## Item 1.01 Entry into Material Definitive Agreement.

On February 16, 2017, Halcón Resources Corporation (the Company) closed a private placement of \$850.0 million in aggregate principal amount of the Company's 6.75% senior unsecured notes due 2025 (the Notes) pursuant to the Purchase Agreement (the Purchase Agreement), dated as of February 9, 2017, by and among the Company, certain subsidiaries of the Company (the Guarantors), and J.P. Morgan Securities LLC, as representative on behalf of the initial purchasers named therein (the Initial Purchasers). The Company estimates that the net proceeds from the offering will be approximately \$833.6 million after deducting the Initial Purchasers' discounts and commissions and estimated offering expenses and excluding accrued interest. The Company will use the net proceeds from the offering to fund the purchase and redemption of the Company's outstanding 8.625% Senior Secured Notes due 2020 (the 2020 Notes) and for general corporate purposes. The Notes were offered and sold in accordance with exemptions from the registration requirements of the Securities Act of 1933, as amended (the Securities Act), afforded by Rule 144A and Regulation S under the Securities Act.

The Notes are governed by an Indenture (the Indenture), dated as of February 16, 2017, by and among the Company, the Guarantors and U.S. Bank National Association, as Trustee, which contains affirmative and negative covenants that, among other things, limit the ability of the Company and the Guarantors to incur indebtedness; purchase or redeem stock or subordinated indebtedness; make investments; create liens; enter into transactions with affiliates; sell assets; refinance certain indebtedness; merge with or into other companies or transfer substantially all of their assets; and, in certain circumstances, to pay dividends or make other distributions on stock. The Indenture also contains customary events of default. Upon the occurrence of certain events of default, the Trustee or the holders of the Notes may declare all outstanding Notes to be due and payable immediately. The Notes are fully and unconditionally guaranteed on a senior basis by the Guarantors and by certain future subsidiaries of the Company.

Interest is payable on the Notes on February 15 and August 15 of each year, beginning on August 15, 2017. The Notes will mature on February 15, 2025.

At any time prior to February 15, 2020, the Company may redeem the Notes, in whole or in part, at a redemption price equal to 100% of their principal amount plus a make-whole premium, together with accrued and unpaid interest, if any, to the redemption date. The Notes will be redeemable, in whole or in part, on or after February 15, 2020 at redemption prices equal to the principal amount multiplied by the percentage set forth below, plus accrued and unpaid interest (if any) on the Notes redeemed during the twelve month period indicated beginning on February 15 of the years indicated below:

Year	Percentage
2020	105.063%
2021	103.375%
2022	101.688%
2023 and thereafter	100.000%

Additionally, the Company may redeem up to 35% of the Notes prior to February 15, 2020 for a redemption price of 106.75% of the principal amount thereof, plus accrued and unpaid interest, utilizing net cash proceeds from certain equity offerings. In addition, upon a change of control of the Company, holders of the Notes will have the right to require the Company to repurchase all or any part of their Notes for cash at a price equal to 101% of the aggregate principal amount of the Notes repurchased, plus any accrued and unpaid interest.

In connection with the sale of the Notes, on February 16, 2017, the Company, the Guarantors and J.P. Morgan Securities LLC, on behalf of itself

Edgar Filing: HALCON RESOURCES CORP - Form 8-K

The foregoing descriptions of the Indenture and the Registration Rights Agreement are qualified by reference to the full text of such agreements, copies of which are attached hereto as Exhibits 4.1 and 4.2, respectively, and incorporated herein by reference.
