MEETINGS OF THE BOARD OF DIRECTORS AND ITS COMMITTEES

During the fiscal year ended June 30, 2001, the Board held nine Board meetings. The Board has a Compensation Committee and an Audit Committee. The Compensation Committee met on two occasions during fiscal 2001. The Audit Committee met on four occasions during fiscal 2001. The Board does not have a nominating or similar committee. During fiscal 2001, no incumbent director attended or participated in fewer than 75% of the aggregate of the total number of meetings held by the Board and the total number of meetings held by any committee on which such director served.

The Compensation Committee reviews and sets the level for executive compensation for the ensuing year; reviews and recommends the terms of the employment agreements for the Company's executives; sets bonuses for the Company's executives; and determines the number of stock options and the terms of such options to be awarded to the Company's executives and eligible employees. Philip D. Feltman, as Chairman, and Robert L. Steiler currently comprise the Board's Compensation Committee.

The Audit Committee recommends to the Board of Directors the engagement of independent auditors for the ensuing year; reviews the scope of the annual audit; reviews with auditors the results of the audit engagement, including review of the financial statements and the management letter; and reviews the scope of and compliance with the Company's internal controls. The Audit Committee has reviewed and discussed the audited financial statements with the Company's management. In addition, the Audit Committee has discussed with, and has received from, the Company's independent auditors all matters and written disclosures contemplated by the rule on Audit Committee Reports implemented by the Securities and Exchange Commission. Based on the foregoing, the Audit Committee recommended to the Board that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year 2001 for filing with the United States Securities and Exchange Commission. Edgar Filing: PALLET MANAGEMENT SYSTEMS INC - Form DEF 14A

COMPLIANCE WITH SECTION 16(A) OF THE EXCHANGE ACT

Based solely on a review of the copies of such reports furnished to the Company and on representations that no other reports were required during the fiscal year ended June 30, 2001, the Company has determined that all required filings were made in a timely manner.

COMPENSATION OF DIRECTORS

The Chairman of the Board is paid a monthly retainer of \$1,000 and all other directors are paid a monthly retainer of \$500. The directors are paid \$1,000 per board meeting day and \$500 per teleconference meeting plus all related business expenses. All audit committee members are paid \$250 per quarter. All directors are granted 30,000 ten-year options when they are appointed or elected to the board and may be granted additional options for each additional year they are on the board at the then market value. These options vest immediately upon grant and, when services are terminated, all unexercised options are forfeited. See also "Stock Option Plans."

EMPLOYMENT AGREEMENTS

In November 1998, the Company entered into five-year employment agreements (the "Employment Agreements") with Zachary M. Richardson and John C. Lucy, III. Pursuant to the terms of these Employment Agreements, each executive is entitled to receive (i) annual base compensation of \$156,000, with increases

Edgar Filing: PALLET MANAGEMENT SYSTEMS INC - Form DEF 14A

in future years by the percentage increase of the Consumer Price Index and (ii) a bonus up to 100% of base salary based on the increase in pre-tax earnings per share over the prior year. For the fiscal year ending June 30, 2001, Mr. Lucy agreed to waive the bonus with no other effect on the existing employment agreement, and Mr. Richardson informed the Board of Directors in October 2001 that he would be willing to forego the payment of a cash bonus for a greater equity incentive in the form of the grant of additional stock options with no other effect on the existing employment agreement. The Board agreed, and in this regard granted him options to purchase 209,344 shares of the Company's common stock. The Employment Agreements also provide for annual grants of common stock options commencing in fiscal 2000 equal to 1% of the then outstanding number of common shares at an exercise price of fair market value at date of grant, and the granting of 150,000 stock appreciation rights that vest only upon a "Change of Control" as defined in the Employment Agreements.

During the term of the Employment Agreements, should there be a Change of Control of the Company as that term is defined therein, the Company, at its sole option, may terminate the Employment Agreements upon 30 days prior written notice and thereafter will be obligated to pay the executives the balance of the compensation payable under the Employment Agreements, had they not been terminated prior to their expiration, together with an additional sum equal to 299% of Executives' annual base compensation. The Employment Agreements also contain non-competition and confidentiality provisions.

The Company's Board of Directors terminated the employment of Mr. Richardson as President of the Company effective March 15, 2002. Prior to the date of termination, Mr. Richardson notified the Company in writing that he would consider any such termination to be a breach of his Employment Agreement and that the Company would owe him approximately \$675,000. The Company disagrees with Mr. Richardson's contention and would defend vigorously against any claim brought by Mr. Richardson in this regard.

STOCK OPTION PLANS

Pallet Management has adopted two combined stock option and appreciation rights plans to attract and to induce officers, directors and key employees of the Company to remain with the Company. The 1997 Omnibus Stock Option Plan (the "1997 Plan") was approved in August, 1997, and an aggregate of 250,000 shares are reserved for issuance under the 1997 Plan. Pallet Management's 1998 Omnibus Stock Option Plan (the "1998 Plan") became effective on September 1, 1998, and an aggregate of 1,000,000 shares are currently reserved for issuance under the 1998 Plan. The 1997 and 1998 Plans provide for options which qualify as incentive stock options under Section 422(a) of the Internal Revenue Code of 1986, as amended (the "Code"), as well as nonstatutory options. For more information about the 1997 and 1998 Plans, generally, see "Item 11. Executive Compensation," in the enclosed copy of the Company's Form 10-K for the fiscal year ended June 30, 2001. Also, see Proposal No. 2 of this Proxy Statement relating to the proposed amendment of the 1998 Plan.

