**PART III  
NARRATIVE**

State below in reasonable detail the reasons why Form 10-K, 11-K, 20-F, 10-Q, N-SAR, or the transition report portion thereof could not be filed within the prescribed time period. (Attach extra sheets if needed.)

The Registrant's Annual Report on Form 10-K for the year ended December 31, 2002 could not be filed within the prescribed time period without unreasonable effort and expense because of delays related to the re-audit of the Registrant's financial statements. As previously announced, certain operations of the Registrant have been reclassified as discontinued operations in 2002, and therefore the prior year financial statements must be restated to show those operations as discontinued in those prior periods. Because the Registrant's previous independent accountants, Arthur Andersen LLP, audited the prior years, the Registrant's current independent auditors are required to re-audit those periods before the Annual Report can be filed. The re-audits have been hampered by the inability to secure in a timely manner any of the work papers generated in connection with those prior year audits by Arthur Andersen LLP. The Registrant will endeavor to file the Form 10-K on or before the fifteenth calendar day following the prescribed filing due date. However, there can be no assurance that the deadline can be met.
