Item 1.01. Entry into a Material Definitive Agreement.

Merger Agreement

On July 19, 2018, PTC Therapeutics, Inc. (the "Company") entered into an Agreement and Plan of Merger (the "Merger Agreement") by and among the Company, Agility Merger Sub, Inc., a Delaware corporation and a wholly owned, indirect subsidiary of the Company ("Transitory Subsidiary"), Agilis Biotherapeutics, Inc., a Delaware corporation ("Agilis"), and, solely in its capacity as the representative, agent and attorney-in-fact of the equityholders of Agilis, Shareholder Representative Services LLC, a Colorado limited liability company. The Merger Agreement provides for the acquisition of Agilis by the Company through the merger of Transitory Subsidiary into Agilis, with Agilis surviving as a wholly owned, indirect subsidiary of the Company (the "Merger"). Agilis is a privately-held biotechnology company advancing an innovative gene therapy platform for rare monogenic diseases that affect the central nervous system.

At the effective time of the Merger, by virtue of the Merger and without any action on the part of the holders of capital stock of Agilis, all issued and outstanding shares of the capital stock and outstanding vested options and warrants of Agilis will be converted into the right to receive, subject to customary adjustments, an aggregate, of (i) \$50.0 million and (ii) a number of shares of the Company's common stock (the "Closing Stock Consideration") equal to \$150.0 million divided by the volume-weighted average price per share of the Company's common stock on the Nasdaq Global Select Market for the ten consecutive trading day period ending on the second trading day immediately preceding the closing of the Merger (the "10-Day VWAP"), and will be subject to reduction such that the number of shares issuable will not equal or exceed 20% of the issued and outstanding shares of the Company's common stock immediately prior to the closing date, which is expected to be a maximum of approximately 9.34 million. Agilis equityholders would receive additional cash consideration in lieu of any such reduction in Closing Stock Consideration.

In addition, pursuant to the Merger Agreement, Agilis equityholders will be entitled to receive contingent payments from the Company based on (i) the achievement of certain development milestones up to an aggregate maximum amount of \$60.0 million, (ii) the achievement of certain regulatory approval milestones together with a milestone payment following the receipt of a priority review voucher up to an aggregate maximum amount of \$535.0 million, (iii) the achievement of certain net sales milestones up to an aggregate maximum amount of \$150.0 million, and (iv) a percentage of annual net sales for Friedreich ataxia and Angelman Syndrome during specified terms, ranging from 2-6%. Under the Merger Agreement, the Company is required to pay \$40.0 million of the development milestone payments no later than the second anniversary of the closing of the Merger, regardless of whether the applicable milestones have been achieved.

The Merger Agreement contains customary representations, warranties and covenants of Agilis and the Company, including covenants providing for each of the parties to use its reasonable best efforts to cause the Merger to be consummated, to obtain required third party consents, and covenants requiring Agilis, subject to certain exceptions, to carry on its business in all material respects in the ordinary course of business consistent with past practice during the period between the execution of the Merger Agreement and the closing of the Merger and prohibiting the Company from initiating or otherwise knowingly facilitating any inquiry, proposal, offer or discussion with any party other than the Company with respect to certain transactions involving Agilis or any of its subsidiaries.

The Merger Agreement also contains customary indemnification provisions whereby the equityholders of Agilis will indemnify the Company and certain affiliated parties for any losses arising out of breaches of

Edgar Filing: PTC THERAPEUTICS, INC. - Form 8-K

the representations, warranties and covenants of Agilis under the Merger Agreement, appraisal claims of Agilis stockholders, fraud and knowing misrepresentation and certain other matters. As partial security for the indemnification and purchase price adjustment obligations of Agilis equityholders under the Merger Agreement, (i) \$2.5 million in cash of the merger consideration otherwise payable in the Merger to Agilis equityholders will be placed in third party escrow until the final resolution of any adjustments to the purchase price based on Agilis' closing net working capital and (ii) the first \$25.0 million of any contingent consideration that becomes actually due and payable under the Merger Agreement, along with 12.5% of any contingent consideration in excess of such first \$25.0 million that becomes actually due and payable under the Merger Agreement, will be withheld by the Company, for a period of 15 months following the closing. The Merger Agreement contains customary termination rights for both the Company and Agilis, including, among others, for failure to consummate the Merger by the date that is five months after the date of the Merger Agreement.

The Merger Agreement includes customary closing conditions, including the requisite consent to the adoption of the Merger by Agilis' stockholders receipt of certain third party consents and the expiration or termination of the applicable waiting period under the Hart-Scott Rodino Antitrust Improvements of 1976, as amended.