As of April 8, 2002, an aggregate of 6,394 options were outstanding under the 1997 Plan with an exercise price of \$2.00, and an aggregate of 1,000,000 options were outstanding under the 1998 Plan with exercise prices ranging from \$1.75 to \$5.25. These options generally vest over a five-year period and expire ten years from date of grant. From 1997 through 2001, the Company granted Messrs. Lucy, III and Richardson options to acquire an aggregate of 600,215 and 606,247 shares, respectively. See "Voting Security Ownership of Certain Beneficial Owners and Management."

Edgar Filing: PALLET MANAGEMENT SYSTEMS INC - Form DEF 14A

ACCELERATED OPTIONS

In August 1997, the Company jointly granted 1,000,000 options to Messrs. Richardson and Lucy to re-allocate to other members of the Company's management. Messrs. Richardson and Lucy immediately re-allocated approximately one-third of these options to other members of the Company's management. If an employee terminated employment with the Company, for any reason or no reason, the options allocated to them would immediately revert back to Messrs. Richardson and Lucy. The options provided that vesting would accelerate if the Company achieved specified income before taxes, depreciation, amortization and certain other charges at different measurement dates, which milestones were determined based on management's internal projections through fiscal 1999. All three milestones were met and the options vested according to the accelerated schedule. The options expire in August 2002. See "Voting Security Ownership of Certain Beneficial Owners and Management."

The following table summarizes the terms of these vested but unexercised options as of June 30, 2001:

BOARD COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

GENERAL COMPENSATION POLICY. The three principal components of the Compensation Committee's executive compensation are salary, bonus and stock options. The components are designed to facilitate fulfillment of the compensation objectives of the Compensation Committee, which objectives include (i) attracting and retaining competent management, (ii) recognizing individual initiative and achievement, (iii) rewarding management for short and long term accomplishments and (iv) aligning management compensation with the achievement of the Company's goals and performance.

Edgar Filing: PALLET MANAGEMENT SYSTEMS INC - Form DEF 14A

The Compensation Committee endorses the position that equity ownership by management is beneficial in aligning management's and shareholders' interest in the enhancement of shareholder value. Base salaries for new management employees are determined initially by evaluating the responsibilities of the position held and the experience of the individual, and by reference to the competitive marketplace for managerial talent, including a comparison of base salaries for comparable positions at similar companies of comparable sales and capitalization. Annual salary adjustments are determined by evaluating (i) the performance of and responsibilities assumed by the executive, (ii) the competitive marketplace and (iii) the performance of the Company. The Compensation Committee does not utilize any specific formula to determine compensation based on Company performance.

The Compensation Committee periodically reviews the Company's existing management compensation programs on an ongoing basis, including (i) meetings with the President to consider and set mutually agreeable performance standards and goals for members of senior management and/or the Company, as appropriate or as otherwise required pursuant to any such officer's employment agreement and (ii) modifications to such compensation programs as appropriate, to ensure alignment with the philosophy and established standards and goals of the Compensation Committee.

COMPENSATION OF PRESIDENT AND CHIEF EXECUTIVE OFFICER. The Company had entered into employment agreements with both Mr. Zachary M. Richardson, its President, and Mr. John C. Lucy, III, its Chief Executive Officer. Each of their employment agreements provides for bonuses of up to 100% of base salary based on the increase in pretax earnings per share over the prior year. See "Employment Agreements." Aside from Company performance, other factors

11

which influence the compensation paid to Messrs. Richardson and Lucy include executive responsibilities and performance, and compensation levels at comparable companies.

Lumber purchases from Clary amounted to 4.4%, 5.6% and 8% of the Company's lumber purchases for fiscal years 2001, 2000 and 1999, respectively. PROPOSALS TO THE SHAREHOLDERS

The Board has approved the following proposals for presentation to the Company's Shareholders:

1. ELECTION OF DIRECTORS

The Board has nominated the following individuals to serve as Directors of the Company until the Company's 2003 Annual Meeting of Shareholders and until their respective successors have been elected and qualified: David Davidson, Ira M. Goldberg, Michael D. Karsch, Richard J. Katz, Ronald Shindler, Alan P. Sklar and Robert L. Steiler. All of the nominees named above, with the exception of Mr. Davidson, are currently incumbent Directors of the Company and their biographical information is set forth in "MANAGEMENT - Directors and Executive Officers."

