PART III NARRATIVE

State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

The Annual Report on Form 10-K of Sabine Oil & Gas Corporation (the Company) for the period ended December 31, 2014 could not be filed with the Securities and Exchange Commission on a timely basis without unreasonable effort or expense, because the Company needs additional time to complete its financial statements. The Company currently anticipates that the Annual Report on Form 10-K will be filed no later than March 31, 2015.

If answer is no, identify report(s).

Yes No

(3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof?

Yes No

If so, attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

On December 16, 2014, Sabine Oil & Gas LLC, a Delaware limited liability company (Sabine O&G), and Forest Oil Corporation, a New York corporation, completed the combination of their respective businesses through a series of transactions whereby certain indirect equity holders of Sabine O&G contributed the equity interests in Sabine O&G to Forest Oil Corporation. In exchange for this contribution, the equity holders of Sabine O&G received shares of the Company s common stock and Series A senior non-voting equity equivalent preferred stock collectively representing approximately a 73.5% economic interest in the Company and 40% of the total voting power in the Company (the Combination). The Company anticipates changes in the results of operations since the corresponding period for the year ended December 31, 2013 due to the Combination. For the reasons set forth in Part III above, a reasonable estimate of results of operations for the year ended December 31, 2014 cannot currently be made due to pending finalization of the year-end audit.
