Item 1.01 Entry into a Material Definitive Agreement.

Issuance of 5.250% Senior Notes due 2022

On March 16, 2017, Ladder Capital Finance Holdings LLLP (LCFH) and Ladder Capital Finance Corporation (together with LCFH, the Issuers), subsidiaries of Ladder Capital Corp (Ladder or the Company), issued \$500 million aggregate principal amount of 5.250% senior notes due 2022 (the Senior Notes).

Ladder intends to use the net proceeds of the offering to redeem the Issuers remaining outstanding 7.375% senior notes due 2017, to pay offering related expenses and for general corporate purposes, including repayment of secured debt.

The Senior Notes were offered in the United States to persons believed to be qualified institutional buyers pursuant to Rule 144A under the Securities Act of 1933, as amended (the Securities Act), and outside the United States pursuant to Regulation S under the Securities Act. The Senior Notes have not been registered under the Securities Act and may not be offered or sold in the United States absent registration or an applicable exemption from the registration requirements. This report does not constitute an offer to sell the Senior Notes or a solicitation of an offer to purchase the Senior Notes.

Indenture

The Senior Notes were issued under an Indenture, dated March 16, 2017 (the Indenture), among the Issuers, the guarantors named therein (including the Company) and Wilmington Trust, National Association, as trustee.

The Indenture provides, among other things, that the Senior Notes will be senior unsecured obligations of the Issuers. Interest is payable on the Senior Notes on March 15 and September 15 of each year beginning on September 15, 2017 until their maturity date of March 15, 2022. The Indenture contains covenants that, among other things:

- limit the Issuers ability and the ability of their restricted subsidiaries to incur additional indebtedness or issue certain disqualified stock and preferred shares;
- require that the Issuers and their restricted subsidiaries maintain total unencumbered assets (as defined in the Indenture) of not less than 120% of the aggregate principal amount of the outstanding unsecured indebtedness of the Issuers and their restricted subsidiaries; and

Edgar Filing: Ladder Capital Corp - Form 8-K

- limit LCFH's ability to merge or consolidate with another company or sell all or substantially all of its assets.

These covenants are subject to a number of important exceptions and qualifications.

If LCFH experiences certain kinds of changes of control and the Senior Notes receive a ratings downgrade, the Issuers will be required to offer to repurchase the Senior Notes at a price equal to 101% of the principal amount thereof plus accrued but unpaid interest to the repurchase date.

The Issuers may redeem the Senior Notes at any time, in whole or in part, prior to their maturity. The redemption price for Senior Notes that are redeemed before September 15, 2021 will be equal to 100% of the principal amount thereof, together with any accrued and unpaid interest to the redemption date, plus a make-whole premium. The redemption price for Senior Notes that are redeemed on or after September

15, 2021 will be equal to 100% of the principal amount thereof, together with any accrued and unpaid interest to the redemption date. In addition, the Issuers may redeem up to 35% of the Senior Notes using the proceeds of certain equity offerings completed before March 15, 2020.

The Indenture provides for customary events of default, which include (subject in certain cases to customary grace and cure periods) nonpayment of principal or interest; breach of other agreements in the indentures; defaults in failure to pay certain other indebtedness; the rendering of judgments to pay certain amounts of money against the Issuers and their subsidiaries; the failure of certain guarantees to be enforceable; and certain events of bankruptcy or insolvency.

The foregoing summary of the Indenture and the Senior Notes does not purport to be complete and is qualified in its entirety by reference to the complete terms of the Indenture and the form of Senior Note, copies of which are filed herewith as Exhibit 4.1 and Exhibit 4.2, respectively, and are incorporated herein by reference.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information set forth in Item 1.01 is incorporated by reference into this Item 2.03.