DAVID DAVIDSON, age 42, is a co-founder and has been Chairman and Chief

Edgar Filing: PALLET MANAGEMENT SYSTEMS INC - Form DEF 14A

Executive Officer of D.L. Cromwell Investments, Inc., a registered broker-dealer engaged in the securities business ("Cromwell Investments"), since 1995. Prior to that time, he had been a registered representative with several other broker-dealers since 1983. He has primarily concentrated his efforts to trading securities since the formation of Cromwell Investments. Cromwell Investments has been the subject of several administrative proceedings brought by certain regulatory authorities having jurisdiction over its business. There are currently no restrictions upon its conduct of business from any of those proceedings. Mr. Davidson has Series 7 and 24 licenses from the NASD. He graduated from Boston University with a B.A. degree in Business Administration.

It is intended that the votes will be cast pursuant to the accompanying proxy for the seven nominees named above, unless otherwise directed. The Board has no reason to believe that any of the nominees will become unavailable to serve if elected. However, if any nominee should be unavailable, then proxies solicited by the Board will be voted for the election of a substitute nominee designated by the Board.

Proxies cannot be voted for a greater number of persons than the seven nominees named above. The Directors will be elected by a plurality of the votes cast, either in person or by proxy, at the Meeting. Votes cast as abstentions will not be counted as votes for or against the election of the Directors and therefore will have no effect on the number of votes necessary to elect the Directors. So-called "broker non-votes" (brokers failing to vote by proxy shares of the Company's Common Stock held in nominee name for customers) will not be counted at the Meeting and also will have no effect on the number of votes necessary to elect a Director.

THE BOARD RECOMMENDS A VOTE IN FAVOR OF THE PROPOSED NOMINEES FOR ELECTION TO THE BOARD.

2. APPROVAL OF AMENDMENTS TO 1998 OMNIBUS STOCK INCENTIVE PLAN

The Company's 1998 Omnibus Stock Incentive Plan (the "Plan") became effective on September 1, 1998. The purpose of the Plan is to enable the Company to offer to its Directors, officers and other key employees an incentive to continue in the employ of the Company and to increase their identification with the interests of the Company's shareholders through additional ownership of the Company's Common Stock. The Plan is administered by the Company's Compensation Committee, or in lieu thereof, the Board of Directors.

17

Options granted under the Plan may or may not be "incentive stock options" ("Incentive Options") within the meaning of Section 422(b) of the Internal Revenue Code of 1986 ("Code"), as amended, depending upon the decision of the Compensation Committee on the date of the grant. The exercise price of an option granted under the Plan may not be less than 100% of the fair market value of the Company's Common Stock at the date of the grant (110% of such fair market value if the grant is an Incentive Option to an employee who owns more than 10% of the Company's outstanding Common Stock). The period in which options may be exercised is limited to no more than 10 years after the date of the grant (and no more than 5 years after the date of the grant for Incentive Options if the grant is made to an employee who owns more than 10% of the Company's outstanding Common Stock). Under the Plan, if any shares of Common Stock that are subject to an option cease to be subject to the option, such shares shall again be available for distribution in connection with future grants under the Plan.

As of April 8, 2002, (i) an aggregate of 1,000,000 options were

Edgar Filing: PALLET MANAGEMENT SYSTEMS INC - Form DEF 14A

outstanding under the Plan with exercise prices of \$1.75 to \$5.25, and (ii) the market price of a share of Common Stock was \$0.40, as reported on the OTC Bulletin Board(R) under the symbol "PALT" (the quotation is an over-the-market quotation and, accordingly, reflects inter-dealer prices, without retail mark-up, mark-down or commission and may not represent actual transactions). To date, the Company has not registered any of the underlying shares of Common Stock that may be obtained upon exercise of options issued under the Plan pursuant to the Securities Act of 1933, as amended. For information regarding the ownership of options by the Management of the Company, see "Voting Security Ownership of Certain Beneficial Owners and Management" and "Director and Executive Officer Compensation."

The Board has adopted, subject to the approval of the Company's shareholders, two amendments to the Plan. Section 11 of the Plan requires the approval of the Company's shareholders in order to approve the amendments to the plan, and Section 422(b) of the Code requires that incentive stock options be granted pursuant to a plan which is approved by the shareholders of the granting corporation. Therefore the Company is requesting the approval of its shareholders for the amendments to the Plan.

AMENDMENT NO. 1

Amendment No. 1 would change Section 11 of the Plan, entitled "Effective Date of the Plan" ("Section 11"). As currently written, Section 11 requires that the shares of Common Stock issuable under the Plan be registered with the Securities and Exchange Commission prior to the exercise of any options granted pursuant to the Plan. Amendment No. 1 to the Plan would change that provision to require compliance with the applicable requirements of the federal securities laws in connection with the exercise of any such options. Amendment No. 1, therefore, would change the language of Section 11 to read as follows:

"11. EFFECTIVE DATE OF THE PLAN. This Plan shall be effective as of September 1, 1998 and shall be submitted to the shareholders of the Company for approval. No Option or Stock Appreciation Right shall be exercisable and no Company Stock shall be issued under the Plan until (i) the Plan has been approved by the Company's shareholders, (ii) the requirements of any applicable federal securities laws have been met, and (iii) the requirements of any applicable state securities laws have been met."

