salary at Great Lakes and will be payable following the closing of the merger upon the completion of the systems conversion and is contingent upon active employment in good standing at the time of conversion. If you are offered a comparable job,* but choose not to accept the offer, a severance payment will not be available to you.

Retention Incentive: In addition, we recognize that one component of the successful integration of Great Lakes and First Midwest is the continued focus on your clients. We will award a retention incentive to those individuals whose position will be eliminated or who do not receive an offer of employment for a comparable job* with First Midwest in connection with the merger.

The retention incentive will be calculated as a percentage of base salary and will be contingent upon active employment in good standing at the time of conversion. The retention incentive will be paid following the closing of the merger upon completion of the conversion.

Opportunities at First Midwest: First Midwest is growing and has approximately 90 open positions at any given time. The open positions provide career and professional growth opportunities for those employees who are qualified and interested. A list of openings will be available through the First Midwest website at: <http://firstmidwest.com/workforus.aspx>. We encourage you to review these opportunities and to respond to the postings. Please be aware that you will be provided preference for company-wide job postings throughout the conversion process.