Pursuant to the Merger Agreement, the Company has agreed (i) in the event that Agilis provides certain required information at least 10 business days prior to the Closing of the Merger, on the closing date of the Merger or, (ii) alternatively, following the closing of the Merger, to use commercially reasonable efforts to file a registration statement on Form S-3 with respect to the resale of the shares of the Closing Stock Consideration to be issued to Agilis equityholders as Merger consideration and to maintain the effectiveness of such registration statement until the six month anniversary date of the closing of the Merger or such earlier time as all shares of Company common stock covered by the registration statement have been sold, subject to certain exceptions and the provision of certain information by Agilis.

The above description of the Merger Agreement is a summary only and is qualified in its entirety by reference to the terms of the Merger Agreement, filed as Exhibit 2.1 hereto and incorporated herein by reference.

Bridge Loan and Security Agreement

In connection with the Merger Agreement, on July 19, 2018, the Company entered into a Bridge Loan and Security Agreement (the "Bridge Loan and Security Agreement") by and among the Company, Agilis and certain of Agilis' domestic subsidiaries, as guarantors. Under the Bridge Loan Agreement, the Company agreed to make a term loan advance to Agilis in an original principal amount of up to \$10.0 million and, in the event that the Merger does not close prior to September 2, 2018, an additional term loan advance of up to \$10.0 million, in each case, subject to the satisfaction of certain conditions. Each domestic subsidiary of Agilis has agreed to jointly and severally guarantee Agilis' payment obligations under the Bridge Loan Agreement.

The term loans will accrue interest at a fixed rate per annum equal to 3.0%, subject to increase to 8.0% in the event of a default. Upon closing of the Merger or an event of default, Agilis must repay all outstanding term loans plus accrued and unpaid interest thereon, plus any other sums that have then become due and payable under the Bridge Loan Agreement; provided, however, that only the second term loan advance (if any) would be accelerated for payment in an event of default arising due to failure to obtain stockholder approval for the Merger or a material breach of the Merger Agreement by Agilis. To the extent not previously repaid, all outstanding credit extensions plus accrued and unpaid interest thereon, plus any other sums that have then become due and payable under the Bridge Loan Agreement,

must be repaid by July 19, 2020. Agilis may elect to prepay any or all of the term loan advances at any time without penalty or premium.

Under the Bridge Loan Agreement, Agilis granted the Company a continuing, first priority perfected security interest (subject to certain permitted liens) to all right, title and interest in, to and under all present and future real and personal property of Agilis and any guarantor, whether tangible or intangible, subject to certain exceptions in the Bridge Loan Agreement, but not including Agilis' s intellectual property.

The Bridge Loan Agreement contains certain customary representations and warranties, affirmative covenants and conditions. The Bridge Loan Agreement also contains a number of negative covenants that, among other things and subject to certain exceptions, restrict Agilis' s and its subsidiaries' ability to engage in certain actions or undergo certain changes from and after the termination of the Merger Agreement. The Bridge Loan Agreement also contains customary events of default (subject to grace periods as appropriate). In an event of default occurring as a result of termination of the Merger Agreement by the Company for Agilis' s material breach or failure to perform or failure to timely obtain the required stockholder approval, the Company has a limited remedy to declare the second term loan advance (if any) immediately due and payable, but the first term loan advance would remain outstanding and accrue interest at 8.0% per annum.

The above description of the Bridge Loan Agreement is a summary only and is qualified in its entirety by reference to the terms of the Bridge Loan Agreement, filed as Exhibit 10.1 hereto and incorporated herein by reference.

Consent under Credit and Security Agreement

In connection with the execution of the Merger Agreement and Bridge Loan Agreement, on July 19, 2018, the Company entered into an amendment and consent agreement (the "Credit Agreement Amendment") to its existing credit and security agreement with MidCap Financial Trust, a Delaware statutory trust ("MidCap"), as administrative agent, and the other lenders parties thereto, dated as of May 5, 2017 (the "Existing Credit Agreement"). Pursuant to the Credit Agreement Amendment, MidCap and the requisite lenders agreed to, among other things, amend and modify certain covenants and other provisions in the Existing Credit Agreement to permit the entering into of the Merger Agreement and the Bridge Loan Agreement, and the consummation and performance of the transactions contemplated thereby, in each case, subject to certain terms and conditions.

The above description of the Credit Agreement Amendment is a summary only and is qualified in its entirety by reference to the terms of the Credit Agreement Amendment, filed as Exhibit 10.2 hereto and incorporated herein by reference.

Item 3.02. Unregistered Sales of Equity Securities.

The description of the common stock consideration under the terms of the Merger Agreement set forth in Item 1.01 is incorporated herein by reference. In connection with the closing of the Merger, the Company will issue to the Agilis equityholders the common stock consideration pursuant to an exemption from registration afforded by Section 4(a)(2) of the Securities Act of 1933, as amended (the "Securities Act"), and/or Regulation D promulgated thereunder.