18

AMENDMENT NO. 2

Amendment No. 2 would increase the aggregate number of shares of Common Stock that may be awarded under the Plan to 1,500,000 shares. An aggregate of 500,000 shares of the Company's Common Stock were originally reserved for issuance under the Plan. Pursuant to a proposal adopted by the Company and approved by its shareholders on December 16, 1999, the Company subsequently amended the Plan to reserve an aggregate of 1,000,000 shares of the Company's Common Stock for issuance under the Plan, which amount is currently reserved to date (subject to adjustment as provided in the Plan). The Board of Directors believes that the purposes of the Plan and the best interests of the Company will be furthered by increasing the aggregate number of shares that may be awarded. The Board of Directors wishes to ensure the continued availability of Common Stock that may be awarded to all current and future Directors, Executive Officers and employees.

THE BOARD RECOMMENDS A VOTE IN FAVOR OF THIS PROPOSAL.

Edgar Filing: PALLET MANAGEMENT SYSTEMS INC - Form DEF 14A

3. RATIFICATION OF SELECTION OF INDEPENDENT AUDITOR

It is intended that the votes will be cast pursuant to the accompanying proxy for the ratification of Kaufman, Rossin & Co. ("KR&C"), as the Company's independent auditor, unless otherwise directed. KR&C's service as the Company's independent auditor began with the audited financial statements for 1999.

The following table sets forth the aggregate fees billed by KR&C to the Company for 2001:

Annual Audit Fees	\$42,500
Financial Information Systems Design and Implementation Fees	\$ 0
All Other Fees	\$21,614
Total	\$64,114
-----	-----

Based on the foregoing, the Company's Audit Committee believes that the provision of services to the Company by KR&C is compatible with maintaining KR&C's independence.

No member of KR&C or any associate thereof has any financial interest in the Company or its subsidiaries. By mutual agreement, a member of that firm will not attend the Meeting and therefore will not have the opportunity to make a statement or be available to respond to questions.

19

Shareholder approval of the Company's auditor is not required under Florida law. The Board is submitting its selection of KR&C to its Shareholders for ratification in order to determine whether the Shareholders generally approve of the Company's auditor. If the selection of KR&C is not approved by the Shareholders, the Board will reconsider its selection.

THE BOARD RECOMMENDS A VOTE IN FAVOR OF THIS PROPOSAL.

4. OTHER MATTERS

The Board is not aware of any other business that may come before the meeting. However, if additional matters properly come before the meeting, then proxies will be voted at the discretion of the proxy-holders.

SHAREHOLDER PROPOSALS

Shareholder proposals intended to be presented at, and included in the Company's proxy statement and proxy relating to, the fiscal 2003 Annual Meeting of Shareholders of the Company must be received by the Company no later than December 20, 2002, at its principal executive offices, located at 2855 University Drive, Suite 510, Coral Springs, Florida 33065. Shareholder proposals intended to be presented at, but not included in the Company's proxy statement and proxy for, that meeting must be received by the Company no later than March 5, 2003, at the foregoing address; otherwise, such proposals will be subject to the grant of discretionary authority contained in the Company's form of proxy to vote on them.

6. Restricted Stock Awards for Employees and Selected Advisors.

A Restricted Stock Award may be made by the Committee in its discretion without cash consideration.

A-4

(b) Restricted Stock issued pursuant to the Plan shall be subject to the following restrictions:

(i) None of such shares may be sold, assigned, transferred, pledged, hypothecated, or otherwise encumbered or disposed of until the restrictions on such shares shall have lapsed or shall have been removed pursuant to paragraph (d) or (e) below.

(ii) The restrictions on such shares must remain in effect and may not lapse for a period of two years beginning on the Date of Grant, except as provided under paragraph (d) or (e) in the case of Disability, death or a Change in Control.

(iii) If a Participant ceases to be employed by the Company or a Parent or Subsidiary of the Company, the Participant shall forfeit to the Company any shares of Restricted Stock, the restrictions on which shall not have lapsed or shall not have been removed pursuant to paragraph (d) or (e) below, on the date such Participant shall cease to be so employed.

Arrangements satisfactory to the Company may, in the sole discretion of the Company, include the obtaining of a loan from the Company to pay such taxes. Until such amount has been paid or arrangements satisfactory to the Company have been made, no stock certificates free of a legend reflecting the restrictions set forth in paragraph (b) above shall be issued to such Participant. If Restricted Stock is being issued to a Participant without the use of a stock certificate, the restrictions set forth in paragraph (b) shall be communicated to the Participant in the manner required by law.

(g) As an alternative to making a cash payment to the Company to satisfy Applicable Withholding Taxes, the Committee may establish procedures permitting the Participant to elect to (a) deliver shares of already owned Company Stock or (b) have the Company retain that number of shares of Company Stock that would satisfy all or a specified portion of the Applicable Withholding Taxes arising in the year the Incentive Award becomes subject to tax. Any such election shall be made only in accordance with procedures established by the Committee. The Committee has the express authority to change any election procedure it establishes at any time.

