Item 1.01

Entry into a Material Definitive Agreement

On July 20, 2018, Arbor Realty Trust, Inc., a Maryland corporation (the *Company*), completed the issuance and sale of \$130.0 million aggregate principal amount of its 5.25% Convertible Senior Notes due 2021 (the *Notes*) pursuant to a purchase agreement (the *Purchase Agreement*), by and among the Company, Arbor Realty Limited Partnership, a Delaware limited partnership, and J.P. Morgan Securities LLC, as representative of the initial purchasers named in Schedule I thereto (the *Initial Purchasers*), whereby the Company agreed to sell to the Initial Purchasers and the Initial Purchasers agreed to purchase from the Company, subject to and upon the terms and conditions set forth in the Purchase Agreement, the Notes. In addition, the Company granted the Initial Purchasers the right to purchase, exercisable within a 30-day period, up to an additional \$19.5 million aggregate principal amount of the Notes solely to cover over-allotments.

The Notes will be senior unsecured obligations of the Company, bear interest at a rate equal to 5.25% per year, payable semiannually in arrears on January 1 and July 1 of each year, beginning on January 1, 2019 and will mature on July 1, 2021 (the *Maturity Date*), unless earlier converted or repurchased. The Company will not have the right to redeem the Notes prior to maturity and no sinking fund is provided for the Notes. The Notes will be convertible prior to April 1, 2021 upon the satisfaction of certain conditions and at any time on or after April 1, 2021 until the business day preceding the Maturity Date. The Company may settle conversions in cash, shares of the Company's common stock or a combination thereof, at the Company's election.

The conversion rate will initially equal 77.8331 shares of common stock per \$1,000 principal amount of Notes, which is equivalent to an initial conversion price of approximately \$12.85 per share of common stock, representing an approximate 10% conversion premium based on the closing price of the Company's common stock of \$11.68 per share on July 17, 2018. The conversion rate will be subject to adjustment upon the occurrence of certain specified events. In addition, following certain corporate events that occur prior to the Maturity Date, the Company will increase the conversion rate for a holder who elects to convert its Notes in connection with such a corporate event in certain circumstances.

If the Company undergoes a fundamental change (as defined in the Indenture (as defined below)), holders may require the Company to repurchase for cash all or any portion of their Notes at a fundamental change repurchase price equal to 100% of the principal amount of the Notes to be repurchased, *plus* accrued and unpaid interest to, but excluding, the fundamental change repurchase date.

The net proceeds to the Company from the sale of the Notes will be approximately \$125.9 million (or approximately \$144.8 million if the Initial Purchasers' over-allotment option is exercised in full), after deducting the Initial Purchasers' discounts and commissions and estimated offering expenses payable by the Company. Concurrently with the offering of the Notes, the Company entered into separate privately-negotiated exchange agreements (the *Exchange Agreements*) with certain holders of its 5.375% Convertible Senior Notes due 2020 (the *5.375% Convertible Notes*) and of its 6.50% Convertible Senior Notes (the *6.50% Convertible Notes*) to repurchase approximately \$127.6 million aggregate principal amount outstanding of its 5.375% Convertible Notes (including approximately \$8.95 million aggregate principal amount held by J.P. Morgan Securities LLC) and approximately \$11.9 million aggregate principal amount of its 6.50% Convertible Notes held by them for approximately \$141.0 million in cash (which includes accrued interest) and approximately 3.4 million shares of the Company's common stock. The Company used the net proceeds of the offering to pay the cash consideration of such Exchange Agreements.

The Notes were issued under an indenture, dated as of July 20, 2018, between the Company and U.S. Bank National Association, as trustee (the *Indenture*).

Edgar Filing: ARBOR REALTY TRUST INC - Form 8-K

The Notes and the common stock issuable upon conversion of the Notes, if any, were offered and sold in a private offering that was exempt from the registration requirements of the Securities Act of 1933, as amended (the "Securities Act"). The offering was made only to persons reasonably believed to be "qualified institutional buyers" under Rule 144A. The Notes and the common stock issuable upon conversion of the Notes, if any, have not been registered under the Securities Act or the securities laws of any other jurisdiction. Unless so registered, the Notes and the common stock issuable upon conversion of the Notes, if any, may not be offered or sold in the United States except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act and applicable state securities laws. The common stock sold pursuant to the Exchange Agreements was issued without registration under the Securities Act in reliance upon the exemption provided in Section 4(a)(2).