7. Stock Options for Employees and Selected Advisors.

(a) Whenever the Committee deems it appropriate to grant Options, notice shall be given to the eligible Employee or Selected Advisor stating the number of shares for which Options are granted, the Option price per share, whether the Options are Incentive Stock Options or Nonstatutory Stock Options, the extent, if any, to which Stock Appreciation Rights are granted, and the conditions to which the grant and exercise of the Options are subject. This notice, when duly

Edgar Filing: PALLET MANAGEMENT SYSTEMS INC - Form DEF 14A

accepted in writing by the Participant, shall become a stock option agreement between the Company and the Participant.

(b) Incentive Stock Options may only be awarded to Employees of the Company. "Tandem stock options" (where two stock options are issued together and the exercise of one option affects the right to exercise the other option) may not be issued in connection with Incentive Stock Options. The exercise price of shares of Company Stock covered by an Incentive Stock Option shall be not less than 100% of the Fair Market Value of such shares on the Date of Grant; provided that if an Incentive Stock Option is granted to an Employee who, at the time of the grant, is a 10% Shareholder, then the exercise price of the shares covered by the Incentive Stock Option shall be not less than 110 % of the Fair Market Value of such shares on the Date of Grant.

(c) The exercise price of shares of Company Stock covered by a Nonstatutory Stock Option shall be not less than 85% of the Fair Market Value of such shares on the Date of Grant. Notwithstanding the foregoing, Nonstatutory Stock Options shall not be less than 100% of the Fair Market Value of such shares on the Date of Grant if the Committee intends for such Options to qualify under Code section 162(m).

A-6

(d) Options may be exercised in whole or in part at such times as may be specified by the Committee in the Participant's stock option agreement; provided that the exercise provisions for Incentive Stock Options shall in all events not be more liberal than the following provisions:

(i) No Incentive Stock Option may be exercised after the first to occur of:

(x) Ten years (or, in the case of an incentive Stock Option granted to a 10% Shareholder, five years) from the Date of Grant,

(y) Three months following the date of the Participant's termination of employment with the Company and any Parent or Subsidiary of the Company for reasons other than death or Disability; or

(z) One year following the date of the Participant's termination of employment by reason of death or Disability.

(ii) Except as otherwise provided in this paragraph, no Incentive Stock Option may be exercised unless the Participant is employed by the Company or a Parent or Subsidiary of the Company at the time of the exercise and has been so employed at all times since the Date of Grant. If a Participant's employment is terminated other than by reason of death or Disability at a time when the Participant holds an Incentive Stock Option that is exercisable (in whole or in part), the Participant may exercise any or all of the exercisable portion of the Incentive Stock Option (to the extent exercisable on the date of such termination) within three months after the Participant's termination of

employment. If a Participant's employment is terminated by reason of his Disability at a time when the Participant holds an Incentive Stock Option that is exercisable (in whole or in part), the Participant may exercise any or all of the exercisable portion of the Incentive Stock Option (to the extent exercisable on the date of Disability) within one year after the Participant's termination of employment. If a Participant's employment is terminated by reason of his death at a time when the Participant holds an Incentive Stock Option that is Exercisable (in whole or in part), the Incentive Stock Option may be exercised (to the extent exercisable on the date of death) within one year after the Participant's death by the person to whom the Participant's rights under the Incentive Stock Option shall have passed by will or by the laws of descent and distribution.

A-7

(iii) An Incentive Stock Option, by its terms, shall be exercisable in any calendar year only to the extent that the aggregate Fair Market Value (determined at the Date of Grant) of the Company Stock with respect to which Incentive Stock Options are exercisable by the Participant for the first time during the calendar year does not exceed \$100,000 (the "Limitation Amount"). The foregoing Limitation Amount shall be adjusted to the extent required by any amendment to or modification of Code section 422. Incentive Stock Options granted after December 31, 1986 under the Plan and all other plans of the Company and any Parent or Subsidiary of the Company shall be aggregated for purposes of determining whether the Limitation Amount has been exceeded. The Committee may impose such conditions as it deems appropriate on an Incentive Stock Option to ensure that the foregoing requirement is met. If Incentive Stock Options exercisable by the Participant for the first time during any calendar year exceed the Limitation Amount, the excess Options will be treated as Nonstatutory Stock Options to the extent permitted by law.

(e) The Committee may, in its discretion, provide that an Option granted to an Insider will not be exercisable by the Insider within the first six months after it is granted.

(f) The Committee may, in its discretion, grant Options that by their terms become fully exercisable upon a Change of Control notwithstanding other conditions or, exercisability in the stock option agreement, and, in such event, paragraph (e) shall not apply.

8. Stock Appreciation Rights and Performance Awards for Employees and Selected Advisors.

(a) Whenever the Committee deems it appropriate, Stock Appreciation Rights may be granted in connection with all or any part of an Option, either concurrently with the grant of the Option or, if the Option is a Nonstatutory Stock Option, by an amendment to the Option at any time thereafter during the term of the Option. Stock Appreciation Rights may be exercised in whole or in part at such times and under such conditions as may be specified by the Committee in the Participant's stock option agreement. The following provisions apply to

Edgar Filing: PALLET MANAGEMENT SYSTEMS INC - Form DEF 14A

all Stock Appreciation Rights that are granted in connection with Options:

(i) Stock Appreciation rights shall entitle the Participant, upon exercise of all or any part of the Stock Appreciation Rights, to surrender to the Company unexercised that portion of the underlying Option relating to the same number of shares of Company Stock as is covered by the Stock Appreciation Rights (or the portion of the Stock Appreciation Rights so exercised) and to receive in exchange from the Company an amount equal to the excess of (x) the Fair Market Value on the date of exercise of the Company Stock covered by the surrendered portion of the underlying Option over (y) the exercise price of the Company Stock covered by the surrendered portion of the underlying Option. The Committee may limit the amount that the Participant will be entitled to receive upon exercise of the Stock Appreciation Right.

A-8

(ii) Upon the exercise of a Stock Appreciation Right and surrender of the related portion of the underlying Option, the Option, to the extent it surrendered, shall not thereafter be exercisable.

(iii) The Committee may, in its discretion, grant Stock Appreciation Rights in connection with Options which by their terms become fully exercisable upon a Change of Control, which Stock Appreciation Rights shall only be exercisable following a Change of Control. The underlying Option may provide that such Stock Appreciation Rights shall be payable solely in cash. The terms of the underlying Option shall provide the method by which fair market value of the Company Stock on the date of exercise shall be calculated based on one of the following alternatives:

(x) the Fair Market Value of the Company Stock as of the business day immediately preceding the day of exercise;

(y) the highest Fair Market Value of the Company Stock during the 90 days immediately preceding the Change of Control; or

(z) the greater of (x) or (y).

(iv) Subject to any further conditions upon exercise imposed by the Committee, a Stock Appreciation Right shall be exercisable only to the extent that the related Option is exercisable, and shall expire no later than the date on which the related Option expires.

(v) A Stock Appreciation Right may only be exercised at a time when the fair market value of the Company Stock covered by the Stock Appreciation Right exceeds the exercise price of the Company Stock covered by the underlying Option.

(b) Whenever the Committee deems it appropriate, Stock

Edgar Filing: PALLET MANAGEMENT SYSTEMS INC - Form DEF 14A

Appreciation Rights may be granted without related Options. The terms and conditions of the award shall be set forth in a stock appreciation rights agreement between the Company and the Participant. The following provisions apply to all Stock Appreciation Rights that are granted without related Options:

(i) Stock Appreciation Rights shall entitle the Participant, upon the exercise of all or any part of the Stock Appreciation Rights, to receive from the Company an amount equal to the excess of (x) the Fair Market Value on the date of exercise of the Company Stock covered by the Stock Appreciation Rights over (y) the Fair Market Value on the Date of Grant of the Company Stock covered by the Stock Appreciation Rights. The Committee may limit the amount that the Participant may be entitled to receive upon exercise of the Stock Appreciation Right.

A-9

(ii) Stock Appreciation Rights shall be exercisable, in whole or in part, at such times as the Committee shall specify in the Participant's stock appreciation rights agreement.

(c) The manner in which the Company's obligation arising upon the exercise of a Stock Appreciation Right shall be paid shall be determined by the Committee and shall be set forth in the Participant's stock option agreement (if the Stock Appreciation Rights are related to an Option) or stock appreciation rights agreement. The Committee may provide for payment in Company Stock or cash, or a fixed combination of Company Stock or cash, or the Committee may reserve the right to determine the manner of payment at the time the Stock Appreciation Right is exercised. Shares of Company Stock issued upon the exercise of a Stock Appreciation Right shall be valued at their Fair Market Value on the date of exercise.

(d) Performance Awards may be granted to Employees and Selected Advisors under this Plan from time to time based on such terms and conditions as the Committee deems appropriate provided that such awards shall not be inconsistent with the terms and purposes of this Plan. Performance Awards are awards which are contingent upon the performance of the Company or which are contingent upon the individual performance of the Participant. Performance Awards may be in the form of performance units, performance shares, and such other forms of performance awards which the Committee shall determine. The Committee shall determine the performance measurements and criteria for such performance awards.

9. Method of Exercise of Options and Stock Appreciation Rights.

(a) Options and Stock Appreciation Rights may be exercised by the Participant giving written notice of the exercise to the Company stating the number of shares the Participant has elected to purchase under the Option or the number of Stock Appreciation Rights he has elected to exercise. In the case of a purchase of shares under an Option, such notice shall be effective only if accompanied by the exercise price in full paid in cash; provided that, if the terms of an Option so permit, the Participant may (i) deliver shares of Company

Edgar Filing: PALLET MANAGEMENT SYSTEMS INC - Form DEF 14A

Stock (valued at their Fair Market Value on the date of exercise) in satisfaction of all or any part of the exercise price, (ii) deliver a properly executed exercise notice together with irrevocable instructions to a broker to deliver promptly to the Company, from the sale or loan proceeds with respect to the sale of Company Stock or a loan secured by Company Stock, the amount necessary to pay the exercise price and, if required by the Committee, Applicable Withholding, Taxes, or (iii) deliver an interest bearing promissory note, payable to the Company, in payment of all or part of the exercise price together with such collateral as may be required by the Committee at the time of exercise. The interest rate under any such promissory note shall be equal to the minimum interest rate required at the time to avoid imputed interest under the Code.

A-10

(b) The Company may place on any certificate representing Company Stock issued upon the exercise of an Option or a Stock Appreciation Right any legend deemed desirable by the Company's counsel to comply with federal or state securities laws, and the Company may require of the Participant a customary written indication of his investment intent. Until the Participant has made any required payment, including any Applicable Withholding Taxes, and has had issued to him a certificate for the shares of Company Stock acquired, he shall possess no shareholder rights with respect to the shares.

(c) As an alternative to making a cash payment to the Company to satisfy Applicable Withholding Taxes, the Committee may establish procedures permitting the Participant to elect to (a) deliver shares of already owned Company Stock or (b) have the Company retain that number of shares of Company Stock that would satisfy all or a specified portion of the Applicable Withholding Taxes of the Participant arising in the year the Incentive Award becomes subject to tax. Any such election shall be made only in accordance with procedures established by the Committee. The Committee has the express authority to change any election procedure it establishes at any time.

(d) Notwithstanding anything herein to the contrary, if the Company is subject to section 16 of the Act, Options and Stock Appreciation Rights shall always be granted and exercised in such a manner as necessary to conform to the provisions of Rule 16b-3.

(e) If a Participant exercises an Option that has a Reload Feature by delivering already owned shares of Company Stock in payment of the exercise price, the Participant shall automatically be granted a Reload Option. At the time the Option with a Reload Feature is awarded, the Committee may impose such restrictions on the Reload Option as it deems appropriate, but in any event the Reload Option shall be subject to the following restrictions:

(i) The exercise price of shares of Company Stock covered by a Reload Option shall be not less than 100% of the Fair Market Value of such shares on the Date of Grant of the Reload Option;

(ii) If and to the extent required by Rule 16b-3, or if so provided in the option agreement, a Reload Option shall not be exercisable within the first six months after it is granted; provided that, subject to the terms of the Participant's stock option agreement, this restriction shall

Edgar Filing: PALLET MANAGEMENT SYSTEMS INC - Form DEF 14A

not apply if the Participant becomes Disabled or dies during the six-month period;

(iii) The Reload Option shall be subject to the same restrictions on exercisability imposed on the underlying Option (possessing file Reload Feature) that was exercised unless the Committee specifies different limitations;

A-11

(iv) The Reload Option shall not be exercisable until the expiration of any retention holding period imposed on the disposition of any shares of Company Stock covered by the underlying Option (possessing the Reload Feature) that was exercised;

(v) The Reload Option shall not have a Reload Feature. The Participant shall not be entitled to make payment of the exercise price other than in cash unless provisions for an alternative payment method are included in the Participant's stock option agreement or are agreed to in writing by the Company with the approval of the Committee prior to the exercise of the Option.

10. Nontransferability of Incentive Awards. Incentive Awards shall not be transferable unless so provided in the award agreement or an amendment to the award agreement.

11. Effective Date of the Plan. This Plan shall be effective as of September 1, 1998 and shall be submitted to the shareholders of the Company for approval. No Option or Stock Appreciation Right shall be exercisable and no Company Stock shall be issued under the Plan until (i) the Plan has been approved by the Company's shareholders, (ii) the requirements of any applicable federal securities laws have been met, and (iii) the requirements of any applicable state securities laws have been met.

12. Termination, Modification, Change. If not sooner terminated by the Board, this Plan shall terminate at the close of business on August 31, 2008 . No Incentive Awards shall be granted under the Plan after its termination. The Board may terminate the Plan or may amend the Plan in such respects as it shall deem advisable. The Board may unilaterally amend the Plan and Incentive Awards as it deems appropriate to ensure compliance with Rule 16b-3 and to cause Incentive Awards to meet the requirements of the Code, including Code section 422, and regulations thereunder. Except as provided, in the preceding sentence, a termination or amendment of the Plan shall not, without the consent of the Participant, adversely affect a Participant's rights under an Incentive Award previously granted to him.

13. Change in Capital Structure.

(a) The number of shares reserved for issuance under the Plan, the terms of Incentive Awards, and all computations under the Plan shall be appropriately adjusted by the Committee should the Company effect one or more stock dividends, stock splits, subdivisions or consolidations of shares, or other similar changes in capitalization, or if the par value of Company Stock is altered. If the adjustment would produce fractional shares with respect to any unexercised Option, the Committee may adjust appropriately the number of shares covered by the Option so as to eliminate the fractional shares.

A-12

(b) If the Company is a party to a consolidation or merger in which the Company is not the surviving corporation, a transaction that results in the acquisition of substantially all of the Company's outstanding stock by a single person or entity, or a sale or transfer of substantially all of the Company's assets, the Committee may take such actions with respect to outstanding Incentive Awards as the Committee deems appropriate.

(c) Any determination made or action taken under this Section 14 by the Committee shall be final and conclusive and may be made or taken without the consent of any Participant.

14. Administration of the Plan. The Plan shall be administered by a Committee, which shall be appointed by the Board, and which shall consist of not less than two such members of the Board. Each member of the Committee shall qualify as a "non-employee director" for 14 purposes of Rule 16b-3 and as an "outside director" for purposes of Code section 162(m) and the regulations thereunder. The Committee shall have general authority to construe and interpret the terms of the Plan and the respective award agreements under the Plan, to impose any limitation or condition upon an Incentive Award that the Committee deems appropriate to achieve the objectives of the Incentive Award and the Plan. The determination of the Committee with respect to any matter under the Plan to be acted upon by the Committee shall be conclusive and binding. Without limitation and in addition to powers set forth elsewhere in the Plan, the Committee shall have the following specific authority:

(a) The Committee shall have the power and complete discretion to determine (i) which eligible Employees and Selected Advisors shall receive an Incentive Award and the nature of the Incentive Award, (ii) the number of shares of Company Stock to be covered by each Incentive Award, (iii) whether Options shall be Incentive Stock Options or Nonstatutory Stock Options, (iv) when, whether and to what extent Stock Appreciation Rights shall be granted in connection with Options, (v) the Fair Market Value of Company Stock, (vi) the time or times when an Incentive Award shall be granted, (vii) whether an Incentive Award shall become vested over a period of time and when it shall be fully vested, (viii) when Options and Stock Appreciation Rights may be exercised, (ix) whether a Disability exists, (x) the manner in which payment will be made upon the exercise of Options or Stock Appreciation Rights, (xi) conditions relating to the length of time before disposition of Company Stock received upon the exercise of Options or Stock Appreciation Rights is permitted, (xii) procedures for the withholding or delivery of Company Stock to satisfy Applicable Withholding Taxes, (xiii) the terms and conditions applicable to Restricted Stock Awards, (xiv) the terms and conditions on which restrictions upon Restricted Stock shall lapse, (xv) whether to accelerate the time at which any or all restrictions with respect to Restricted Stock will lapse or be removed, (xvi) notice provisions relating to the sale of Company Stock acquired under the Plan, and (xvii) any additional requirements relating to Incentive Awards that the Committee deems appropriate. The Committee shall have the power to amend the terms of previously granted Incentive Awards so long as the terms as amended are consistent with the terms of the Plan and provided that the consent of the Participant is obtained with respect to any amendment that would be detrimental to the Participant, except that such consent will not be required if such amendment is for the purpose

Edgar Filing: PALLET MANAGEMENT SYSTEMS INC - Form DEF 14A

of complying with Rule 16b-3 or any requirement of the Code applicable to the Incentive Award.

A-13

(b) The Committee may adopt rules and regulations for carrying out the Plan. The interpretation and construction of any rules or regulations adopted by the Committee shall be final and conclusive. The Committee may consult with counsel, who may be counsel to the Company, and shall not incur any liability for any action taken in good faith in reliance upon the advice of counsel.

(c) The Committee may delegate to the officers or employees of the Company and deliver such instruments and documents, to do all such acts and things, and to take all such other steps deemed necessary, advisable or convenient for the effective administration of the Plan in accordance with its terms and purpose, except that the Committee may not delegate any discretionary authority with respect to substantive decisions or functions regarding the Plan, nor as to Incentive Awards thereunder as those relate to Insiders, including but not limited to decisions regarding the timing, eligibility, pricing, amount or other material term of such Awards.

(d) A majority of the members of the Committee shall constitute a quorum, and all actions of the Committee shall be taken by a majority of the members present. Any action may be taken by a written instrument signed by all of the members, and any action so taken shall be fully effective as if it had been taken at a meeting.

(e) The Board from time to time may appoint members previously appointed and may fill vacancies, however caused, in the Committee.

Notwithstanding this Section 14 or any other provision of the Plan to the contrary, any action required or permitted to be performed by the Committee may be performed by the entire Board to the extent necessary or appropriate to satisfy Rule 16b-3, as determined in the discretion of the Board.

15. Notice. All notices and other communications required or permitted to be given under this Plan shall be in writing and shall be deemed to have been duly given if delivered personally or mailed first class, postage prepaid, as follows: (a) if to the Company - at its principal business address to the attention of the Secretary; (b) if to any Participant - at the last address of the Participant known to the sender at the time the notice or other communication is sent.

16. Interpretation. The terms of this Plan are subject to all present and future regulations and rulings of the Secretary of the Treasury or his delegate relating to the qualification of Incentive Stock Options under the Code. If any provision of the Plan conflicts with any such regulation or ruling, then that provision of the Plan shall be void and of no effect. As to all Incentive Stock Options and all Nonstatutory Stock Options with an exercise price of at least 100% of Fair Market Value of the Company Stock on the Date of Grant, this Plan shall be interpreted for such Options to be excluded from applicable employee remuneration for purposes of Code section 162(m).
